Dedication

Every year, the yearbook staff has a very difficult decision to make. They must decide which staff member at James Madison Middle School goes beyond their regular job description and duties. They observe and watch all the staff in order to find a special person to whom to dedicate the yearbook. This year, the 2002-2-003 yearbook staff felt that Ms. Victoria Wert deserves this honor. Ms. Wert brightens up our mornings with her morning announcements. She gives 8th graders a reason to think about what is happening in the world. Her smile lights up the whole school. She is a hard working and dedicated teacher at James Madison Middle School. For these reasons and countless other reasons, the yearbook staff dedicates the 2002 -2003 yearbook to Ms. Victoria Wert.

W

Is for wonderful, wild and willing.
She pushes every student to achieve beyond his limits. She is kind and giving.

E

Is for eager, excitement and excellent.
She always meant what she said and said what she meant.

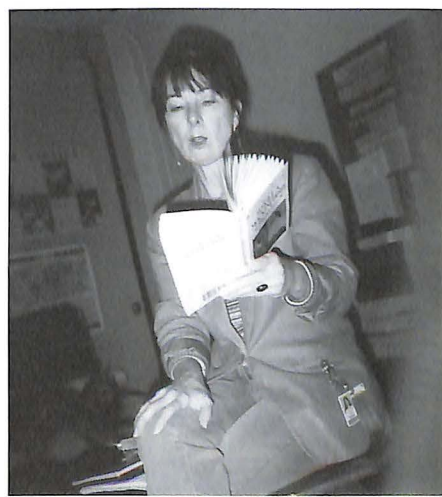

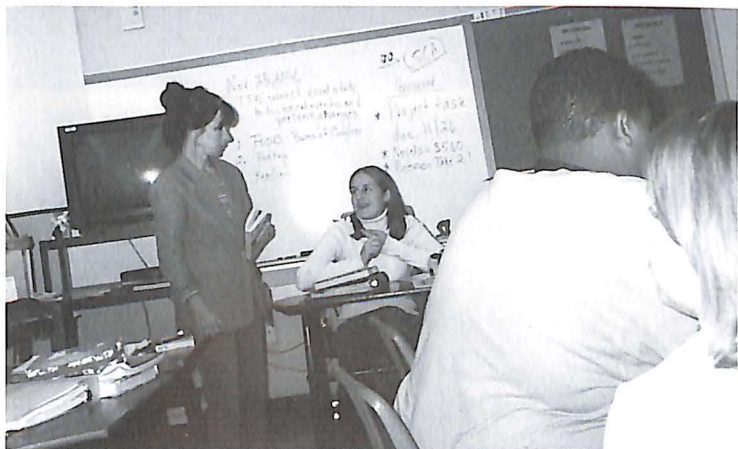

R

Is for radical, responsible and respect.
She wants all of her students to do their best.

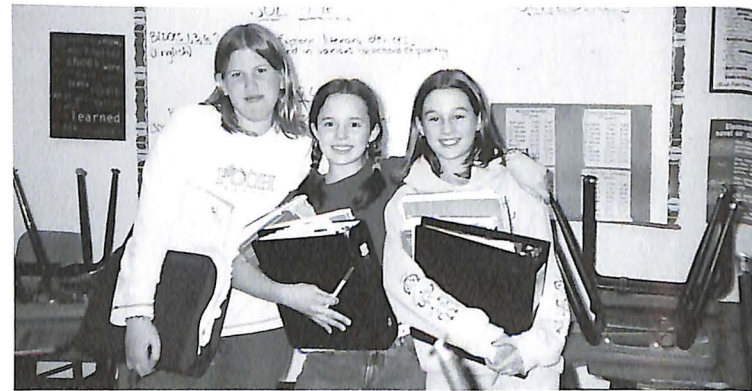

T

Is for tiny, talkative and thin.
Ms. Wert is not just your teacher, she's your friend.

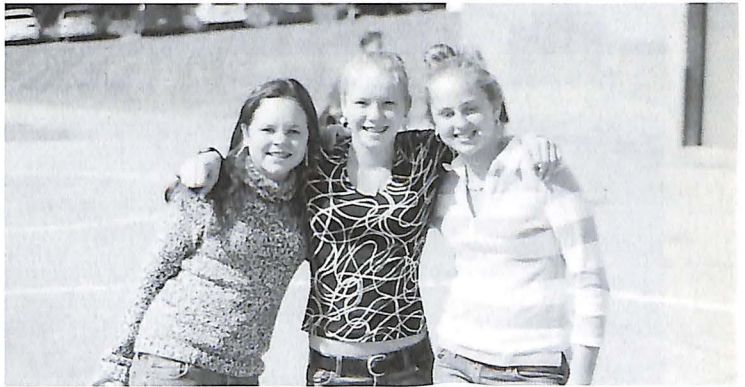

So for all of the students who really love Ms. Wert, just tell her to keep up the good work!!

We Remember September 11th

On September 11, 2002, terrorists attacked the United States by crashing airplanes into the World Trade Center in New York City and the Pentagon in Washington DC. Another airplane was hijacked and crashed in Pennsylvania. These events changed America. Every American remembers the events of September 11th. James Madison Middle School dedicated a peace pole in honor and memory of the people who died. Students, parents and teachers wrote poems and speeches in remembrance of this day. September 11th will always be a day of remembrance.

Band and Strings

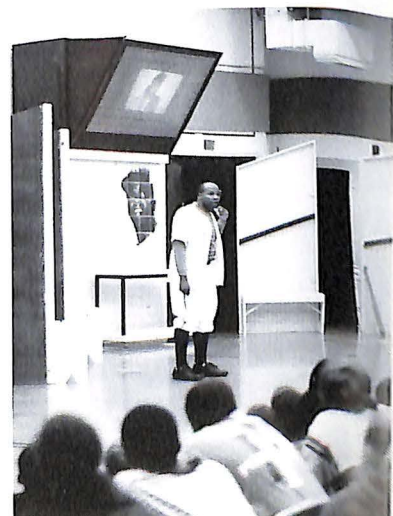

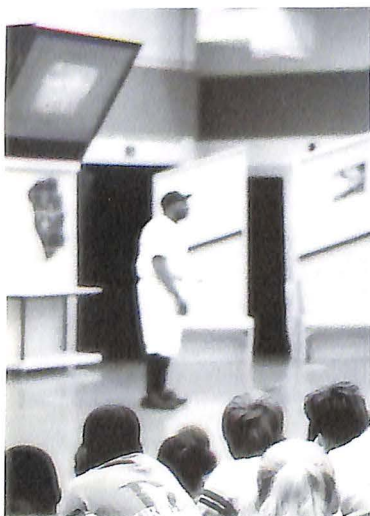

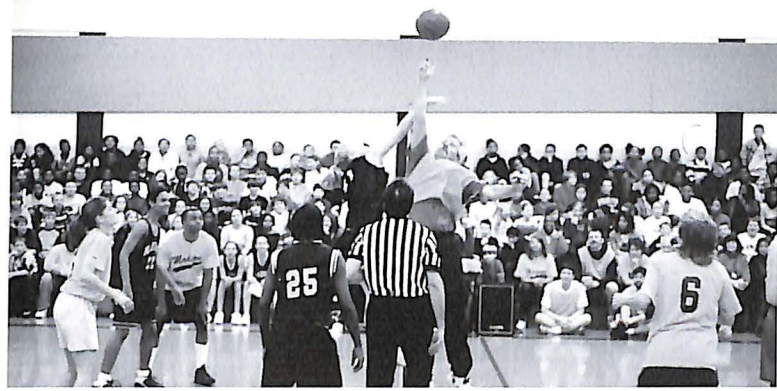

The Jackie Robinson Story

On February 11, 2003, Mill Mountain Theatre brought us a remarkable look into history with the Jackie Robinson Story. The struggle for equality is personified in the powerful story of Jackie Robinson. Robinson was the first black baseball player in the U.S. major leagues during the 20th century. His courageous journey from street kid with a dream to sports hero is told against the background of the prejudice and ugly racial epithets of the pre-Civil Rights Movement. But the real significance of Robinson's Most Valuable Player award in 1949 reminds us that the human spirit can triumph over racism and discrimination.
