1980-1981 Stonewall Dedication Miss Terry Divers

The Jackson Faculty is made up of many hard working and devoted teachers, but this year the students and faculty have chosen to honor one particular teacher, Miss Terry Divers.

Miss Divers graduated from Bluefield State College and Radford University. She taught at West End Elementary before coming to Jackson seven years ago. She is a very active member of the Mt. Zion A.M.E. Church where she is an advisor to the Young People's Department.

We would like to take this opportunity to thank Miss Divers for all her untiring efforts and hard work. To many, she has made the three year stay here at Jackson enjoyable and rewarding. To many, she has given good advice and consideration both in the classroom and in extracurricular activities.

Because of these special qualities that are found in this teacher, the students would like to dedicate this years' "Stonewall" to Miss Terry Divers
