Historical Note:

Raleigh Court Elementary School opened for the 1960 school year at 2202 Grandin Road SW. The school served students from grades K-5 for almost fifty years. Due to the budgeting crisis, the need for costly repairs to the building and declining enrollment, Raleigh Court, along with Ruffner Middle School, closed after the 2009 school year.

Scope and Content:

The Raleigh Court Elementary School scrapbook collection consists of scrapbooks from each school year or range of years from 1960-1996, with some years missing. Scrapbooks contain photographs and slides, memorabilia, PTA announcements and memoranda, news clippings, brochures and flyers. In an effort to preserve the materials, the scrapbooks were dismantled with the contents foldered as presented in each scrapbook. Each school year's or range of years' scrapbook contains a variety of information related to students, faculty, activities and the Raleigh Court Parent Teacher Association. Also included with the donation were a number of Raleigh Court Elementary School yearbooks. Yearbooks were cataloged and are located in the Virginia Room.
