STONEWALL JACKSON JUNIOR HIGH SCHOOL

Roanoke, Virginia

1970-71

DEDICATION

*Thank
you...*

Miss Joye Bell, teacher of English and French

We shall always remember Miss Bell in English class, leading us through the nouns, adverbs, prepositions, etc., introducing us to Ichabod Crane ... and in French class, patiently listening to the dialogues and helping us understand Madame Truc!

It is with sincere appreciation for the instruction she has given us and with deep gratitude for her patience and direction that we the students of Stonewall Jackson dedicate to her the 1971 Stonewall.
