

LUCY ADDISON

ALMA MATER

Hail to thee, our Alma Mater
Guardian of the right,
Our footsteps will never falter
Guided by the light.

CHORUS

Alma Mater, Alma Mater!
Thee we will never fail.
Loyal sons and loyal daughters,
Addison, all hail!
Our strong band can ne'er be broken
Formed in Addison High;
Far surpassing wealth unspoken,
Sealed by friendship's tie.

DEDICATION

“BEHIND THE SUCCESS OF THIS SCHOOL IS A GREAT PRINCIPAL”

Behind the success of any school there is always a great leader. The person most responsible for the success of Addison these past three years is the principal, Charles W. Day.

Mr. Day came to Addison with much wisdom from his past educational experiences. He graduated from Virginia State College and received his Masters Degree from Radford College. He has taught in several schools and was the principal at Friends Elementary for five years and Loudon Elementary for one year.

Mr. Day is married to the former Hilda McCoy. They have two children, Charles Randall and Julia Renee.

To him belong the problems, pressures, and the pride of leading Lucy Addison. If anything goes wrong, he is there to help solve it with experience and understanding. His door is always open to students and faculty alike, who need his advice or who simply want to talk over a problem. He takes great pride in this school and the people who make it a center of learning. You may often hear him say how fine our young people are.

To lead a school is no easy task, but Mr. Day has done a remarkable job. Mr. Day, we students recognize your efforts and dedicate this 1973 yearbook to you.

Mr. Day talks over a problem with his new assistant, Mr. Hancock.

Mr. Day enjoys an easy victory by the basketball team.

MR. HANCOCK — NEW ASSISTANT PRINCIPAL

Although this is his first year as assistant principal at Addison, Mr. Hancock is not unfamiliar to most of the students. Many know him from his previous job of assistant principal at Lee Junior and later Madison Junior High School. You may often find Mr. Hancock kidding with the students, but he gets serious when there is business to attend to or work to be done.

MR. POWELL — STUDENT ACTIVITIES DIR.

When a student or faculty member needs to know anything about the school activities or functions, they can usually get the answer from Mr. Powell in the Student Activities Office. Mr. Powell has been at Addison for many years and is a favorite of everyone. He likes all kinds of sports and is very knowledgeable about Addison's sports and how they rate against other school teams.

A black and white photograph of a dense forest. The image is filled with the trunks and branches of many trees, creating a complex, textured pattern. Sunlight filters through the canopy, creating bright, glowing areas and deep shadows. The overall mood is serene and natural. Addison Basketball Has Zing

"The boys in the white and blue race up the floor, darting in and around traffic like a bunch of waterbugs.

They pass the ball around a few times and then put it in the air for two points. All the while, the big man in the red shirt and white tie is jumping up and down on the sidelines — his shirt tail flapping and his arms lifted in a salute of triumph.

And across the way, the bleacher fans are giving a victory chant. It's all in fun and it's Addison High Basketball."

SENIOR BREAKFAST HELD AT HOLIDAY INN

Sure it's right across the street. But to get there you have to go right down Orange Ave., make an impossible U-turn at the first intersection and head back staying in the right lane. Or flag down all traffic and illegally cross 4 lanes of opposing traffic.

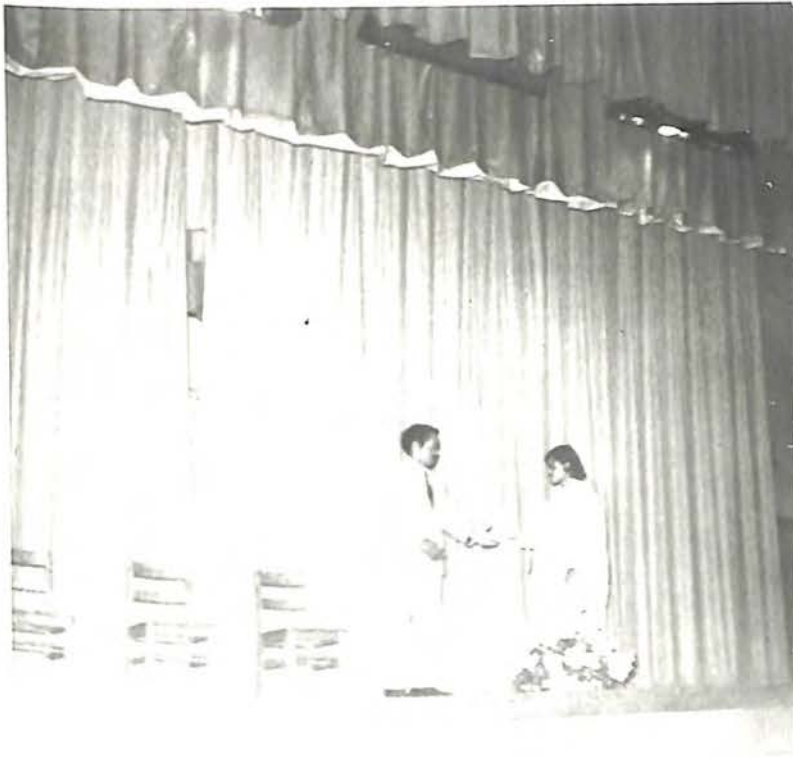

I like the second way!

- I Melvin Matthews hope that Lucy Addison Senior High School stays a senior high school. The school has been good to me and it deserves to stay a senior high school.
- I Dreama Maxey do will Danny P. a seat full of tacks and Latin notes, my brother Loren nothing, and Butch and Donnie good luck and some good times.
- I Daisy Mann do will the Jr. Varsity cheerleaders as much success as we had during our reign at Addison, especially Cecelia Ross, Debra Thompson, and Cynthia Bonds.
- I Dorothy Miller do leave everyone at Addison a portion of my happiness and love for mankind.
- Moi Johnita Mills veut donner a ma soeur Gail Mills un gros sac de l'argent pour depanser a l'heure de dejeuner.
- I Harry Perdue (Junebug), being of sound mind and body do will my roaches to Diane Scott in order to get high before every class.
- I Paul Reeves do will Brenda Campbell a pair of "Golden Gloves".
- I Renee' Perdue do will Nookie Jordan my favorite seat in Mr. Firebaugh's class so she will make outstanding grades like me.
- I Pat Reynolds do will Diane Brown all the luck in all she strives to do in school and with her No. 1 main man.
- I Robbie Rhodes do will the under classes great and successful years in the coming future.
- I Janet Floyd Rotenberry leave the students of Addison High School the best wishes and Sharon, Libby, Diane and Becky the hopes of a greater future.
- I CeCelia Scales do will Shelia Scales and Rita Johnson a walkie-talkie so they can keep in touch with me.
- I Eloise Scales do will the under classes the best of luck in the coming years at Lucy Addison High School.
- I Wanda Scyphers, being of unsound mind, do will Mr. Montgomery a squeaky Magic Marker and the rest of the staff thanks for making these three years great.
- I Barry Sink do will the best of luck to Bobby Brown and his Volkswagon.
- I Marilyn Sink do will Mrs. Fuller my funky flip-flops to wear in the funky fungus showers.
- I Ralph Smith do will Jeff Ambler my spot at 120 lbs. next year. To Kim and Sally I will another me for college English.
- I Robin Smith do will my sister Cindy her own private telephone so she and Terri Leary can talk all night, and last but not least a sudden "spark".
- I Kim Snead do will Ralph Smith success with the girls at Tech and to friendly Finley a big mean brute who can take whatever she dishes out a helmet and rear view mirror to protect her from Nabisco's attacks.
- I Cee Spraker do will the Sophomores all of Addison and its lousy faculty.
- I Anita "NeNe" Terry do will all of my teachers a "NeNe" doll to remember me by when I leave L.A., especially Mrs. Thomas.
- I Chere Vipperman do will my flute to Mark Sands, my Algebra II ability to someone daring, and to the girl's restrooms 500 gallons of Lysol.
- I Carolyn Watkins do will Brenda Campbell a jar of grease so that she can stay as slick as she thinks she is.
- I Bill Wilkinson do will my ability to "Shoot the Bull" and get by; I salute Addison. I leave my love to someone; I have nothing else.
- I Juanita Walton do will Donna Witcher all the luck in the world with Ronald Crutchfield. I will Desiree' Johns good luck with her main man Rodney.
- I Bonnie Wolfe do will Mr. Lovern a huge display book and test. To Addison I leave my name on the desk of Mr. Firebaugh's class.
- I Donna Young do will Mr. Montgomery his middle name, to Mr. Firebaugh an autopsy, and to Santa Claus all my love.
- I Yolanda Hamlette do will my crosseyed sisters luck in the future.

A class prophecy

Ten years from now, when you pick up this annual, you will have access to at least 15 new electric appliances that don't even exist today!

Electrical innovations will "make the scene" (as we say in 1973) to benefit health, education, industry and our social lives. You'll also see in the next decade more electronic equipment to purify, filter, recycle and generally clean up America.

Electricity is doing a lot of things for you now. It's going to do a lot more tomorrow. Our prediction: Life will keep on getting better — electrically.
