ALMA MATER

Hail to thee, our Alma Mater
Guardian of the right,
Our footsteps will never falter
Guided by the light.

CHORUS

Alma Mater, Alma Mater!
Thee we will never fail.
Loyal sons and loyal daughters,
Addison, all hail!

Our strong band can ne'er be broken
Formed in Addison High;
Far surpassing wealth unspoken,
Sealed by friendship's tie.

DEDICATION

They say that a captain is the last one to leave a sinking ship. Sherley E. Stuart is one coach who stood by a losing football team. His determination and dedication to his players is the reason that the staff has decided to dedicate this yearbook to him.

Mr. Stuart graduated from Lucy Addison in 1956 where he had participated in football and track. In 1961, he graduated from St. Paul's College. There he earned a B.S. in Industrial Education, lettered in track and football and was captain in both sports.

His first coaching job was in Madison, Virginia. He then went to Southhill High School where he coached football and track. He won numerous titles and honors as a coach and was elected coach of the year three times; football in 1967 and track in 1966-67 and 1969.

He came to Addison in 1969 as head coach of football and track. He has won two Blue Ridge Track titles. He is presently teaching Physical Education and Mechanical Drawing as well as coaching.

Mr. Stuart and his wife, Virginia, are the proud parents of Monica, four years, and Aaron, three months.

Behind every achievement, there is usually a devoted woman, and our yearbook is no exception. The yearbook staff has decided to surprise our devoted and beloved sponsor, Nancy C. Simmons with this dedication to show that we appreciate everything that she has done.

In 1963, Nancy Compton graduated from high school in the top ten of her class. Four years later, Miss Compton had earned a B.A. from V.P.I.

Her first teaching job was at William Fleming High School. She taught English there for two years. In 1970, Miss Compton came to Lucy Addison where she continued to teach English.

In the summer of 1971, Nancy Compton became the wife of Marvin Simmons.

The members of the staff would like to thank Mrs. Simmons for her patience and hard work.

I CAN'T UNDERSTAND IT. SOMEONE HAS COMPLETELY FILLED MY OFFICE WITH JELLO.

ADMINISTRATION

This is Charles W. Day's second year as the Principal of Addison High School. Mr. Day's experience with the public school system includes the following: classroom teacher, coach, elementary principal, guidance counselor, and Senior High School principal. He has taught Social Studies, Health, and Physical Education. He has also taught Math. He enjoys reading and traveling.

Our beloved Assistant-Principal, Robert D. Lipscomb, is a figure who is frequently seen by the student body. Mr. Lipscomb has been associated with the public school system for nine years. Before coming to Addison, Mr. Lipscomb was a Coulter Hall Dean at Fleming. He has a B. S. in Education from Concord College and a M.Ed. from V.P.I. Mr. Lipscomb loves to read in his spare time.

Being the Director of Student Affairs is not an easy job. Ask John H. Powell. He has been with Addison for fifteen years. Mr. Powell has a B.S. and a M.A. from Fisk University. He has also attended St. Paul's College and the University of Virginia. Mr. Powell has taught Biology, Chemistry, General Science, and Advanced Biology. He enjoys athletic affairs, hunting, and fishing.

I WANT TO KNOW WHICH ONE OF YOU KIDS PUT GLUE IN MY HAT YESTERDAY, AND I WANT TO KNOW RIGHT NOW.

FACULTY

BAND

Whether observing the marching band in action or conducting the concert band, Ulysses B. Broadneaux enjoys his job as a band director. He has earned a B.S. degree from Hampton Institute and a M.M. degree from Boston Conservatory of Music. Mr. Broadneaux teaches Band I, II, III and Elementary Music. Whenever he can find time from school activities, which includes the Marching Band, Concert Band, and Dance Band, he loves to indulge in sports, photography and Jazz Music.

MR. ULYSSES
BROADNEAUX

CHOIR

With thirty years of teaching experience behind him, Roland Plasterer must enjoy being a music teacher. Mr. Plasterer has obtained a B.S. in music education from Manchester College and a M.M. from Indiana University. He teaches choir and Music Theory at Addison and Jefferson. He is the sponsor of the Glee Club and enjoys gardening in his spare time.

MR. ROLAND
PLASTERER

DRAMA

Roland A. Carr is a very busy man; he enjoys bowling, skating (ice and roller), skiing, tennis, and is the Youth Sponsor at his church. Mr. Carr taught at Triple "C" School, West Indies, last year and compared with the full schedule he had there, he seems content to teach Drama and English at Addison and Jefferson. He has received a B.A. from Anderson College where he majored in Speech and Drama. He is in charge of the Drama department of Addison and Jefferson.

MR. ROLAND
CARR

ART

A thing of art can be very beautiful if it is done correctly. Julie A. Vest has the task of teaching students the basic principles of art. A graduate of Virginia Commonwealth University, Mrs. Vest has a B.F.A. She is now in her third year of teaching Art I and II. She is the sponsor of the Art Club, co-sponsor of the newspaper, and enjoys photography, painting, and sculpture.

MRS. JULIE VEST

MATH

MR. EDDIE
JOHNSON

Math can be fun! Smile when you say this around Eddie Johnson. A mathematical genius, Mr. Johnson teaches Algebra I and II, Business Math, Trig and College Math. He has a M.Ed. and a B.S. in Math from V.P.I. He has had five years of teaching experience at Fleming and Addison (including summer school). He is presently the chairman of the Math Department and sponsor of the Math Club. He enjoys reading.

James W. Bishop looks more like a football coach than a math and science teacher. A graduate of Wake Forest University, with a B.S. in Math, Mr. Bishop spends his school days teaching General Math, Geometry, and Physics. His other teaching experience has been at Jackson Jr. High School. His interest in athletics has carried over to his job as assistant wrestling coach at Addison.

MR. JAMES BISHOP

SCIENCE

MR. THOMAS
JONES

Anyone who have ambitions to blow up the world had better forget about using the school's chemistry lab while Thomas M. Jones, Jr. is around. A competent science teacher, Mr. Jones has received a B.S. from Virginia State College and a M.S. Ed. from Wayne State University. With twenty-seven years of teaching experience, he teaches Physics, Chemistry, Biology, General and Physical Science. He is in charge of the science club and enjoys fishing and photography.

A new addition to our faculty, James W. Wills is now in his first year of teaching biology. He has earned a B.S. Ed. in Biology from Mansfield State College. Mr. Wills enjoys Bluegrass music, wrestling, gymnastics, swimming, fishing, and hunting. We hope that Mr. Wills will find his first year at Addison a pleasant one.

MR. JAMES WILLS

LIBRARY

The library is usually a busy place, believe it or not. Aleise J. Jessup finds that Addison's library is no exception. She obtained a B.A. and a M.S. in Library Science from NCCU. Mrs. Jessup has worked in the library for four years and sponsors the Library Club. She enjoys reading and tennis.

MRS. ALEISE JESSUP

DISTRIBUTIVE EDUCATION

A graduate of Virginia Polytechnic Institute and State University, Roger W. Lovern has a B.S. degree. He has taught Distributive Education for three years. Mr. Lovern is the sponsor of DECA. He is interested in all out-door activities.

MR. ROGER LOVERN

SPECIAL EDUCATION

Robert Sieff has taught Special Education at Addison for four years. He holds a B.S. from Western Reserve University and a M.S. in School Psychology from Radford College. Mr. Sieff is the coach of the baseball team and is interested in all sports.

MR. ROBERT SIEFF

HOME ECONOMICS

MRS. MARY
STEPTOE

I advise you to by-pass the Home Economics department if you're on a diet. Why? Mary C. Steptoe usually has her class cooking something good. Mrs. Steptoe has a B.S. from A & T State University and a M.S. from Cornell University. Her teaching experience has been in Roanoke City. Mrs. Steptoe is the sponsor of the F.H.A. She is interested in reading, sewing, and crafts.

Another room that any diet-minded person would avoid is occupied by Kristin Baier. She has taught for twelve years and is a graduate of Iowa State University. Mrs. Baier loves to sew. A stop-over in the Home Economics Department could improve a person's outlook for the day.

MRS. KRISTIN
BAIER

BUSINESS

MRS. ANN
GRAYBILL

The noisiest rooms on the second floor have to be the typing rooms. One of the rooms is occupied by Ann S. Graybill who obtained a B.A. from East Carolina University. She has taught for twelve years at Jefferson, Patrick Henry and Addison. Mrs. Graybill teaches Typing I and II, Bookkeeping and General Business. Her school activities include the FBLA.

Reading and knitting are quiet hobbies in comparison to teaching Business Education and Vocational Office Training. Rebecca Stratton Thomas holds a B.S. from Mary Washington College and a M.Ed. from Virginia Polytechnic Institute and State University. Mrs. Thomas has taught in Norfolk, Roanoke County, and Roanoke City. She sponsors the FBLA.

MRS. REBECCA
THOMAS

ENGLISH

Although Nancy Simmons has her hands full as the sponsor of the Yearbook, she can find time for her hobbies, sewing and reading. A graduate of V. P. I., Mrs. Simmons has a B. A. degree. She taught English for two years at Fleming and is presently in her second year at Addison. She is also the sponsor of the Chess Club.

MRS. NANCY
SIMMONS

MR. JOHN
MONTGOMERY

A devoted English teacher, John Montgomery obtained a B. A. from the University of Michigan and a J. D. from the University of Virginia. Mr. Montgomery has three years of teaching experience at Jefferson and Addison. He is presently the sponsor of the Tennis Team and one of the co-sponsors of Addison's newspaper.

Dorothy Waldron, an English and Spanish teacher, has taught three years in Colorado and fourteen years in Roanoke. She obtained a B. A. from Colorado University. Mrs. Waldron enjoys music, knitting, cooking, and bridge in her spare time. She is currently the sponsor of the FTA.

MRS. DOROTHY WALDRON

MRS. MABEL N. MARMION

A Latin and English teacher, Mabel N. Marmion has taught in Port Arthur, Texas, Wilmington, Delaware, and Roanoke, Virginia. She holds a B. A. from Southwestern University and a M. A. from the University of Texas. Mrs. Marmion is Parliamentarian of the PTSA and the President of the District PTSA.

SOCIAL STUDIES

Mr. Robert Firebaugh

A graduate of the University of Kentucky, Robert E. Firebaugh obtained a B. A. in Political Science. He taught for four years in Bedford County and Roanoke City Schools. Mr. Firebaugh's school activities include being sponsor of the SCA and Assistant Basketball Coach. When he's not teaching U. S. History and U. S. Government, he has time for his hobbies, which are reading and the Edsel Owner's Club of America.

Reading, writing, research, gardening, hiking, trailing, and viewing old movies are all among the hobbies of Robert L. Fariss. One would wonder how he ever finds the time to teach English, U. S. History, and Sociology. Mr. Fariss obtained an A. A. from Ferrum Jr. College, A. B. from Bridgewater College and a M. S. from Radford College. His twenty years of teaching experience includes Bent Mountain, Wilson, Fleming, Monroe, Addison and Jefferson.

Mr. Robert Fariss

Mr. J. P. Comer

A former teacher of Jefferson, J. P. Comer teaches U. S. History and U. S. Government at Addison. He has received a B. A. and a M. A. from the University of Richmond. He has taught school for twenty years. Mr. Comer loves traveling, collecting records, and electronics.

Student teaching--
sometimes a trying task.

VOCATIONAL

Someone has to know the ins and outs of an automobile in case of an emergency. Carlton S. Edwards is responsible for teaching the students just that. He holds a B.S. from St. Paul's College and has taught Auto Mechanics for fourteen years. His school activities include being Intra-mural Director, Hot Rod Club and VICA Sponsor.

MR. CARLTON EDWARDS

You're probably used to seeing Alonzo J. Deskins, Jr. in one of the following places: in the study halls, on wall duty, or lunch room duty. His students are used to seeing him in their barbering classes because he's their teacher. Mr. Deskins has received a B.S. from Bluefield State College. He is interested in sports.

MR. ALONZO DESKINS

In one part of the vocations building, a person would have no problem getting a headache with all the hammers pounding. Robert D. Bandy doesn't seem to mind the noise. He has taught carpentry for three years. Mr. Bandy received his education at V.P.I. He enjoys woodworking and is a member of the School Safety Committee.

MR. ROBERT BANDY

A teacher for twenty years, Wallace R. McMillan teaches Industrial Arts, Drafting, and Vocational Education. He has two degrees from V.P.I.: a B.S. and a M.Ed. When he's not involved with teaching and school activities (VICA and Safety Advisor), he enjoys his hobbies: gardening, farming, and auto mechanics.

MR. WALLACE McMILLAN

DEPARTMENT

MRS. DOROTHY
POFF

Beauty is a very important thing, especially to the female, and Dorothy A. Poff has, indeed, a very important job. Mrs. Poff holds various certificates in Virginia, West Virginia, and North Carolina. Her hobbies are traveling, shopping, gardening, and attending educational shows. Her school activities include the Charm Club and VICA.

Who would have thought that Neal C. Thomas was interested in farming and flying? I suppose that it is a change from teaching Masonry and Bricklaying. Mr. Thomas has earned his degrees from V. P. I. and Pratt Institute and has been with the BIPU Apprenticeship Program for twelve years. He is the sponsor and advisor for the VICA Club.

MR. NEAL THOMAS

James G. Hallis has, what many would call, a dangerous job. He seems to enjoy teaching Electronics to high school students; he's had five years of teaching experience. Mr. Hallis received his formal education at V. P. I. Extension. He is associated with VICA. He loves to hunt and to collect antique guns.

MR. JAMES HALLIS

PHYSICAL EDUCATION

Like any dedicated and devoted coach, Sherley E. Stuart was disappointed when this year's football team didn't turn out to be a winner. He hopes to have better luck next year. Mr. Stuart holds a B.S. from Saint Paul's College. He has ten years of teaching experience and is presently teaching Physical Education and Mechanical Drawing. When he's not busy with football or indoor-outdoor track, Mr. Stuart takes time out for fishing.

MR. SHERLEY
STUART

MR. HOWARD
BURKE

History repeats itself as the basketball team wins the Blue Ridge District Championship but fails to win the state. Howard E. Burke, a physical education teacher, has a B.A. from Elon College and a M.A. from the University of North Carolina. Mr. Burke has taught at Monroe for seven years, Jefferson for one year, and Addison for two years. He is primarily interested in sports and is the Golf Coach and sponsor of the FCA.

For some strange reasons, the girls do not participate in sports as much as the young men do. LaVerne C. Fuller hopes that this will change. Mrs. Fuller teaches Physical Education and Health and has ten years of teaching experience. She obtained a B.A. from Virginia State College. Mrs. Fuller is Chairman of the P.E. Department, Girl's Coach for Volleyball, Track-GAA and Modern Dance sponsor. She loves reading, sports, and sewing.

MRS. LaVERNE

Miss McCloud teaches Earth Science, Biology, and Physical Education and has six years of teaching in Virginia schools. She is interested in tennis and is the sponsor of the Girl's Tennis Team.

GUIDANCE

MR. DONALD

Donald L. Stinnett must be a very busy man with the newspaper as a part of his responsibility, but he seems to be able to find time for tennis, hiking, music and reading. Mr. Stinnett has a B.A. from the University of Richmond and a M.A. from Radford College. He has taught Science and Sociology, was a counselor at Fleming, and is presently a Guidance Counselor at Addison.

The start of a new club is no easy thing, but the Beta Club got off the ground with very little difficulty, thanks to Georgia C. Brown. Miss Brown has received an A.B. from Virginia State College and a M.A. from the University of Michigan. Once a teacher of U.S. History and Government, she is now the School Coordinator of Guidance. She enjoys reading.

MISS GEORGIA

MRS. E.D. STOVALL

E.D. Stovall is another person whom you may have seen in the attendance office. A teacher for twenty-five years, Mrs. Stovall has taught the fifth and sixth grades, was a Home-School Counselor during 70-71, and is presently an Attendance Counselor. She has received a B.A. from the University of Virginia. Mrs. Stovall is usually busy with church activities and sports and reads in her spare time.

FOREIGN LANGUAGE

Claudia Geiger teaches German zero period at Addison. She only teaches one class here; she teaches at Fleming and most of her activities are there. She enjoys music, reading, and sports.

MISS CLAUDIA GEIGER

Money is a very delicate business but Joann B. Peake is able to handle it with kids gloves. Her experience as a bank teller is a great asset to the office. Mrs. Peake received her formal education from Women's College and the University of North Carolina. She plays bridge and tennis.

MRS. JOANN B. PEAKE

I, GARY WILLIAMSON, leave to this school another nut to roam the halls and bug the teachers because this nut is leaving. I Hope?

I, MICHAEL EUGENE WILSON, do will all my love, soul, and body to any female who wants it.

I, LARRY WRAY, leave Mr. Hallis a bottle of "Boones Farm Apple Wine", and all my love to Renee Mullins.

I, LINDA WRIGHT, leave to Mr. Comer a loud speaker so he can be heard over his uncontrolled government classes.

IN MEMORIAN
Alfred, Lord Tennyson. . .

We have but faith: we cannot know;
For knowledge is of things we see;
And yet we trust it comes from thee;
A beam in darkness: let it grow.

Forgive my grief for one removed,
Thy creature, whom I found so fair.
I trust she lives in thee, and there
I find her worthier to be loved.

Forgive these wild and wandering cries,
Confusions of a wasted youth;
Forgive them where they fail in truth,
And in thy wisdom make me wise.

DEBRA LYNN HAWLEY (Sept 28, 1955-Oct. 9, 1971)

Debra Lynn Hawley, better known as Debbie, came to Addison in the fall of 1970. Although she was here for only a short while, she had become well-liked by many of the Addison students.

After finishing her sophomore year at Patrick Henry High School, Debbie was able to return to Addison for her Junior year. However, due to her sudden death on October 9, 1971, we shared her friendship for only a short while.

Debbie was loved by students and teachers alike. She made excellent grades in many of her classes and participated also in many extra-curricular activities at school and church.

Debbie wrote an essay shortly before her death on THE BEAUTIFUL WORLD. She felt that people had destroyed much of the world's beauty with pollution and abuse, and that only people could repair the damage they had done. For Debbie the world was beautiful because she made it so.

As the pastor of Debbie's church stated, "We must not remember how she died, but how she lived." Debbie was a beautiful person and her life was a blessing for all who came in contact with her. We, the students of Addison High School, must remember Debbie for the loving and beautiful person she was and will forever be.

A MESSAGE FROM THE EDITOR

Hi there,

This edition of the ADDISONIAN will be different from previous editions because it will be given out in August. There are several reasons for this late date. For one, the staff decided to place several spring events in the book. The staff has decreased in size, despite new additions. No one wants to support or assist the annual staff, but everyone has a criticism. No matter what anyone has to say, this yearbook will be the staff's pride and joy.

This yearbook is made especially for the graduated seniors. Just think, in a couple of weeks, many of us will be starting a new life of our own; some have already left home to begin this adventure. The ADDISONIAN will take us for a walk down memory lane.

No one ever forgets their beloved (?) teachers. Well, if you have just turned to the front section of the book, that should refresh your memory.

Remember how the football team lost game after game? But our basketball team made up for it by winning the Blue Ridge Championship. Who could ever forget those events?

The spirit of the student body is not as good as it could be, but it is continuously improving. We have to learn that the success of anything depends on its participants and supporters.

A word of advice to the new seniors:

Watch out for seniorities because the only cure for it is hard work and determination.

The SCA has been very successful in most of its endeavors this year. It has participated in the Roanoke Valley High School Relations Council and through its participation, students obtained the privilege of being exempted from semester test if they had a certain grade average. The SCA has also furnished buses to out of town games. Junior and Senior Exchange Day has been a special project. The SCA was also responsible for getting 18 year olds to register for the coming elections. The SCA is looking forward to future activities and further endeavors for the betterment of the student body.

BETA CLUB

The Addison Chapter of the National Beta Club, a non-secret, leadership-service organization for high school students, was chartered this year with a membership of 26. Activities included a candy sale, an inauguration assembly, a luncheon, a faculty-Beta basketball game, and several visits to area colleges.

Only juniors and seniors with 3.0 or better averages were eligible for membership.

Keep your eyes on the ball!

FTA

FTA is an organization to promote interest among teachers and interested students. The main activity of the year was the City-wide Dutch Treat held on March 28, 1972, at the S & W Cafeteria. At this time, Addison's teacher of the year, Mr. John Powell, was honored.

Red Cross Youth

In its second year at Addison, the Red Cross really made a name for itself. They sponsored a very successful Bloodmobile and two parties for retarded children. At one party they collected over \$250 in toys for the children.

HUMAN RELATIONS COUNCIL

The Human Relations Council is an organization that discusses problems of the school and works to find the solutions. They have sponsored bake sales at basketball games and planned a Human Relations Exchange Day with other area high schools.

LIBRARY CLUB

The purpose of the Library Club is to sponsor a greater interest among the students in libraries and library service, to stimulate reading interests, and to encourage interest in library work as a career.

ADDISON ALLIANCE

Addison resumed newspaper publication after the discontinuance of last year. Along with the resumption came a new name. What was formally the SPOTLIGHT PRESS is now known as the ADDISON ALLIANCE. The first year of the ALLIANCE proved to be a varied and interesting one. Besides the regular monthly chore of producing the newspaper, the staff and advisers found time to sponsor a Valentine's Day Dance, daily doughnut sales, and a mock political primary.

Co-Editors-in-Chief: Becky Leach and Cathy Mills
Sponsors: Mr. Stinnett and Mrs. Vest

The Lucy Addison High School Band, under the direction of Mr. U. B. Broadneaux, is composed of 30 members.

The band participated this year in pep assemblies, concerts, and in half-time entertainment at football games. The band had the honor of participating in the District Festival, which was held in Danville.
