# DEDICATION

Mrs. Maude G. Meyers

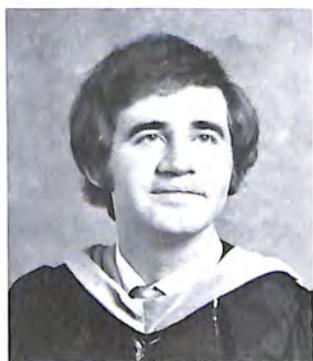

The Senior Class of Viaud School, in this Bicentennial year, 1976, dedicates the 50th anniversary yearbook to Mrs. Maude G. Meyers. Mrs. Meyers has been a great help to us in getting our 1976 edition of the Viaud annual together. Without her, we never could have done it. She has always been a mother-type-person to all of us and sometimes that is what we must have when we need help, or just someone to talk to. Mrs. Meyers has been at Viaud School for many years and it just wouldn't seem like Viaud without her.

We, the Senior Class of Viaud School take great pride in dedicating this annual to Mrs. Meyers. She will remain in our hearts forever.

# The top of the bun never touches the bottom of the bun.

With a lot of sandwiches,  
you have to lift the bun to see  
the beef. Not with Arby's. They know  
what you buy a sandwich for.  
And it isn't for the bread or the ketchup.  
It's the beef. So that's what you  
get at Arby's. Plenty of  
roast beef.
