Mr. Tray Rives is Madison's Teacher of the Year

Each year, the staffs at all of the Roanoke City Schools select a Teacher of the Year for their school. The city then selects an overall winner for the city. This year's Teacher of the Year for Madison is Mr. Tray Rives. Mr. Rives is in his fourth year of teaching, all of them at Madison. He teaches Earth Science and Physical Science and has also taught Life Science. Mr. Rives' other duties include being the head girls' soccer coach, the assistant boys' basketball coach, the Science Fair Director, the Science Department Chair, and the Assistant 8th Grade Team Leader. He is from Chesterfield, Va, and graduated from Virginia Tech. He is married and has a dog named Cooper. In his free time, he enjoys watching sports, playing golf and ultimate frisbee, and spending time with his wife and friends. Mr. Rives is popular with the students and we congratulate him on receiving this honor from his peers!

Maya Angelou

..."you miss 100% of the shots you don't take."

Wayne Gretzky
