Dedication

Every year, the yearbook staff has a very hard decision to make in the selection of a person or group of people to whom to dedicate the yearbook. This year was no exception. After numerous discussions about staff and faculty members, the students selected a group of highly skilled staff members who impact the lives of all members of the Madison family. These people work diligently everyday from 7 am til 1pm preparing a good nutritious meal for the students and staff. They listen to the students' and faculties' concerns in providing both breakfast and lunch for the school. They are our friends and family. Therefore the 2000-2001 yearbook is dedicated to the **James Madison Middle School Cafeteria Staff:**

Character

The 2000-2001 School year brought a new program to Madison Middle School. The program was the state mandated Character Education program called Character Counts. Throughout the school students learned how to be a person of good character based on the six pillars of character. Students were rewarded each interim period for displaying elements of good character. The final reward was a trip to New York City in May. Many activities were held at Madison to help with the program: Senator John Edwards spoke to the school, Cici pizza night on Wednesdays, a wonderful Veteran's Day Assembly, a basketball challenge between students and Mr. Wonson and Mr. Cardwell, and many more activities including a visit by Elvis during the Sock Hop.

Student Government Association Leadership

Interact Club

Madison Middle School started a new club in the 2000-2001 school year. The purpose of this club was a service club for the school and community. The club collected toys for the Toys for Tots program, made valentines for area nursing homes, and collected shampoo and soap articles for the needy. The club is a great example of demonstrating good character that Madison students possess.Ω

Jump Rope for Heart

Every year in February, James Madison Middle school students participate in the Jump Rope for Heart event to help raise money for the American Heart Association. The event is a fun filled four hour program of different teams jumping rope to their favorite music. The students collect donations from friends and family to help the American Heart Association. The Discovery team also has their annual bake sale during this event.

Back to School Bash

The annual Back to School Bash in October is a way to welcome the students back to Madison for the beginning of a new school year. The event is a fun afternoon of games and food for all students whose parents join the PTA.

SOL Accreditation

In the Spring of 2000, James Madison Middle School's eighth grade students passed all five of their core subject SOL tests for the state of Virginia. Mr. Brandon Bell recognized Madison's outstanding accomplishment by presenting Mr. Wonson with a certificate of accreditation from the Virginia Department of Education. Congratulations!!!!

This Winter, Madison began a new club to help students develop their artistic ability, the Drama Club. The Drama Club was sponsored by parent volunteer, Mrs. Lyndsey. The group meets on Wednesday and Thursday afternoons to practice various forms of drama. Who will Madison give the Academy Awards to now????

Infinity Program

James Madison Middle School is fortunate to offer a variety of upper level High School courses including Algebra I. In the Summer of 2000, several Madison students and teachers participated in the Infinity program which is a program to help students succeed in the Algebra classroom. Why is it called infinity? Not only did the students meet in the summer but during the year, they met on Thursday afternoons to study the world of Algebra.

The instructors of the Infinity class are:

Ms. H. (Virginia Tech)
 Ms. Seiko (Woodrow Wilson)
 Ms. Fajardo (Addison)
 Mr. Amos (Madison)
 Mrs. Roach (Madison)
 Mrs. Tackett (Madison)

The Infinity students are:
