Working in the classroom,
Searching for knowledge,
Studying in a last minute
effort to pass that exam,
Chatting in the hall,
Meeting for social events,
Cheering at football games,
Urging on teammates,
Exchanging ideas in class,
Walking uptown after school,
Meeting at the corner drugstore,
Planning student assemblies
and taking part in them,
Enjoying our club activities,
Seeking guidance from teachers,
Using this help to make decisions,
Recognizing our mistakes,
Making new resolutions,
Preparing for the future,
Setting higher goals—

A group of our teachers are enjoying a sumptuous picnic given by the Latin Club. In the foreground are Mr. Miller, our Principal, and his baby son.

A week before school begins, teachers from all over the county come together for study and preparation before our classes begin. Here in the Andrew Lewis Auditorium they are listening to a speaker . . .

. . . Mrs. Ruth Tooze, Director of the Children's Book Caravan, of Evanston, Illinois, who is speaking on "Books As a Rich Resource for Living and Learning."

Here they relax as the Teachers' Chorus sings "Sanctus," by Gounod. They are being directed by Mrs. Viola Painter.

Teachers enjoy comparing notes after the meeting.

New teachers at Andrew Lewis this year are enjoying the Pre-School Week activities. They are (front row) Mrs. Linnæ Hedgebeth, Mrs. Marjorie Bowman, Miss Mary Sue Dean, Mrs. Wilma McKenzie; (back row) Mr. Frank Williams, Mr. Raymond Bussard, Mr. Dewitt Miller, Principal, Mrs. Carl Colley and Mr. Haddon Dudley.

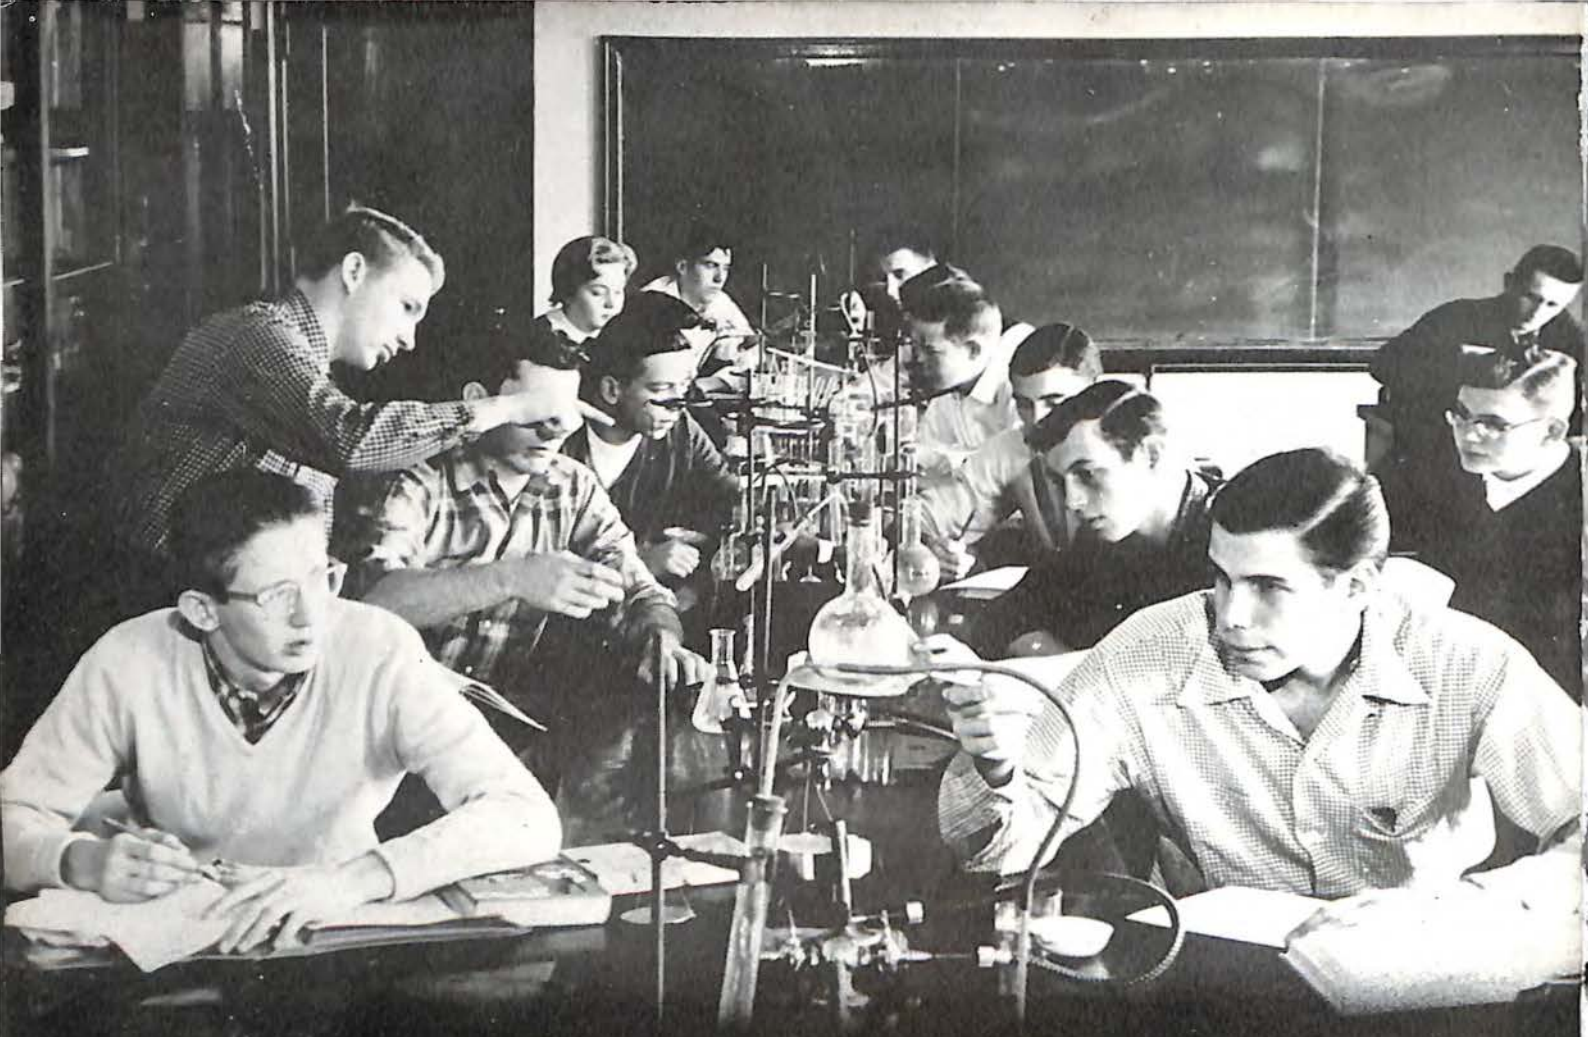

Mr. Snapp is registering Lane Wright and Betty McDonald for their classes and explaining the schedule to them.

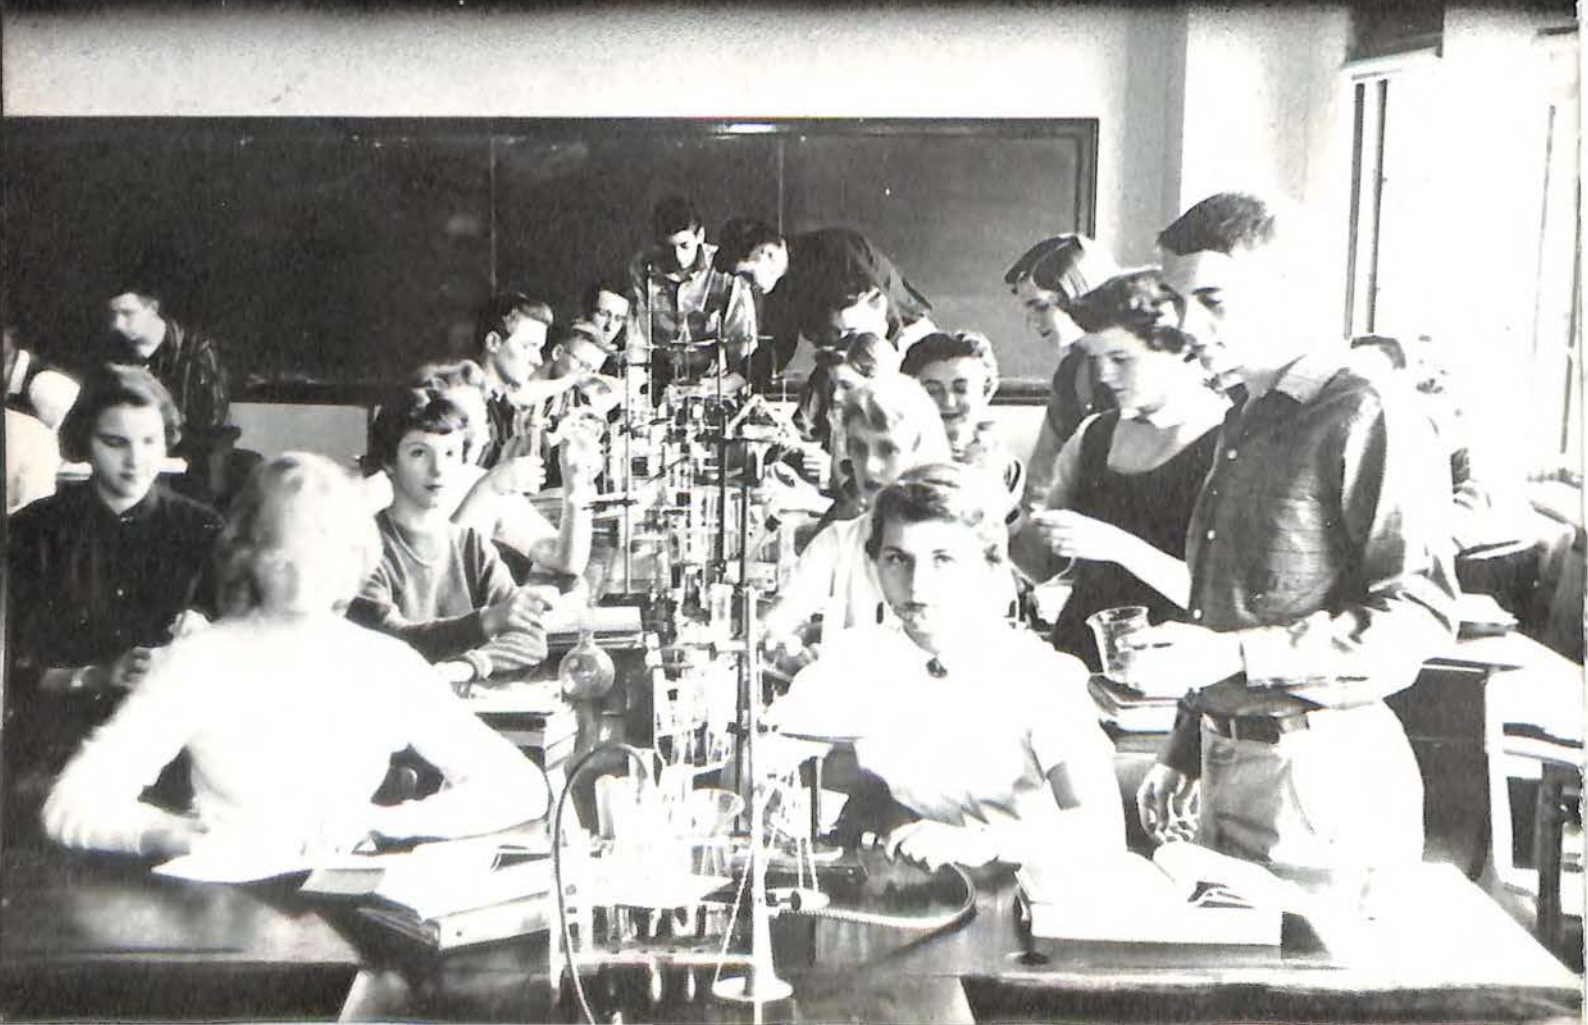

Mrs. Wanda Hall, secretary, is helping these students with pre-school problems.

Mr. Arthur Trout, Roanoke County School Board Chairman; Miss Annie McConkey, Andrew Lewis teacher; Mrs. F. Gillard Goodwin, VFWC President, Blue Ridge District; Mrs. William S. Murray of Hollins, VFWC President; Mrs. Walter League, Salem Woman's Club, President; Mrs. Wilma McKenzie, new Andrew Lewis teacher; and Dr. Herman L. Horn, Superintendent Roanoke County Schools, enjoy the punch served by Mrs. Goodwin, at a Tea, given by the Salem Woman's Club.

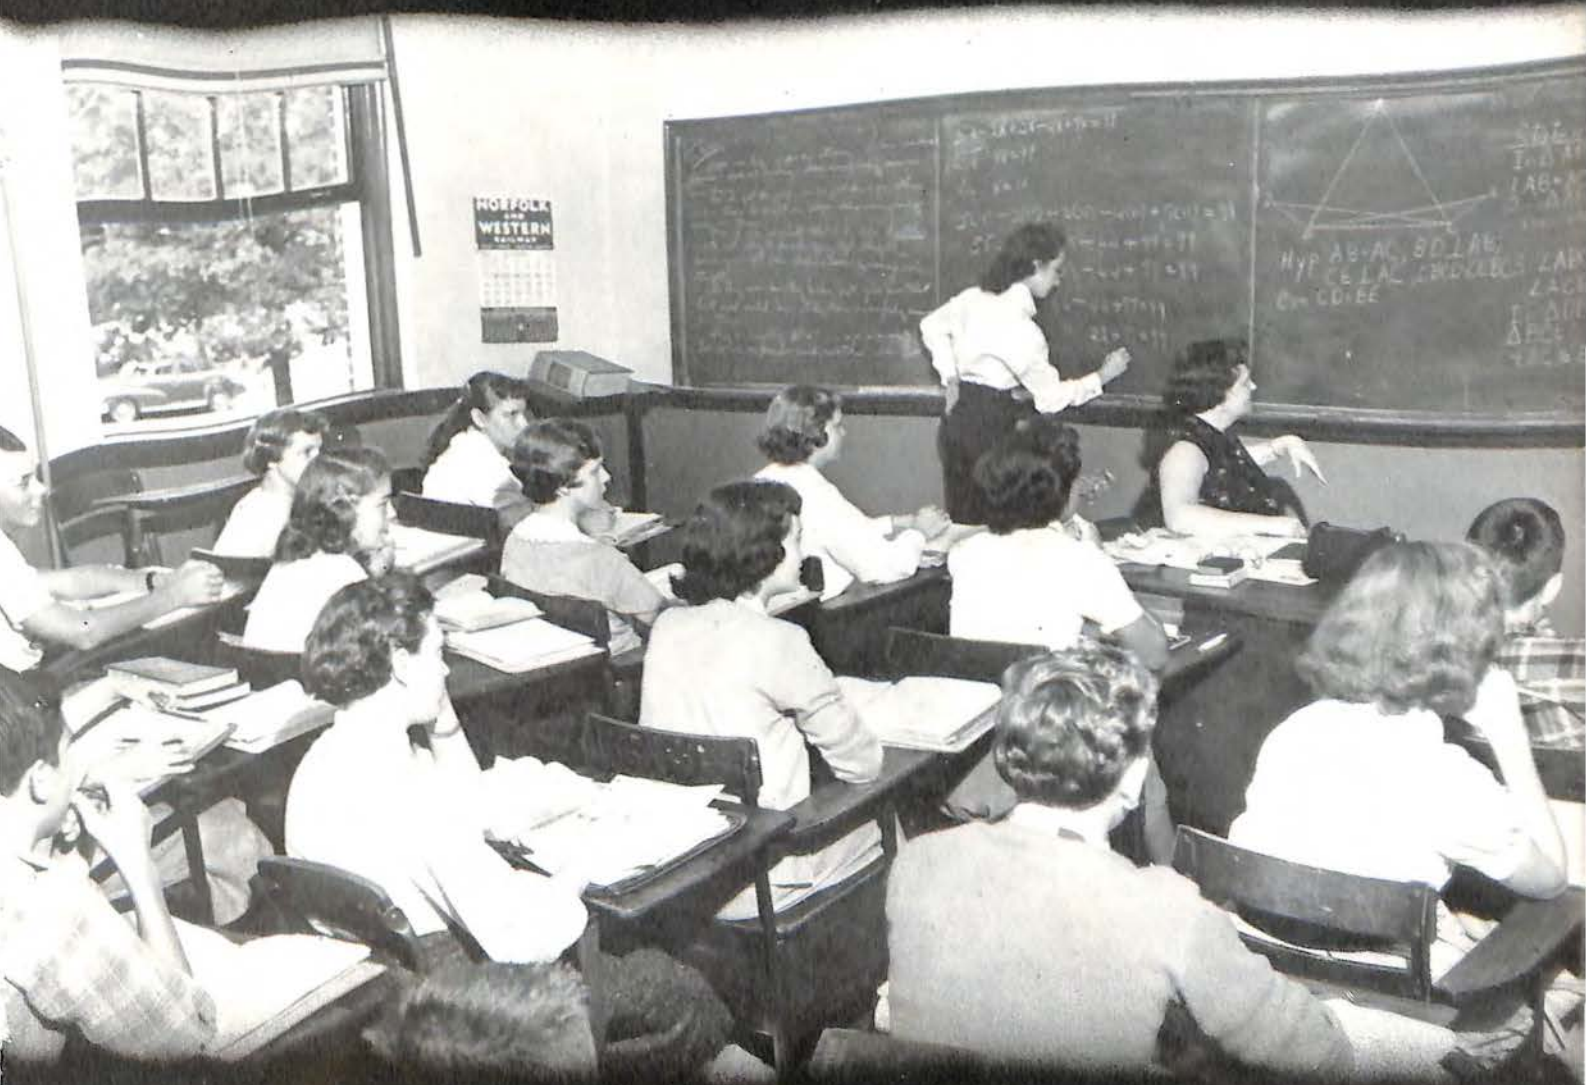

Students in a Chemistry class are setting up equipment for distilling solutions.

A math class learns to draw geometrical figures

. . . . Later they learn to prove angles and sides of certain figures equal.

Girls from a physical education class start off on an early fall hike.

The driving classes look with pride at the new car which they hope soon to drive safely.

Voting, a civic duty and privilege in our democracy, is enthusiastically experienced by students on Mock-Election Day, under the direction of the Civics classes in their well-planned political campaign.

Students in this American History class meet exciting, interesting people and enjoy heroic adventure and varied experiences as they learn about their heritage.

These students make use of reference material in the library. The library provides a world of information. Some of this information is compiled and used by students in the class room.

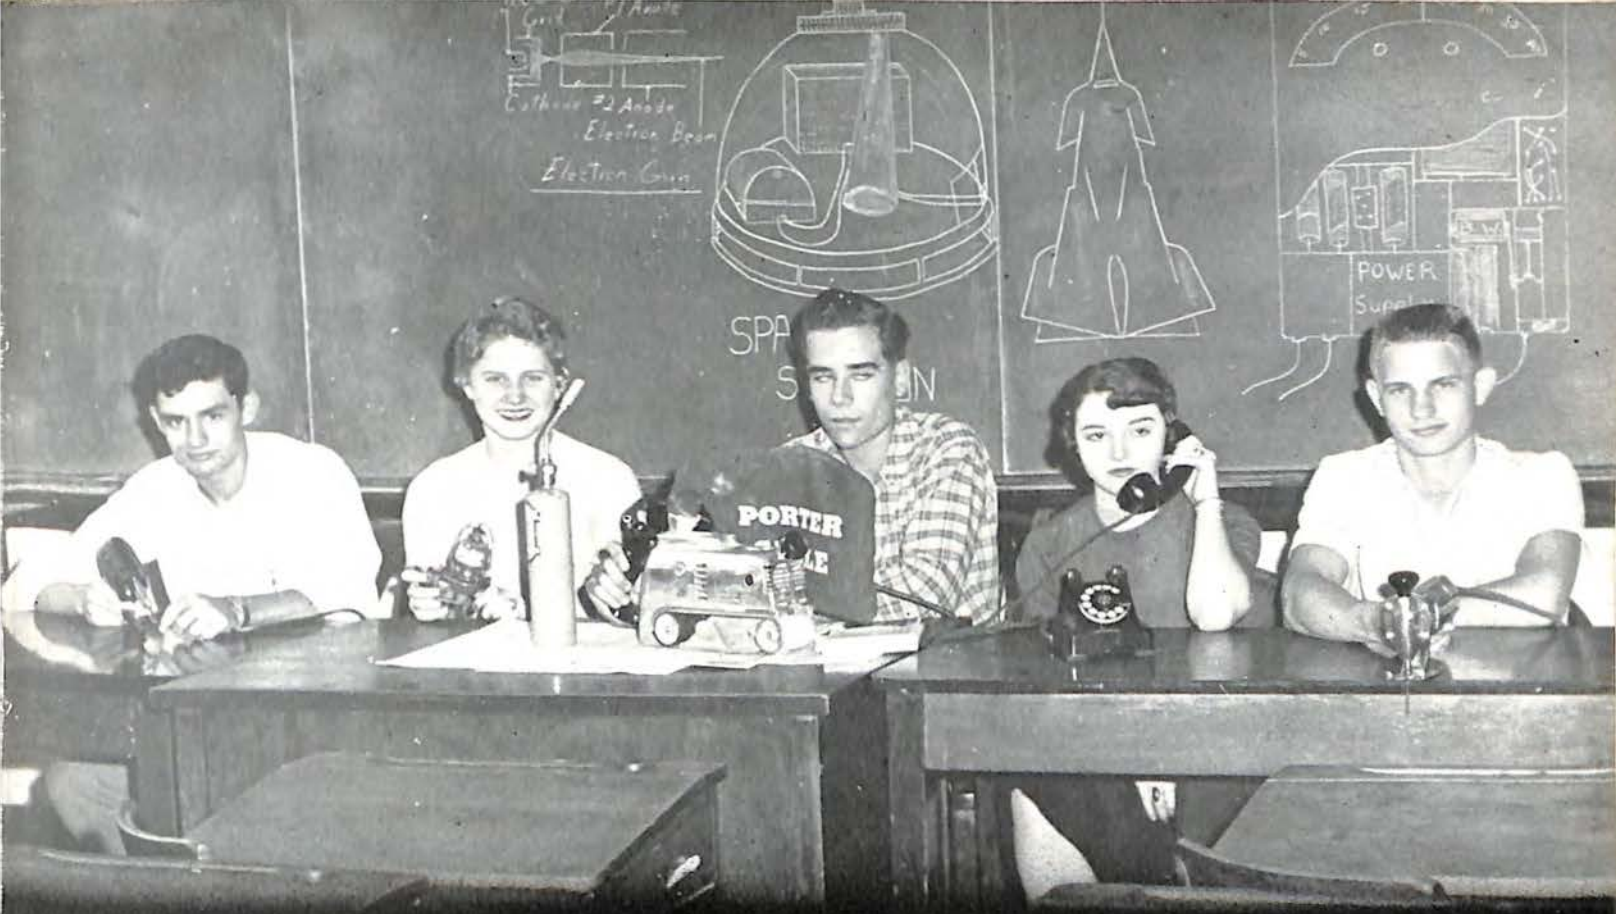

A small hand press is used to teach printing to these boys, who render a service printing passes, cards, and programs for the school.

Mr. Swartz shows one of his classes how to turn a large base for a lamp.

These students in second year French class are talking to each other in French on subjects of their own choosing.

Running wildly through the halls to
Get to class before the tardy bell,
Meeting deadlines for assignments,
Receiving instructions and learning to
Follow them,
Listening to lectures,
Enjoying visual education,
Learning when to listen to others and
When to participate in discussions,
Developing the principles of
Brotherhood and democracy,
Appreciating our heritage,
Realizing that there is still so much
To be learned,
We, through our classes, understand the
Purpose of our school.

Lots and lots of
luck to one of
the "sweetest" and

at a girl. I wish
you luck with
everything in

Seniors:

This title has come
To mean so much—
Respect, dignity, trust.

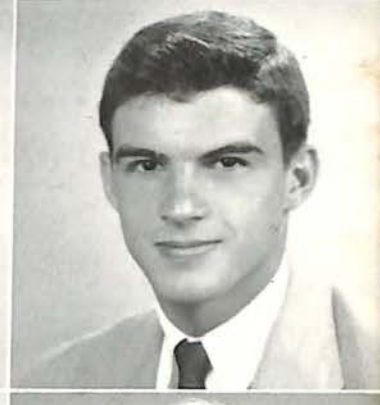

We are proud
To call ourselves seniors,
To accept responsibility,
To lead our fellow students.

Truly, our years at Andrew Lewis,
Of friendship with those
Having varied backgrounds,
Beliefs, personalities,
Of fun found by just being
With these friends,
Of hard work made enjoyable
By knowing we are not alone
In our efforts
Have prepared us for
Successful living in the
Community of our choice.

As we look back over our past years
Of searching and exploring,
Of varied experiences and growth,
We are striving
To further develop a feeling of
Pride in our school,
To better ourselves and our
work,
To improve relationships with
Teachers, friends, and classmates.

By working and playing together,
We are building confidence;
We are gaining a higher sense
Of values;
We are preparing for our future.

Having reached the halfway
Mark in our high school lives,
Having become accustomed
To the ways and will of those
With whom we work,
Having learned to build
On past experience,
We have become more
Poised and even smug
In our complacency.

We realize that soon
Ours will be the friendly
Smile; the assured air
Of seniors.

As sophomores, we
Look forward to this
Day with growing
Anticipation.

Having spent our first
Year at Andrew Lewis,
We happily anticipate
The day when we shall
No longer be armed
With water pistols
In our pockets,
With rubber bands
In our textbooks,
With beanshooters
Behind our backs.

We still have much
To learn
About school spirit,
About accepting responsibility,
About "growing up".
We are eager
To explore,
To study,
To learn.

VARSITY FOOTBALL

The Wolverines opened the 1956 football season by defeating a strong Blacksburg Team, 7-6. Perry scored for Salem in the second period and Beason's conversion won the game.

At Danville, the Wolverines throttled GW's speedy backs for a 26-6 victory. Perry scored from 12, 40 and 2 yards out, while Bailey went 6 yards for the last TD. Perry, Hesmer, and Wagner were among the unfortunate as theirs were called back.

Cradock High School blasted Salem with four TD's and came out with a 39-18 victory. Jack Beason returned a kickoff 75 yards to score on a sparkling run. Later in the game, Bailey went 4 yards and Bainter went 5 yards to score Salem's other TD.

Rainy weather forced the postponement of the game to Saturday night, but that didn't hamper the spirit of the Wolverines as they rolled over William Byrd by a 19-0 score. Bainter scored twice on short runs, and Jack Beason plunged 7 yards for the last TD.

A couple of costly Salem fumbles and an alert William Fleming defense gave the Colonels a hard fought 14-0 victory over the Wolverines in Victory Stadium.

Back in Salem once again, the Wolverines completely outclassed the Fork Union "B" squad to the tune of 27-7. Bainter and Zini each scored twice, with Gresham converting twice.

The postponement of the Jefferson game left Halifax County next on the A. L. schedule. The field was wet and slippery but long runs were the order of the day. Bainter's three tallies from 60, 53, and 15 yards led the Wolverines to a 27-13 victory. Beason scored the last Salem TD from 8 yards and Gresham hit three conversions in four attempts.

The Glass High Hilltoppers came to Salem next and opened a blasting single-wing offense that the Wolverines couldn't stop, and went back to Lynchburg with a 27-0 victory.

In Covington, Andrew Lewis met the "fired-up" Cougars who never stopped rolling until they had a 30-20 victory over the Wolverines. Salem dominated the first half with Bainter and Swain scoring. But the Lewis defense couldn't contain the Cougar backs in the second half and they scored three times, enough for the win.

The long awaited Jefferson game was finally played and the Wolverines led 7-6 at the half, but couldn't hold the lead. The Magicians opened a single-wing offense that led to a 26-7 victory over Salem. Gunter scored the touchdown on a trick pass play. The Wolverines' offense never offered a serious threat to the Magicians, and the defense fell apart in the second half.

Capt. Larry Clark calling the toss of the coin moments before the William Fleming contest.

With precision blocking by Butch Hurt (49) and Larry Clark (57), Hugh Bainter takes a handoff from Hesmer, bursts into the open, and scores again against William Byrd.

Coaches Bussard and Johnston instruct Frank Wagner before sending him into the game.

An action shot of the Fork Union game shows Combs picking up more valuable yardage.

FUTURE TEACHERS OF AMERICA

Hearing about varied experiences in the field of teaching,
Being posted on current events,
Learning about new developments and techniques in teaching,
Finding out what colleges offer,
Meeting to plan group activities,
Hearing outstanding speakers—
Encourage us to believe with Henry Adams:
“A Teacher affects Eternity. He can never
tell when his influence stops.”

this we have done

Being a part of an organization,
Participating in its programs,
Working extra hard to make
That play a hit or that
Assembly a success,
Being chosen by our classmates
To represent them in some
Event, or in some group,
Receiving special honors
That make us secretly
"Proud as punch",
Helping when called upon,
Accepting suggestions of others
Are, we believe, a part
Of our education,
Helping us to enjoy life,
To get all we can from it,
To appreciate what we are given.
