**THE 1956 ADDISONIAN**

Annual! Annual! Annual! Since September, the chant of every member of the Senior Class! Headaches, disagreements, heartaches and disappointments; at times, a minimum amount of co-operation from some members of the Senior Class; arguments as to the theme of the yearbook; a lack of money and subscriptions—all these were unwelcomed obstacles to an Annual Staff who would have this yearbook devote itself to the recording of tremendous feats of the Senior Class of 1956.

Only when we reached the realization that patience, understanding, determination, tolerance and cooperation must always be the companions of an aspiration to have a job well done, did the hearts that were heavy become light, and members of the Annual Staff were able to wield disagreements into one chord of harmony.

The production of this yearbook has required a great deal of effort and time on the part of many people outside of the Senior Class and would not have been possible without them. Yet, it would be a task to give appropriate praises to all who rendered such valuable services. Therefore, twenty years hence, as we reminisce, we shall have the pleasure of knowing that the Senior Class of 1956, through the guidance of sponsors, supervisors, administration and friends, upheld the motto of

Lucy Addison High School:  
"Leadership, Scholarship, and Service."

We shall remember that  
"Our strong band can ne'er be broken  
Formed in Addison High."

G. Paul Stockton

Hail to thee, our Alma Mater  
Guardian of the right  
Our footsteps will never falter  
Guided by thy light.

Our strong ban can ne'er be broken,  
Formed in Addison High.  
Far surpassing wealth unspoken,  
Sealed by friendship's tie.

Chorus

Alma Mater, Alma Mater,  
Thee we will never fail.  
Loyal sons and loyal daughters,  
Addison, all hail!

# DEDICATION

To Mr. George Coleman, the 1956 graduating class dedicates The Addisonian, in recognition of the faithful service and sympathy which you have shown to the members of the class. As a teacher of mathematics in the eighth grade, your keen ability and sincerity manifested themselves to the members and we have come to learn and respect these qualities more recently in our experiences with you as our vice-principal.

The choir is composed of a girls' choir, boys' glee club, a double quartet, and various other soloists and aggregations. The choir extended its program into the community. They appeared as guest choir for many of the churches. The two major programs presented were the Christmas Concert and the Spring Concert. # SENIOR MEMORIES

## CLASS HISTORY

In the fall of 1952, approximately one hundred ninety-eight exuberant and bewildered boys and girls sountered up Park Street Hill to the new Lucy Addison High School. After a tour of the new building, midst much confusion and awe, we met our home room teachers, who have directed and guided us thus far. Many of our students selected and participated in many activities, including the choir and band.

Doris Dent served as an attendant to "Miss Homecoming" during the football season of 1952. After enjoying nine months of work and fun, we realized it was June and the first year had passed swiftly.

Then the day came when we were dignified sophomores with new aspirations and ambitions. Having worked diligently for a year, Yvonne Brandon, Angela Archer, Bertha Hampton, Doris Dent, Pearlle Hairston, Brenda Wilson, Mary Divers, and Shirley Hurt were inducted into the National Honor Society. During this year one of our beloved classmates, John

Anthony, was stricken with illness and had to give up his pursuit of an education. On Honors' Day many of our athletes received letters for a job well done. Yvonne Brandon received an award for her accomplishments in algebra.

How elated in spirit and proud we were that following fall when we were juniors. Realizing the tremendous responsibility now facing us we carefully elected our class officers who were: President, James Bumbry; Vice President, Angela Archer; Secretary, Brenda Wilson; Asst. Secretary, Shirley Hurt; Treasurer, Paul Stockton. Several of our classmates joined the armed forces to serve their country. On Honors' Day Brenda Wilson, Yvonne Brandon and Pearlle Hairston were presented awards for their accomplishments in geometry. Our biggest task this year was the Junior-Senior Prom. After many months of intense planning we entertained the Seniors—dressed in formal attire—till the bewitching hour of 12. Our theme, "A night in the flower garden," was carried out beautifully by our Prom Committee Chairman, Mary Divers. We also presented a hilarious comedy in 3 acts, "Hillybilly Wedding." The leading characters were: Juan Nabors, Barbara Thornhill, Pearlle Hairston, Yvonne Brandon, Ernestine Reid, Jacquelyn Nicholas, Lawrence Hancock, James Pullens, James Marshall, Isiah Brown, Mary Divers, Bertha Hampton and Ethel Dillard.

Finally that glorious day arrived when we were SENIORS. We carefully elected our present officers. Immediately, we began to plan our Senior activities. Most of our efforts were devoted to the publication of a yearbook. Angela Archer was elected "Miss Addison." Isiah Brown, Samuel Brown and Walter Brown were the co-captains of our football team.

Another important moment was "Student Government Day." After being assigned various positions, we spent a thrilling and inspiring day at the Municipal Building.

Harold Deane and Luther Cheatham served as co-captains of the boys' basketball team and Irene Reynolds and Mary Hairston served as co-captains of the girls' team.

The day is drawing near when we will participate in our final exercises here at Addison. We will never forget the tireless efforts and devotion shown by our sponsors and Mr. Brothers' tireless efforts in helping us publish this annual.

Soon we will not be among the students here at Addison but instead among her many alumni. The happiness, the realization of our dreams, the guidance we received while students here will always be as a shining light in our memories.

## CLASS PROPHECY

Recently four Addison High School Alumnae, graduates of 1936, while lunching together began talking about high school days and wondering what had become of their former class mates in the approximately ten years since high school graduation. They decided that it would be interesting to find out just what each of their high school pals was doing at the present time. We feel they did a very excellent job.

Oh! We almost forgot to tell you who these four energetic persons are. They are the former misses Charlene Williams, Barbara Duckett, Jean Hamlett and Dolores Watson—all happily married with very lovely families.

Here is the very interesting information gathered by these young women concerning the Lucy Addison High School Graduating Class of 1936. First, we think we should mention that the last names of many of the former sex have been changed by marriage. But since all the last names are not known we shall call them by their maiden names.

On the Addison High School faculty we find the following persons: Irene Reynolds—art instructor, Florence Spence—English teacher, Clarence Johnson—science teacher, and Harold Deane—coach.

In a huge law building in Washington, D. C. where one of our most promising lawyers, Paul Stackton, has his office there are several very outstanding stenographers, Shirley Wingfield, Betty Mack and Carlotta Banks.

# symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
