# Dedication

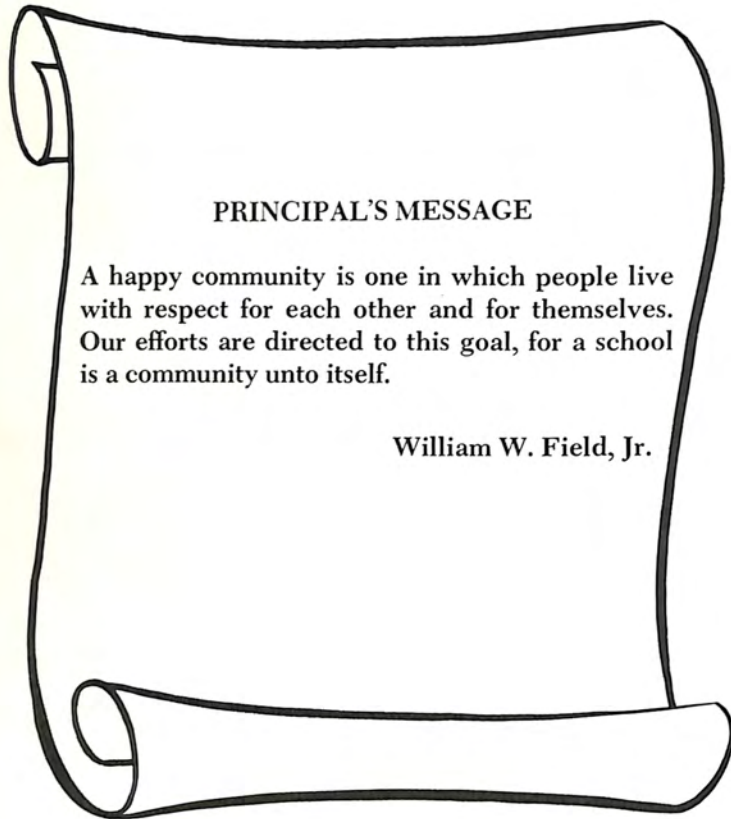

We take this opportunity to express our gratitude to one who has been a friend and an outstanding example as well as a teacher and an administrator. We dedicate this annual to a man in appreciation for his involvement with Monroe students. This is his first year at Monroe. He came here from Addison High School where he had been head basketball coach. He is a man who is known and respected by coaches all over this part of the United States.

In a world that too often puts down any efforts made by teenagers, this person stands out as someone who sees us as people who try. Because of this, and more, we fondly and very appropriately dedicate the 1971 *Cardinal* to Mr. Irvin Cannaday, Jr.

# Administration

## PRINCIPAL'S MESSAGE

A happy community is one in which people live with respect for each other and for themselves. Our efforts are directed to this goal, for a school is a community unto itself.

The Student Council Association is Monroe's only formal organization this year. Among the SCA's projects have been a Christmas dance for the entire student body and a clean up campaign, as illustrated in the posters above. For the first time, officers of the SCA are being invited to faculty meetings. Thus the students have achieved representation in matters concerning student policy.

## '71 Cardinal Staff

Staff:  
 Editor: Becky Leach  
 Activities Editor: Brenda Caldwell  
 Sports Editor: Ronnie Pritchard  
 Business Manager: Peggy Hopkins

Seated: B. Caldwell, B. Leach, N. Dixon  
 Stand: R. Pritchard, C. Blankenship, B. Overstreet, G. Tomberlin, P. Hopkins

The '71 Cardinal staff adopted the theme *United We Stand* from the cover design by Vicki Keyser. We feel that this theme is particularly appropriate for Monroe because it portrays the attitude of our student body. We believe that Monroe students have shown evidence of being able to live together and work together as brothers.

Coach Hughes is caught off-guard.

Perhaps the theme *United We Stand* is not as original as the Cardinal staff would like to believe. For many years participants in competitive sports have exhibited the power of unity. Black and white athletes have become brothers. They have played together, won together, and lost together.

The cafeteria has been a major target of the SCA clean up project. Our goal is to make our cafeteria a pleasant place in which everyone can relax and enjoy lunch time.
