## *Dedication*

Because, during the forty years that you have taught, you have given us the patient and sympathetic understanding that has endeared you to all of us; and, because we wish to express our regret that you are leaving us; we, the Annual Staff, dedicate the ACORN of 1948 to

MISS SALLIE LOVELACE

# FOREWORD

*The young magician stands before a crowd  
Where first he tests the magic he was taught.  
He feels the strain with which his work is fraught,  
But meets it, confident, erect and proud.  
Each finger moves along a well-known track,  
Each muscle to accustomed work proves true.  
He labors, with each nerve, to carry through—  
True to his training—to produce the act.  
And we, who watch, are one with this young man:  
We, too, have magic acts to carry through:  
We work our wonders for the world to view,  
With much to overcome as best we can.  
We hope, though dangers on our paths are rife,  
To work real magic on the stage of life.*

TO THE STUDENTS OF JEFFERSON HIGH:

My first year at Jefferson has been a delightful and challenging experience. Your enthusiasm, your school spirit, and your loyalty to your school have been a joy to behold! Recognition and honors have come to our school in athletics, dramatics, publications, music and public speaking. Individual students have won recognition in many fields. These successes make all of us justly proud of our school and our student body.

It is my sincere wish that the ACORN of 1948 will help you to remember your many happy hours of work and play at Jefferson.

The Acorn magazine offers an opportunity to the creative-minded student to express his idea through the medium of the written page, and through art. Work on the Acorn staff trains the student in clarity of expression, and gives him an insight into the world of literature which is invaluable to his later life.

Behind most of the school's activities such as assemblies, public speaking, production, etc., lies the work of the Speech Department. The aim of this organization is the acquiring of qualities stressed by Director M. H. Johnson, in all play production classes—poise, and better diction. One aim of the department is to promote more student participation in more activities.

The school year '47-'48 has been a busy one for the Speech Department, beginning with an opening radio program, followed by the Senior Play, "The Mask"; "The Escapades of '48"; the Christmas Assembly, "Why the Chimes Rang"; the contest play, "The Birthday of the Infanta," and the annual costume play on May 21.

The junior club carries on with the purpose of the Hi-Y: To uphold high ideals of living in the school and community.

## Hi-Y

One of Jefferson's most popular boys' clubs is the Hi-Y. The senior group, shown here, has become, in the many years of its existence, one of the best Hi-Y organizations in the South.

This year the club held a Mother-Son Banquet, a Sweetheart Banquet, two outings, operated concessions at the dances and basketball games, and delivered Christmas baskets to underprivileged families.

# Latin

Jefferson's Latin Club is a chapter of the Junior American Classical League, a national organization. It consists of students who subscribe to the following pledge:

*"I covenant to hand on the torch of classical civilization in this modern world."*

The League this year has attempted to carry out its pledge through meetings whose programs dealt with Greek or Roman civilization, through its annual Christmas contest and party, and through its chief project—the publishing of *The Roanoke Roman*, the Latin-English newspaper.

In joining the national FHA in 1947, it became affiliated with the largest organized group of girls of high school age in the United States. This year's activities included teas, a radio program, the adoption of a French orphan, a visit to the Greenville nursery and the annual outing.

## Varsity J Club

The Varsity "J" Club was reorganized last fall, under the direction of Mr. R. Rohrdanz. A new charter was drawn up and put into effect. The club's activities this year included the Pigskin Prom, which will become an annual affair. An autographed football was presented to the football queen, who was elected by the football players. The queen this year was Mary Lou Blackwell.

Other activities this year consisted of a spring dance and an outing late in the spring.

The best athletic team at Jefferson this year and the best for many years was the Magician football team of 1947. Starting like a house afire, the gridders whipped Fleming, Byrd and Danville by more than 30 points. They then journeyed to Norfolk where they broke Granby's win streak of 33 games by a 13-6 victory. The team was sparked in this game, as in others, by All-State Louis McLelland who scored both touchdowns. Next, Beaver of Bluefield succumbed, 19-0. Then came the catastrophe when the Jeffs were licked 2-0 in the rain at John Marshall. The boys will never forget that one. Bouncing back, they shut out Andrew Lewis 22-0, beat Tee Jay, 35-14 in an exceptionally well-played game. Next was Maury who went down to a 14-0 tune. The Magicians finished the season by bouncing Glass, of Lynchburg 35-0 in a very rough game.

The team was led in scoring by All-State halfback, Don Booth, with 48 points. He was followed by McLelland and Ralph Isbell with seven T. D.'s apiece. The team was quarterbacked by All-State Paul Coffey and Benjie Howze. Benjie was extra point specialist, booting fourteen straight, scoring 21 points. Also All-State and a stand-out on defense was Tommy "Red" Martin, tackle. Tommy gave everybody a rough time from his line backer position.

The 1948 Magician Cagers were western district Class A champions, losing only one conference game. They beat Andrew Lewis and Danville twice and Lynchburg once, losing to the Hilltoppers the last game. The team was led in scoring by 6' 4" Reginald Hutcherson who dumped in 164 points. He was followed by "Fubby" Overstreet with 101, and "Dopey" Mawyer with 84.

Hutcherson\* was outstanding on offense, being particularly effective on tip-ins. Davis and Weaver, both over six feet, helped control rebounds, while Milton Fulcher and Mawyer played excellent floor games.

MILTON FULCHER

Cage Mentor, Hunk Hurt, who led the Jeff cagers to the State Semifinals. Coach Hurt is to be congratulated for the fine showing of the team. At left, Clyde Fulcher keeps his finger on the scoreboard control.

## Wrestling

The wrestling team, coached by Nick Carter, is a new sport adventure at Jefferson. None of the boys had any previous experience and were beaten in their first encounter with the State School for the Deaf and Blind. Learning fast though, they ended with two wins out of seven meets.

Probably the best wrestler was Pug Martin, 154, who gained 16 points in 6 meets. Other promising matmen were Kerfoot, Trippeer, Coffey and Saul.

A letter will be awarded to those grapplers who have participated in half the meets and have gained half the possible decision points in the matches. A letter will also be given to a boy playing in the state tournament.

# Girls' Sports

In the girls' sport picture this year, the Junior Class teams showed up best by tying for first and third in volleyball and basketball, respectively. The Seniors came in third and fifth in their leagues.

The girls' Monogram Club requires a girl to make a hundred points to become a member. Points are acquired by participation in the sports, attending practice, and scholarship. A small monogram is gotten when 300 points are obtained, 500 points net a numeral, and 800 gets the grand award, the large monogram. The points for senior girls have been reduced.
