Because you have shown interest in each of us and have taken our individual problems as your own . . .

Because you have helped prepare us for our role as adults and leaders of tomorrow . . .

Because you have taken deep interest in clean sportsmanship, whether winning or losing . . .

Because you have strived daily to help us build strong physical bodies . . .

Because of your unending fairness and good sense of humor . . .

Because we, the Monroe Student Body, want you to know that your efforts, time, and understanding are appreciated, we proudly dedicate this 1963 Cardinal to you coach, teacher, and leader, Dennis Cummings.
