Remembering 9/11

On September 11, 2003, Madison Middle School observed the second anniversary of the attacks on the United States. Grade level representatives presented poetry and readings. The Peace Pole, restored by the Art Department, was replaced and a tree was planted as well.

Back To School Night

Parents, administrators, teachers, and students gathered at Madison on the evening of September 23, 2003 to see how the year was going. Parents had dinner provided by the PTA, went to each classroom and received a special performance by the cheerleaders.

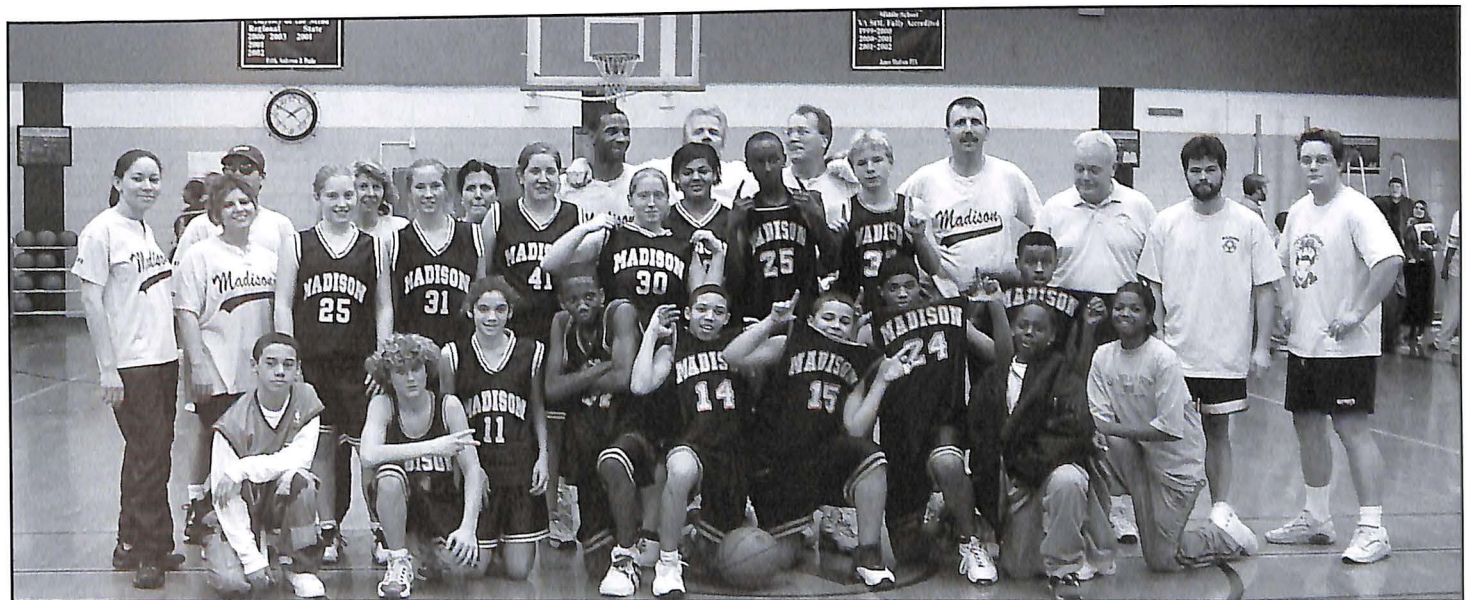

HOT DOGS! HAMBURGERS! CHEERLEADERS?!

Students v. Faculty Basketball

After the crushing defeat of the faculty by the 8th grade basketball players, the faculty was looking for revenge... and some muscle cream. During the off season, they recruited some additional talent... and practiced. The result: a close game with the faculty pulling out a victory. Good luck next year to both teams.

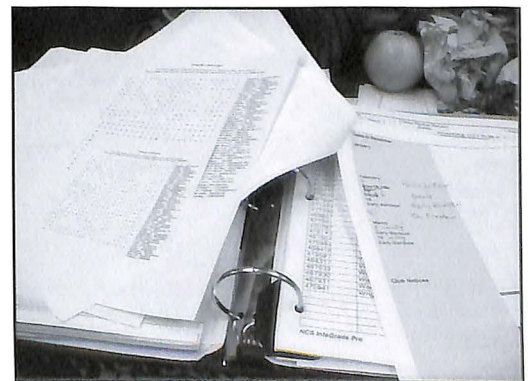

Chess Club

The chess club meet every Monday after school in the cafeteria. The sponsor is Dennis Taylor. The club meets for one hour. They choose a competetor and begin to play. Mr. Taylor walks around and helps each individual so the team can get better. Then the team is ready to go to a tournament.

NEWSPAPER

Newspaper is a group of student journalists who get together every Tuesday to put out a magazine sized newspaper for Madison.

The background is an abstract geometric composition. It features several large, solid-colored rectangles in shades of blue, yellow, red, and green, separated by thin, dark blue lines. The layout is asymmetrical, with the largest blue rectangle in the top left and a large yellow rectangle in the bottom right. The word "Autographs" is centered in the middle yellow band.
