We, the 1990-1991 *Madison Matador* Staff once again had the problem of picking a recipient for this year's dedication. We decided to be the first staff to pick two outstanding candidates who work great as a team. In this decision, we looked for individuals in a team, who are challenging, are devoted educators and who have good sportsmanship. We also looked for a team

that is very active in school life and involved with the students. Both persons we found are very deserving of this great honor. We are grateful for these teachers who have devoted great amounts of time and effort towards the bettering of our education and our school. They have shown this in special events and classes such as gym, volleyball, baseball, golf, tennis, in-

tramurals, and in even bigger events like Jump Rope for Heart. We, the *Matador* Staff proudly dedicate the 1990-91 *Matador* to you for all your hard work and devotion:

Mrs. Charlotte Murphy
and
Mr. James Childress
