## Jeffites Have Spirit

"Jefferson students", I hear you say.  
This is the place they come everyday.  
The people here are not easy to excite.  
But when called upon, show their might.

With our football team on the field,  
Fans to the rain, did not yield.  
When our basketball team ran onto the floor,  
Supporters sent the opposition out the door.

Yes, all students here have a little of that stuff,  
And trying to keep it down can sometimes be tough.

At pep assemblies when the cheerleaders say,  
"Let's hear it!"

You can hear these old walls ringing with our spirit!

Pause that refreshes.

Students watch as Mr. Graybill begins construction.

# Spirit In The Classroom

Time for a bubble when teacher leaves the room!

Printing anyone?

"All eyes on copy".

Jefferson, the home of the Magicians, is a downtown school, located only 4 or 5 blocks from the heart of the city. The school community consists of a student enrollment of 1100 and an administration and faculty of 71, with administrative help numbering 8. Here at Jefferson there is a spirit of pride in and also a concern for the academic advancement as well as the varied program of activities that is offered. Classes are given in a wide range of fields from basic college preparatory subjects to vocational skills such as welding, woodwork, printing, electronics, and sheet metal. Club and sports activities are an interesting and vital part of the total picture of Jefferson. Our accomplishments cause us to feel very proud. It is our opinion that this academic and extra-curricular program is administered and carried out by a devoted and competent staff. The basic philosophy practiced here is one of friendliness and the willingness to reason together. Our school is the individuals who enter the building every day and not the building itself.

Even boys enjoy girls P.E. class!

## DOWNTOWN ADMINISTRATION

Dr. Roy Alcorn became the new division superintendent for the Roanoke City Schools this year. He came to us from Chesterfield County where he had a similar position. A native Missourian, Dr. Alcorn brings a wide range of experience to a difficult job. He is the chief executive officer for the school board and is in charge of the welfare of Roanoke's 20,000 pupils and more than 1,000 professional personnel. We welcome him to our schools and city.

# Mr. Graybill Adds Spirit and Spark At School Activities

Mr. Graybill speaking at the ground-breaking assembly for our new gym, "Camelot."

MR. JOHN R. GRAYBILL  
Principal

This year Mr. John R. Graybill completed his fourth year at Jefferson. Mr. Graybill worked hard to schedule school events, set school policy and discipline procedures, and keep our school functioning properly. During the year, however, he always took time out of his busy schedule to support all of our athletic events.

Mr. Graybill has served for the past two years as Treasurer of the V.E.A. Currently he has been nominated to run for the VEA President. We, the faculty and students, offer our congratulations and best wishes to him.

## Garber And Wood Chosen Assistant Principals

John C. Garber

This year we welcomed two new Assistant Principals to Jefferson. Mr. John Garber, formerly our Guidance Counselor here at Jefferson, and Mr. James Wood, formerly a teacher at William Fleming.

Mr. Garber and Mr. Wood work together to maintain order, promote school spirit, and set up disciplinary action. Even though our Assistant Principals are usually very busy, they always have time to listen to any student or teacher who may have a problem or a suggestion.

Mr. Wood and Mr. Garber in the midst of discussing the agenda for a faculty meeting.

James Wood

In the midst of their busy schedule the photographer still had a chance to get this picture of Mr. Byrd and Mrs. Monroe.

## Activities Involved Everyone

No one knows just how much confusion there is in the Activities Office until you spend some time there watching what's going on. It has anything and everything, from school supplies to sports activities and other sources of recreation. There is always something going on, but Mr. Byrd and Mrs. Monroe are always there to supervise and calm things down. So we the students and faculty would like to thank them for their contribution to Jefferson High School.

Mrs. Monroe

Mr. Byrd

## Guidance Helps

Guidance Services at Jefferson are many and varied. They include planning for completion of high school, post school education and vocational opportunities, and working with individual needs of students. A number of tests are offered each year to give the students a better under-

standing of his academic ability and vocational interest. At this time we would like to show our warmest appreciation for the time and work they so thoughtfully showed to us this year at Jefferson.

# Attendance Office and Home-School Counselors

Mrs. Mildred  
Brust

Mr. Leeson  
Nucholls

Mrs. Beulah  
Dabney

Mrs. Dabney, Mr. Nucholls, and Mrs. Brust are shown in conference concerning the absentee records.

These men and women worked together to keep records of each days attendance. Mrs. Brust and Mr. Nucholls kept scheduled office hours for students who came in late, or were sick.

Our Home-School Counselors, Mrs. Dabney and Mr. Yokam worked with students to help them to recognize and deal with their problems which prevented good school attendance. Some of the types of problems are: unsatisfactory work at school, poor attendance, poor social adjustment, and home problems.

# Spirit Of Work

Mrs. Frances Jackson, Mrs. Lucille Cottrell, Mrs. Mary Stevenson.

## "BE ALL YOU CAN BE—READ"

This was the slogan for many students who found use of our library this year. Mrs. Stevenson, Mrs. Cottrell, Mrs. Jackson were always willing to help if needed. The library was open from eight A.M. to four P.M. every day.

There were approximately 12,500 books, including 109 magazine & newspaper subscriptions.

Jeffersonians certainly did not lack sources of information.

In order for a school to run smoothly, there must be many accurate records kept, daily absentee reports and bulletins prepared.

Information must be available to answer questions at any time, therefore, our secretaries play a very important role in the daily school routine.

## Cafeteria & Custodial Staffs Serve School Needs

FIRST ROW: Jewell Trent, Offie Karnes, Viola Lytle, Christine Russ, SECOND ROW: Walter Hicks, Nellie Johnson, Virginia Callahan, Lillian Baldwin.

Mr. Woodford Flowers

Shiny! Clean! Neat! Sparkling! Do these words bring to mind a picture of the way our school looks? The custodial staff did their utmost to keep an atmosphere of this description.

"What a breakfast! I can hardly wait until lunch!" Remarks of this kind came from appreciative students. Mrs. Karnes and her staff came early every morning to provide breakfast, and of course there was always a nutritious lunch.

Mr. Seay, Mrs. Hale

Our Faculty is the greatest because they go so far;  
Out of their way to try to keep our Jefferson up to par.  
They teach and explain and explain some more,  
Until their voices grow hoarse;

And so we know time must be given for a little leisure, of course;  
They have their lunchroom so they may eat and gasp;  
And gather their befuddled nerve to take on another class.

# Students Have Spirit

"But I haven't got another quarter!!" moaned Carolyn Lewis to Joann Adams.

"Let there be Light . . . ." This is an appropriate statement to talk about the sale of light bulbs by our choir members.

"Do you really think he will??!" Lou Mills asks her friend.

"Happiness is . . . . . ." Pat Abshire crowned Homecoming Queen.

"Promises, Promises!!!" Sarah Hopkins dreams silently to herself.

"I'm going to tell Debbie!" David Brammer says while Walter Rader and Gail Hylton converse.

Students watch quietly as "Camelot" continues to grow.

"OOOOOO, It moved!!!" These two Juniors take on the task of dissecting a Crawfish.

# CLASS OF '70

Gail Robinson, Vice-President; Bobby Wilmoth, President; Pat Abshire, Secretary; and Vicki Bowles, Treasurer.

Soon there will end another era at Jefferson. For three years, we have been a part of the family which has existed nearly fifty-six years.

Looking back at the past events, we will always keep this a part of our memories. These experiences will help guide us in the future, facing, new and challenging goals, with the willingness to become a better person. With this help, we look ahead with hope, hoping to contribute to a better understanding of our fellow man.

Government, a dreaded part of being a senior, wasn't that bad!

In previous years we have chosen, in various categories, senior students who were considered outstanding. It is the feeling of the 1970 yearbook staff that not a few, but all seniors, possess the qualities we would vote upon. Therefore, we honor the entire graduating class.

JUNIOR OFFICERS; Judy Carrington, Treasurer; Dixie Gibson, Secretary; Pam Brubaker, President.

## Junior Class Candy Sale; Very Successful

SENATORS; Vicki Stanley, Kathy Fisher, and Rachael Johns served on the steering committee and on other Junior Class projects.

A second year at Jefferson has brought an even deeper appreciation, understanding and love for all that a great school like ours means to an individual.

As members of the class of '71 follow a daily routine of class, assembly, sports, and club participation, they took time out for a brief moment to remember all the fantastic events that have happened in their junior year. Winning the Homecoming poster contest, the building of our new gym and the annual Jr.-Sr. prom were just a few highlights that they will remember.

As the school year gradually came to a fulfilling close, the juniors retired for the summer, making plans to return next year as seniors.

## Sophomores Prepare For Junior-Senior Prom of '71

The class of '72 are seeking the keys to success and they have found many long-lasting ones. Among them are Enthusiasm, Leadership, and Stick-to-Itiviness. To mention a few of their activities, pins were sold as a money-making project to help finance the Junior-Senior Prom for the forth-coming year. They also had a very successful Talent Show during the Spring. As they are looking for new frontiers to conquer the class of '72, they will most assuredly be one of Jeffersons main keys in keeping it as popular as in previous years.

SEASON RECORD 6-3-1

Spirit is homecoming!

When asked to comment on this year's football team, Coach Dave Osborne said, "Enthusiasm creates momentum. Enthusiasm is what I believe was the 1969 football team's greatest asset. This team had "Pride" and this has to be one of the main reasons for a fine season."

## COACHES REMARKS

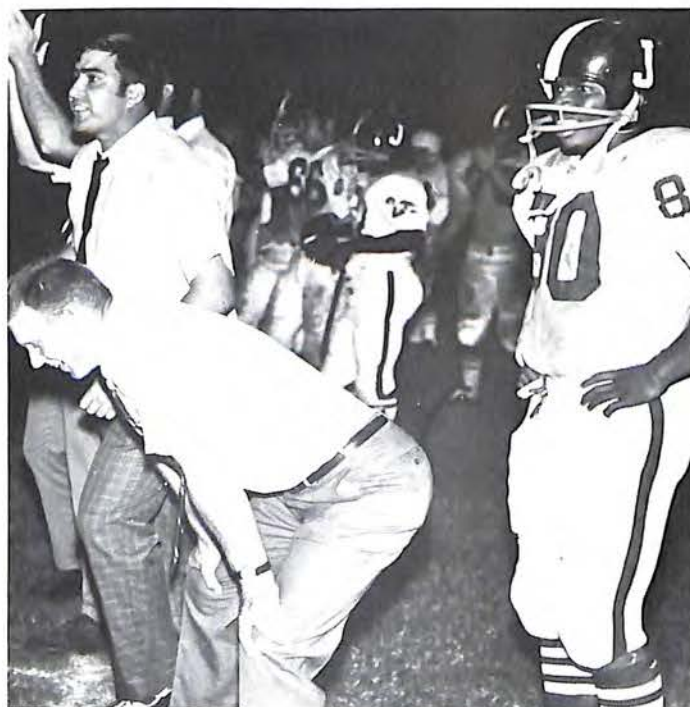

The 1969 Jefferson football team was the best team we have had at Jefferson since 1961.

I was very proud of this team because of their determination and desire. We had to come from behind in several games to win and this is what made the team have so much success. I was very proud of the twelve seniors we had on the team. Without their outstanding leadership the team could not have enjoyed their fine 6-3-1 record.

Jefferson's Gene Terry met a dead-in with a William Fleming player.

Coach Hambrick and Coach Lovell enjoy a first down.

Guy Robinette stops Patrick Henry runner short of first down.

## 1969 Team Named Second In State Tournament

What a team! What excitement! Tremendous! Good luck! There just didn't seem to be enough exclamations to express our good wishes for this winning team as they left for Richmond and the state tournament.

Coach Dick Kepley

These members of the 1970 basketball team, Mike Byrd, Ron Marsh, Jerry Spangler, Wayne Holland, Lewis Robinson, Gary Ayers, Bill Hankins, and Benny Covington, again helped us realize the ambition of playing in the state tournaments two years in succession.

# Magicians Defy The Incredible

Lanky Ross Hardy proves his abilities and strength.

## THANKS, MAGICIANS

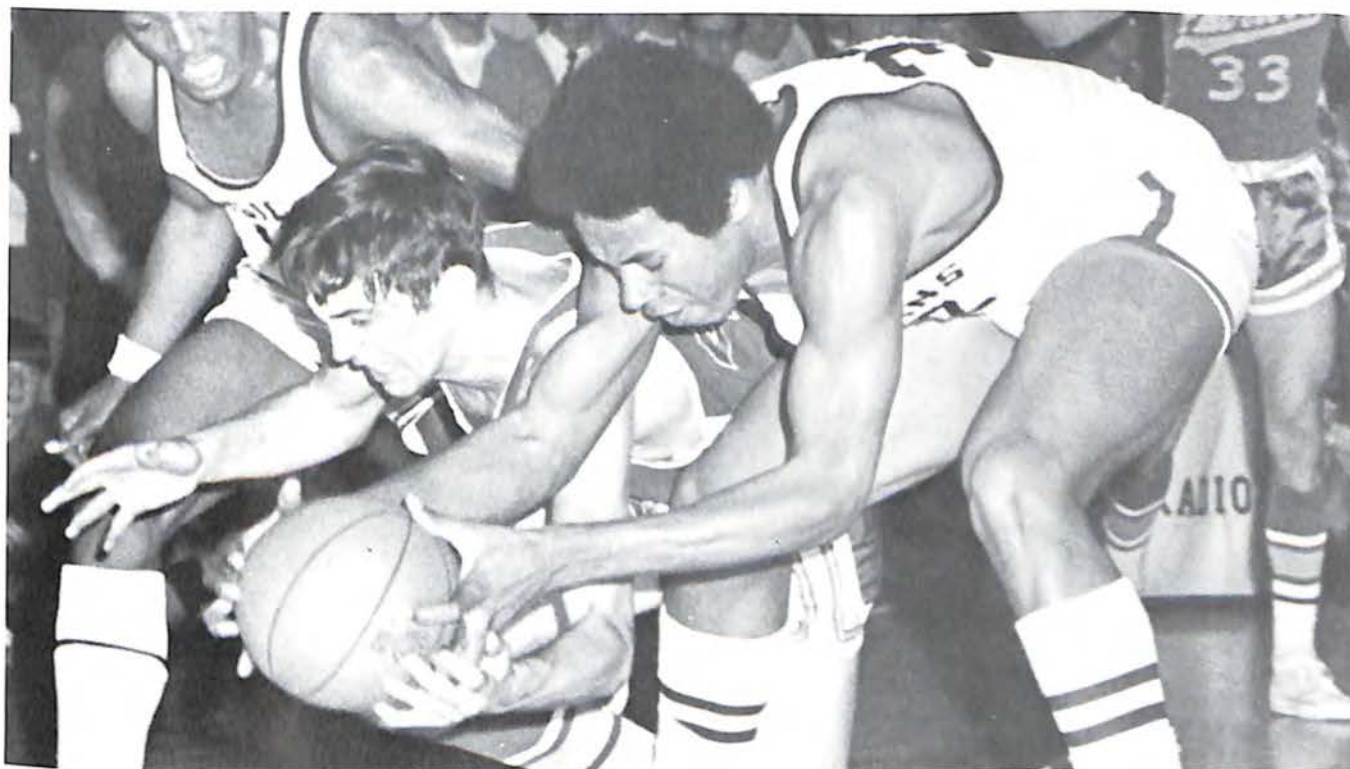

The following is an editorial from the **Roanoke World-News**: "Hats off to coach Dick Kepley and the Jefferson High School Magicians for a mission superbly accomplished. As everyone in the valley must know by now, Jefferson captured the state Group I-A basketball title in Charlottesville Saturday night. 'Somebody up there meant for us to win it,' said Kepley after his team had pocketed the title. And in view of the fact that Jefferson outmatched its opponents by a hair-raising total of only three points in two games, it's hard to argue with him. But even with that kind of help, it takes a squad of dedicated, highly talented and well coached athletes to win a state championship. That's precisely what Jefferson took to the tournament. We're not at all surprised that the Magicians came home with all the goodies."

JEFFERSON HIGH The No. 1 team.

## Track Team Has Successful Second Year

"Let's go, Get'a move on!" This is one of the many comments used by Coach Dave Osborne as his track team prepared themselves for the rough season ahead. Although, this was only the second year that Coach Osborne has had a track team at Jefferson, we feel that they did an outstanding job.

Because of the small number of seniors on the team, we feel that we will have many winning seasons in years to come.

# Gymnastics Team

Vickie Bowles and Sherri Webb practice their routines on the balance beam.

In the afternoon it was not unusual to see Frances Manning, Candy Price, and Debbie Kessler practicing in the gym.

For the first time this year Jefferson had a Gymnastics Team that participated in a meet. When practice first started there were twelve who took part in the new sport. They practiced after school for three months. When time came for the meet which was held on February 14 at Patrick Henry there were only five of the original twelve that remained.

Although the Gymnastics Team did not win first place, we are very proud of them and know that in the years to come that they too will be number 1.

"ALL THE WAY, BIG J!" Phrases such as this were heard all during our football and basketball season. The Varsity Cheerleaders worked hard during the summer preparing themselves for their '69-'70 cheerleading life. On June 21, the cheerleaders attended a week-long camp at Abingdon, where they placed first each night in competition and in final competition they were awarded a First place plaque. The school year brought exciting and fun times as well as hard work planning pep assemblies, making posters, and promoting bus trips to away games. We think the Varsity Cheerleaders contributed much to a successful and rewarding year.

## SCA Divides School Into Voting Districts

Dennis Grass, President

Some of the Student Co-operative Association's projects this year were: Homecoming, Mr. Football, Dances, the Poster Contest, and the designing of a school flag.

The S.C.A.'s main project this year was the dividing of the student body into voting districts to achieve an equal balance of voting within the school.

Several members of the Jefferson S.C.A., attended the District meeting at James River High School in Buchanan, Virginia. Students from neighboring high schools also attended, and the day was spent discussing various present and future problems that may arise in our schools.

Also our S.C.A. paid a visit to the City Council on the issue of the Fallon Park Land-Fill. The issue was brought before the mayor, the pros and cons were discussed and the City Manager, Julian Hurst with-drew his suggestion that the Land-Fill be put in Fallon Park.

This year the Student Faculty Co-ordination Committee was set up to better the understanding between the Faculty and the Students.

Controversial editorials, information concerning school activities, sports coverage, plus the additional "Hotline" were all a part of the work of the Jefferson News Staff for the 1969-'70 school year.

With the help of Mr. Joe Byrd business advisor, and with the help of students willing to learn how to operate the newspaper, the staff of fourteen members and a new and very helpful advisor, Mrs. Annette Sparks, the numerous tasks were completed.

The Jefferson News was printed by Roanoke Printing Company.

## Magazine Received In Spring

FIRST ROW—Peggy Breeding, Lawrence West, Joan Kelly, Mr. Campbell. SECOND ROW June Light, Steve Mabry, Virginia Saunders, David Massey, Danny Overstreet.

Joan Kelly, editor and Mr. Campbell.

There were many pleasant reasons why we looked forward to spring. One certainly was knowing that we would receive our Acorn magazine.

Prose and poetry selections were contributed by a number of students in fact the idea was to have the work of as many individuals as possible.

Subject matter was in no way limited. This year something new was added in that an original play was a part of the publication.

Our Acorn magazine has won awards from the Southern Interscholastic Press Association in past years, an achievement of which we are proud, and hope will continue again this year. In our opinion these awards are very much justified due to the excellence in quality and the effort that is put forth to improve the magazine every year.

# Distributive Education Students Are Winners

There are approximately 56 students in the D.E. program this year. D.E. I students learn about job opportunities in the various distribution businesses. They learn that Distribution covers all business activity concerned with moving merchandise from the producers to the consumer.

In D.E. II and III or cooperative program students study the various areas of distribution jobs in the afternoon and evening for practical experience. They also receive pay for this work.

During the year, D.E. students participate in the D.E. Club, and its activities to promote excellence in job performance. A district Contest was held at William Byrd High School in February at which Jefferson D.E. had several winners.

On March 4 the annual D.E.C.A., Employer-Employee banquet was held at Kazim Temple with 450 students and employers in attendance. Certificates of appreciation were presented to several employers in the Roanoke area.

# Graphic Arts—The Tool That Educates Man

William Kingery, Vice-President; Nancy Brown, Treasurer; Diane Wilson, Secretary; Larry Jones, President.

Blood, Sweat, and Tears! Sound like a rock group? We are not referring to the popular singing group, however. We mean these words to describe the Graphic Arts members and students of printing. There doesn't seem to be another group in the school that does so many jobs and never quite receives the praise and appreciation due them.

Where does the drama department go when they want play bills printed, where does the athletic team go to have programs printed, who prints all forms used by our school and school-board? You guessed it—to the printing students.

Printing students of Jefferson High School are very proud of their print shop and they are proud of the work they have done. Some students have considered the field of printing as a lifetime career for a man or woman. Yes, we did say women. They enjoy printing too.

In closing, we would also like to thank our advisor Mr. Robert Young.

Nancy Brown, Diane Wilson, David Yopp, Gary Brown, Robert Markham, Alan Graybill, Mr. Young, Robert Clark, William Kingery.

# Teacher of Tomorrow

Janet Altice, Secretary; Dixie Gibson, Vice-President; Vickie Stanley, President; Debbie Stanley, City-Wide President; Joan Stanley, Treasurer.

"I never knew that there was so much you had to do before you can be a teacher," was one of the thoughts going through the heads of members of the F.T.A. as they returned from a day at Longwood College in Farmville.

The money making project for the F.T.A. was selling name cards and thank you cards to the seniors.

The Jefferson Club acted as hostesses for the city-wide officers when they met to plan a joint meet with the Eta of Delta Kappa Gemma Society. The spring meeting was held at the S&W Cafeteria.

The club wound up the year with a picnic at the home of the sponsor Mrs. Dudley.

They participated in the Homecoming Parade by decorating a float which added variety and color to the parade. They saw films introducing and explaining forms of art and also ceramics. A trip was planned in the spring to the Art Museum in Richmond. At this time we would like to thank them for the many activities they sponsored through the year.

Cindy Kidd, Vice-President; Mr. Johnson, sponsor; David Massey, Secretary; David Clasby, President; Ricky Church, Treasurer.

"The Skin of Our Teeth," a play by Thornton Wilder, started the dramatics season with an uproariously funny bang. Winter and Christmas were then not too far away, which brought the annual presentation of "Why The Chimes Rang." The Thespian troop also sold Christmas wreaths and mistletoe as a money-making project.

"Alice The Magnificent," was given for the enjoyment of the Roanoke Children's Theatre group.

Our entry in the District 1-A Play Festival was "I Married Irene . . . Because She Had Eyes Like Abraham Lincoln."

Spring and the close of another school year came all too quickly, but it did bring to us the wonderfully funny and especially professional work—"Mame" by Jerome Lawrence.

Our Red Cross took on many projects to move the past year along successfully.

Donuts were ordered and they sold them all. Money was collected to send to help fill the school chest for children in South Viet Nam. They also gave a party for children in an orphanage in Salem. In April a Blood Donor day was set aside for those who wished to give blood.

Changing the Red Cross bulletin board in the hall was an inevitable but enjoyable task.

In every way, the year was quite fulfilling.

Officers; Myrtle Ferguson, Treasurer; Frankie Mills, President; Johnsie Moorman, Secretary; Gayle Hill, Vice-President.

Young people who were interested in Christian fellowship and the development of spiritual values had the opportunity to join the Voice of Christian Youth.

Again this year, the V.C.Y. presented the annual Thanksgiving Assembly to our student body. Rev. Robert H. Harrison spoke to us on what we as young people of the coming generation should look up, speak out, and reach higher to achieve our goals for the future.

They also sponsored the Billy Graham film, “The Restless Ones” and the Youth Seminar which gave teens and adults a chance to speak out on the problems of today. Some of the issues that were discussed were: racism, religious freedom, social environment, school and city problems and many more.

Their fund-raising project this year was a religious musical program and from this they sent a child to Camp Easter Seal.

Miss Kathleen Davis, advisor.

## “Ever Reaching Higher”; Say Y-Teens

### THE Y-TEEN QUEST

Everywhere, always,  
In sunshine and shadow,  
In joy, in disappointment,  
In success, in defeat,  
We, the Y-Teens,  
Follow the Gleam.  
If once we fall,  
We rise to face the light;

If once we fail,  
We fight again to win.  
We cannot be lonely,  
We stand together—  
From North to farthest South  
From East to Distant West  
Ours is the surest Quest—  
We know the one we follow.

# FCA Members Loyal Jeffites

Athletes generally have a tremendous influence on the thoughts and actions of others around them. This is why they feel it is so important to establish a pattern of clear and right thinking, and the Fellowship of Christian Athletes did this!

This group promoted school spirit by taking part in all activities possible. One highlight of the year was that this club asked a nationally-known athlete to visit our school and speak to the student body.

Summer means an opportunity for the FCA to be of service once more, at which time they sponsor a deserving boy or boy's way to an athletic camp.

Mr. Kepley and club members, the yearbook staff and the entire student body appreciates your loyal support of Jefferson.

# Choir Performs On Local Television

Margaret Chisom, Treasurer; Debbie Webb, Secretary; Jim Baldwin, Vice-President; Lorraine Harvey, Robe Chairman; Ted Porter, Dennis Grass, President.

A highlight of this year's choir was their performance on PANORAMA, a local television show which told of their upcoming performance at the Youth Symphony Ball.

This year the choir is composed of approximately 52 members, and is under the direction of Mrs. Annette Sparks. In the past year they performed many different programs and assemblies. During the Christmas season they gave a concert for the public. To start '70 the choir sang for the Kiwanis Club and performed for the Roanoke Youth Symphony Ball.

For the first time, a Girls Chorus was organized this year. This group is composed for girls that are not able to be in the regular choir.

To close out what they thought was a successful year, the choir performed a concert in the spring, giving one performance at Jefferson and one in Elmwood Park.

## Girls Athletic Association

Miss Campbell; Sarah Hopkins, President, Miss Walker, Elaine Mills, point keeper; Debbie Griffith, Secretary, Donna Crouch, Vice President, Candi Price, Treasurer; Gail Robinson, Historian.

Upon entering the gates to see our football games, the first person one saw was probably a member of the Girls' Athletic Association who wanted to sell a program.

Selling programs wasn't the only thing these girls had to look forward to, however! Just listen to some of the other activities they enjoyed—sponsoring a varsity-faculty volleyball game, going to a hockey game, having Mr. Colin Kilburn, coach of Salem Rebels hockey team, speak at the January meeting, sponsoring intramural and inter-scholastic sports and receiving awards at the end of the year.

Thank you girls and your sponsors, Miss Walker and Miss Campbell, for a tremendous amount of school spirit!

The school year has come to a close and all of our friends have gone their separate ways.

The track team has hung up their shoes once more.

Band members have locked their instruments in their cases to collect dust until September, while the Majorettes remember marching in all those colorful parades.

You can still hear the joyful ringing of the cheerleaders echoed voices through the halls of our great school.

A great season was what our football team had and with the hopes of a more fulfilling season next fall they

stored their memorable uniforms away for the summer.

After playing a No. 1 season the basketball players retired with a feeling of great success and satisfaction.

Frightened sophomores become brave outspoken juniors.

While spirited juniors become "big bad seniors."

The spirited students here at Jefferson will long to hear the spontaneous and chilling cry of victory once more. Especially the seniors, the Class of '70, because they have left their precious memories behind and they will walk through these doors never more.

# HONORS

# Dedication

Mrs. Irene Monroe

Mrs. Monroe was often seen in this pose giving aid to a student.

## Spirit Of Love

Asked to describe this person we could surely use the word we have chosen as our theme "SPIRIT." No matter about the defeat or the depressing circumstances one could always count on her to uphold and boost the morale of the school.

Words alone fail to describe the warm and personal touch brought to each problem she was required to face. There was always a mountain of tasks to perform. With a smile and warm greeting she welcomed those hundreds of students and faculty members who entered the Activities Office doors to say "May I buy a pencil?" "May I buy a ticket to tonight's game?" "Has anyone turned in a history book?" And these are only a very few of the hundreds of requests answered in the midst of keeping books on all receipts and expenditures for a school the size of Jefferson.

So with a SPIRIT of love we dedicate the 1970 ACORN to you Mrs. Irene Monroe.

Mrs. Monroe adds enthusiasm and cheer at a ballgame.
