A Turkish terrorist was sentenced to life in prison for the shooting.

CHAMPION IN THE RING — Sugar Ray Leonard took the undisputed world welterweight championship after stopping Thomas Hearns in a 14th round TKO.

In Memorium

ROBERT BRUCE ROBERTSON

January 10, 1968-October 10, 1981

A life so young, known to all
Had much to give, large and small.
His love for animals and the open air
Left us all with a strong held prayer.
He always seemed to make us laugh,
So these are words to his behalf.
Robert's death was so unfair.
As his friends, we would like to share
A memory not to be soon undone,
Of a boy whose life had just begun.

Helpful And
Understanding

1982 Madison Matador

We, of the Madison Matador staff, annually dedicate the yearbook to the person who we feel deserves it above all others. This person is an outstanding example of what we consider to be an ideal teacher. She is conscientious and understanding. She has an explanation for almost every unanswerable, obscure, or confusing question. She has helped us all to come to a point of understanding when we just knew we couldn't understand. She is always ready to help a student whose mind has been boggled with the several different "Cooley Methods." We really appreciate her efforts as she has helped us in the past and, we hope, will continue to do so in the future.

For all your hard work in making learning easier and more fun, we thank you in dedicating the 1982 Madison Matador to you, Mrs. Charlotte T. Cooley.
