DEDICATION

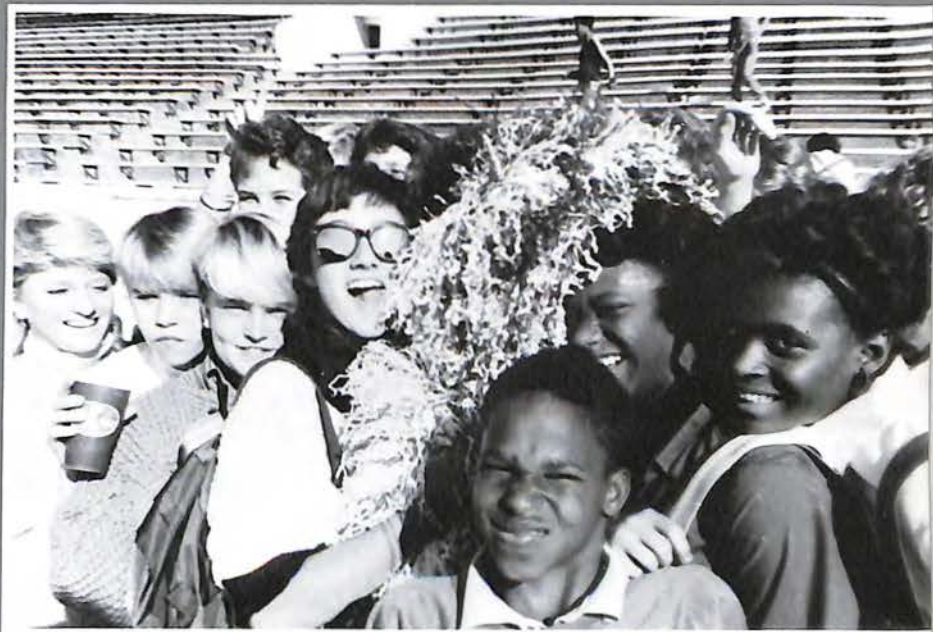

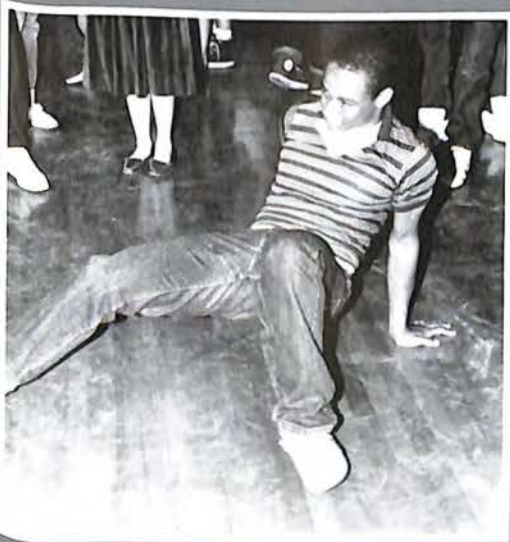

Every year, the Woodrow Wilson yearbook staff makes a decision as to whom the yearbook should be dedicated. The staff looks for a person at this school who not only does his or her job well, but also extends a genuine love and concern to the school body. When the staff discussed the qualities that the recipient of this dedication should possess, the choice became obvious. For your devotion to your work, for your optimism and school spirit, for your loyalty and affection to every member of the school body, the 1986 Woodrow Wilson yearbook staff dedicates this yearbook with love to you, our assistant principal, Mr. Irvin Cannaday, Jr.
