DEDICATION

On behalf of the James Madison Faculty and Student Body, the 1994-1995 Yearbook Staff would like to recognize a person who goes above and beyond the call of duty. He is dedicated, conscientious and sympathetic to the students' needs. If a student is having trouble, he will gladly take time off to help them. His main goal is to help students realize their full musical potential. For these reasons and many others, we would like to dedicate the 1994-1995 yearbook to Mr. David Lipps.
