LEARNING

The Road to Success

Jackson's Faculty, Staff, and PTA Volunteers are the BEST!

Mr. Roberts (Building Manager) and Mrs. Shaver keep our school building in top condition.

Mrs. Doss, Mr. Drewery, and Mrs. Bean pause a moment before they ready our school for the next day.

Mrs. Wilder, Mrs. Rudd, Mrs. Basham, and Mrs. Haynes prepare and serve hundreds of meals each day.

Mrs. Krawczyk (Mrs. "K") helps Xaviera complete her measurement activity.

PTA volunteers help our school in many ways, such as buying and serving pizzas for science fair participants.

PTA volunteers spend many hours planning and organizing special programs for our students.

OUR PARENT
VOLUNTEERS
ARE GREAT

Mrs. Burks, Mrs. Gilliam, and Mr. Hard: Thank You for Your Commitment and Dedication!

June 2005! The thoughts of retirement must be the reason for these smiles.

Mrs. Burks listens attentively to her students as they read. Thank you.

Will I walk in the mornings or in the afternoons?
Where will I travel first?

Mr. Hard stops Ninth Street traffic for walkers. Thank you.

Mrs. Gilliam reviews inequalities with Deon. Thank you.

Set the alarm clock? No way! Go to the Jimmy Buffett concert? Yes! Vacation at the beach? Always!

Trout fishing in that favorite spot? Motorcycle riding on a country road? Golfing at the beach?

Character in Action - Caring Chargers

"No act of kindness, no matter how small, is ever wasted." - Aesop

Throughout the school year, Jackson students and staff members demonstrated their willingness to devote time, effort and money to help others. Our fund drive for "Tsunami Relief" raised an impressive total to aid victims of that disaster. "Hoops for Heart" saw students playing basketball to raise money to fight two of our nation's most deadly killers: heart disease and stroke. We also worked to improve our own community and school. The Morningside tutors contributed their time and knowledge to help elementary students succeed in school. Our peer mediators were selected for their ability to communicate with fellow students, and they were given training to enable them to help resolve problems before they became more serious concerns.

"Character, not circumstance, makes the person." - Booker T. Washington

Helping Hands

Jackson students shoot hoops to save lives.

Ms. Thomas presents Mr. Williams with the "Hoops for Heart" honorary heart.

Ms. Barnette isn't counting calories (1 cup of whipped cream = 154 calories) as sixth graders hit the "tsunami" target.

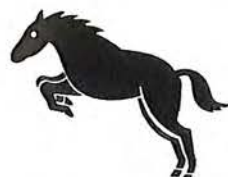

Mrs. Hogan takes a pie in the face for tsunami relief.

Morningside Tutors: Jackson Chargers work with elementary students to help them become successful.

Peer Mediators: Trained peer mediators help students resolve their conflicts.
