Dedication

We dedicate this 1966 annual to Mrs. Elizabeth Lower and Mrs. Thelma Johnston who through the years have so faithfully given of themselves in behalf of Monroe Junior High School.

Mrs. Lower, your unceasing classroom emphasis on character development and your concern for the importance of the individual shall remind us that the successful person views life with the proper perspective: God, others, and self.

Mrs. Johnston, as our diligent and competent secretary, your accuracy and efficiency, often amid much confusion, shall continue to remind us that a job worth doing is worth doing well.
