1976 BRIGADIER

MEMORIAL

This year's yearbook staff would like to present the 1976 BRIGADIER as a memorial to two members of our school population. One, a fellow student; the other, a devoted employee, both of whom will be missed by everyone.

Douglas Kevin Thompson was a fine eighth grade student who devoted his time and energy to his work and fellow students. He did his best until the very last when God called him home. On September 27, 1975 he died of Leukemia. His perseverance and courage will serve as an inspiration to us all, and the memory of his happy nature will linger forever.

Mr. Joseph Bernard Cooper served as dedicated plant manager here at Breckinridge for five years and served in a similar capacity in the Roanoke City Public Schools for a total of thirteen years. His willingness to help in any way he could and his friendly nature were both qualities which made him a very productive and integral part of our school environment. When a heart attack took his life on June 30, 1975 our school lost a fine worker, but his contributions remain with us.
