Miss Sarah Cannaday

Miss Cannaday,

It's been a pleasure being a pupil under you. I have learned every as much this year as I have learned in all of my other grades put together. You are the best teacher I know and no one anybody has come close to you. I owe you a lot for all the nice things you've done for me and I really appreciate it. I'll miss your lessons and talking about Albert Burke and College Bowl,

Your student,

Miss Cannaday,

you please go on

Miss Cannaday,

The best of everything to one of the strictest,
wisest teachers I know. May you be
as helpful always as you have been this
past year. I thank you for what little
I did learn, but I just don't seem to
catch on as yet, but I hope that next
year if I can take 1st year of Latin
over again I might be able to pass
it, also if I study instead of just
fooling around. May God bless
and keep you always and thanks
for everything you've done for me.

Miss Connaday,

Best of luck in the future to
a real sweet Latin teacher! I'll never
forget what a wonderful person you
are! You made the fashion show
more enjoyable for everyone by doing
your famous "twist"! I can see now
the times we got on your nerves, by missing
simple things! I'm sorry I made you
slow down from going so fast but
at least you had a coffee break.
I hate to leave Monroe but I'll
still remember you. Hope to see you
this summer.

Love ya!

P.S.

It has been
nice knowing you!

Nancy Page

Vale.

Miss Cannady,

Even the Romans didn't have the word to express how much I have enjoyed knowing you and being in your class.

I have understood you more than most of my teachers and I think you have understood me. (If that's possible)

I hope you will never forget me because I could never forget you.

I am very clumsy and have a hard time choosing words and making myself understood so I hope you can tell what I mean.

I apologize for the abominable writing.

Yours forever
Robert
Stall

P.S. I'll miss you next year.

Miss Cannady,

Best of luck in the years to come to one of the sweetest, kindest, and most understanding teachers I've ever had. Thanks for putting up with me and my fellow classmates this past year. I'll always remember you and I'm sure they will too.

I hope I'll get along without you next year in Latin but I know it'll be hard. Try and find me if that's possible!

I hope I get half out of life as you're putting into it.

I'll never forget you and your famous "TWIST". The fashion show wouldn't have been half as good without you. Thanks for helping us out.

I hope to see you this summer.

I'll try and make better grades in Latin next year if I possibly can.

It's been nice knowing you.

A grateful "enrollee"!,
Deana Eppley

Miss Cannaday,

I want to wish you all the success, happiness,
& luck to my favorite teacher. You are the sweetest,
nicest, & most wonderful teacher at Monroe. The
girls & boys taking Latin next year have a wonderful
experience ahead of them, they don't know ^{how} lucky they
are.

I have thoroughly enjoyed my first year of Latin
but the next year won't be the same without you. It
has been a thrilling experience & the Roman language
is fascinating, after you get it straightened out.

I'll try to do as good next year as I have done
this year. (I hope)

Have a wonderful summer & keep up the good work.
Hope you'll practice the "twist" often & think of our
Latin club picnic, the fashion show, & your third
period class.

Forever grateful,
Norma Feagell

Miss Cannaday,

I hope you have all the
happiness you deserve. Your instruction has
given me a deeper and greater insight into
a new subject Latin, and into principals
of life itself. I hope I'll be privileged
to see you again in the future.
Your appreciative student,
Jimmy Carter

Miss Comaday

This year has been one of my best years. This might seem kind of funny way to start off but, I owe it all to you. If there is any person who has really help me develop my study habits, its you. I ~~love~~ want to thank you, I have really profited from it. I have enjoyed being with you "half the day" this year. And hope to see you in the summer.

A pup. (so its call)

Lic
Spangue

P.S. Sorry I couldn't write it in Latin but I'm not that far advanced yet.

Miss

Comaday

Remember you

years (may they be many). I'll always

wish for good luck in your future

have this year. You have my best

students love your class ^{at your future} and I

Mrs. Cannaday,
It has been a pleasure for me to be in your Latin

(your student)

Miss Cannaday,
My very best wishes to one of the sweetest, nicest, and cutest
teachers of grade 11. I'll miss you and the many
fine teachers here next year. Have a nice summer. Please
remember me and all the fun we had in Latin, Latin Club, and
History class. Stay sweet! May God bless and keep you in
His care always.
Love always,
Sheryl Wright

Miss Cannaday,

I have enjoyed so much being in your class this year. Even though I'm failing Latin, you're still my favorite teacher. You've made Latin class bearable and I don't know how I'll get through it next year. Stay the sweet teacher you are and you'll never have to worry about leaving friends... for you'll always have plenty. Best of luck in the future and May God Bless You.

Love Ya!

Bonnie

Miss Cannaday,

I can't express how much I love and
I've enjoyed you as a teacher. I have
never heard of a teacher who will
love to see you fail. My mother
told me you were an excellent teacher and
now I know that to be true. I'll always
remember the good times we've had in
our Latin class. I'll "always" remember
you. May God bless & keep you
always

Miss Cannaday,

I think you're the most wonderful teacher I've ever had. One good thing about you is that you can forget yourself and help others. You do your best to teach your students all you know. Also you're a good speaker. Boy! you can really twist. I don't think I'll forget that Home Ec Fashion Show where you and Mr. Cummings really "twisted it." You were a living doll!

I know anyone who has ever had you learned a lot. I'll miss you terribly next year, but I hope I can get back to see you or maybe you write a letter (but not in Latin!)

I hope you'll keep up the good work in the coming years.

Love ya loads!
Quita Stuss

I am really going to miss you and hope to see you in the future. I wish you the best of happiness always. May God bless and keep you always.

Love Ya Always!
