ADDISONIAN

PUBLISHED BY

LUCY ADDISON HIGH SCHOOL

## Foreword

Calling meetings, holding conferences, proving points. Waking, picturing Annual. Walking, thinking Annual. Sleeping, dreaming Annual. Worrying over the Annual, crying over the Annual. No time to sleep, no time to rest. Write-ups not ready. Not enough pictures. Lay-out changes. More ads needed. Subscriptions, money, budget! Heartbreak, headaches, disappointment, running, walking, riding!

Sounds like a nightmare, but this is just something of a picture of the life of the staff. Many reached the breaking point. Nevertheless, the desire to achieve, despite handicaps, prevailed.

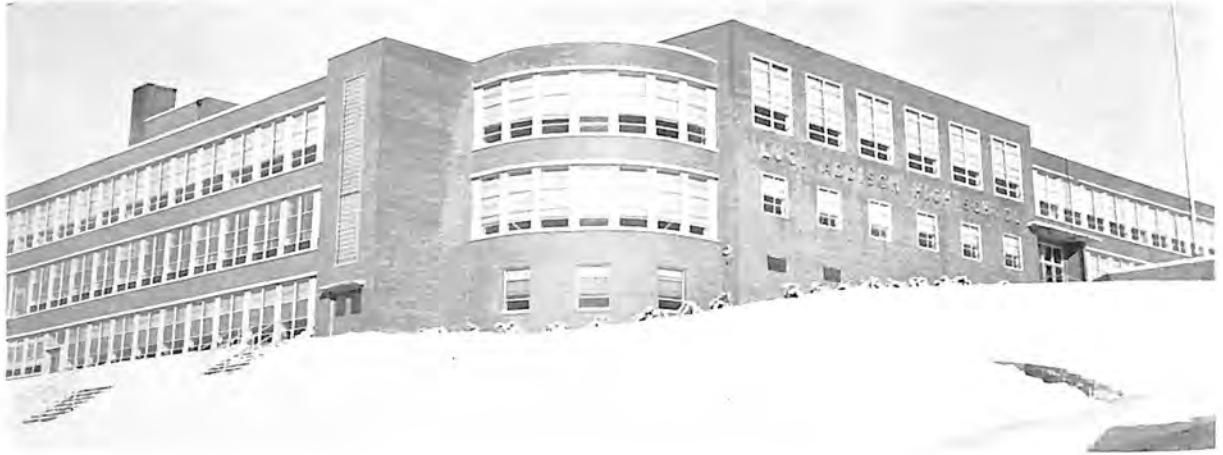

Elevating the torch of Addison High School, a diligent and weary staff presents the results of a complete year's activity.

If upon reviewing this Annual twenty years hence, you laugh, smile or cry a little, the staff will have been successful and will not have worked in vain.

LEFT TO RIGHT: *Mr. Alphonzo Holland, Sr. (President), Mrs. Dorothy Payne (Vice President), Mrs. Rosa Miller (Treasurer), Mrs. Rebecca Delaney (Secretary)*

With deep humility and heartfelt appreciation for the tireless efforts of you, our parents, we the graduating Class of 1955 are proud to dedicate this yearbook to you. We wish to express our sincere appreciation for your faithful understanding of us as we trudged along the pathway of learning. You have sent us to school many times when we would not have gone of our own accord. When we were discouraged you gave us encouragement. Now we have reached the goal for which many of us were striving.

We thank you from the depths of our hearts for all you have done and will endeavor to show our appreciation in years to come by being the kind of young men and women which you expect us to be. May we be forever true to all that symbolizes the eternal.

Live your best, act your best, and think your best today; for today is a sure preparation for tomorrow and all the other tomorrows that follow. The success you make of your career will depend to a great extent upon your own initiative, effort and ideals. "Ideals are like stars; you will not succeed in touching them with your hands, but like the seafaring man on the desert of water, you choose them as your guides, and, following them, you reach your destiny." May your hopes and dreams be realized in the fullest degree, and your work always reflect credit upon this institution and your community.

## Class History

In the fall of 1951, 172 exuberant and bewildered boys and girls crossed the beautiful green campus to enter the old, but renowned portals of the original Lucy Addison School, today Booker T. Washington Junior High. After a few days of confusion, we carefully charted our courses with the assistance of our teachers. We then selected clubs and participated in sports, and other extra-curricular activities.

Constance Parker brought honor to our class when she was crowned "Miss Homecoming" during the football season of 1951. Betty Smith, another freshman, was an attendant. On Honors Day, Lorraine Richardson received an award for her achievement in French. She also achieved the same honor the next year. After much work and fun, it was June and the first year had passed swiftly.

Then dawned the day when we were sophisticated sophomores entering a new building with new and greater aspirations. We had a wonderful new principal, Mr. Edwin L. Phillips. After working diligently, Lorraine Richardson, Shirley Dickerson, Margaret

Thompson, and Nancy Owens were inducted into the National Honor Society. Doretha Quarles was elected as an attendant to "Miss Homecoming" during the football season, an honor which she again won our junior year. Several of our girls and boys were fortunate enough to attend the Junior-Senior Prom that spring as sophomore hostesses. Those attending were: Shirley Long, Betty Smith, Shirley Dickerson, James Barron and Hugh Ennis. However, before the year had ended fate dealt us a heavy blow by summoning one of our beloved classmates, George Patrick, into the realms above.

How proud we were that following fall for we were juniors. Realizing we had a tremendous job before us, we carefully elected our class officers who were: President, Hugh Ennis; Vice President, Margaret Thompson; Secretary, Shirley Dickerson; Corresponding Secretary, Nancy Owens; and Treasurer, Robert Macklin. Several of our classmates went to the armed forces and to other schools, but in the meantime new students joined our class. Trevor Reid, one of our most athletic class-

mates, made the All-State Tournament team because of her skill in basketball. That spring, Shirley Dickerson, Shirley Long, Fred Daniels and Rexford Belden played leading roles in our presentation at the State Dramatic Festival. On Honors Day, Margaret Thompson was presented an award for her accomplishment in Geometry. Our biggest task was the Junior-Senior Prom. After many months of intense planning, we entertained the seniors at the best prom ever presented. Our theme of Hawaii was carried out in every detail. Our boys and girls, clad in their formal finery, danced until the clock struck the bewitching hour, twelve o'clock midnight. We left for home with gay hearts and memories that will be etched forever in our hearts.

At last that beautiful day arrived. What day? The day we entered dear old Addison as SENIORS. We knew that we had a number of responsibilities, so again we cautiously elected our present officers. President, Hugh Ennis; Vice President, Margaret Thompson; Secretary, Shirley Gravely; Corresponding Secretary, Shirley Dickerson; Treasurer, Robert Macklin; Business Managers, Mary Slayton and James Burks, Jr. We immediately began to plan our senior activities. Uppermost in

the minds of many of us was the publication of a yearbook. Bobbie Easley and Phillip Brown were elected co-captains of the 1954 football team with James Burks, Jr., as manager. Jane Johns was elected "Miss Homecoming".

Another important milestone was "Student Government Day". After being selected for various positions, we spent an exciting and inspiring day at the Municipal Building. At the end of a victorious basketball season, Doretha Quarles was elected "Miss Addison for 1955."

The days are swiftly passing by and soon we shall be participating in and sharing in the last exercise that we shall perform together as a class. We shall never forget the undying patience and guidance that our beloved sponsors have given us through four of our happiest years. We can never forget Mr. William H. Brothers for his tireless efforts in helping us prepare this annual.

Never again can we be numbered among the students of our beloved Addison High School. We can, henceforth, be numbered among her loyal alumni. The happiness, the fulfillment of some of our dreams, the guidance we received while students here will live in our hearts always.

## Last Will and Testament

IN RE PROBATE OF THE WILL OF *The Senior Class of 1955*, late of the *Lucy Addison High School*, graduated, and Grant of Letters of Administration, cum testamento annexo.

PRINCIPAL'S OFFICE  
LUCY ADDISON HIGH SCHOOL. } ss.

We the Class of 1955, of the Lucy Addison High School, of the City of Roanoke, State of Virginia, U. S. A., being of unsound mind and ill health, do hereby bequeath our individual liabilities and collective assets. Owing to the flighty condition of our brain, and the unusual disturbance in our gray matter, we beg to state that quite possibly we have been mistaken in our inventory; but such things as we think we have, we hereby give into your possession, praying that you will accept them as sacred trust from those who have gone before.

That Testators were possessed of personal property to the value of \$100,000,000.

That Said Testators are survived by all descendents as named herein.

That we, the Class of 1955, being about to pass out of this sphere of education, in full possession of a crammed mind, well trained memory, and almost superhuman understanding, do make and publish this, our last will and testament, hereby revoking and making void all former wills or promises by us at any time heretofore made, or mayhap, carelessly spoken, one to the other, as the thoughtless wish of an idle hour.

And first we do direct that our funeral services shall be conducted by our friends and well-wishers, our principal and his all-wise and ever-competent faculty, who have been our guardians for so long, only asking, as the last injunction of the dying, that the funeral be carried on with all the dignity and pomp that our worth, our merit, our attainments, and our positions as Seniors of "grave and reverend mien," must certainly have deserved.

As to such estate as it has pleased the Fates and our own strong hands and brains to win for us, we do dispose of the same as follows:

### ARTICLE I

We give and bequeath to our beloved principal, our sincere affection, our deepest reverence, our heartiest gratitude, and the whole unlimited wealth of our eternal memory. In an attempt at partial payment for all that he has done for us during our long years at the Lucy Addison High School, we make over to him, here and now, a heavy mortgage on our future in the Great Unknown beyond. It shall be his to watch every step of our upward and onward flitting—to note each trial, each attempt, each victory, each success and honor that we may achieve in the arena of the world—and to accept for himself, as interest on our deathless debt, every ounce of the praise, every iota of the honor, knowing that it is all due to his faithful guidance,

### ARTICLE II

We give and bequeath to the dear faculty, who have been our instructors in all the wisdom of the ages, a sweet and unbroken succession of restful nights and peaceful dreams. You have done your duty, and verily, now shall you have your well-earned reward.

### ARTICLE III

To the Junior Class, we give and bequeath our places as seniors. We leave with you this ADDISONIAN which we hope will prove to be a model for an equally fine 1956 edition.

### ARTICLE IV

To the Sophomore Class, we give and bequeath our "shoes of experience" with a hopeful challenge that you will wear them as efficiently, if not better, than we have so done in the past.

### ARTICLE V

To the uncivilized Freshman Class, we leave our unfailing good humor in the face of trying hours which we, too, suffered when we were eighth graders, and the hope of your being seniors some day.

### ARTICLE VI

Again, we give and bequeath to some benighted Junior—anybody who will accept it as it is yet unclaimed, Shirley G's troubles as Class Secretary.

### ARTICLE VII

The following may seem but trifling bequests, but we hope they may be accepted, not as worthless things lavishly thrown away because we can no longer keep them, but as valuable assets to those who may receive them, and a continual reminder of the generosity of heart displayed in our free and full bestowal:

I, Alphonzo LaSalle Holland, Jr., do will my sister, Carricoma, my seat in Miss Lawson's English class and my basketball shoes to whom they fit.

# Class Prophecy

Having toiled relentlessly for four years, James Burks tightened the last bolt on the weird machine with a sigh. A light shone in his eyes, as he slowly began to twist handles and adjust regulators about the contraption. While current slowly flowed into the dynamos and the giant tubes gradually glowed more brightly; we took a closer look at the "Predictometer", as it had been christened by its youthful inventor. It was a huge box-affair adorned with handles, wheels, dials and wires. In the corner there was a large screen which was slowly being illuminated. James was feverish as he realized this was the test of his four-year labor, and his hands shook as he adjusted the dials to 1975.

From the machine there came a low hum which grew louder as more current flowed into the tubes. Slowly a picture appeared, and became clearer as the young inventor turned dials and wheels. From behind the screen which resembled a movie news-reel came a voice which clearly described each picture as it rambled on.

CLEVELAND, OHIO—Margaret Thompson was named Chairman of the Ohio Instructional Commission. The committee was formed to propose bigger and better discussions for high school home rooms.

SAMPSON AIR BASE, N. Y.—Carlton Rose and Thomas Boyd were given the highest rank in the Air Force.

GULFPORT, MISS.—Nita Campbell, a comedian, gave an outstanding performance in one of the city's best theaters. During an interview this commentator learned that her personal beautician is Madame Martha Buckner.

At this point the "Predictometer" suddenly began to hum loudly, the tubes began to flash and queer noises issued from the interior. I turned to run, but alas, I was too late! With a tremendous roar and crash it blew up, as I fell out of bed.

## In Memoriam

GEORGE PATRICK

We are born for a higher destiny than of earth,  
 There is a realm where the rainbow never fades,  
 Where the stars will be spread out before us  
 Like islands that slumber on the ocean,  
 And there the beings that pass before us like shadows,  
 Will stay in our presence forever.
