Biographical or Historical Note:

Evelyn Ashworth Bodine was born in Roanoke, Virginia on March 23, 1925 to John Benjamin and Pearl Martin Ashworth. She married Robert Bruce Bodine on November 16, 1946 in Silver Spring, Maryland.

For over 20 years, Ms. Bodine accumulated research and documented genealogy records. Her hobby as a genealogist led her to volunteer many hours in both the Virginia Room and the Latter Day Saints' Family History Library. She spent countless hours scouring records for information on her ancestors. This collection is a culmination of her efforts. Ms. Bodine passed away on May 16, 2003.

Scope and Content:

This collection consists of genealogical research compiled by Evelyn Ashworth Bodine. Ms. Bodine compiled records on a number of surnames, primarily Ashworth, Bodine, Burgess, Ferguson-Phelps, Hiatt, and Thornton-Gadd. Each folder included on the container list includes the information compiled by Ms. Bodine. This often includes pedigree charts, copies, of records, copies from secondary sources, and notes typewritten by the creator. Ms. Bodine visited many courthouses, libraries, and other institutions to conduct genealogical research. Much of the material is related to Virginia counties, but extends to many other states. In most cases, source citations are provided. Material in each folder is arranged as it was kept by Ms. Bodine. It should be noted that Box 3 contains some of the same surnames as those found in Boxes 1 and 2; however, the documents are legal size, therefore housed in a separate container. The collection includes a few separate files of loose items, such as obituaries, wedding announcements, and funeral programs, which are not surname specific. Also included are some photographs. Photographs and loose items are arranged following surname files.
