Dedication

Mrs. Maxine Hunt

We would like to express our appreciation to one who has done many things for Monroe Junior High School during the three years she has taught here. She has planned many successful assemblies for the enjoyment and enrichment of the students. She has been a friend and a parent to many of us. She has represented us well in her many community activities. She has been an asset to our lives.

Because of these and other qualities which she possesses, we proudly dedicate the 1973 **Cardinal** to Mrs. Maxine Hunt.

To the Administration and Faculty of Monroe:

Like a door closing, all things in life come to an end. This year Monroe's doors will close and its life as a junior high school will end.

We would like to take this time to express our gratitude, as a student body of Monroe, to all the faculty, and administration, past and present. Years from now we will realize the importance of your contribution to this part of our lives. You have helped us to grow intellectually, emotionally and socially. We will have memories - most good, perhaps a few bad - of the time we have spent here and the people we have spent it with.

Now we thank you - the Faculty, the Administration and Monroe.

Sincerely Yours,
The '72-73 Monroe Student

In Memoriam

Steve Rucker
 August 22, 1956—
 November 4, 1972

In memory of this student who tried to help the student body of Monroe become united as a whole, an award has been established. The **Steve Rucker Good Citizenship Award** will be bestowed upon one black student and one white student each year. Homerooms will nominate candidates worthy of the award and a special committee will make the final selections. A plaque will be presented to each recipient during an assembly.
