Because you have endeavored to help us attain a good set of morals and values . . .

Because you have taught us the meaning of striving to do our best . . .

Because you have given graciously of your time to help each of us discover and understand ourselves and find a true meaning in life . . .

Because you have shared with us the result of what God can do to a human being . . .

Because you have just been yourself; with sincerely meant love, appreciation, and gratitude . . .

We dedicate this 1967 CARDINAL to you - MISS REBECCA KARNES.
