We, the students of Jefferson High School, believe in purity of living, obedience to authority, courteous manners, achievement through effort, loyalty, service, and integrity of character.

We believe in living up to the best that is within us at all times, whether alone or with many, and in keeping faith with ourselves, our homes, our school, city, country, and our God.

To Thee, our Alma Mater
Our hearts will e'er be true;
And so with lifted voices,
We sing our praise to you.
Still thru thy halls we wander,
Our friend You'll always be,
Forever we'll be faithful,
Dear Jefferson to Thee.

Hail to our Alma Mater,
To us you'll always be,
A symbol of our happy days,
Our heartaches and our glee,
Within your walls fond memories,
Grow dearer day by day,
All hail our Alma Mater,
Grant us courage on life's way.

Miss Dorothy Gibboney
Superintendent of Roanoke City Schools

Business calls, appointments, staff meetings and other important activities pertaining to the education of Roanoke's youth were matters for attention in the offices of the school administration.

Miss Gibboney, superintendent, Mr. Fisher, business manager and Mr. Robertson, director of instruction, were all kept busy in the organization and success of our school system.

This fall brought a change in location for the staff. They proceeded on with school business in a most effective and efficient manner from the fourth and fifth floors of what was formerly Grand Piano Furniture Company.

PRINCIPAL

Mr. John R. Graybill

The good-natured face of our principal, Mr. John R. Graybill, was seen by patriotic Jeffites at just about every school function this year. At football games, the fall play, or even one of our "swinging" dances — Mr. Graybill was there.

Inspiration to the different athletic teams and little pep talks in the pep assemblies to spur on school spirit have characterized our principal's second year here at Jefferson. Mr. Graybill is respected by one and all and is known by his kind and understanding manner in dealing with any situation.

Mr. Graybill appears here discussing Jefferson's Distributive Education program with Mr. Lloyd Enoch, Distributive Education Supervisor for the city, and Mr. Taylor.

Our new assistant principal, Mr. Ben Taylor, came to us from Patrick Henry.

Mr. Taylor, working along with our faculty, administrative staff, and student body, ironed out the problems of our day-to-day school life here at Jefferson.

When he can find some spare time, he enjoys refinishing furniture, participates in the Roanoke Host Lions Club, and is a deacon at Raleigh Court Presbyterian Church.

Mr. Benjamin L. Taylor

Work was a never-ending process. Mr. Taylor and Miss Brown, Guidance Counselor, confer on schedules.

Mr. Byrd, Mrs. Monroe and Susan Love check receipts for balances of Senior dues.

Activities Office

"May I have a pen please?" This was only one of the many, many things that the students asked for in the activities office. Among pens, items sold were paper, erasers, tickets, gym suits and most any school supplies one might need.

Mr. Byrd, our activities co-ordinator, was in charge of scheduling extra curricular events such as football and basketball games, wrestling matches, and any other athletic events.

Mrs. Monroe, activities secretary, was constantly busy with her duties such as bookkeeping, typing, collecting money for dues, selling school supplies, and answering one million and one questions.

Guidance Department

New office space was made available for the Guidance Department. The move from the third floor to the spacious first floor offices was indeed a welcomed change.

Miss Margaret Brown counseled seniors, Mrs. Jacoby the juniors, and Mr. Garber, new in the department, worked with the sophomores.

This year an even greater number of students made plans to continue their education after high school. With all new facilities students were able to use vocational materials.

Through the counseling of our capable staff many minor problems remained just that.

Miss Brown checked and rechecked senior applications for scholarships.

Mr. Garber and Donna Hill discuss her schedule for next year.

Attendance Office

An individual's classroom performance depends to a great extent upon his attendance. We, therefore, wanted to keep a close check on this matter.

Girls reported, upon return after being absent, to Mrs. Kosko. Mr. Nucholls was in charge of excusing boys who had been absent.

Telephone calls were made to the parents of those who were reported absent, which proved to provide a closer tie between home and school.

Under the direction of Mrs. Stevenson and Mrs. Mary Cottrell, the library maintained a relaxed and friendly atmosphere.

They were always willing to answer questions and help students find information for writing themes or book reports.

ATTENTION: Today we will be on the morning activities schedule. The bells will ring at 9:30, 10:15 . . .

Typing the notices was just one of the many duties of our secretaries, Miss Edna Chesney and Mrs. Lucy Doud.

They also answered the telephone, kept school records, worked closely with the faculty, and assisted in administrative functions.

Miss Chesney and Mrs. Doud checked IBM schedule cards for semester placement.

Students at Jefferson were not only provided a nutritious lunch but an early morning breakfast, which gave that extra "get-up-and-go" for morning activities.

Audio Visual

Again this year, boys volunteered to take an active part in helping Mr. Trinko with the Audio-visual.

Asking for a projector was just one of the many requests made by the faculty to the Audio-visual Department. The department supplied projectors, tape recorders, and record players.

The boys working and delivering the machines were a big help to both the faculty and administration.

A Time For HONOR

Few words are needed for the dedication of this yearbook.

Only to a person who has given so much TIME, effort and thought to her career of service could we, the 1968 Acorn staff, honor with the presentation of this book.

Because we know how much Jefferson has meant to you and because of the knowledge, devotion and loyalty you have passed on to us, the students and faculty, it is with pride that we present this 1968 Acorn to you . . . MISS MARY OBENSHAIN.

The morning has gone so quickly, and it is lunch time now.

Social studies is a survey of the facts that developed our history and the ideas that formed our government. Through the study of past history we learned of foresight to establish more stable governments.

Current events were strongly stressed through class discussions each individual had the opportunity to express his opinions.

The subjects offered in the social studies department were United States Government, World History, and American History.

A new English curriculum was offered at Jefferson this year. It consisted of twenty-four courses which enabled all students to enroll in the classes of their choice. Some courses offered were Fundamental Grammar Review, Writing Laboratory, Contemporary Literature, and English Literature.

New Teachers were added to Jefferson to help provide this program. They were Mrs. Lipscomb, Miss Sipple, Miss Howell, and Mr. Logan. The students and teachers worked hard to build and expand this program, making it a rich educational experience.

Pseudopodium, Exteroceptor; Isn; Lymphocyte. A foreign language? Not exactly. These were just a few of the words being defined for curious students by our Science Department.

Science seems to have a language all its own and nowhere did the students get a better explanation than here at Jefferson. Headed by Mr. Wilson, the department offered one of the widest fields in the city. In addition to the regular Biology and Chemistry several other electives were offered according to the needs of the students.

Physical Science was offered as an alternate for Biology. For those going into medical careers, nursing chemistry was offered. Another course combined the needs of Chemistry and Biology students under the name of Advanced Biology.

Mrs. Hester McCabe, head of the department, Mrs. Watson, Mr. Partington and Miss McMullen aide students in the courses needed for a better understanding in tomorrow's mathematical world.

General Math, Algebra I and II, Geometry, Trigonometry and Advanced Math were courses offered in the Math curriculum.

Business Department

Where are you going in life?

Business students found the answers to this question through the many business courses available to them at Jefferson. Courses included typing, shorthand, general business math, and a course in operating business machines.

The Distributive Education and vocational office training programs made it possible for students to gain practical work experience while learning.

What will you be doing ten-fifteen years from now? We feel in order that the answer may be one of which you are proud, there must be training and preparation now.

Foreign Language Department

Students who would like to travel to a foreign country but felt they should study a foreign language in preparation for such a trip had a choice of three categories.

Those interested in Spanish culture studied Spanish under the guidance of Mr. Mather. The Pan American League was open to all students interested in Spanish.

Students who enjoyed romance and romantic culture enjoyed French with Mr. Adams. Fluer de Lys, the French Club was open to all French students.

A new addition to the Department was Miss Howell who taught Latin. Here was the place for students who were interested in Rome and its culture. The Latin Club was always open to Latin students.

Fine Arts Department

Our Fine Arts Department has been splendid at Jefferson this year.

The choir sang for special assemblies such as Thanksgiving and Christmas. They also performed outside the school and displayed fine talent.

Our band was very representative in parades, and football games. The Pep Band encouraged our school spirit at basketball games and pep assemblies.

The art department kept our school attractive with the lively, colorful exhibits in the halls and show cases.

The comedies, produced by the dramatic department, were full of laughter and entertainment to the delight of the audiences.

Our Home Economics department was also very active. A new course of Occupational Home Economics was offered for Senior girls only.

Mrs. Lawhorn; Mrs. Sink; Mrs. McMullin; Mr. Johnson; Mrs. Baier; and Mr. Hull were members of the Fine Arts Department.

Without the help of Mr. Rhoades, the head of the department, Mr. Fink, Mr. Hallis, Mr. Huddleston, Mr. Young, Mr. Trinko, and Mr. McMillian we could not have had the special training that will help us in the future.

Dancing, basketball, table tennis, volleyball, softball, bowling, archery, gymnastics and health classes gave junior and sophomore girls a well-rounded and energetic year of activity.

"You've gotta be kidding!" moans Mrs. Simmons as she and Miss East are caught unaware of the photographer.

"Come on Mr. Hull, it's cold out here!"

STUDENTS

"But, I can't dance modern all by myself!"

Girls' and Boys' State

During the month of June, 1967, girls and boys met at Radford and William & Mary Colleges (respectively) to learn how our government was operated. The girls and boys were divided into cities where they elected their officials. A governor, lieutenant governor, and attorney general were then elected as state officials. The week was filled with lectures on government procedures, competition in sports, and discussion groups. The candidates left the session with a new understanding of how our government is operated, and a deep sense of pride in what our government is doing.

TREASURER

Charlene Gray, Treasurer; Jean Wheeler, Secretary; Margaret Chisom, Vice President; Bobby Wilmoth, President; as sophomore officers met together often.

We, the class of 1970, take great pride in representing our class and school, and realize the achievements, goals and the accomplishments that will be made through the standards we set.

Our officers worked very hard with appointed persons and associations to raise money for their coming years at Jefferson.

We feel that the Sophomore class has helped to make the name "Jeffites" continue to fit the standards and good citizenship upon which our school is built.

Our future is secure, and we feel that our remaining years at Jefferson will be the happiest and most memorable ones of our lives.

"Four score and seven years ago . . ." Boy! This study hall surely comes in handy."

Cheerleading is a rough way to live!!

Linda Dillon goes merrily on her way on some errand.

dream . . . it is hitching our wagons to a star.

read . . . it is the foundation of wisdom.

Love and to be loved . . . it is the priviledge of the gods.

TIME TO . . .

work . . . it is the price of success.

play . . . it is the secret of preputal youth.

be friendly . . . it is the road to happiness.

Jefferson participated in WDBJ's Klassroom Kwiz, a weekly show having area high schools competing in knowledge. Jefferson's representatives were Carlton Andrews, Carolyn Dudley and Dabney Hopkins.

CLUBS AND

Jefferson's first baseball game found our team in full swing in preparation for the season ahead.

Mr. Gene Ferguson and the choir practiced many long hours to provide entertainment for the Jefferson faculty and student body.

ORGANIZATIONS

These girls appear to be quite interested in the colorful playbills from Broadway plays.

Hard at work preparing for the production of "Annie Get Your Gun," most of these students didn't even know their picture was being taken.

Hot weather didn't bother the Executive Council as they met early in the summer to get ready for an active year. A faculty tea and an Orientation Day Dance marked the beginning of the many projects sponsored by the council.

Other highlights of the year were the Homecoming Parade and Dance, the bonfire in Highland Park to kickoff Basketball Season, the Christmas Dance, Fun Night and a country music show featuring Lester Flatt and Earl Scruggs.

Student & Activities Forums

The club Presidents worked with the Executive Council to keep their clubs well-informed and more united. The second annual Homecoming parade was the main project undertaken by the Activities Forum.

Brenda Towe led Student Forum through an active year. Making posters for Homecoming, gathering wood for the bonfire, and making centerpieces for the cafeteria tables for Thanksgiving were just a few ways the homeroom presidents took part in the Executive Council's projects.

1968 Acorn Yearbook Staff

Dummy sheets, copy, typing, corrections, identifications, pictures, layouts done in triplicate. Confused?

These were just a few of many things needed in publishing a yearbook.

Time, thought, and hard work were also a part of the effort that has gone into this year's book.

As members of the 1968 ACORN staff, we hope you will enjoy and cherish this year's annual.

"The book's really dedicated to me." Only one of the many happy times of this year's staff.

Brenda Hannon, editor, was often found assigning work to be done on the yearbook.

Roger Dunagan, yearbook photographer, was often found snapping pictures.

Cecelia Summers and Miss Lampros discuss an issue of the Jefferson News.

As winners of the 1966 Scholastic Press Award of the Virginia Press Association and members of C.S.P.A. and S.I.P.A. the 1967-68 newspaper staff worked hard to keep up its high standards.

Cecelia Summers, Editor-in-Chief, Miss Tina Lampros, Literary Advisor, and Mr. Joe Byrd, Business Advisor, were very proud of their hard working staff. Putting out sixteen issues of the newspaper during this school year tested the talent and endurance of each member.

TIME

"The hours pass quickly, so quickly I cannot catch my breath.

The sands of time do not heed my cries of Stop! Stop!

Time, being far greater than I, does not pause even a second in its journey.

Oh, why will it not listen to my passionate plea? Am I really that insignificant? Does time not realize it must wait, that I must wait for love?"

Written by Dolores Smith, a senior.

The poem you have just read was only one example of the creative writing composing the fall and spring issues of the student Acorn magazine.

Members of the first semester class of Creative Writing published the fall magazine while those students taking part in the second semester class produced the spring magazine.

Mrs. Ruth Staton was the literary advisor, Miss Martha McMullen, art advisor, and Terry Lee the editor.

Service to the faculty and student body was the central theme of the Library Club.

There were 13 members of the Library Club this year. They were dedicated students who gave one period a day of their time. They assisted the students and faculty members in many ways. Their experience was also helpful to them as they learned how to arrange books on the shelves, locate materials and take care of the overdue books. They learned how to work with people and how to be pleasant, cooperative and helpful.

CLUB

Mrs. Stevenson, Diane Hartman, Emily McGhee, Patsy Gish, Alton Blevins, Alice Baugh, Gladys Parrish, Peggy Belle Isle, Ester Flora, Brenda Ward, Romia Smith, June Bane, Margaret Carter.

La Fleur de Lys, the French Club at Jefferson, was open for membership to any student taking French class or interested in the language.

The club held its meetings on the second Wednesday of each month under the direction of the advisor, Mr. Adams.

The club sold candy as their fund raising project.

Club activities included seeing slides of France during a regular club meeting, and a party was given at the end of the year.

Spanish Club

This year has been a busy one for the Spanish Club, as well as a rewarding one. George Coles was appointed club president and did an extremely good job especially on promoting enthusiasm among the members.

The club operated on a demerit basis which proved to be a good system. Under our system working members were given credits for their work, then the future officers were chosen from those with the most points.

For the Homecoming Parade the Spanish Club joined with the Senior Class to win the prize for the best float. Our money making project for the year was our Victory Hop after the Patrick Henry game, and to our joy it was very successful.

We were also engaged in "Operation Nimos" a project that helped to support new schools through out Latin America.

Wyatt Pate, Treasurer; Sharon Hambrick, Projects Chairman; Karon Akers, Secretary; Gloria Myers, Vice-president; George Coles, President.

Miss East and Mrs. Simmons could do anything, they even turned the gym into a bowling alley!

Karen Perdue and Margaret Chisom were co-assistants for the choir this year.

Mr. Johnson was always found busy working with either the Thespians and Masquers or rehearsal for a play.

Jefferson's band drum corps this year were Bobby Craft, William Lawrence, Bobby Guill, Keith Wood, Eugene Lightfoot and Carlton Coleman.

Kenneth Peggins; Treasurer, Terry Lee; Vice-President, Steve Miller; President, Mike Stanley; Secretary.

Two hours a day seemed like such a short time when it was devoted to training in vocational fields.

Auto mechanics, sheet metal, welding, wood work, printing and shop students were all eligible for membership in the Vocational club.

Activities of the club were a field trip to the General Electric plant and an exhibit of various projects.

Such vocational training gave our boys a sense of security in the world of work.

The club meets every fourth Wednesday. A few of the club's projects were a float in the Christmas parade, a booth at fun night, a newspaper for all club members, and an open house meeting for Senior club members, at which time demonstrations were made.

Art Club

Through the work of the Art Club an appreciation of art was developed by placing several exhibits in the Roanoke area.

The club also attempted to promote the interests of the school and the club members by making the school attractive by decorating the boards in the teachers' cafeteria, the main cafeteria, and by placing exhibits in the main hall.

The club members used their artistic ability in service to the school by sponsoring an art room for PTA Fun Night where portraits were painted and sold.

There were also certain social activities for aiding students in getting to know each other.

One of the main projects of the Hi-Y is the annual distribution of Christmas baskets to needy families. The Hi-Y also during Easter Week devoted their time for special Easter services in the mornings before school.

The organization is under the direction of Mr. C. F. Adams and Mr. Partington.

It brings together students interested in and working toward better home and family living and provides opportunities to share in solving problems important to home life.

This year's theme "Citizenship Challenges You", emphasized good citizenship at home, school, and in the community.

Christian influence is indeed an intangible thing. It is difficult to know just where this influence begins and where it ends. This was of concern to Jefferson Y-Teen members.

This Y-Teen organization seeks to serve others, therefore, we feel that we should list a few of the highlights of the year. Christmas cards were sold as a fund raising project, all area Y-Teens sold candy for the Inter Club Council and collected for UNICEF. Jefferson's Dabney Hopkins was chosen Santa Lucia at the annual "Hanging of the Greens" which is a Christmas program held at the Central Y.W.C.A. When spring came there was another opportunity for service as well as fun with the sponsoring of an Easter egg hunt for mentally retarded children. An annual inspirational Brotherhood conference found the Y-Teens ready and willing to participate.

In the years to follow, the business world will be directed by the students in the Future Business Leaders of America. This year's F.B.L.A. activities included participation in the homecoming parade as well as having a fashion co-ordinator talk about fashion. They went on a tour of the Virginia Western Community College and the I.B.M. The yearly project was to antique some furniture for the Business Department. They also raised money to buy a camera.

Distributive Education

Developing future leaders for marketing and distribution was the goal of the Jefferson Distributive Education Club. This goal was accomplished through participation in various activities such as attendance at the District, State, and National Leadership Conferences; sponsoring a float in the homecoming parade; attending the District Fall Rally and the Roanoke Valley Employer-Employee Banquet. Club members enjoyed parties at Christmas and the end of the year.

The Jefferson Chapter met the second Wednesday of each month in the school auditorium. There were professional people from the fields of distribution attending each meeting to talk with the students about careers in the field of marketing and distribution.

"Why do you want to be a teacher?" was a question asked of many students who belong to F.T.A. The Future Teachers of America is a club composed of students interested in the teaching career. They, as a local chapter, are members of Delta Kappa Gamma. Jefferson's F.T.A. is one of their most active and enthusiastic clubs.

One of the most interesting F.T.A. programs was one that consisted of a student teacher panel. Many questions about college life and curriculum were asked of the student teachers.

The F.T.A. participated in National Education Week by giving a Tea in the Teachers Lounge.

Several new and different projects were tried and enjoyed by the members.

A race to the moon, heart transplants and automation provide the ever increasing need for scientists. Through membership in our Science Club, interested students became aware of opportunities in this field.

Under the supervision of Mr. Robert Wilson, the club was guided through a year of learning. Films, speakers and field trips gave first-hand information on the progress science has made in recent years.

Students were encouraged to seek life time careers in any one of the vast fields of science.

"We hold these truths to be self-evident" are the words used to describe the most successful year of the Jefferson Choir has had in many years.

These words mean that the performances which the choir presented, under the direction of Mr. Ferguson, needed very few words of praise because those watching a choir concert were readily convinced of the ability of the choir.

Congratulations are extended to Gigi Coffman who was chosen to be part of the All-Virginia Choir.

The major project for the year was the purchase of a plaque with the names of former Jefferson students who have died in Viet Nam. The money making project to buy the plaque was the annual WROV-Faculty basketball game. The Key Club also completed other service projects and attended the District Convention in March and were invited to Kiwanis Luncheons each Wednesday.

Throughout the school year and during the previous summer the Fellowship of Christian Athletes were at work. During the school term the club worked toward the long-range goal of sending boys to a summer camp devoted to developing outstanding athletic ability and leadership. One project undertaken by the club to raise money for this goal was selling doughnuts.

It is the hope of the club members to put into operation their own summer camp which will be a basketball and football clinic. The club is planning to use the services of such professional experts as Carrol Dale, flanker of the Green Bay Packers.

Probably one club that was as much responsible for good school spirit as any other at Jefferson was the Varsity J. Membership in this club was limited to those boys who earned a Jefferson letter for their outstanding participation in sports.

The club's fund raising activity this year was the selling of Jefferson decals. Another project was the presentation of a trophy to a teacher and a student who were believed to have shown the most school spirit during the year.

Girls' Athletic Association

Approximately 150 girls were members of the Girls' Athletic Association this year. In order to join the club each girl had to earn 100 points, which were given for participation in activities developing physical growth. Playing volleyball, basketball, softball, and tennis were some of the ways to receive points. The girls also participated in intramurals and sold programs at football games.

Mrs. Donnalee Simmons and Miss Virginia East sponsored the G.A.A. activities which consisted of hiking up Mill Mountain, sponsoring a float in the Homecoming Parade, and helping to organize a City-Wide G.A.A. Club members were honored at a picnic near the close of the school year.

Jefferson	0	Tazewell	13
-----------	---	----------	----

A new stadium, too many mistakes and 116 yards in penalties, were all major factors in the Magicians 13-0 opening loss to Tazewell.

Jefferson	10	Patrick Henry	7
-----------	----	---------------	---

A victorious win over the Patrick Henry Patriots. For the Magicians, a 40 yard field goal was the jinx breaker for the determination needed to beat the Patriots. A spectacular field goal was made by Donnie Stanley. Cecil Nichols made the only touchdown near the end of the second quarter. The victorious game was one of the best of the season.

Jefferson	0	Andrew Lewis	28
-----------	---	--------------	----

The Magicians suffered their second defeat at the hands of Andrew Lewis of Salem. A new field and a tough team were two obstacles that faced the Magicians. The Magicians hit hard but made too many mistakes. The score was 28-0.

Jefferson	23	George Washington	13
-----------	----	-------------------	----

The Magicians gained their second win as part of a double header, which saw Leroy Parker and Owen Grogan score three touchdowns between them, and Donnie Stanley kick a 35 yard field goal and two extra points en route to a 23-13 victory over G.W. of Danville.

Jefferson	21	Halifax	0
-----------	----	---------	---

The Jefferson Magicians led by fine running from Leroy Parker and Owen Grogan, blocked the Halifax Comets, 21-0. Leroy and Owen made the touchdowns with Donnie Stanley kicking the extra points. Much excitement from the spectators helped our team with a victorious win.

Jefferson	32	Catholic	20
-----------	----	----------	----

The Magicians ended their season November 3 with a 32-20 victory over the Celtics from Catholic. The game was filled with many wide-open offensive plays and good passing. Jimmy Crawford, David Ferguson, Leroy Parker and Owen Grogan scored our touchdowns.

BASKETBALL

First row: Joe Turner, Jimmy Crawford, Eddie Gray, Richard Vandergrift, Donnie Stanley, David Forbes. Second row: Mr. Hamrick, Coach; Ronald Marsh, Rickie Carr, Owen Grogan, Buddy Conklin, Kenny Divers, Captain; Bruce Hankins, Mr. Kepley, Coach.

The Magician's season started long before the first of November. As many of the players know, the season started during the summer with summer league games.

For about 5 weeks you could find the boys on some court playing. After this, Mr. Kepley had the Jackson Gym open for the players three days a week.

Although the season wasn't as good as expected the boys worked hard to represent their school.

For the seniors on the team this was the last year, of course, but for the Juniors and Sophomores there's always next year!

John Coles sets up a Fleming opponent for the pin.

Wrestling

Flashes of Red and White could be seen on the wrestling mats as Jefferson's squad known as "Red Raiders", competed with other area teams.

Despite the size of the team and inexperienced wrestlers this year, we still had a group of boys with a lot of spirit and with every intention of winning. These boys have worked hard all year, under the direction of Coach James Jones and assistant coach, Phillip Harris.

Capturing another pin, John Coles boosts his record.
