THE STONEWALL 1985
Stonewall Jackson Junior High School
Roanoke, Virginia
Volume Nineteen

A YEAR TO REMEMBER

This 1984-85 school year will always be remembered as one of change. Some changes were much needed like the painting of old Stonewall. Some changes were lots of fun like the First Spring Fling. One change, however, was well deserved for a staff member but will be a sense of loss for the rest of us who love her, depended on her and wish her the best of life in her retirement years. THE STONEWALL Staff dedicates this nineteenth volume to a really fine lady who served so well for fifteen years. Many thanks and much love to you, . . .

MRS. ROSEMARY HALL

A DEDICATION

For your many years of excellent and devoted service to Stonewall Jackson, we are all so grateful! Your position may be filled by another, but YOU, Mrs. Hall could never be replaced, especially in our hearts and memories. Have a great retirement and know that you are loved and admired by all of your friends at Jackson. Thanks for everything!
