Rick  
 you know  
 thought clerical  
 secretary would lead to  
 the V.P. of S. B. C. but I believe  
 strongly in the fact of standing  
 firm on your beliefs and I hope  
 you will always hold on to it.  
 I rose this morning and  
 saw the sun, and again  
 I have faith!  
 Love  
 Fred.

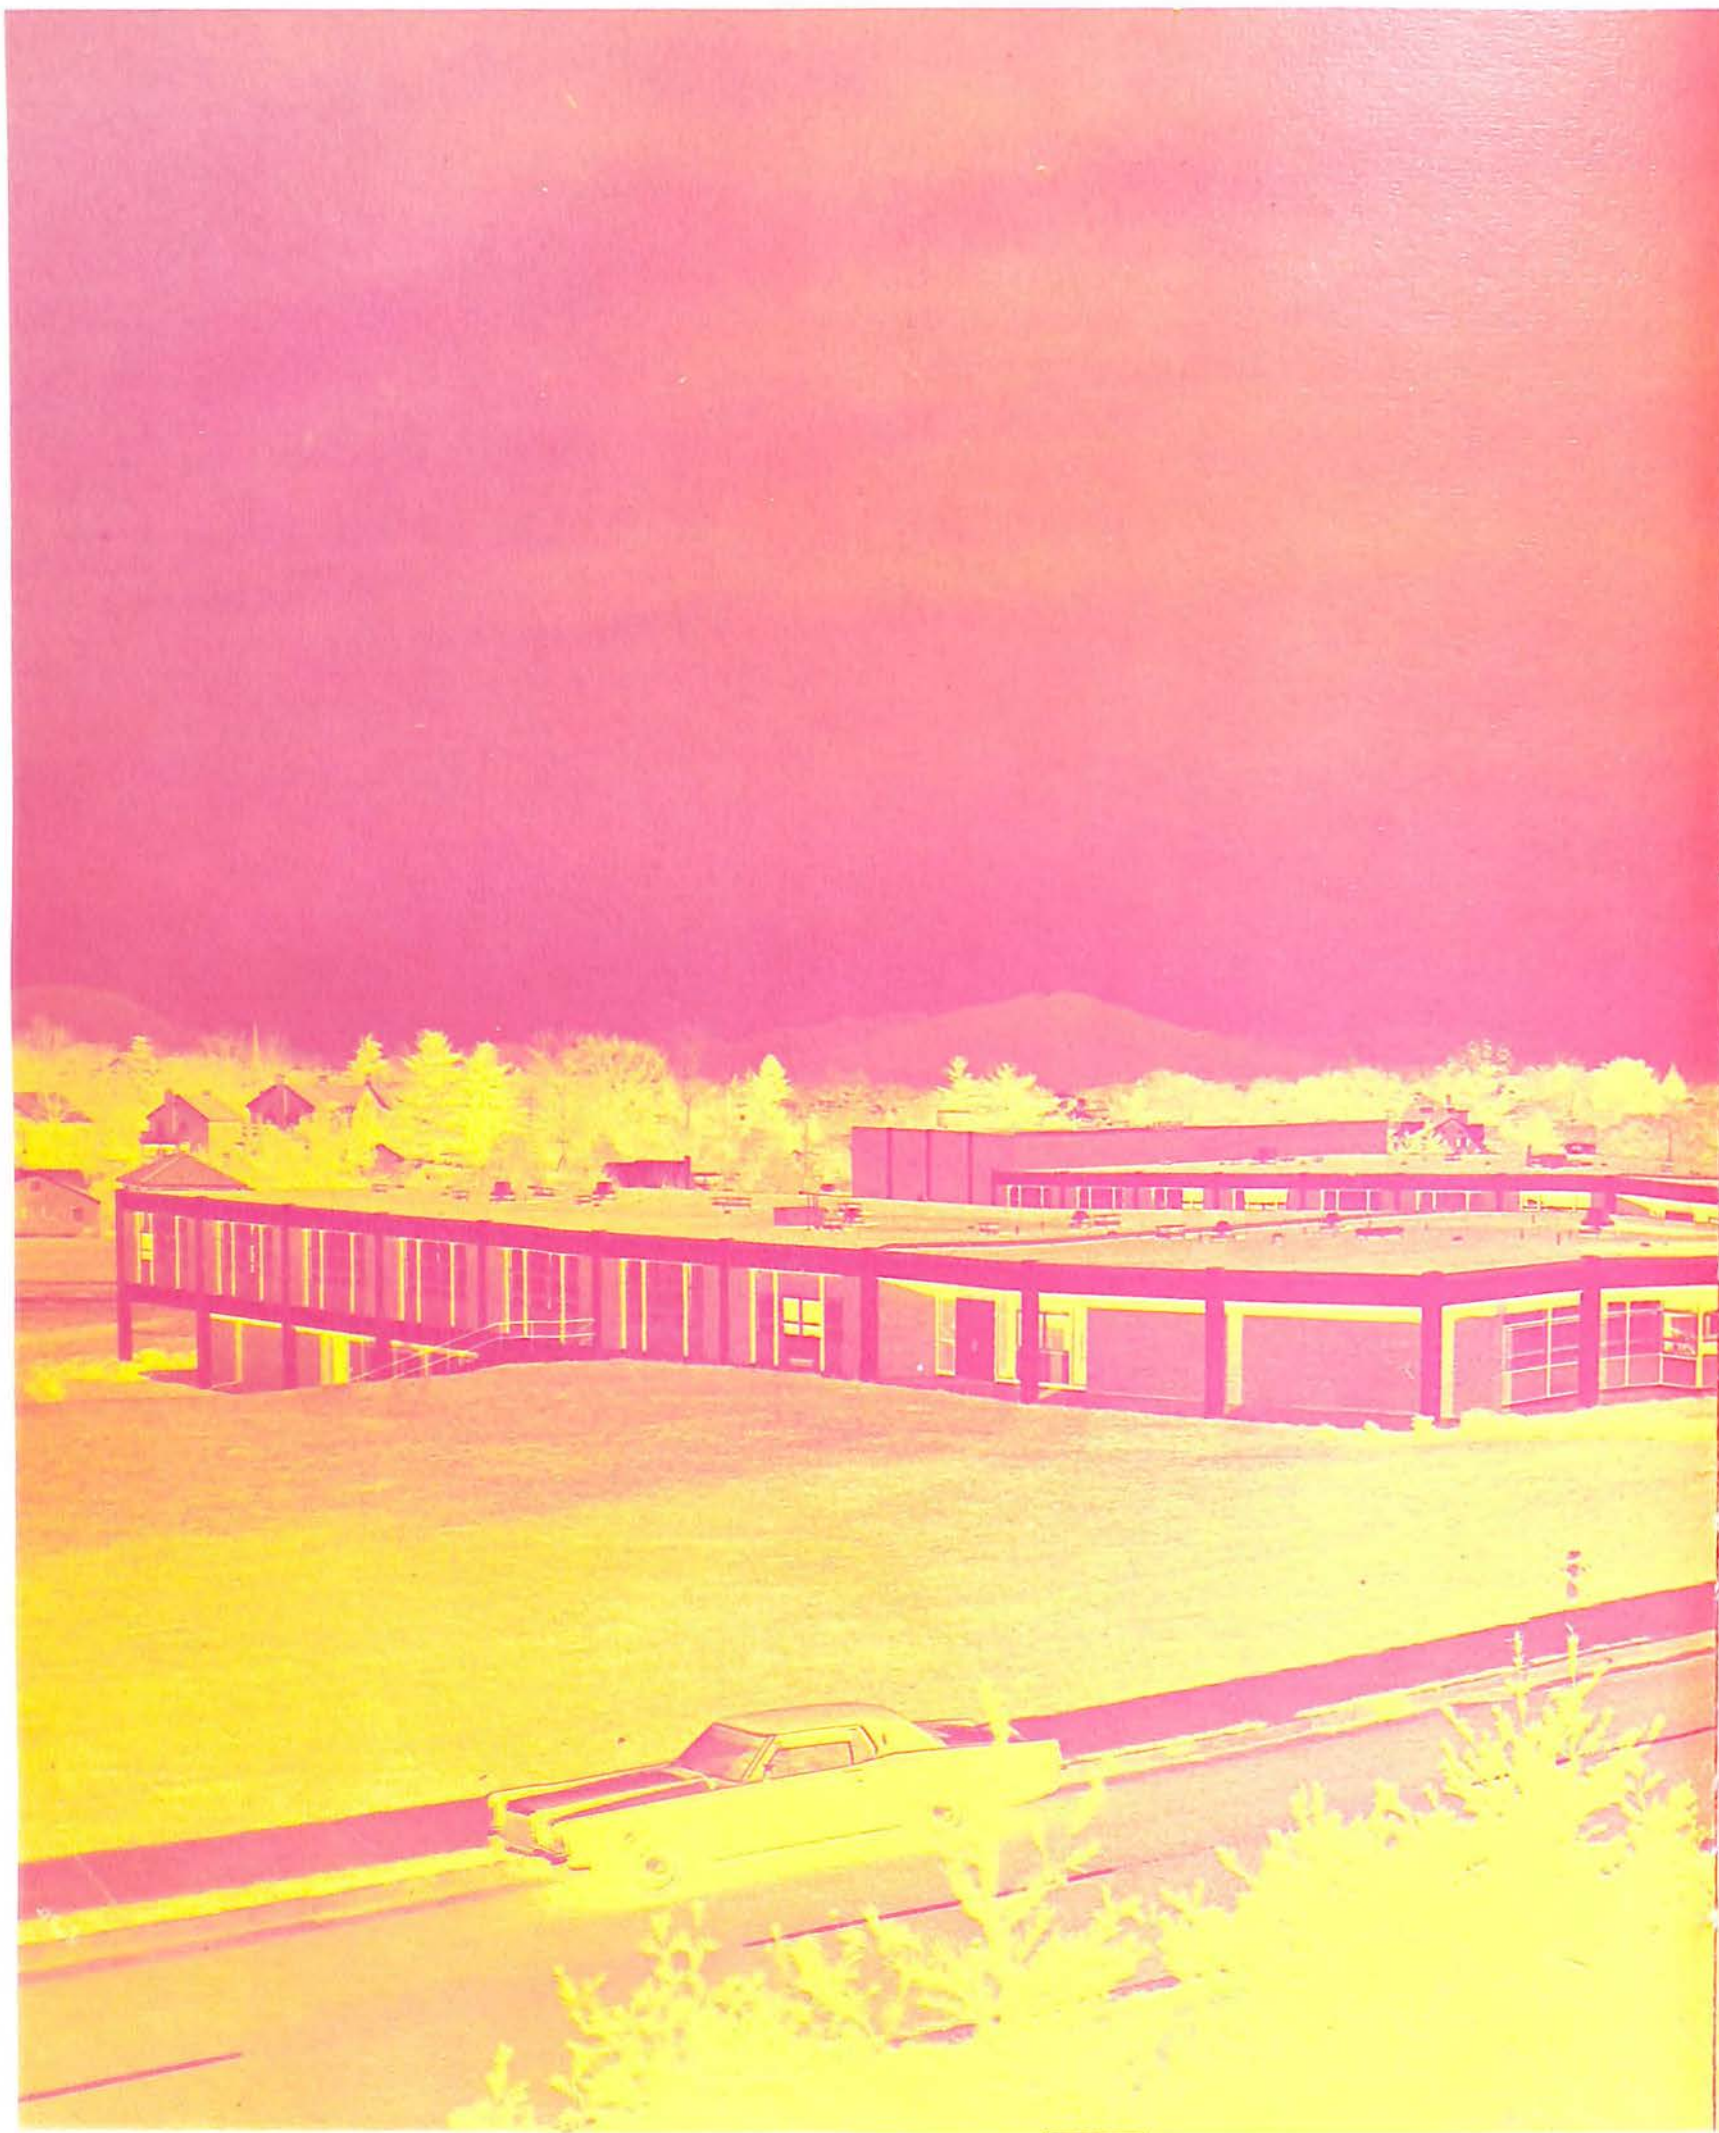

## IN DEDICATION

Your responsibilities are many. Yet, how often do we take time to thank you for a job well done. You are the first one to arrive in the morning and the last to leave in the afternoon. Never are you too busy to stop and talk with a student or faculty member. Proudly you wear your purple letter jacket and answer to the name "Coach". The Class of 1972 would like to show our admiration for your years of service to Patrick Henry. Thus we are proud to dedicate PATRIOT '72 to you, "Coach" Albert E. Holden.

You have been with us since our freshman year guiding, helping, and teaching us. In the many years that we have known you we have never really taken time to thank you for your service to us, so, we are dedicating this page to you to thank you for your help and to give us something to remember you by in the years to come.

# GRADUATION 1972

ON MY WAY TO WHERE . . . . .

Mr. Rick McMan,

If you hadn't been in choir this year things would have been absolutely boring. Hope you can really pull things together next year - if anybody can it's you. Have an "On Key" Summer but watch out for the Revenue Officer. <sup>(Javier)</sup> And thanks for all of those Honda Car pictures - believe me they are treasured. See you next year when you come to M.C.

Pax "Honda Car" Hawthorne

Rick,

I will always be thankful for the friendships that we have found this year. I'm sure it will continue to grow. I hope we can make some of those camping trips this summer + fall - speaking of fall next year should be the best we have had. With all wishes of happiness to a ~~good~~ great guy -

God Bless You  
Rob

Since you  
be back next  
year I won't say  
goodbye! We'll have to  
raise cars next year here  
at good old P.H. We can go  
see Leslie & Pat at Elton too.  
Wish you were going to be in choir  
next year but we'll still have a good  
time! Have a GREAT summer & come &  
see me!

W 200 Ricky

I can't  
this year.  
greater!!  
(and) always

It seems like the time has  
begin to tell you how much  
I'm taking with you certainly  
you keep up this year. I've  
remembered you a friend has  
work and

finally  
engaged  
been  
even  
and

Forever

D.S. Keep raising

Rick,  
you saved  
my life this  
year when you played  
"Moulin" in our "successful"  
room house. Those afternoons  
constructing a tunnel & a casket  
really took it out of me & I'm  
sure it did the same to you. You're  
going to be the big "V-P" next year, and  
I'm positive you are the <sup>bestesttestest</sup> man for the job.  
You're a great person & I hope we stay the  
best of friends
