DEDICATION

We dedicate this, the 1962 Spectator to the faculty and management of Viaud School, who leave with us a deep impression of their undying efforts to teach us what we should know and hope to have learned. We hope this will express to them our appreciation and gratitude for the activities and events they brought about to make our year more pleasant and enjoyable. We wish to these people many more happy and fruitful years of helping students mold their lives to become future citizens.

SENIORS

Jimmy Dunn, President

Virginia Perkins, Vice-President

Looking back over the year, we remember some of the events it has held for us. Among the most important ones were the Senior Parties, the Christmas Dance and the Halloween party. Other events that strike a fondness in our minds are the soliciting of ads for the Annual and the conversation times at the midday break. These and other events will remain forever in the memory of the "Senior Class of 1962."

OUR *Ever-Present* CHALLENGE

The prosperity and individual freedoms we enjoy today are hard-earned gifts from our forefathers and must never be taken for granted.

Each new generation must stand on its own feet and preserve these freedoms.

The freedoms we enjoy through the American Way have a high price and must be earned over and over.

W. Somerset Maughan expresses it this way: "If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too."
