Foreword

THE MODERN HOME, RECREATION, THE COMMUNITY—THREE OF THE OUTSTANDING INFLUENCES THAT HAVE MOULDED THE ROUNDED HIGH SCHOOL BOY AND GIRL HAVE FURNISHED THE THEMES FOR OUR THREE FIRST ISSUES OF THE ACORN.

THE FOURTH INFLUENCE, "OUR SCHOOL," WE PRESENT AS THE THEME OF OUR 1935 ANNUAL.

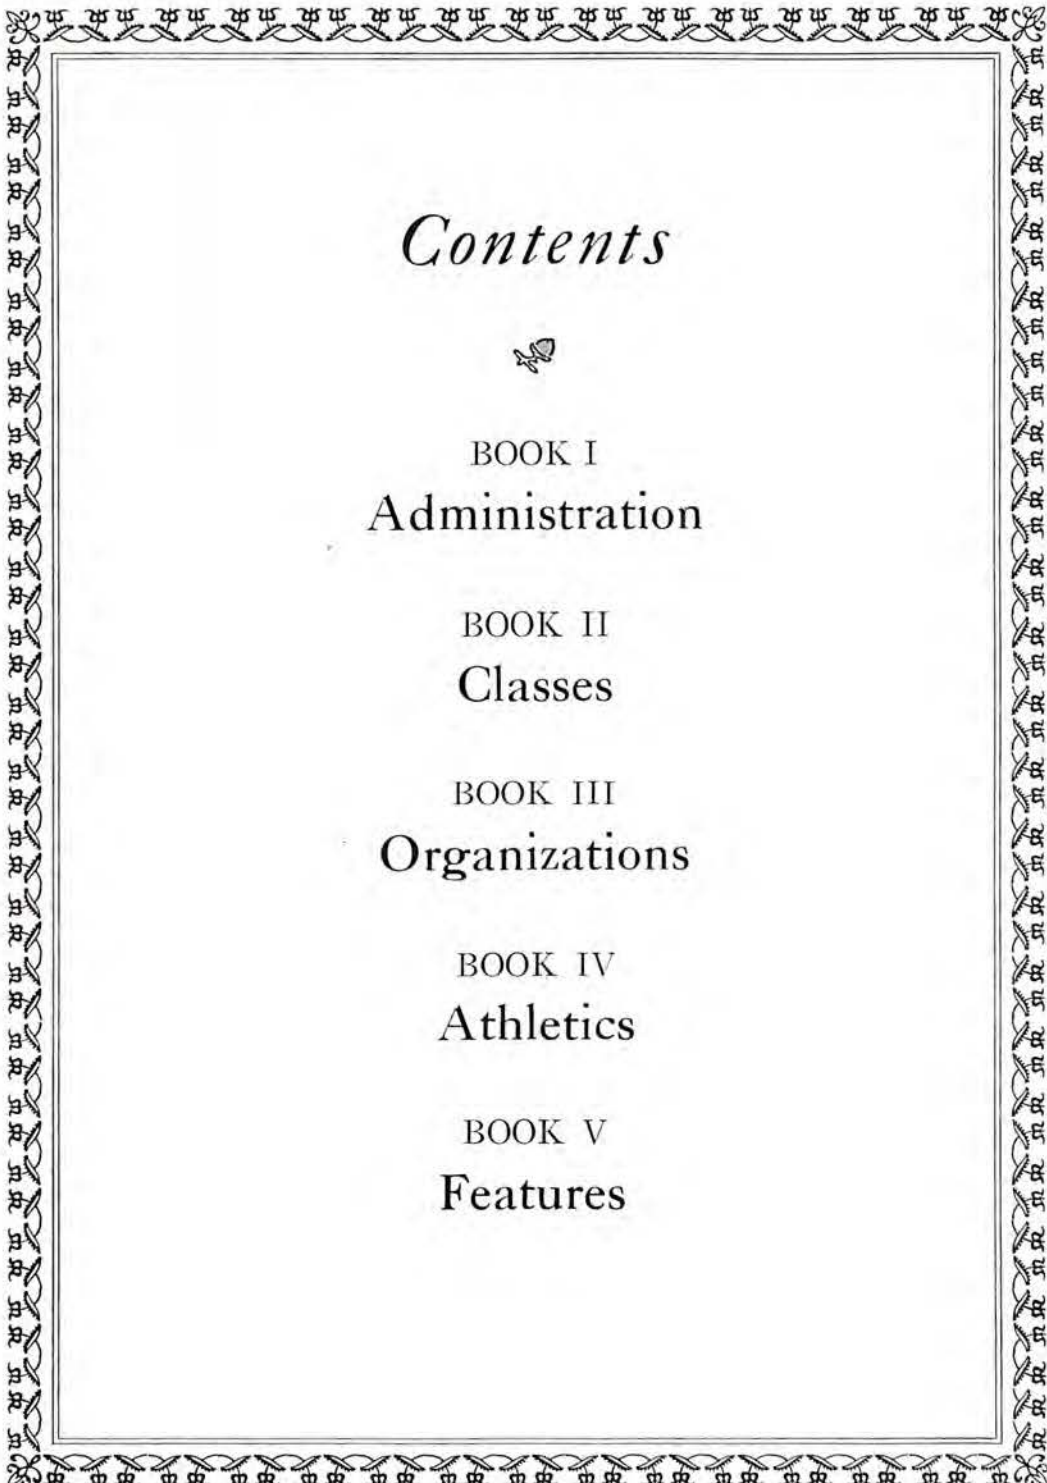

JEFFERSON HIGH SCHOOL HAS PROBABLY BEEN THE GREATEST INFLUENCE OF ALL IN OUR DEVELOPMENT.

IN ITS PAGES WE HAVE ENDEAVORED TO PICTURE OUR SENIOR CLASS, ITS FACULTY, SOME OF ITS ACTIVITIES, AND SOME OF ITS TASTES AND ASPIRATIONS.

IF IN A SMALL WAY WE HAVE SUCCEEDED, WE WILL BE PLEASED.

DEAR SENIOR, YOU ARE THE CENTER OF TREATMENT! MAY THE 1935 ANNUAL BE TO YOU A RECORD THAT YOU WILL WANT TO CHERISH.

FAITHFULLY,
YOUR EDITOR-IN-CHIEF

STATE TEACHERS COLLEGE

ESTABLISHED 1884

FARMVILLE, VIRGINIA

THE STATE TEACHERS COLLEGE, AT FARMVILLE, VIRGINIA, EXTENDS GREETINGS TO THE SENIORS OF THE JEFFERSON HIGH SCHOOL AND WISHES TO CONGRATULATE THEM UPON HAVING THE RARE PRIVILEGE OF ATTENDING A SCHOOL THAT MAINTAINS SUCH HIGH STANDARDS AND DOES SUCH EXCELLENT WORK. WE KNOW THE EXCELLENCE OF ITS WORK THROUGH ITS GRADUATES. WE HAVE HAD THE PLEASURE OF HAVING MANY OF THEM WITH US AND THEY HAVE MADE A SPLENDID RECORD—MANY OF THEM BEING AMONG OUR OUTSTANDING STUDENTS. WE WISH YOU WELL IN EVERY PRESENT AND PROSPECTIVE ACTIVITY AND HOPE TO HAVE THE PLEASURE OF KNOWING MANY OF YOU PERSONALLY.

SINCERELY,

J. L. JARMAN, *President.*

ROANOKE COLLEGE

OFFICE OF THE PRESIDENT

SALEM, VIRGINIA

TO THE MEMBERS OF THE CLASS OF
1935 OF JEFFERSON HIGH SCHOOL
ROANOKE, VIRGINIA :

IT IS A PLEASURE TO EXTEND A GREETING AS YOU COME TO THE CLOSE OF YOUR HIGH SCHOOL EXPERIENCE. FROM NOW ON, YOU WILL BE LARGELY THE DIRECTORS OF YOUR OWN COURSE IN LIFE. I DO NOT SHARE THE THOUGHT THAT YOUTH TODAY IS DISILLUSIONED AND HOPELESS. YOU HAVE AN INVESTMENT TO MAKE IN LIFE AND LIFE AWAITS ALL WHO WILL MAKE THE INVESTMENT WISELY. IT DOES NOT OFFER MUCH TO THE CARELESS OR THE INDIFFERENT, BUT TO THE ONES WHO ARE STRONG AND COURAGEOUS IT OFFERS HAPPINESS THROUGH LABOR AND LOVE. I SHALL BE GLAD TO BE OF HELP TO ANY OF YOU WHO MAY CALL UPON ME.

FAITHFULLY,

CHAS. J. SMITH,

President.

Understanding

*To youth, life is a boundless sea,
An ocean of eternity.
Lost is the vastness of its shore,
Mute against its mighty roar,
Mere atoms of humanity,
Yet, bursting, nigh, with vanity
We strive to pierce infinity—
To comprehend divinity!
And fear because we cannot see;
Because we know not what shall be!
Imprisoned by our finite minds,
We chaff and fret in our confines,
We seek to soar, but only fall;
And, helpless, know not whom to call.*

*An answer to an unmade plea
Comes out of dark infinity,
A clap of thunder is each word—
Yet, thunder felt, not thunder heard!
"God gives the lily raiment fair,
A flow'r is burdened with no care!
He marks the fall of every bird;
And tells us in His Holy Word
To take no thought of a to-morrow,
Or any future care or sorrow—"
An answer with such comfort fraught
That all our ravings seem as naught.
The burden of divinity,
The pressure of infinity,
Have all rolled off into the sea
And now, at last, the soul is free.*

Mr. William W. Hoback,
Editor, The Acorn,
Jefferson Senior High School,
Roanoke, Virginia.

My dear Mr. Hoback:

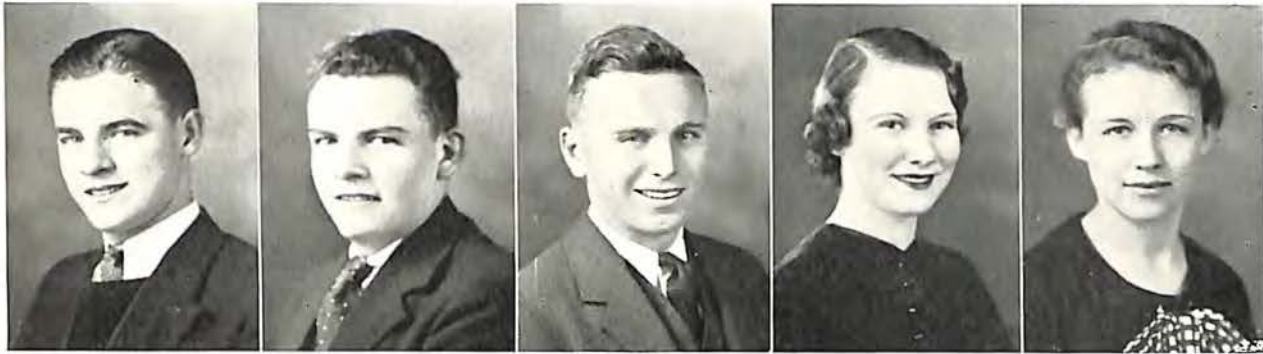

I take this occasion to extend my official and personal best wishes and greetings to The Acorn, the attractive annual of the Jefferson High School, and to the Senior Class of 1935.

Deeply interested in education in Virginia, I have been gratified at the valuable service rendered in this line by your school.

I wish for the graduates of 1935, the Jefferson Senior High School and The Acorn continued and prolonged success, and congratulate you on your enterprise.

JEFFERSON SOPHOMORE CLASS

The Jefferson Sophomore Class

The Sophomore Class is one of the largest in the history of the school and its possibilities in leadership and achievement have not been surpassed.

The members of this class have entered heartily into the various activities of the school, both literary and athletic, and have shown marked ability in scholastic attainment.

They have exhibited a spirit of loyalty and cooperation in upholding the high standards of honesty and justice in Student Government.

The class was represented on the Prefect Council by Buddy Boone, Frank Fitch, Rosalind Dance, and Edna White.

LEE JUNIOR SOPHOMORE CLASS

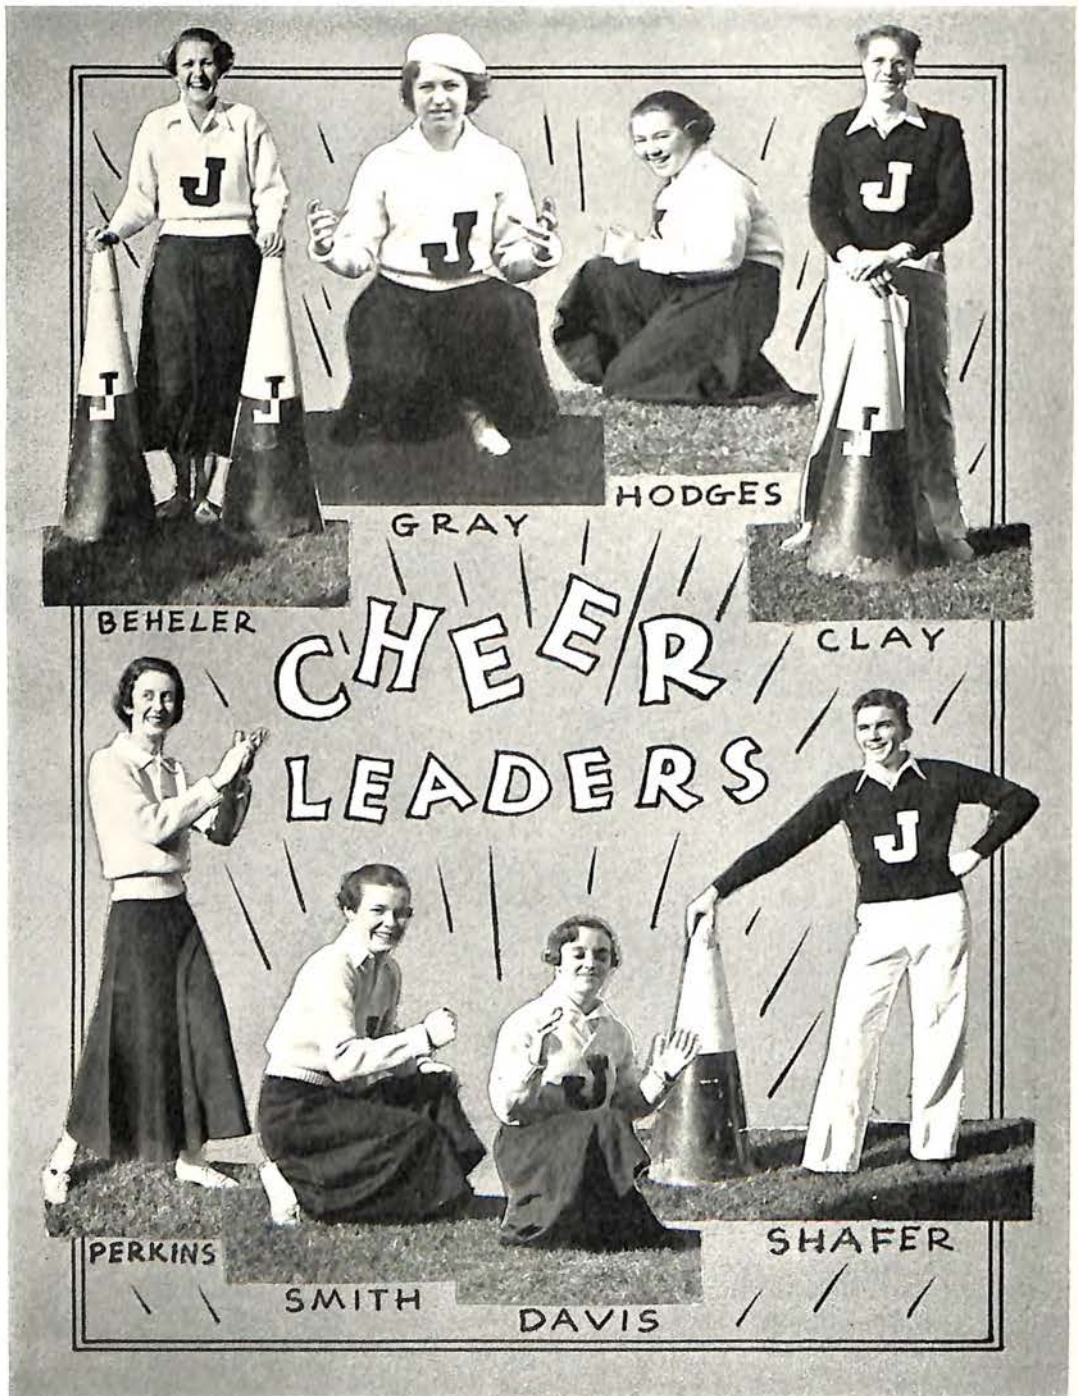

The Sophomore Class of Lee Junior

The Sophomore Class at Lee Junior has acquired a certain prominence and group consciousness which has not been evidenced in the years past. This is due not only to its unprecedented size which is approximately two-thirds of the whole student body—but to a conspicuous spirit of interest and coöperation on the part of the students themselves.

The class was organized in the early fall with the following officers: President, Billy Dickerson; Vice President, Reba Rumbley; Secretary, Eleanor Dull; Treasurer, Thomas C. Smith. In addition to the meetings attendant upon organization, the class met once to hear speakers from Jefferson Senior High School, and on another occasion to hear an outside speaker.

Many of the members of this class have been very active in the recent Student Government Organization at Lee Junior and have demonstrated in many ways that they are worthy of responsibility and capable of leadership. We trust that they shall continue to live up to the standard which they have set for themselves.

JEFFERSON STUDENT GOVERNMENT

Jefferson Student Government

In 1928 the faculty and student body of Jefferson High united to organize a Student Government. It consists of a Prefect and a Student Council, giving each student a voice in the government of the school and instilling in him a spirit of honesty and coöperation. In the Prefect Council are vested the legislative, executive, and judicial powers of the organization while the Student Council acts as an advisory body and is a medium between the Prefect Council and the students themselves.

The work of Student Government at Jefferson High School is not limited to fostering a spirit of honesty and promoting better citizenship. Each year the members work upon various projects. The point system was formed to distribute more evenly the various offices of student activities and to prevent any one student from accepting more responsibility than he can perform efficiently. The Handbook, published by the Student Council, has helped students to become acquainted with the school and its activities. One of the most important of these projects was the organization of a State Student Government Association. Jack Tice, Jefferson High's able President of Student Government, was appointed Governor of Student Government in Virginia by the National Student Government Association at their convention held in Washington during the latter part of June, 1934.

LEE JUNIOR STUDENT GOVERNMENT

Lee Junior Student Government

During the fall of 1934, the student body of Lee Junior began to think seriously of organizing a form of student participation in government. With the help of seven faculty advisers a workable plan has been completed. The purpose of the organization in Lee Junior is to promote the idea of self-government among its members and to create in the student body a deeper sense of responsibility. Every pupil, upon his enrollment in school, becomes a member of the organization. Student Government functions through three divisions: The Prefect Council, The Student Council, and The Student Body. The powers of the Prefect Council are legislative, judicial, and executive. Its members are five Sophomores, four Freshmen, and the president of each class. The Student Council is composed of representatives elected from each roll call and these councilmen act as a medium between the Prefect Council and student body.

The members of both councils have given generously of their time, and have earnestly and enthusiastically worked to make this organization a success. With the continued cooperation of the teachers, councils and students, we feel that Student Government will continue to be a leading factor in the school life of Lee Junior.

The members of the Prefect Council: President, Pete Strickland; Vice President, Randolph Pillow; Secretary-Treasurer, Jean Board.

The members from the Sophomore Class: Billy Dickerson (President of the Class), A. B. Terry, Jean Scott, Judith Hunter, Bunny Pendleton, Jean Board.

The members from the Freshman Class: Thomas Old (President of the Class), Susanne Hayward, Jimmy Elliot, Walter Otey, Randolph Pillow.

The members of the Faculty: Mr. Chas. H. Reinhart, Miss Katherine Crallé, Miss Frances Cooper, Miss Lucy Wingfield, Miss Nancy Harrison, Miss Mary Obenshain, Mrs. Ruth O. Smith.

GIRLS CLUB

The Girls Club

Another year has come and gone and in the Girls Club annals a mark of success has been put down. In work and play each girl has kept in her heart and tried to live up to the creed, "Well to look up and up—to dream undaunted dreams aloud, and stumble towards the stars." This and the theme of the year, "Developing Personality," have given food for thought during the year.

From the opening conference, through the Mother-Daughter, Father-Daughter, Faculty, Friendship, and Sweetheart banquets, every meeting and every social gathering has served to join the Club in bonds of friendship. The cooperation so necessary in making any undertaking a success was revealed in the teamwork shown between the committee chairmen and their committees.

CLEAN SPEECH

"To create, maintain, and extend throughout the school and community higher standards of Christian character."

CLEAN ATHLETICS

The Senior Hi-Y Club of 1934-35 has enjoyed a most successful and prosperous year while striving to fulfill its purpose and to carry out the four planks of its platform.

The programs at the meetings have been varied and interesting, consisting usually of short talks and discussions led by prominent men on problems that are constantly confronting boys of this age.

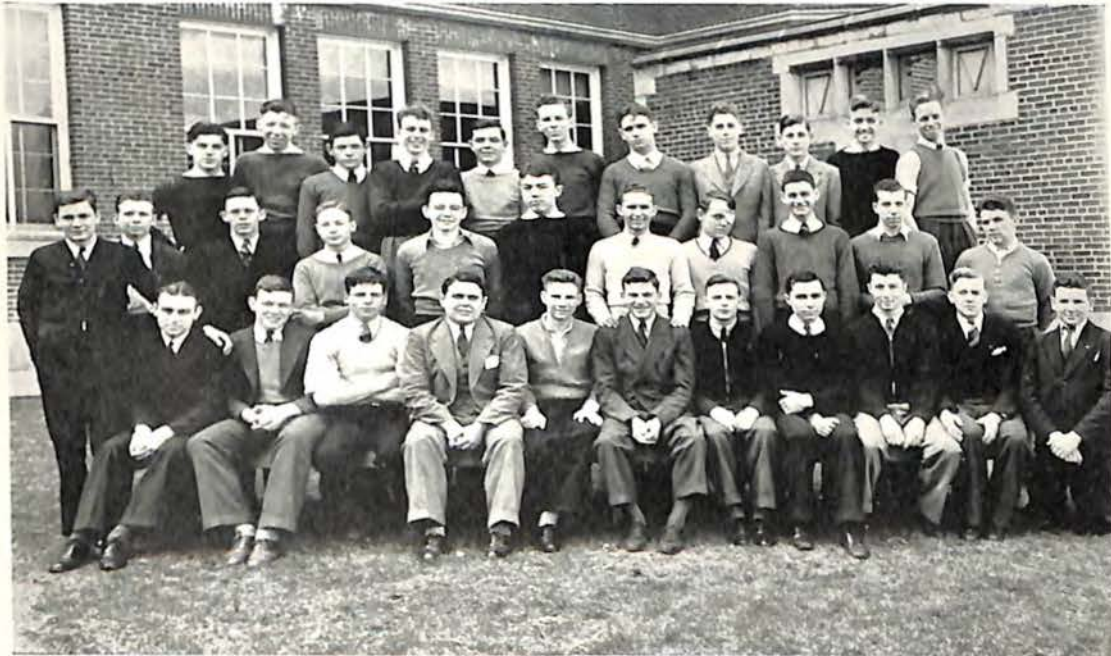

Throughout the year the Hi-Y Club has carried out successfully many projects, some of which are: Week of prayer, Christmas party for under-privileged children, Bible study course, chapel service every Wednesday morning for whole school, projects to improve the school, and banquets for Faculty, Mother, and Sweethearts.

The Junior Hi-Y Club

The second year of the Junior Hi-Y Club of Jefferson High School was very successful. The programs presented during the year were interesting and beneficial. Talks were given on the different planks of our platform. With the help of several posters, a Bible study was held for four weeks. A Vocational Guidance course was held in which men of different professions spoke of the advantages or disadvantages of their professions. Baskets were given to the needy at Christmas and many members attended the District Hi-Y Conference held at Salem.

The social activities of the Club consisted in several banquets for their parents, who were the guests of the Club and a Ladies' Night was held at Camp Johnson.

BOOSTER CLUB

The Booster Club

The Booster Club is an honorary organization for outstanding Junior and Senior girl leaders, who, for their work in school activities are admitted into the club by a five-sixths vote of all members. The membership is limited to twenty and the members must be approved by the faculty committee.

The purpose of the club is to back student activities and endeavor to foster school spirit among the students. The club this year sponsored football parades for the games, sold programs, and gave a pep assembly. The club also sold school colors and stickers and attended the basket-ball games. The year is closed with the annual banquet at the Country Club.

Big Buddy Club

The Big Buddy Club

The Big Buddy Club is an honorary organization for boy leaders in the Junior and Senior Classes. Its purposes are to promote school spirit throughout the student body and to enthusiastically support all student activities.

This year the Club was composed of a truly illustrious group of boys. The members, besides having the leadership, scholarship, and popularity essential for membership, were, for the most part, the most outstanding athletes in school.

The Club promoted interest in athletics by sponsoring "pep" assemblies and painting large signs, and was doubtless responsible, in a large measure, for the keen spirit which resulted in the spectacular football victory over Lynchburg. The year was climaxed, as usual, by the "J Festival," the most elaborate social event of the school, given in honor of all letter men.

MARTHA WASHINGTON LITERARY SOCIETY

Martha Washington Literary Society

The school year 1934-35 proved a most successful year for the Martha Washington Literary Society. The membership was increased to one hundred and fifty-six members.

To demonstrate literary merit the students who join must pass oral or written tryouts, judged by three members of the faculty.

At the end of the year letters are awarded the girls who have twelve points. Approximately twenty-five girls will receive letters.

The society worked in conjunction with the Jeffersonian Literary Society to present two assemblies and to hold semi-annual banquets.

In 1934 the literary teams won Class A Championships in debating, spelling and verse—also Class A and State Championship in boys' reading.

In 1935 the literary teams won the State cup in after-dinner speaking and debating at Roanoke College. At Radford we received the piano award and placed in reading.

A strong literary team is going to represent us at Charlottesville, so at present, we are waiting for more plaques and cups to add to our laurels.

The Martha Washington Literary Society is an outstanding club in Jefferson High School; its members show a fine spirit of friendliness and loyalty to each other and to the school.

JEFFERSONIAN LITERARY SOCIETY

Jeffersonian Literary Society

The Jeffersonian Literary Society, one of the oldest organizations in High School, is open to every boy who wishes to join.

Its main purpose is to teach its members stage presence and a comprehension of all materials which are brought before the Society. Practically every boy who enters this organization feels, as he graduates, that the J. L. S. has contributed something to him that will be beneficial in after life.

To date, there are about sixty boys who are in good standing and who attend meetings regularly. These boys are permitted to enter all contests which are held for Roanoke College and Charlottesville.

At the contests at Roanoke College this year, our affirmative debating team, composed of Vernon Mountcastle and Betty Cooke, rapidly eliminated the other teams to bring home the Debating Cup; while Jack Noffsinger, our after-dinner speaking representative, ousted three opponents to clinch the cup for Jefferson, giving the entire day's honors to those representatives of Jefferson High School.

Every boy should think that this Society is not only for a chartered few, but for every boy who desires to make the most of his opportunities.

EXPRESSION DEPARTMENT

MISS CLARA BLACK
Director Expression Department

Expression Department

"As the man, so is his speech"

Such training as one receives in the Expression Department is invaluable: The specially gifted students are given the technique and training that will enable them to develop their talents, for their own benefit and for the pleasure afforded others; the average are given exercises and opportunities perhaps a little less formal and public, that will encourage and develop their resourcefulness—qualities of character, so necessary to-day for the success of all phases of human endeavor; the less gifted are given exercises together with reassuring and helpful advice that will reveal to them the possibilities of gaining normal expression. In this department all students are helped to equip themselves for their individual vocations and for efficient citizenship.

The Expression Department has been responsible for many productions this year. Programs have been prepared for banquets, club meetings, and other schools; three Friday afternoon revues have been given; two evenings of one-act plays under the direction of the advanced expression students; and the quite successful presentation of "Little Women." "Growing Pains," a three-act comedy, is in rehearsal; a one-act play is being prepared for Charlottesville; and the senior play—which has not been selected—will complete the year's work of the Expression Department.

Junior World-News

(Published Daily by Students of Jefferson Hi)

Perhaps the most active organization at Jefferson Senior Hi is the *Junior World-News*. It is the only high school organization that holds a meeting every school day.

Each morning from nine to ten, staff members gather in the *Junior World-News* office to prepare the paper to be published in the *Roanoke World-News* that afternoon. At this time the staff engages in many different phases of journalism. The greater part of each issue of the *Junior World-News* is given to current news events around the high school. Through its editorial columns, students can express their opinions, both pro and con, on important high school happenings.

For the purpose of efficiency a staff is organized each

year. At mid-term this staff is revised to reward any improvements made by staff members. Each member has

an expressed duty which he is supposed to perform.

Those who write headlines hold one of the most important positions on the staff. A headline writer must possess a good vocabulary and the ability to make headlines count out exactly. Headlines can make or break any paper, since they are more noticeable than anything else in any newspaper.

The purpose of the *Junior World-News* may be divided into four main heads:

1. To let the public know of Hi's activities.
2. To create a stronger school spirit.
3. To give the student body an interesting and instructive school paper.
4. To teach interested students some of the fundamentals of newspaper work.

Quill and Scroll

The Quill and Scroll is a national honorary society for high school journalists. Thirteen students of Jefferson High have the honor of membership in this society because of outstanding work on THE ACORN, *Junior World-News* or *Roanoke Roman* staffs. They wear the gold pin of the Quill and Scroll as a badge of membership and receive the magazine of the society.

The Quill and Scroll also sponsors journalistic contests which are open to all students. Jefferson High School entries have ranked high in the national contests this year.

The Glee Club

Under the direction of Miss Blanche Hurley the Glee Clubs have added another chapter of success to their book of achievements—keeping their aim of inculcating in the students of Jefferson High a keener interest in, and a better appreciation of good music, they have soared to new heights.

Members of the choral clubs are admitted to the Glee Clubs after passing tests judged by tryout committees. The girls limit their membership to thirty while the boys make no limitation.

The clubs' activities this year included radio broadcasts, participation in a state-wide contest held at Richmond in the fall, the presentation of a cantata at Christmas, an afternoon entertainment, furnishing music for commencement, and the annual spring recital.

The Orchestra

The Jefferson Senior High School Orchestra, which is directed by Miss Blanche Hurley, is composed of the most talented musicians in the school. Members of the Orchestra, while in high school, are being trained for work that will be of benefit to them after their high school days.

This year the Orchestra has furnished music for the High School Plays, for Commencement, has presented outside programs, and has broadcast on the air.

The Girls Athletic Association

The purpose of the Girls Athletic Association is to encourage the girls of the school in all phases of Physical Education, to promote good scholarship and school spirit, to establish the ideals of health, and to develop the true spirit of sportsmanship in all its members.

The G. A. A. is considered one of the most active clubs in high school. The year was started off with a big membership drive. The G. A. A. helped to sponsor the two plays given this year for student activities. One of the most interesting parts of the year's program was the Recreational Tournament between the girls' clubs in Jefferson.

The Physical Education Department, with the help of the Club, sponsored a play day for the High and Junior High Schools in and around Roanoke. The program was divided into two parts. The first part was a recreational period. This offered wholesome social contact and was of recreational value to the girls. The second part was a discussion of the ideals and standards of girls' athletics. The year was ended with an instructive week-end camp.

THE SENIOR AND JUNIOR FRENCH CLUBS

The French Clubs were organized this year under the guidance of Mrs. Fallwell and Miss Rutherford. It was decided that there should be two clubs; one for the advanced students, and a Junior Club for those students studying first-year French, since they could not understand the language so readily.

The primary aim of the Clubs is to familiarize the pupil with conversational French and acquaint him with interesting facts about France and the French people. The president speaks in French when calling the meeting to order, and the minutes of the meetings are in French, also.

The Clubs were honored by having outside speakers talk to them about France, several of whom were natives of that country.

The Literary Team

The 1935 Literary Team, of Jefferson Senior High, is one of the largest in its history.

At Emory and Henry College, February 22d, Melvin Black, our school representative, placed second in a declamation contest among the entries of many other schools.

March 16th, at Roanoke College, sixteen schools were entered in a debate contest, and four in after-dinner speaking contest. Betty Cook and Vernon Mountcastle won the loving cup in debate over Suffolk in the finals; while Jack Noffsinger annexed the loving cup in the after-dinner speaking contest.

March 30th, Misses Mary DeLong and Clara Black took six girl representatives to Radford College to compete in various contests. Sara Davis won a key for placing first in piano; Thelma White placed in recitation, competing with twenty-three other entries; the debaters, Edith Smith and Jean Hunter, were advanced to semi-finals. Others making this trip were Virginia Teeter and Jean Perkins.

Our debaters met those of George Washington High, Danville, here, March 23d, and won the right to go to Charlottesville. These are: Cook-Mountcastle, and Shaffer-Welsh; in the Western district meet at Lynchburg April 26th, Leigh Hanes and Thelma White won first place in Reading; Andy Coxe won second place in Spelling, and Melvin Black won second place in Boy's public speaking. These students will make the trip to Charlottesville to participate in the crowning event of the year.

Mary Estes' poem "Recluse" and Sarah Gray's story, "Straight From Heaven" were named as the outstanding ones of the year.

Martha Rector, Dorothy Eades, Bud Oakey, George Hoover and James Johnson have won the right to represent us at the State meet in a play, "The Singapore Spider."

Those placing in the *Richmond Times Dispatch* Contest were: Mary Elizabeth Stewart, Elizabeth Jackson, Bedford Black, Betty Frantz, Annie Virginia Cook, Jean Hunter, James Johnson, and Margaret Carper.

Roanoke, Va.

Dear Boys:

I wish to take this opportunity to congratulate you upon the record you have made at Roanoke High School. It is not merely a record of contests won but also a fine record of clean sportsmanship and manly conduct.

It is gratifying to note that you are learning the real lessons of Athletics which teach self sacrifice, and develop a spirit of cooperation as well as a will to win. With every good wish for your continued success, I am

Cordially yours,

VIRGINIA POLYTECHNIC INSTITUTE

BLACKSBURG, VIRGINIA

"Congratulations, Jefferson High, on your football record for the season of 1934. While it was not my good fortune to see you in action I have heard from a number of sources that the team as a whole indicated by its play that it had been carefully drilled in the important fundamentals of blocking and tackling and that this together with a fine team spirit was entirely responsible for your success."

Yours sincerely,

H. B. Redd

Coach, Virginia Polytechnic Institute

Virginia Military Institute Athletic Association

LEXINGTON, VIRGINIA

I consider it a privilege to be allowed to extend greetings to the Class of 1935 and especially to the athletes and students interested in athletics.

While at V. M. I. I have had occasion to see many Jefferson teams in action, and your teams have a well-deserved reputation for hard, clean, sportsmanlike play. I have also coached or come in contact with former Jefferson athletes during their college careers and have always found that they have lived up to the fine traditions of your school.

I have only to add that both competitors and rooters have learned a lasting lesson when they absorb the principles of sportsmanship and fair play from properly conducted, mentally and physically beneficial sports.

FOOTBALL

HEAD COACH "HUNK" HURT AND
ASSISTANT CLAUDE MOORMAN

1934 FOOTBALL SQUAD

JOHNNY SHAFER

No. 74

Left End

John Shafer, one of High School's most outstanding athletes, proved his ability as a real football player this past season. Although Johnny has been on the team two years previous to this he has never made such a splendid record before. He played regular left end very efficiently and, whenever necessary, was shifted to the back field where he played left half back. In the back field position he proved himself to be one of the best kickers and ball carriers on the team, with an average of nearly five yards toting the pigskin oval. Johnny was also a very able pass receiver, and was a main cog in Jefferson's passing attack, which proved to be so successful.

Johnny has brown hair, blue eyes, weighs 164 pounds, and is six feet tall.

CLARENCE "BUD" OAKEY

No. 78

Left Tackle

Possibly no man deserved a football letter any more than Bud Oakey, more familiarly known to the boys as "Radio" or "Loud Speaker."

Bud is eighteen years old, six feet tall, and weighs 185 pounds. This was his third year as a member of the squad, and for two years has been a regular on the team. He participated in all the games of the past season and escaped injury.

Bud declares that he has no hobby, but many of his teammates say "loud and frequent speaking" should be given as his hobby.

This is Oakey's senior year and he plans to graduate in June, 1935. He has paid his last respects on the Jefferson High team, and must say "Adieu."

JOHN D. "NIG" HATCHER

No. 71

Left Guard

Another brilliant football star and letter man is "Nig" Hatcher. He is a senior this year and is eighteen years old, five feet, seven inches tall, and weighs 148 pounds.

John D. was injured early in the season in the John Marshall game. For the next four games he was on crutches caring for a broken leg, but in the remainder of the games he returned to his old form and did splendid work. He has played two years for Jefferson and filled the position of left guard. Hatcher and J. Shafer, left end, formed a blocking team which could move the best tackles in the State. John D. was probably the meanest man in the line, and spread terror in opposing backfields.

FRED "RUM-DUM" BURTON

No. 72

Center

Fred Linwood Burton, one of the outstanding members of the team, played center for "dear ole Hi." He, incidentally, is the only member of the team who played in every game without a single substitution.

Fred is eighteen years old, is five feet, ten inches tall, and weighs 163 pounds. Fred was on the squad last year and received a letter; he also received a letter this year.

"Hunk" Hurt commends his line for its wonderful work, and especially Fred for his accurate centering and fine blocking. Although Fred was in no position to make touchdowns he always contributed to them by centering the ball exactly where his teammates expected it.

May his football career always be as successful as it was at "Hi."

BILLY "PRIMO" HOBACK

No. 79

Right Tackle

Billy Hoback, a senior this year, is one of Jefferson's fightin'est players. He played right tackle. He made first team the first year he was out and has earned two letters in two years. Although the line does not get much newspaper publicity, it plays a vital part in winning games, and such players as Billy help make a successful season, such as Jefferson had this year. Except for a sprained ankle, received in the game with John Marshall, of Richmond, he had no injuries, and was able to play in every game of the season.

No mere football hero is Billy, but an excellent student as well, combining brain and brawn. He takes a leading part in many school activities, and is well liked by his teachers and fellow students.

JOHN "IRON MAN" MCGINNIS

No. 68

Right Guard

John McGinnis, playing right guard on the Jefferson team, has been made captain of the team for next season. This is his second year on the team.

Unfortunately, in the second game of the season, rivalling John Marshall, of Richmond, he broke his nose. He had to wear a mask, and was nicknamed "Iron Mask McGinnis." But this did not stop him. He played hard in every game of the past season. Also, McGinnis acquired the name of "Snuzzle."

He is eighteen years old and weighs 153 pounds.

As he was elected unanimously as captain of the team, we are sure that he will be a good one, so we say, "Good luck to you and your team next year on the gridiron, Captain 'Snuzzle' McGinnis."

CONNIE "LITTLE HERBIE" AKERS

No. 82

Right End

Connie Akers, well-known Magician end, was born in this city July 11, 1915. He has been on the squad for four years and has had the privilege of being in every game for the past two years, winning a letter each year. Connie was one of Coach Hurt's most valuable linemen, proving more than one time that he was a player worthy of praise. Through his excellent ability in receiving passes he earned the distinction of being the best pass receiver on the team.

Connie is very modest about his glories and prefers to be talked about, rather than to! He has brown hair and blue eyes, and weighs 150 pounds.

Jefferson will miss you next year, Connie.

FRED "BLONDIE" ELLIOTT

No. 76

End

Fred Elliott, one of the main factors in this year's football team, held down the right end. At this position Fred showed amazing intelligence in diagnosing the opponent's plays, as well as figuring in more than one touchdown play himself.

Going out for football while at Lee Junior, Fred has been on the squad three years, as well as being on the Lee Junior and Jefferson basket ball teams.

In spite of the fact that he weighs only 150 pounds and is only five feet nine inches tall, Fred played regular at his position this year and gained a permanent berth on the team. By clinching the Lynchburg game with a touchdown run, Fred gained for himself a position among the heroes of Jefferson High School.

PAUL "FOOTS" RICE

No. 70

Right Half Back

Probably the most outstanding and consistent man in the backfield was Paul Rice, 155-pound right half back. This was his third and last year as a member of the squad, but his first year as a member of the first string. He was the heaviest man in the first string backfield.

His ability at throwing passes, and consistency at place-kicking was directly responsible for victory in more than one hard-fought game. In two games his points after touchdowns brought victory. Against Salem he threw the lateral pass which won the game, and his long pass in the Bluefield game was directly responsible for the only and winning Jefferson touchdown. He possesses the enviable record of ten conversions for points after touchdowns out of thirteen attempts.

JACK "JAKE" TICE

No. 64

Quarter Back

Jack Tice, this year's captain and quarter back, was one of the main reasons for Jefferson High's successful season. Injured most of the season with a dislocated shoulder, Jack returned in the Lynchburg game and so revived the team with his spirit that they played an inspired game and emerged with an 8-0 victory.

Handicapped as he was, "Jake" watched his team plow through a difficult schedule, and when he did get back into play he was the chief spark-plug of the Jefferson machine in their struggles with teams of superior weight and experience.

Weighing only 154 pounds, and being only 5 feet, 8 inches tall, Tice has been a regular for the past two years. He will leave behind him, at Jefferson, a record of a great quarter back.

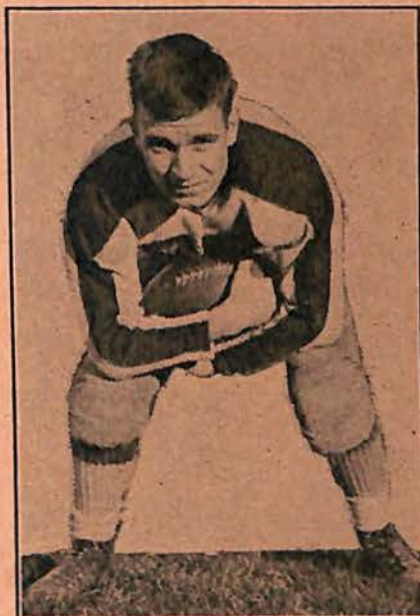

JAMES "JIMMY" ROBERTSON
No. 62 *Full Back*

Perhaps no person in Jefferson Hi better deserves their football letter than 19-year-old Jimmy Robertson, the "mercury-heeled" half back. Jimmy was on the football squad for two consecutive years, and both seasons he earned his letter.

Despite his ability as a football player, Jimmy's first and favorite sport is track. After attending the Pennsylvania Relays in 1932 as a member of the team, he has set his heart to be a track man. Last year he averaged fifteen points in each of Jefferson's track meets.

Jimmy attributes his success in both football and track to his strict observance of training rules. He plans to enter the University of Richmond next year and study to be a physical training director.

WALTER "BUDDY" SMITH
No. 67 *Left Half Back*

Walter "Buddy" Smith, better known as Bud, was born May 10, 1916, making him nineteen years old. He is 5 feet, 7 inches tall and weighs 130 pounds. He has the distinction of being the lightest man on the squad. This year was his third year out, and he played full back most of the time.

Buddy is one of the most dependable members of the team, having played in every game this year, and he never was injured. He is best known for his ability in passing and signal calling.

Bud's athletic talents do not stop at football; he has been a member of the basket ball team for the past three years.

Buddy will be an asset to any college he may attend.

THE SEASON

Jefferson's "Fightin' Magicians" experienced a most successful season in football this year. Having, perhaps, the lightest team in the State, they consistently outplayed heavier opponents, winning six out of eight battles on the gridiron. Combining speed and intelligence with expert coaching, they romped through their eight scheduled games under the able generalship of Captain Jack Tice, with flying colors.

The Magicians opened their season with Radford, on September 22d, entertaining that eleven at Vinton. The Magician team smothered the heavy Radford team to the score of 41-0. Coach Hurt used practically all of his reserves, who still plowed through the opponents. Tice, Rice, Robertson, and Smith contributed the points of the Magician victory.

The following Saturday, September 29th, the Magicians upset the dopebucket by defeating the highly-rated and heavy team of John Marshall, of Richmond, at Maher Field. Hampered by injuries to three players—Captain Tice, Linemen Hatcher and Hoback—in the early part of the game, nevertheless, the "Fightin' Magicians" gained a one-point margin through Paul Rice's place kicking and held it, after they had scored on a pass from Tice to Rice and a long run by Robertson. The Justices, of Richmond, lost the Magicians' first Class "A" tilt 14-13.

Jefferson's Class "A" tilt, on October 6th, with Danville High was canceled because of heavy rain.

The Magicians met their ancient rivals from Salem High on the next Saturday, October 13th, at Maher Field. The game is always a clash between the deadliest of rivals. Both student bodies turned out in an array of color amassing a crowd of about 2,500 people. The Magician team continually outplayed the invaders. The Jefferson line was at its best, stopping all Wolverine threats of scoring. The

Magicians scored but once in the game on a very tricky play. Rice, taking the ball from Smith, flipped a lateral to the fleet Jimmy Robertson, who galloped across the goal line standing up. Rice kicked a perfect place kick, making the score 7-0. The Magicians thus won their second Class "A" tilt.

Saturday, October 20th, the "Fightin' Magicians" met the Terriers, of Vinton, in an exciting game. The Roanoke boys literally ran away with the Terriers, trouncing them to the tune of 27-0. In the opening period Smith carried the ball off tackle to make the first touchdown of the game. Rice place kicked for the point. The Magicians scored again on a pass from Rice to Akers in the third period, with Rice making the placement. New players sent in by Coach Hurt again scored on a pass. Jimmy Robertson ended the scoring with a sprint of 37 yards for a touchdown.

The next Saturday, October 27th, the Magicians went out of the State to defeat the smooth-running Bluefield team. Lacking Captain Tice's quarterbacking, the Jefferson team gained a one-point margin over the West Virginians and held it. Rice passed to Akers for the touchdown and made a perfect place kick for the extra point. This was a hard-fought victory for the Magicians, the teams being almost evenly matched, but the Magicians emerged with a 7-6 victory.

November 3d marks the highlight of the Jefferson 1934 football season. It was on this date that the magicians defeated their bitterest rivals of Glass High, of Lynchburg, on Maher Field before a crowd of 5,000. More spirit was shown by the students in this one game than all the rest. Pep assemblies, parades and a bonfire were but a part of the exhibition of the students' enthusiasm. The Glass High team was rated to give the Magicians a terrific defeat. This was the championship game of the Western District. Captain

Tice returned to the Roanoke High line-up and aided the "Fightin' Magicians" in obtaining their 8 to 0 defeat over the Hill Toppers. The "little" Magicians' line battled the heavy Glass High line to a standstill, every man playing an excellent game. The Magicians' first score came in the second quarter when Tice tackled a Glass Hi back in the end zone, gaining a safety. The game proved a see-saw affair after that with both teams playing close football. In the last few minutes, Elliott intercepted a pass and made a beautiful touchdown sprint to clinch the Magician victory 8-0. This was the third Class "A" tilt Jefferson won, putting them in the run for the State Championship.

The Magicians were due for a defeat next Saturday, November 10th, in a game with Portsmouth High on Maher Field. This was the State Championship tilt. The Magicians went down fighting gamely against terrific odds. They were forced to play at 12:30 in the afternoon, in a drizzling rain on a muddy field, against a team that outweighed them by a great margin. The Presidents scored three times on the Magicians, and left the field with a 19-0 victory. This loss put Jefferson out of the race for the championship.

The next Saturday the Magicians met Maury High, of Norfolk, in their last game, in Norfolk. The Magicians were again defeated by a narrow margin of 13-7 by a team that defeated the powerful Portsmouth team in a future game. The light Jefferson team battled the heavy Commodores to a close score, but were unable to stop their powerful drives. They scored once when Tice pulled a clever reverse. Rice kicked the extra point.

The 1934 Jefferson High School football team proved to be an example of perfect team work. It was made up of a splendid group of boys, known over the State for their clean playing on the gridiron. They seldom were penalized for over twenty yards in one game and hardly ever for a personal foul to another player. The line, made up of fast-charging, clever players, out-

played heavier lines with surprising ability. Capable ends were found in Akers, Shafer and Elliott; powerful tackles in Hoback, Oakey and Kiser; fast, tricky guards in Hatcher and McGinnis, and a perfect center in Burton. A splendid set of backs composed the backfield, led by Captain Tice at quarter back, Rice and Smith at halves, and Robertson and Fitzgerald at full back. These boys showed their capable ability of offensive and defensive football.

Although the Jefferson 1934 football season was not adorned with a state championship, nevertheless, it was the most successful that the high school has experienced in many years.

Gymnasium Resounds to Cheers of Hundreds as Lead Changes Many Times

A stout-hearted band of Magicians last night reached to the bottom of its bag of tricks and pulled out four points in the last three minutes of play that provided a 28-24 victory over John Marshall High, of Richmond, and retained the state class A basketball championship for Roanoke for the second straight year.

With the count deadlocked at 24 points, three minutes to go and a howling crowd of 1,000, suddenly silent, nervy Sam Kaplan, Jefferson high forward, stepped up to the foul line to sink a free throw that broke the tie and sent the Magicians into the final and deciding lead.

Victory Clinched

Another free throw by Captain Paul Rice and a climaxing goal on a short, crisp toss by Fred Elliott clinched the championship of Ole Virginny, marking the fourth time in nine years that Jefferson high cagers have brought home to Coach A. D. "Hunk" Hurt the laurel wreaths of champions.

Less than four minutes before the final whistle, however, there was many a Jefferson-bred heart that skipped a beat and many a foot that tapped the floor nervously as the Justices took time out with a 24-22 lead and the confident mien of champions-to-be.

But just as the Magicians have been doing all season, they found again that they could depend on their captain. Rice, already with 14 points to his credit, scored in one of the most spectacular exhibitions of championship play to be seen on a high school floor in years,

and tied the score immediately after the time out on a follow up toss after Kaplan had missed a free throw. A moment later Rice rimmed the hoop on a long, arched heave from midcourt but the ball refused to go down.

It was at this point that Kaplan fouled by Rudy Boschen, John Marshall guard, redeemed the free throw he had missed a moment before and gave the Magicians their 25th point of the night, and the point which turned the tide conclusively in Jefferson's favor.

After this score with Jeffer-

son in front, 25-24, it appeared for a moment as if the Magicians might be headed for another of their traditional one-point championship victories, but Rice and Elliott took no chances and added the other three points before the timekeeper called a final halt to a game that had aroused the packed house to a fever pitch and that at times seemed to be ready to take off the roof with its cheers.

The Magicians last year defeated Newport News on the latter's court, 23 to 22, for the state cage championship.

THE BASKET BALL SEASON

This year we had, perhaps, one of the best basket ball seasons in the history of Jefferson Senior High School. From the very beginning until the whistle blew closing the last game, the team played not as a group of five separate members but as a single unit. Each man coöperated with his fellow sportsmen. As it was last year, so it is this year—the team “clicked.”

The school spirit in the games this year was very good and is to be commended. A large number of season tickets were sold and the games were well attended.

The championship game with John Marshall, which was played on March 6th, was the best and perhaps the most exciting game of the season. It was exceedingly close with both teams running neck and neck. At first John Marshall took a several-point lead. After several goals Jefferson rallied and tied them. At the end of the first half the score was fifteen to fifteen. At the end of the third quarter it was twenty-one to twenty-one and about five minutes before the game ended, John Marshall led by three points. By this time the crowd was going mad with excitement; the yelling and cheering were terrific. Then Jefferson made several quick, flashing plays which placed us in the lead with a score of twenty-eight to twenty-four and—the game ended.

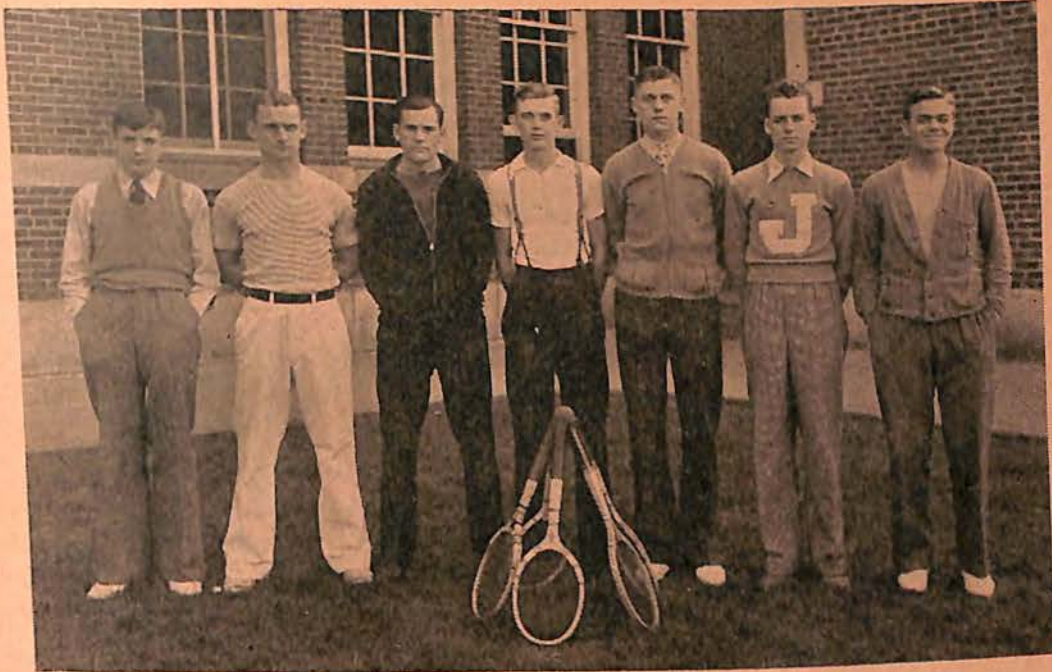

Then the crowd rushed on the floor and within a minute the team was

swallowed up. Several boys lifted Captain Paul Rice upon their shoulders and carried him out amidst yells of cheering and applauding.

With this game the team brought home for the second consecutive year the state championship title for our dear old Alma Mater, Jefferson High School.

Jefferson won fifteen games and lost eight. The games, with results, are as follows:

THE TENNIS TEAM

The 1935 Jefferson High Tennis Team composed of, McGinnis, Coleman, Rice, Highfill, Leech, and Gibson, have experienced a very successful season.

The doubles composed of Coleman and Rice, Highfill and McGinnis, and Leech and Gibson, have consistently defeated opponents.

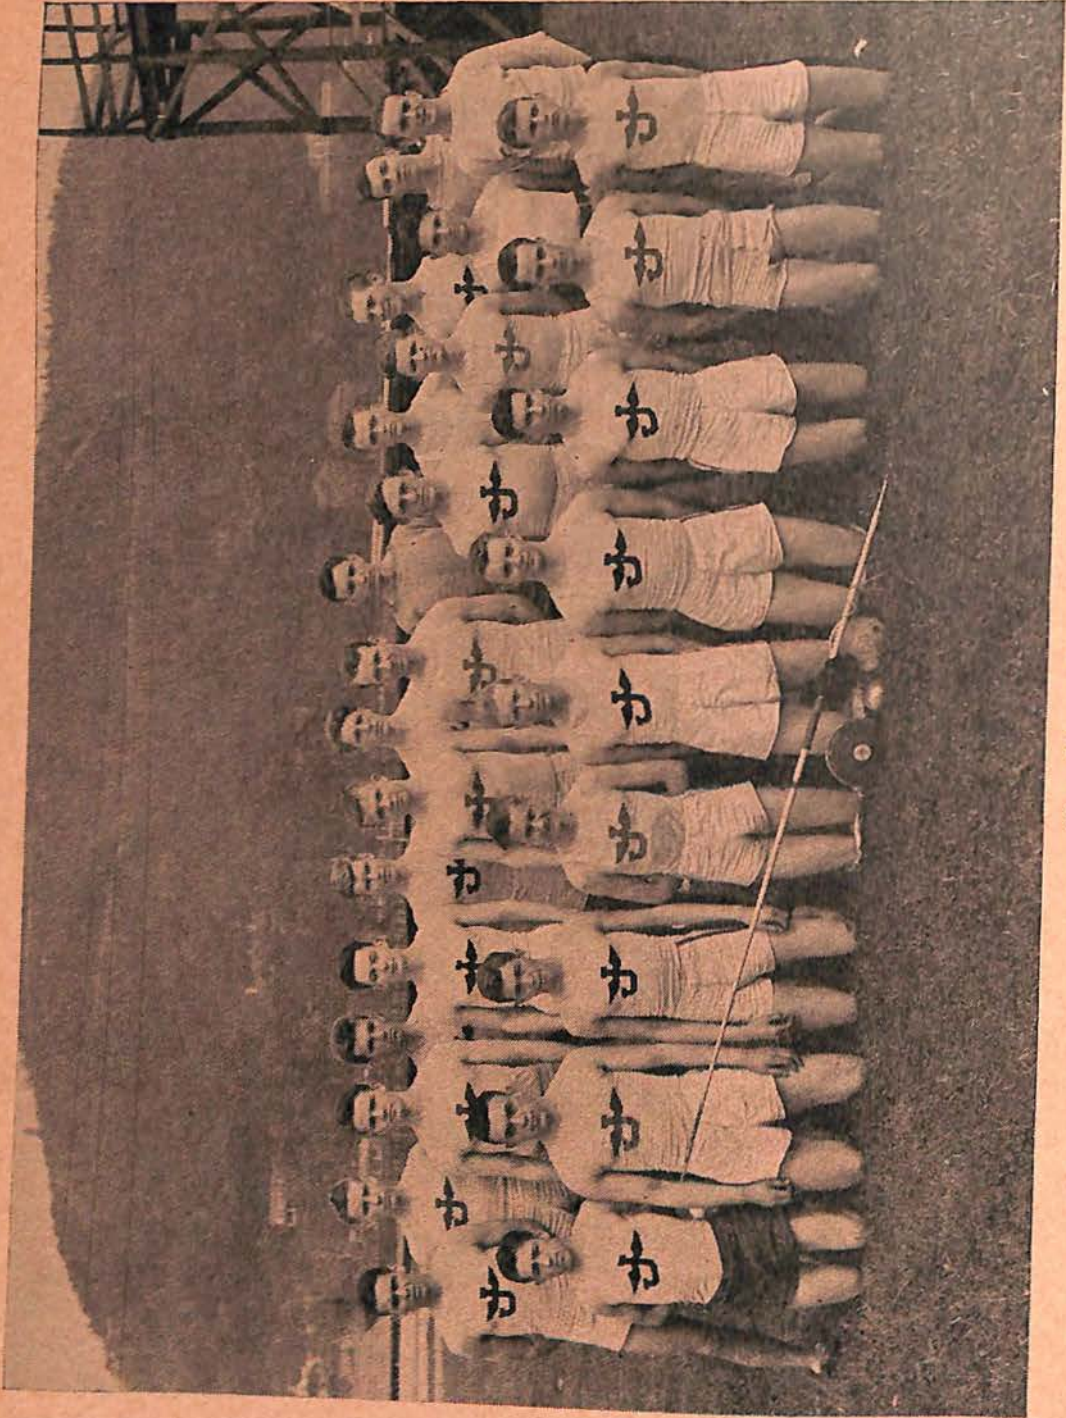

The Magician Team crushed the Danville High Team 6 to 3, in a match held in Danville, April 26th. The following Saturday, May 4th, they defeated their ancient Glass High rivals in Lynchburg 9 to 0.

The scheduled matches ended with the Glass High clash with the exception

of the State matches held in Charlottesville, May 11th.

In this meet Paul Rice and Winston Coleman swept through the strong opposition of Charlottesville, Maury, and Danville to take the Class A Doubles Crown, Charlottesville was defeated 6-1, 6-0; while, the Maury team was downed with a 6-0, 6-2 score. Danville lost to the Magicians 6-3, 6-4. Suffolk High was defeated 6-2, 6-3 for the state crown.

This meet ended the 1935 Tennis schedule which was climaxed with the State Championship. Much praise goes to these boys that brought home such an honor for Jefferson High. Surely, the 1935 Tennis Season was more than a success.

THE TRACK TEAM

THE TRACK SEASON

Jefferson's Flying Magicians experienced a very successful season under the generalship of Captain "Jimmy" Robertson. The Magicians took three out of five meets easily and were defeated by the strong Washington and Lee Freshmen and Lynchburg High School.

The 1935 Magician track season opened March 6th with the Virginia Military Institute Freshmen in Lexington. Due to rain, all events were somewhat poor as to time and distance. Jefferson's Flying Magicians emerged from the encounter with a 64 to 53 victory over the "Little Keydets."

The following Saturday, April 13th, the Magicians met the husky Clifton Forge Team in Salem. The meet was a complete victory for Jefferson. The Flying Magicians turned in a net score of 80 points to the visitors' 28. Nearly all events were won easily by Jefferson men.

Monday, April 22d, the team met the strong Washington and Lee Freshmen in Lexington. The "Little General's" team scored a slow victory over the Flying Magicians. The Magicians put up a game fight, but were unable to cope with the Washington and Lee stars. The "Little Generals" took the meet with a 75 to 42 victory.

The Flying Magicians met George Washington High, of Danville, the

following Saturday, April 27th, in Salem. This proved to be an easy victory for Jefferson. The visitors were completely outclassed in practically all events. The Magicians carried off the honors of the day with a 93 to 24 victory.

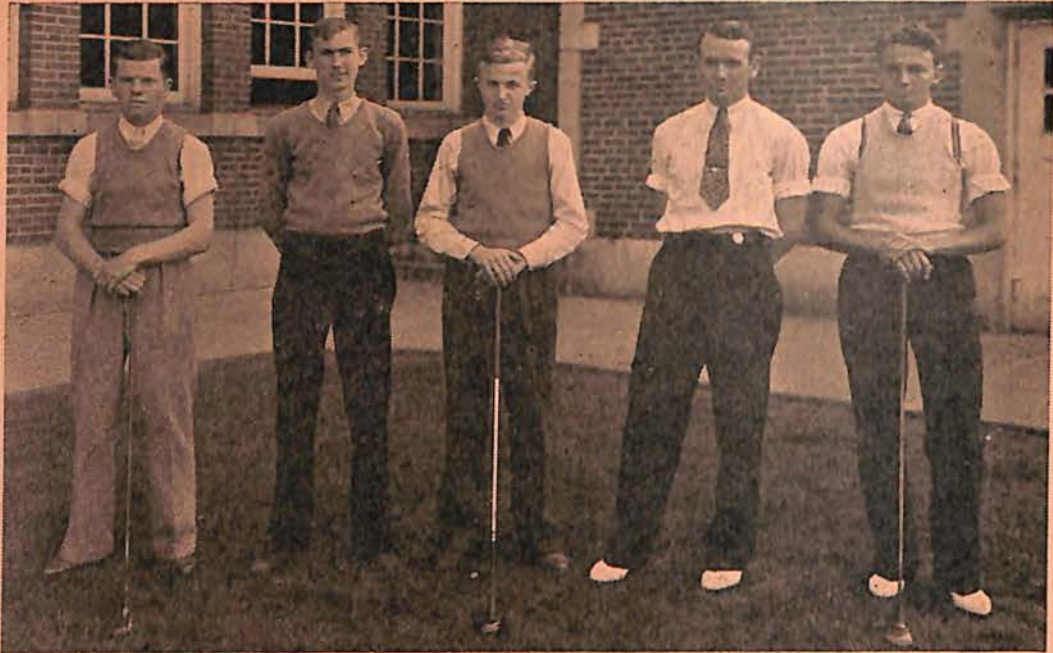

On April 4th, the Magicians journeyed to Lynchburg to meet their ancient rivals of Glass High. In a thrilling meet, the Flying Magicians were outclassed by the fleet and powerful Hill Toppers to the tune of 38 to 79.

This meet closed the scheduled track meets with the exception of the State meet in Charlottesville, May 11th. In the State meet the Flying Magicians took 7½ points to take sixth place in the meet. Woodson, Akers, and Neel were the contributors of these points.

The 1935 track team was indeed a successful one. The members of its team deserve a great amount of praise for their efforts toward its success the past season.

THE GOLF TEAM

The 1935 Jefferson High School Golf Team was composed of a group of excellent golfers. Melvin Humphreys, Ralph Mills, Wade Pollard, Cletus Brown, Harry Farris, and Wesley Bowers made up the team. The headquarters of the team is the Blue Hills Golf Course.

The team was late in the season getting started. On May 11th, the Magician golfers met the Wolverine team of Salem High and were defeated

by that outfit. The team has a pending meet with Richmond High and are planning to enter the State Golf Tournament, Saturday, May 25th, at Blue Hills Golf Course.

The Magician golfers have won the tournament three years in a row and it is expected that this year's team will make a creditable showing against the strong Norfolk, Richmond, and Salem High teams they will meet in the tourney.

Local Gal Makes Good

Miss Cutie Eades, better known as Dot, has become quite a famous actress after taking Dr. More Pains reducing powders and now she says it doesn't take a Mathematician to know figures. The young lady has a host of ardent fans whom she uses in summer months, but her mail is heavier around the first of each month.

LADIE-E-S AND GENTLEMAN

Ladies and gentlemen, cries Uncle Pinch Penny, announcing the review of the theatrical production, Little Women—that dramatic, colossal, and suspensious play written by Louisa A. when I was just a young one in the Civil War days. But in the following paragraphs we're going to show you what the four "Small Size Dames" woulda looked like in modern times, especially during the Depression when skirts went up and stocks went down.

'Tis remembered that Janie S. was asked (when waiting to show her dramatic ability for parts of Little Women) what she meant by trying out for *Little Women*. They say that Jane didn't show up for tryouts any more.

What the Modern Little Women would have looked like had the book been written in '35. May, Joe, and Amy are pictured. The one absent is Beth—she was always a trifle delicate and just couldn't take the night life. They're doing a little number called 'Trees—you know, waving the limbs, etc.

ACORN SPROUTS

Here's our Joe, in real life Louise Glenn, becoming the life of the party after learning to dance through a six weeks' correspondence course. Even though in our prehistoric production she burnt a hole in the one and only party dress, she managed to keep her back to the wall and "pull" up a good front.

We couldn't help printing this exclusive photo of Bud Okey (Mr. Brook) taken one of those early spring afternoons as he strolled across the grass strip backstage with his loving wife, Meg. She, of course, is not pictured, but remained demurely in the background, just as the handsome Bud likes them when he's around.

If you really wanna know how the snow (confetti) kept fallin' in Act I, just take a look at this photo made for us by Sanders, Inc. You see Mr. Jack Sheretz with limbs gracefully around a backstage rafter. Across from him was Mr. Julian Hatcher, not shown here as you see. When this was snapped, Mr. Sheretz had just called Julian, in undertone, things we really couldn't print, and in turn, Hatcher hurls the boxes of snow he carefully scraped up. The snow (confetti) which Sheretz had thrown at him in the same offense. Mr. Sheretz will again slide down the pole, gather the snow, and throw it again at Mr. Hatcher, provided his vocabulary doesn't run out. So, on into the night rages the snow storm.

'Tis Twins' Talk

Here's a real action photo of proud papa Brook B. Oakey rushing to tell the world about his new arrivals. If he gets up this much speed to tell, of twins, suppose it had been quintuplets? He would have broken the world's 100 yard record.

Jack Noftsinger disguised as a Bird of Paradise sings as he did in Act II.

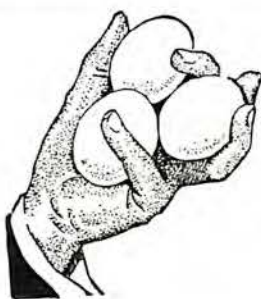

I sing—

*Like a bird in the Spring
When Estelle's waiting
Behind in the left wing.*

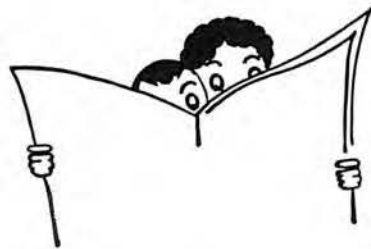

This is a sketch of an embarrassing moment for Tippy McQuilkin (Pro. Bear) a moment when he wanted to light a Murad—for some thoughtful soul moved the sofa off stage just as his big love scene was due, and he was forced to confess his love for the glamorous Joe from the floor. Frank later declared it was the first time in his years of love-making he had to do without the couch, and resort to lower places.

It's a clean corner that holds no dirt, but this isn't a corner, so on with the dope.

Mr. Ima Fake, the magician, holding three of our football heroes, Tice, Robertson and Hoback, whom he has turned into hard boiled eggs, announces "One of them is cracked. Which one?" "I think all three are," came a voice from the rear.

To High School Graduates

Whatever you plan to do after graduation—whether you plan for college or business—your mental development must continue.

The National Business College is a distinctive, private school of professional grade. Day and evening courses prepare high school graduates for immediate earnings. Many graduates who have acquired experience are now presidents, vice-presidents, cashiers, secretaries, treasurers and controllers of large corporations—others are in successful accountancy practice.

The selection of a commercial school for your business training is of vital importance to you. Write for beautifully illustrated catalog.

W. CARLTON PARKER, *Proprietor*

Once more we have had the privilege of being the Photographer of one of the most outstanding books in Virginia.

The photographs in this book were made by our highly trained staff whose specialty is School and College Photography.

The uniform and clear cut reproductions represented in this ACORN prove what an important factor photography is in building a successful annual.

You, too, can have the same type of photography in your annual by getting in touch with us. Our representatives will be glad to go over details with you.

There is no obligation or expense for this service.

Acorn Staff,
Felicitations!

Following the splendid precedent established by the Acorn Staff of 1934, in winning two First Prizes for School Publications, I feel sure you will devote your talents and energies to still further accomplishments and attainments, and I shall continue my watchful interest, lending the facilities of our Organization in helpful coöperation.
