MR. R. H. COOK

Mr. Cook is a principal who commands the love and respect of every pupil in Woodrow Wilson Junior High School. His patience and sound reasoning in every situation has had a wonderful influence on the lives of all the young people with whom he has come in contact. He is a person who can talk over problems with boys and girls sympathetically and give them the guidance and advice which is most helpful.

He has been successful in bringing the school through some hard years and, in spite of any difficulty, has been the leader in establishing a real, live spirit of cooperation among everyone at Woodrow. It is this spirit that calls forth the best from pupils and teachers alike and also holds the good will of former students after they have left our school.

We really appreciate the faithfulness and guidance of the best of principals, our own Mr. R. H. Cook.

Mrs. Edna Stewart, Secretary to the Principal is loved by students and teachers. No project is too difficult nor is any detail too small but that her dispatch and understanding will see it through to completion. Her smile and spirit of cooperation shall always be a memory of Woodrow.

MRS. EDNA STEWART  
Secretary

*"I shall detain you no longer in the demonstration of what we should not do, but straight conduct ye to a hill-side, where I will point ye out the right path of a virtuous and noble education; laborious indeed at the first ascent, but else so smooth, so green, so full of goodly prospect and melodious sounds on every side that the harp of Orpheus was not more charming."*

CLASS HISTORY

The class of '54 has many pleasant memories to recall as it leaves Woodrow Wilson. We can think back to when we first entered the school in the seventh grade and reported promptly at 8:00 A.M. so as to get out at 1:00 P.M. because of the lack of a school cafeteria. Shortly after the second semester the new addition was completed and we got on our regular schedule.

We are very proud and grateful for our new addition. It is twice the size of the original building. This new addition supplies us with a beautiful cafeteria, auditorium, art department, two home economics departments, a music room, a classroom, and several small storage rooms. But we are most proud of our gym which is used for many other purposes other than our physical education classes.

In our three years career, we have seen our school shine in athletics. We have taken the basketball trophy in '52 and '53 and we are well on our way to take it this year. At the two field day

meets we have attended, we have witnessed outstanding display of track events which has won us the boys' trophies and second place for the girls.

We have participated in two Student Government campaigns which are held annually in May to elect our school officers for the following year.

As we are in our last few months at Woodrow, we are looking forward to our Senior picnic which will end our career at Woodrow.

We only hope that our school years to follow will have as much in store as our past years at Woodrow Wilson Junior High School.

The library club of Woodrow Wilson Jr. High School has twenty-seven members, which are girls of the eighth and ninth grades. They serve the school by shelving books, keeping files in order, getting new books ready for circulation, and generally keeping the library straight. The library has always been under the leadership of our very fine sponsor, Miss Craig.

The band received its uniforms in the spring of 1953. This climaxed our drive in which we raised part of the money by sponsoring Lane High School of Charlottesville in a concert.

The band was started in 1951 when we had a few school owned instruments and no drums. Today the band has grown greatly.

Since 1951 the band has played in two Christmas parades, and two or three other smaller events, given the annual spring concert, and a small group has played for several basketball games. In addition to this activity we had five people in the All-State Band last year and four this year.

Events for the 1953-54 season include the second annual concert, attend the District Band Meet, and visit Washington, D. C. for three days to parade with the School Boy Patrol.

The band would not be what it is today had it not been for the efforts of our director, Mr. J. B. Armentrout who has given much time and energy to the band which we join him in hoping, one of the best in the state.

T. C. ANDERSON, JR.  
PHYLLIS BYRD

Mr. Anderson has nearly finished his first year as basketball, baseball, and track coach for the boys athletics in Woodrow Wilson Junior High School. He came to us from Buchanan High School where he had an excellent record. Mr. Anderson received his degree from Bridgewater College and is now taking work at the University of Virginia where he was outstanding in athletics. His home is in Norfolk but since arriving in Roanoke he has become very popular with our school. We feel most fortunate to have a man of such fine character and athletic abilities to be coach at Woodrow.

Mrs. Byrd is the girls' coach in Woodrow. She attended Longwood College after which she came here where she is now ending her eighth year of teaching. Under Mrs. Byrd's leadership we have won a number of trophies in girl events. Among Mrs. Byrd's many duties is the sponsorship of the Girls' Monogram Club and the Cheerleaders. She should be congratulated for the fine work she has done with the tumblers. Mrs. Byrd has done outstanding work during her stay at Woodrow and we shall look forward to bigger and better things next year.

Patti Price, Anne Bent, Virginia Thomas, Billie Howland, Juanita Young, Pat Hurst, Jane Gormican, Susie Heslep, Pat Poindexter, and Diana Dodge, Head Cheerleader.

BOYS' BASKETBALL TEAM

#### BOYS' TRACK

More emphasis probably is placed on track at Woodrow Wilson than any other athletics. We have always had a winning team and are very hopeful we win this year. The annual field day or track meet was begun in 1944 which consisted of the four Junior High Schools in Roanoke. Woodrow Wilson won this first meet and the tradition has yet to be broken. We have retired three trophies, each of which shows three years of winning teams. We have been most fortunate in having fine coaching and also that unconquerable spirit to win.

## TUMBLING

The Woodrow Wilson Tumbling Team is an activity held each year for all students who are capable of performing stunts activities. Tryouts are held usually from January to February and then the final members are chosen.

The 1953 team gave many tumbling performances in Roanoke and nearby cities. Shows were given at the Veterans' Hospital, various club banquets, and several talent shows. The team won a second place in a talent show at Monroe Jr. High School. The team has also appeared on TV.

## BOYS' LETTER CLUB

# W

The Boys' Letter Club is organized to aid in the conduct of the school Athletic and Physical Education programs. To become a member of this club one must earn twenty-five athletic points and play in a varsity sport.

After a student has earned his letter he is expected to exhibit leadership qualities in all school functions. Also he is expected to assist the athletic director and encourage student participation in all types of school athletics.

The Boy's Letter Club also helps to raise funds for the Athletic program.

The Club is sponsored by Coach Anderson.

## GIRLS' MONOGRAM CLUB

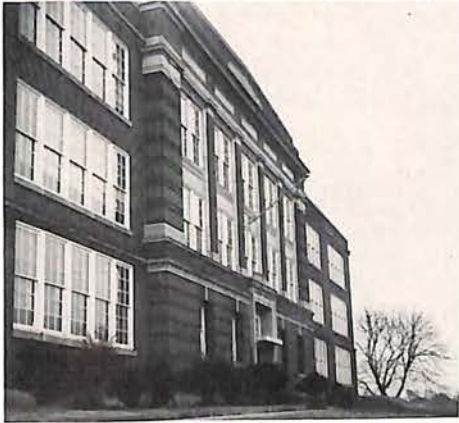

### OFFICERS

PATTY GODSEY.....	<i>President</i>
SUZANNE JEFFERSON.....	<i>Vice-President</i>
JANE GORMICAN.....	<i>Secretary</i>
