Time

Foreword

Time! One of the dimensions in which man lives! It winds forward and backward from the present like a scroll, but as it is unrolled before us it is rewound behind us, so that no more than one line is ever visible.

Space seems like a room where we can look around us. But time is like an aperture through which we peer at a peep-show.

Today scientists write about space-time and speak of time as if it were the fourth dimension. Time is the cross-section of the fourth dimension. Time is the only way we three-dimensional creatures can experience the fourth dimension.

Eternity is the fourth dimension. Time and eternity are related as a point is related to a plane or a plane to a cube, if you can remember your geometry. Time is a plane of the cube of eternity. We can see time, but we cannot see eternity.

Now we read the scroll a line at a time. But the scroll is not a line at a time. It is entire--to be grasped at a glance, had we the vision!

Time is only the tick of the second hand in the clock of the ages.

Jonathan Swift once said: "Time is painted with a lock before, and bald behind, signifying thereby that we must take time by the forelock, for when it is once passed there is no recalling it."

Time! the corrector where our judgements err; the test of truth, and love; the sole philosopher, for all beside are sophists.

Spend your time in nothing which you know must be repented of; in nothing on which you might not pray the blessing of God; in nothing which you could not review with a quiet conscience.

TAKE TIME

Take Time TO THINK

It is the source of power.

Take Time TO PLAY

It is the secret of perpetual youth.

Take Time TO READ

It is the fountain of wisdom.

Take Time TO PRAY

It is the greatest power on earth.

Take Time TO LOVE and BE LOVED

It is a God-given privilege.

Take Time TO BE FRIENDLY

It is the road to happiness.

Take Time TO LAUGH

It is the music of the soul.

Take Time TO GIVE

It is too short a day to be selfish.

Take Time TO WORK

It is the price of success.

To choose time is to save time. To kill time is to murder it.

"If time be of all things the most precious, wasting time must be the greatest prodigality, since lost time is never found again."

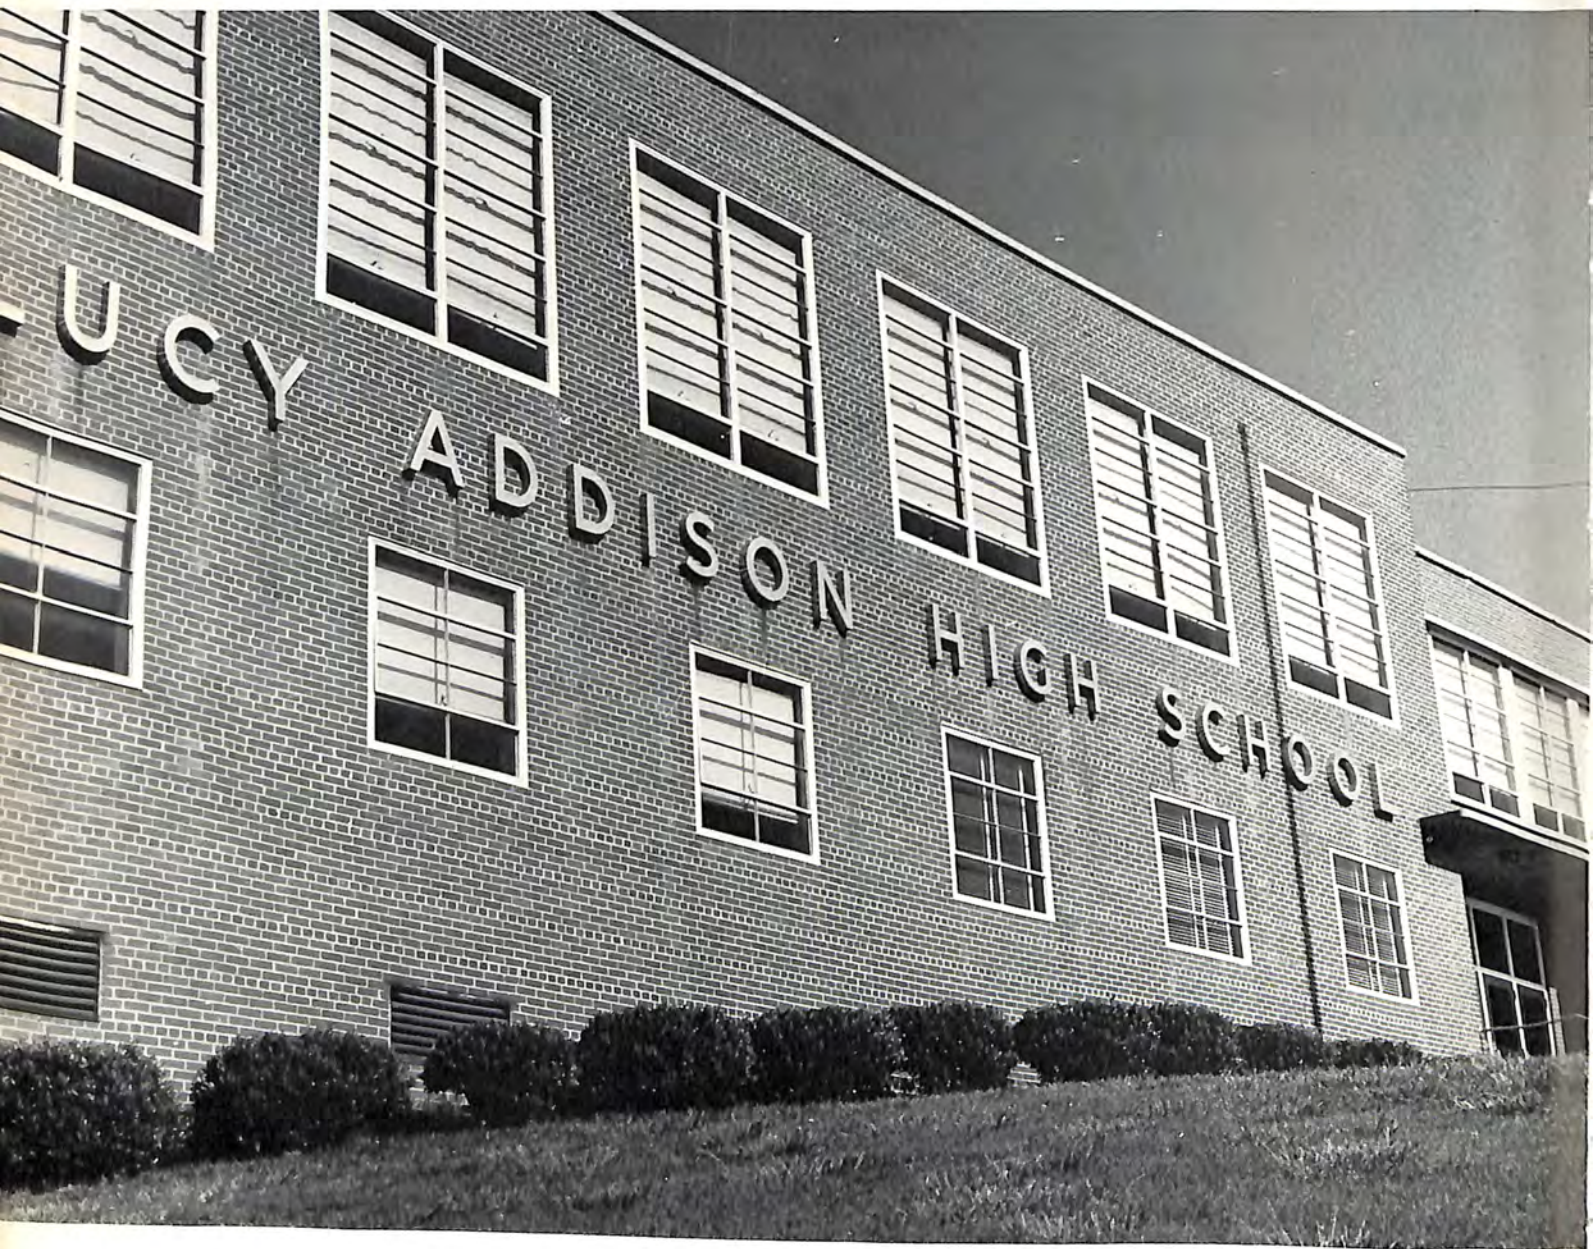

--Franklin

Hail to thee, our Alma Mater
Guardian of the right
Our footsteps will never falter
Guided by the light.

Our strong ban can ne'er be broken
Formed in Addison High
Four surpassing wealth unspoken,
Sealed by friendship's tie.

Alma Mater, Alma Mater
Thee we will never fail.
Loyal sons and loyal daughters
Addison, all hail!

Dedication

To show our appreciation for his willingness to help us in any worthwhile thing we strive to do; for all the extra work he has done in helping to make the dream of our ambition come true, and for his untiring efforts and understanding heart, the Senior Class of 1960 and the Publications Committee proudly dedicates this edition of the Addisonian to Mr. Major J. Wells.

Administration and Faculty

This year marks another milestone of human progress for you. It means the approbation of your teachers and school officials that you have earned the high distinction of high school graduation. Upon this achievement I congratulate you.

The years ahead will continue to challenge you to greater accomplishments. I am confident that you will meet the full requirements of worthy citizenship by responding to the needs of your community, state, and nation.

As you enter an ever enlarging field of endeavor, I wish for you a full measure of good health, happiness, and success.

"There is a time for some things, and a time for all things; a time for great things and a time for small things."

Our greatest problem is deciding the correct time for each activity, and deciding how to make the best use possible of our time day by day. The difference between men who enjoy a happy, fruitful, enriched life and those who live an unhappy, impoverished, wasted life is basically measured by the use each makes of the time allotted to him for work or recreation.

Six and one-half hours have been set aside each day for Addison High School students to use in serious pursuit of knowledge. If used wisely for four years, most of you are prepared physically, socially, intellectually, spiritually and morally for living the better life. If your time was wasted, it cannot be replaced, but you can try to do something to redeem yourself now instead of waiting for tomorrow to start. You only score in football when the ball is carried over the goal line. This must be done within a certain time limit. If not, the game is not played again because you did not make the best use of time allowed for the game. The same rule applies in all important matters of life.

My wish for you is that you will make decisions for the use of your time in an age which offers an abundant life and wonderful opportunities. I challenge you to make this a better world for all those who have not wasted their time, misused their talents, nor evaded their responsibilities.

This life is but the passage of a day,
This life is but a pang and all is over;
But in the life to come which fades not away
Every love shall abide and every lover.

Senior Memoirs

Class History

In the fall of 1956, two-hundred eighty exuberant and bewildered boys and girls arrived at Addison High School. There were many wonderful experiences in store for us--happy and unhappy moments which we now look back upon with fond memories.

After the first few anxious weeks, we became more thoroughly acquainted with high school life. In our freshman year Carolyn Watson was selected by our class as attendant to Miss Addison and Eloise Rucker was runner-up to Miss Homecoming.

Then the day came when we were sophomores with aspirations and ambitions. Our class officers were: Paul Reid, president; Donna Boisseau, vice president; Sandra Jones, secretary; and Barbara Barlow, treasurer. During this year Rockelle Petty was Miss Homecoming and Donna Boisseau was selected by our class as attendant to Miss Addison.

Suddenly the day came when we were juniors. During this year Annette Wingfield was Miss Homecoming and her attendant was Wille Swain. After two years of hard work Barbara Barlow, Frances Blaney, Elizabeth Johnston, Etta Pasley, Brenda Perdue, LaSalle Petty, Delores Polk, Louise Thornhill, and Clifton Whitworth were induced into the National Honor Society. Our prom theme, "Hawaiian Cruise" was a project carried out well by our prom chairmen, Thomasine Mosley and Raymond Forrest. During this year we were saddened by the death of one of our beloved classmates Lawrence Hopson. Heralds chosen for the graduating class of 1959 were: Janet Allen, Martha Blake, Frances Blaney, Clarice Duckett, and Shirley Otey.

Clarice Duckett was elected financial secretary at the State S.P.A. conference for 1960. We were very happy because she is the only girl in the history of Lucy Addison to achieve this honor. Donna Boisseau spent her junior year as a teacher of a study.

At last we were SENIORS! We carefully chose our present officers. LaSalle Petty, president; Donna Boisseau, vice president; Elizabeth Johnston, secretary; Clarice Duckett, asst. secretary; Barbara Barlow, treasurer; Thomasine Mosley, business Manager; and Yvonne Pannell, chaplain. Elizabeth Johnston received the honor of being elected by the school as Miss Addison. Eloise Rucker was Miss Homecoming and her attendants were Rochelle Petty and Bettye Jo Walker.

One of the many pleasures we have enjoyed together was when 41 students from our class visited A. & T. College in Greensboro, N. C. and participated in College Day festivities. Brenda Perdue, James Lewis, Ralph Green and Ronnie Hurt made the All-State Band for 1960.

We have participated in numerous activities including the band, choir, basketball and football teams. Soon we will not be among the students of Addison but instead among her many alumni. The time we have spent, the realization of our dreams, the guidance we received while students here will always be as a shining light in our memories.

Class Prophecy

It is the year 1970, the year of the class of 60's reunion. I, Louise Thornhill, have just completed six years of teaching at the University of Mexico where I shall return after the reunion.

I was delighted to fly to Roanoke on a Pan American Air Liner, operated by Oscar Craggett. My hostesses were two of my old classmates, Janet Allen and Agnes Banks. On my arrival, I was met by my long, lost buddy, Joseph Hairston, who chauffers the airport limousine. We chatted about old times and he told me that Carl Jones was now living on "Round Hill Terrace." And is the owner of three of Roanoke's famous "Biff Burgers." I told him I was looking forward to seeing him at the reunion and bided him a farewell. I got out at Roanoke's fabulous Morgan Hotel, owned and operated by Harry Morgan. I was approached by the captain of the "bell hops," Christopher Small who now lives in a famous town close by, "Bonsack."

After checking into my room, I found that I was next door to Louise West. She had just flown in from England where she is interning. She is to be reunited with her husband, Gary Penn, who is now coaching the "State Champs" the Bulldogs of Lucy Addison High School, where Glenn Cobb is principal. Incidentally, Cobbs is married to Barbara Barlow, who is teaching in Bedford. Louise informed me that on her layover in Hollywood, she bumped into Sue Dudley, head drama Coach for 20th Century Fox. Working with her are, Barbara Wilson, Rochelle Petty, Sherby Vance, Viola Hayden, Ruth Hancock, and Barbara Franklin, all are hair stylists. Joan Thompson has just finished her latest picture, "Draculars Daughter" which is to be premiered at Roanoke's newest theater owned and operated by Lynwood Welcher.

While resting up for the big event, I decided to watch T.V. I found myself watching the football game between the Baltimore Colts and the Cleveland Browns. I was thrilled to know that Fred Howard is captain of the Baltimore Colts while Wayne Brammer is captain of the Cleveland Browns.

I then prepared for the long awaited reunion which is to be held at the Coliseum built by LaSalle Petty, the owner of a Real Estate firm in Ohio. He is married to Frances Blaney, Laboratory Technician of Ohio State. I understand that her best friend Patricia Brown finally became a famous dancer. She is performing at "Parker's Inn" owned by Curtis Parker.

The parking lot at the Coliseum was so crowded, I could barely find parking space. I found myself parking next to a 1970 white Lincoln owned by Tyronne Gravely, the owner of a Service Station in Utah. Assisting him is John Johnson and Robert Burton. Robert is married to one of the world's famous models Annette Wingfield. She models for Blumingales owned by Jenette Lynch and Delores Thomas, both are seamstresses. Annette informed me that her best friend Wille Swain is now married and owns the Ford Company in Montana.

Upon entering the beautiful coliseum, I noticed the interior decoration done by Alfred Lorritis, David Powell and Raleigh Quarrels, all of whom I understand are quite famous for that type of work. I was greeted by two of my best friends, Donna Boisseau and Eloise Rucker; both are married and are stenographers in Washington D. C. The three of us exchanged conversation. From them I learned that Lewis Claytor and Clifton Whitworth are den-

tists and that they have erected a dental center in the heart of Nassau which is the largest city in the Bahamas Islands. Nurses assisting them are, Lill Coles, Mattie West, Yvonne Mays, Barbara Steptoe, Mary Smalls, Thelma Brandon and Carolyn Belton. I also learned that Odessa Brown, Delores Polk, Ruth Robertson, Rachael Otey, Etta Pasely, Elizabeth Johnston and Patricia Johnson are all employed on New York's City school board. Working in Chicago as social workers are, Maxine Howard and Carolyn Crenshaw; both are married.

On my way to the table I ran across Ronnie Harding, who owns a large chain of ABC stores in Mich. In chatting with him, I learned that Earl Tyler and Robert Bell are owners of "Mother's Place" where both are performing as singers. I understand that this place is located near an Air Force base where several of the boys and girls from my class are stationed. Some of them are: Andrew Brown, James Saunders, Willy Hughs, Melvin Poindexter, Jimmy Anderson, Gloria Brown, Webster Lovings, Betty Law, Godfrey Phillips, Henry Millner and Curtis White.

Sitting at the table were several of my pals who conveyed to me their progress made during the ten years. Dorothy Meadows, Betty Womack, Levenia Toliver, and Bettye Jo Walker are Social Workers in Connecticut. Bettye Jo is married to a prominent Lawyer in Connecticut. Malinda Ford, Nancy Mills, Joyce Mack, Irene Mitchell, Delores Tyree, Greta Kasey, Norma Huston and Carolyn Hurt all are doing secretarial work in the pentagon in Washington. Morticians, Joyce Miller, Chester Davis and Robert Taborn have their own Funeral Home where John Hardy is undertaker.

While waiting for the program to begin, I decided to go over to Paul Reids table. In talking with Paul, I learned that he is an oceanolopher and that he is happily married to one of my best girl friends, Connie Jones, a stenographer in George Hackley's Real Estate firm, she is also assistant manager of the famous "Cart."

The band began to play. Who should I see walking out to direct the Band but Bettye Tumpey who is also a physical therapist. I was shocked to see Jennie Anderson's name listed on the program as an opera singer. Her accompanist is Yvonne Pannel who is now engaged. Also participating on the program were: William Brown who has really dusted out "Fabian" with his singing. And Mary Walker who is working with Nina Simon. I was elated to see Raymond Forrest and Melburn Law M. C.ing the program. Raymond who is a world renown physical therapist is happily married to Martha Blake, who is a nurse at the Burrell Memorial Hospital. Working with her are: Henna Moore, Brenda Perdue, Marie Campbell, Songa Muse and Melva Loggins. Melburn who is an artist in Greenwich Village, has remained a confirmed bachelor.

At the conclusion of the program which is to be followed by a dance, an announcement was made, pertaining to the after party which is to be held at the fabulous home of Carolyn Meadows and Jesse Baker. Jesse is now a boxer. They have remained in Roanoke and prospered.

After a brief intermission, the dance began. I had the pleasure of dancing with Peter Tucker, who informed me that he is now a scientist working with the Miles Laboratory in Massachusetts. Also working with him are: Helen Johnson and Ronnie Hurt. Glancing around the room, I noticed Clarie Duckett and Jerry Miller who are happily married with two fine sons. Clarie is a psychiatrist while Jerry works in Washington's Postal department. I then sight Thomasine Mosely who is National President of the Beta Chi Sorority and who is a columnist for the Johnson Publication in Chicago. She showed me to her table. There, I saw Gloria Moore who is now a registered nurse. Sitting with her was Lewis Chapman, who has taken Goose Tatum's place as a famous Globe Trotter.

After a series of dances, we had our reunion roll call. I learned here the progress of most of my classmates: Patricia Henry is a Laboratory Technician, Carolyn Watson and accountant, Barbara Mayo telephone operator. Willie Preston, Elizabeth Adams, Doris Hunt, Norma Divers, Lou Jane Tucker, Sadie Wilson, and Shirley Hicks all are beauticians. Louise Crutchfield, Delores Coletrain and Joanna Williams registered nurses. Roxie Myers, Sue Thornhill and Norma Hale, business education teachers. Warren Dillion, Thomas Coletrain, George Scott, James Smith, Malcee Wall and Wilfred Holland, Engineers. Robert Childress, Charles Barlow, Richard Keeling, Arthur Rosebough, Lloyd Cooper, electricians. Arthur Reynolds a veterinarian, Clarence Keeling--a biologist, Brenda Steward, a Laboratory technician and Gordon Bonds, a physical ed. teacher.

Because I did not record the success of all my old classmates, at the reunion. I checked the after party. My very first conversation was with George Riles who informed me that he was president of the NAACP--National Association for the Advancement of "Cool" People. Working in his office as secretaries are; Sandra Saunders, Mildred Clark, Doris Edwards, Barbara Brown, Barbara Cobbs, Katherin Toliver, Gloria Williams, Nellie Kelso and Shelly Haskins.

He also informed me that Louise Bonds and Ernestine Stevens are both married with two fine daughters. They are stenographers for the Superior Life Insurance Company in North Carolina.

In talking with Carolyn Baker, I learned that seven of our classmates, were unable to be home for our reunion because of the important positions they hold out of the states. Robert Creel, James Tucker, Leonard Dent, LeRoy Watson, William Thomas, Robert Kendrick, and James Lewis.

With the conclusion of the reunion and the after party, I was elated to see the progress of all my classmates. Addison can really be proud of her 1960 class. We have all found success and happiness in our chosen fields of life.

PURPOSE

"TO PROMOTE UNITY AND PROVIDE SOCIAL ENJOYMENT FOR THE MEMBERS OF ALL CLASSES OF LUCY ADDISON HIGH SCHOOL"

MOTTO

"IN UNITY THERE IS STRENGTH"

C. R. MEADOWS; Sponsor

Freedom Isn't "Free"

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

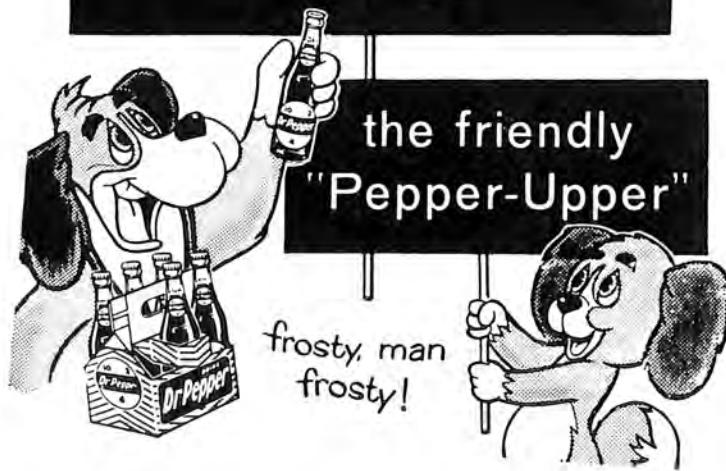

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."
