WHAT IS A JUNIOR HIGH SCHOOL?

STONEWALL JACKSON JUNIOR HIGH SCHOOL

A
Jr.
High
School
is many
things but
mostly it is
youth growing,
having fun and
learning. It is
the sight of youth
riding to school in
a yellow school bus
or hurrying to class
after the bell has
rung or working algebra
problems at a blackboard.

A Junior High School is the
sound of slamming locker
doors, grinding of pencil
sharpeners and rustling note-
book paper. It is the sound of
the band and choir playing lovely
Christmas music. It is the sound of
voices cheering on their favorite
team or griping about school rules
and regulations or calling to their
companions.

A Junior High School is fun, friends,
cherished moments, teachers, classes, sports
and activities, but most of all a Junior High
School is a "Future in the Making".

A JUNIOR HIGH SCHOOL IS . . .

Catherine Dollman, Denise Lapradd, Linda McAllister and Debbie Patsel enjoy a good joke at lunch

Jackson students continue to enjoy trips sponsored by the Social Studies Department. This year 40 students flew to New York for a two-day tour, which included the Statue of Liberty and a great dinner at "Little Italy." Many of the girls were really impressed with a "toupee."

Kevin Spickard and Mr. Wolfe enjoy a good laugh. Could this be fun? Why is Brad laughing? Pow!!!!

A Junior High School is a combination of many things but mostly it is a collection of personalities and events. The School itself never changes and yet thousands of changes go on every day within its walls. Students grow up emotionally and physically, developing their own special dreams and talents.

This is a Junior High School!
