Dear Helen,
I am sure have
enjoyed these knowing
years. Here's hoping
we will be in some
classes together in some
year, too. Best of luck.
You are a sweet girl and
deserve it.

Love,
Ordway Nell

Just I luck & success

FOREWORD

“Oh Andrew Lewis, school adored, Our Alma Mater dear”. . . Soon we must begin a new and quite different life. Each of us will go a separate way; but this book will recall for us many fond memories of those who have become so dear to us. Although we may be far apart, our hearts will always remember . . . and sing . . . “And now thy sons and daughters true, loud praises to thee sing.”

DEDICATION

For your high ideals, your Student Council and its fine work, and most of all, your friendship, our thanks, and this, our dedication, Miss Webb.

In Memoriam

JOANNA DILLON

Her voice filled with laughter; her face always enlightened by a smile; her heart overflowing with love and kindness—this was Joanna. Indeed, as we look back, it seems that she lived for the purpose of bringing happiness to others.

Her happiness, now, is far greater than any that we know. We realize, with sadness, that she will be with us on earth no more; but in our hearts will linger forever one of our sweetest memories—that of Joanna.

In Memoriam

EDDIE TUTTLE

His whole life guided by the very highest of ideals; his high spirit always bringing a smile to our hearts; his gallant determination and courage in everything he did—this was Eddie. It was with the same high spirit and gallantry that he so nobly lost the Battle of Life.

Although he is no longer here, he will forever remain with us in spirit; he has reached his goal and we all know that Eddie has won the highest possible award for bravery and honor.

SCHOOL BOARD

FIRST ROW, LEFT TO RIGHT: *Mr. Rylie Hayden, Mrs. Peterson (Big Lick District), Mr. J. T. Hughes (Catawba District), Superintendent R. Douglas Nininger.*
SECOND ROW: *Mrs. Hazel Ballentine (clerk), Mrs. F. B. Thomas (Salem District), Mr. F. T. Kirkwood (Cave Spring District), Mr. Moseley (Town of Finton), Mr. L. M. Whitmore (Town of Salem and Central).*

Although the administrators of our school system in Roanoke County are not very well known to the students, they work hard to keep the schools functioning well and deserve a lot of credit for the fine job they do. The representative from each district sees that all schools in his district are kept in order; Mr. Hayden is in charge of the buses and all minor repairs for the schools; Mrs. Ballentine is the secretary of Mr. Nininger who directs the board. All of these, working together, are responsible for the fine schools we have in Roanoke County.

JOHN BALANCES THE BUDGET

THE EDITOR'S CORNER

Here it is at last—your 1950 PIONEER! !
Producing your annual has been a wonderful experience for every member of the staff. It is one that we will not soon forget—the reigning of chaos on the night before the deadline; the cluttered mess remaining after the Pioneer went to press—a good sign that some work had taken place; and the jig we all felt like dancing after the annuals were finally given out. These are the things that make up your yearbook. It's yours now—so enjoy it as we enjoyed bringing it to you.

THE STAFF

1—New Betas. 2—Shop work. 3—Everybody LOVES Beethoven! 4—Bull session. 5—Miss Herring's frog. 6—Valentine dance. 7—King Alonzo and Queen Sue. 8—After the game is over. 9—What do we have here? 10—Boss and secretary. 11—Little girl with big smile.

I bet you are so happy
to think next year you
will be in my place! What
you are so sweet and
cute I just love you
so much. Nancy
Shad

Here's wishing
you loads of love
and happiness!
So well good and
I'll be seeing you
sincerely,
Joan Crawford

JUNIOR CLASS

PETE GARST. *President*
 MARIAN CHAPMAN. *Vice President*
 JOYCE PLYMALE. *Secretary*
 JOE MATISCO. *Treasurer*

We are at last the Juniors of Andrew Lewis. Longingly we used to look at the Junior hall and say to ourselves, "Some day I'll be up there," and now here we are.

We began our year by sponsoring an Open House to help finance the Junior-Senior Prom. This Junior-Senior Prom was the highlight of all our activities. We had the same problems every Junior Class has, but with the hope of making this the best, we overcame them.

Each year we anxiously await the day when we take the seats of the class ahead. This is the greatest honor of all when we take the Seniors' places. We will have the duties, responsibilities and privileges of all Seniors.

Seniors? We? It's hard to believe, but it is really true.

 go in our classes together

SOPHOMORE CLASS

As Sophomores, we have now taken our place in school life—with two years behind and two before us. We are well represented in a great number of our clubs, and quite a few members are officers of these clubs.

This year has indeed been a sad one for the Sophomore Class because of the deaths of two popular classmates, Joanna Dillon and Eddie Tuttle. They will be missed greatly in the years to come.

What we are learning at Andrew Lewis will be of great value to us in the future, and our Sophomore year will be a most memorable one.

We, the Freshman Class of '50, have just begun our journey through Andrew Lewis, but we are already making strides toward the top. Our greatest contribution of the year was sponsoring an open house, the proceeds from which we donated to the school band.

There are Freshmen in almost every club and many serve as officers in the various organizations at A. L.

The members of our class will continue to show greater leadership as we move onward to become the "Class of '53."

“Should old acquaintance be forgot?” No, we shall always hold dear to our memory our first year at Andrew Lewis, just as did the eighth graders ten years ago.

This year the eighth grade celebrates its tenth anniversary as being part of Andrew Lewis High School. We have come a long way since our beginning. At first our organizations were limited to Girl Reserves and the S. C. A.; then for several years we had no organizations at all.

This year the eighth graders take part in three clubs. This is the second year we have had the Projection Club. Its primary purpose is to train helpers for teachers in the showing of classroom films. The main project of the 4-H Club this year was to remodel the Guidance Room. On this project they have done a beautiful job. The Club also collected garments for the needy and furnished money for lunches in the cafeteria for two students. This is the first year we have had an Eighth Grade Library Club. Its purpose is to get the students of Andrew Lewis High School more interested in reading during their leisure time.

We owe our appreciation and thanks to our Class Council for our clean halls and splendid assemblies, and we wish to express to Miss Mildred Kidd, our sponsor, our deep appreciation for her splendid leadership of this group.

 WILSON KOLMER.....*Treasurer*

This year the Student Council has been a great help in our school life. The student body has become conscious that this organization is vital to a good school.

Officials of the Student Cooperative Association, which consists of student and class councils, were chosen by the state department in the fall to participate in making a movie of transportation of pupils on school buses throughout the county.

The constitution has been amended and revised this year.

The first assembly of the fall term was sponsored by the student council. The program consisted of speeches about school problems, purposes of S. C. A., extra-curricular activities, and sportsmanship.

The Student Council instituted a monitor system which has helped much to improve the conduct in the building.

The Student Council would like to express its appreciation to the student body for their cooperation and to the sponsors for their advice and guidance.

CLASS COUNCILS

A class council consists of the four class officers and the home room presidents. The class councils have worked together with the student council this year in amending the constitution and in making the transportation movie. The purpose of the class councils is to further the spirit of cooperation and understanding among the students and faculty, and to encourage the development of student government in Andrew Lewis High School.

The members of the Sodalitas Latina had an unusually exciting year filled with a variety of spicy programs and social activities. At the first business meeting the officers and sponsors were introduced and the revised constitution was read. At the first social event the club entertained the faculty and football squad with a picnic at Longwood.

The Christmas party beginning with caroling in Salem and ending at the County Woman's Club, gave everyone the proper Christmas spirit. At the Valentine Party we frolicked, flirted, and had a "love"-ly time.

Our biggest production, the beautiful and inspiring Easter Pageant given in conjunction with the Music Department, came on Palm Sunday. The fantasy of the year—the May Queen and her Court—was presented when "April Showers Brought May Flowers."

Our fellowship was drawn to a close by a business meeting, and the last social event of a wonderful year for the Sodalitas Latinas was a swimming party.

In October the Salem Y-Teens joined with Roanoke and Vinton in celebrating Y-Teen Week. Salem was in charge of one of the programs in which chocolate bars were presented to be sent overseas. The climax of the week was an installation service for all Y-Teens at the First Baptist Church in Roanoke. The following week the Andrew Lewis Y-Teens held their Recognition Service in the Baptist Church in Salem.

In November eight delegates from our club attended the week-end Conference in Roanoke. The club's Thanksgiving project was contributions of food and clothing for a needy family and generous donations of money for the World Fellowship Fund.

The annual Gathering of the Greens was held in December, and after the Hanging of the Greens we had our Christmas Service.

In February the Senior Y-Teens and the Beta Club sponsored a Valentine Dance which proved to be very successful.

Our annual Football-Basketball Banquet was held at Longwood in the spring. We also sold Easter lilies for the benefit of the Crippled Children. By working together we had a very successful and fun-filled year.

The Junior Y-Teens, consisting of about seventy Freshman girls, was organized in February, 1948, and has proved to be very successful.

The purpose of this club is to give the girls fellowship and activities with one another, so as to create an "air" of working together as a group for better things.

The year's activities began with the Recognition Service with the Senior Y-Teens at the Salem Baptist Church. The club also sent much needed boxes to Germany.

The Social Activities, sponsored by the Junior Y-Teens, have been skating parties and a cabin party at the Y. W. C. A.'s camp at Shawsville.

Under the leadership of our sponsor, Miss Mitchell, and by the cooperation of every girl, we, the Junior Y-Teens, believe that this has been a most successful year.

The Andrew Lewis Hi-Y has forty-eight members. They have had a very successful year under the efficient leadership of their sponsor, Mr. Paul K. Coffman.

The Hi-Y sent two delegates to the district meeting in Martinsville, and one of the delegates was chosen chaplain for the model assembly in Richmond. Other activities of this year have included a football hop after the Hampton game, sending CARE packages overseas, and sponsoring the annual Christmas Basket drive.

At the bi-weekly meetings there have been many interesting discussions among the boys, as well as informative speakers.

The Hi-Y this year has accepted and upheld its purpose, "to create, maintain and extend throughout the school and community high standards of Christian Character."

The Andrew Lewis Chapter of the National Beta Club, chartered in the fall of 1936, has a present enrollment of sixty-nine. There are chapters in sixteen states, with a total active membership of 17,598. The colors on the Beta Club emblem are black and gold, signifying achievement, character and leadership.

The projects of the Andrew Lewis Chapter for the year 1949-50 have been as follows:

- (1) Co-Sponsor of the Valentine Dance
- (2) Contributing to the Beta Club Journal
- (3) Having a most impressive spring installation
- (4) Attending the State Convention in Richmond
- (5) Taking part in Talent Show at the convention
- (6) Presenting an assembly for the eighth grade

The purpose of the Beta Club is to promote honesty, service and leadership, to award merit, to build character and to assist students who are leaving high school to continue in the right path of life.

Under the excellent direction of Mr. L. Christensen, the band has participated in many activities during the year. Most important, and perhaps most enjoyed by all, was playing for the football games. Andrew Lewis was represented in the All-State Band Convention in Radford and also in the Music Festival in Covington. The annual concert was presented in February.

Besides being a source of personal development and entertainment, the band fills an important place in our community life.

The Band led the annual Halloween Parade in Salem and also played at the Veterans Facility.

Adding pep, cheer, and color to any performance, we feel that the Band is a vital part in the life of the school.

ANDREW LEWIS NEWS

Each Monday afternoon the sound of clicking typewriters echoes through the quiet halls of Andrew Lewis as the *Andrew Lewis News* is compiled. Then comes Friday when the circulation department takes over. Friday morning, teachers get little attention from students whose only interest is finding out the news of the week and who made "Et Cetera." While this is going on, members of the *News* staff are busy turning deaf ears to people who are angry because they didn't—or maybe because they did—make the column.

The *Andrew Lewis News* appears in the pages of the *Times Register*, published in Salem by Mr. John D. Thornton.

It has been a privilege and a pleasure to bring the news to you this year. Although the editor and some other staff members won't be back next year, here's hoping Watson will still get the paper out on time!

This year our chapter has fifty members and is affiliated with the state and national organizations. Under the excellent supervision of Mrs. Nancie Miller and Mrs. Blake, our chapter advisers, we are cooperating in carrying out the chapter, state, and national goals. Our general goal is to work together for better school, home and community services.

The motto of the Future Homemakers of America, "Toward New Horizons," in itself expresses the purpose of the organization.

Today, we, of the F. H. A., can appreciate the improvement over the schools of yesterday. Girls over a decade ago learned homemaking from their mothers, or learned the "hard way," by experience after marriage. Improvement within ourselves today makes better homes and stronger families of tomorrow.

Some of our activities were: pot luck supper for F. F. A. and F. H. A. members, open house for the 8th Grade, tea for the faculty, and our biggest event, the fashion show.

The Andrew Lewis Chapter of the Future Farmers of America began the year with 82 members. The club won the Federation basketball tournament and the forestry judging contest.

A new agricultural shop has been built this year, and this will add much to our future accomplishments.

The purpose of the F. F. A. is to practice brotherhood, honor rural opportunities and responsibilities, and develop those qualities of leadership which a future farmer should possess.

Under the guidance and direction of Mr. Jim Peters and Mr. Bob Kinzie, this year has proved to be a most successful one.

The club sponsored a dance after the Fleming game which was very successful.

An initiation for the new members is now being planned.

This year the girls of the Sports Club have had a busy, fun-packed year. First of all, the girls tried something new—camping trips. They worked out well and were fun, especially for the “greenies” on their snipe hunt. Next, the girls gave a Christmas party for a group of underprivileged Salem children. Santa was there to distribute presents and bring a little Christmas cheer to these children.

There were guest speakers and play days throughout the year. Play days sought to bring girls of all the schools participating closer together and make them forget about winning school teams.

All in all, the girls of the Sports Club feel that they have accomplished something worth while this year, by helping others and helping themselves by learning how to be good sports in the game of life.

Gales of laughter on Senior Hall! Surprised? Of course not. In room 102 is a dead man believing in neither Heaven nor hell and all dressed up with nowhere to go—that is according to Mrs. Strickler's tale, "Who done it?" Just ghost yarns—brrrh! Norman Stemple trying to be a genuine, honest-to-goodness ghost with the aid of Mama Betsy. No one spirited away—everyone amazed.

Early fall, Patriotism at its highest peak—Remember Andrew Jackson, Big Ivan and the Unknown Soldier. Eight patriots appeared at the American Legion. Butterflies in their stomachs prevented perfect justice to the turkey dinner. However, Joan Crawford and Norman Stemple came home with the medals.

Contests coming, writing speeches, reading poetry, acting skits.

Dick Agee kept cozy in his fur coat, while Kay Grosart had a "Lover's Quarrel." Lillian Wimmer sighed "I Can't Breathe" and joined Janet Carter for a "Rest Cure." While Snooks was taking "His First Train Ride," Betsy Galbraith was attending five o'clock tea.

John Cross on the Constitution! Others wondering where we'll be "50 Years Hence." Many reading prose and poetry and writing speeches for the district contest—even Sidney Lanier was not neglected in the U. D. C. contest. Bye now, see you next year.

DEBATING CLUB

LEFT TO RIGHT: *Betsy Galbraith, John Cross, Jo Anne Showalter, Sarah Jane Dillon, Ellen O'Neill, Mrs. Smith, Sponsor, Eleanor Porterfield.*

Only one veteran returned to the Debating Class this year. But under the direction of Mrs. Smith, the group has accomplished much this semester.

In preparation for the district meeting in April, we debated with students of William Fleming, William Byrd, and Roanoke College. The question this year is: "Resolved—that the President be elected by the direct vote of the people." Whether or not our teams win, each of us will finish this year's debating class with something more valuable than trophies—a deep interest in international affairs and a feeling of responsibility in our national government.

The Distributive Education Club is composed of those students taking the retail training course in the Senior Class. The aims and purposes of the club are: to learn about vocational opportunities in the field of distribution; to develop leadership; to integrate the Distributive Education students and program with the school activities; and to provide club participation so that the members may take their places in the community after graduation.

Our club has had outside speakers, a field trip to the Mick-or-Mack warehouse (where lunch was served again this year as last), training films and other programs, in order to become more familiar with the distribution problems.

Social activities have been: a wiener roast at Longwood, a Christmas party, and a square dance. The District Conference of Western Virginia Distributive Education Clubs was held again this year at Longwood with the Marion, Wytheville, Christiansburg, Roanoke and Salem Clubs represented.

The Andrew Lewis 4-H Club is one of the largest clubs in Roanoke County. We have seventy members.

Our "in school" project for the year has been to beautify the Guidance Room. Drapes have been hung, flowers cared for, furniture refinished, and a window shelf has been built.

All members have a definite project for out of school development.

Our meetings are held semi-monthly on the second and fourth Wednesday mornings.

We took an active part in the public speaking contest sponsored by the Bankers of Virginia, the subject being, "Opportunities for Young People on Virginia Farms." Five club members won prizes in this contest, namely:

The Student Christian Association is made up of those persons genuinely interested in upholding the standards of Christianity in the school. This year we have had more than one hundred members who have been very active under the capable leadership of our sponsor, Miss Sarah Goodwin.

At our meetings we have had many inspiring talks by ministers from various churches. As in former years, one of the club's important projects has been writing Bible verses every day on the board in each room. The club bought new hymn books this year, and a choir of about thirty members has been organized. We also sponsored a religious assembly in February.

We believe the S. C. A. has had a truly successful year.

The Senior Library Club consists of twenty-four members. It is through the aid of many of these members and the staff that the work of the Library is carried on. Their work is greatly appreciated by students as well as the faculty.

This club meets on alternate Wednesdays in the Reference Room of the Library. The programs presented at these meetings feature guest speakers as well as students and are greatly enjoyed by all who attend. The activities for the past year included a Book Week Tea for the faculty, a Halloween booth at Municipal Field, and a hamburger fry at Longwood. This group sponsored an assembly which presented the Roanoke College Players in a scene from "Elizabeth the Queen" as a Book Week Assembly. A contest for the best miniature scene from a favorite book was held, and the miniatures were on display in the Library during Book Week. The club joined in the Christmas spirit by filling a basket for the poor and exchanging presents at their annual Christmas party.

The members of this club have enjoyed the social and educational activities of the past year. It is with high hopes for the coming year that we bid farewell to "Andy Lou."

The Eighth Grade Library Club, which was organized this year, has a membership of thirty-five eighth grade students who are interested in library work, and books. The programs for this club include book reviews by the members and talks by guest speakers. The meetings are held on the first and third Wednesdays in the Reference Room of the Library with Mrs. Adelle Bennett and Miss Mary Wright as sponsors. This club sponsored Mrs. Blanche Pedneau, Roanoke County Librarian, as guest speaker for the Eighth Grade Book Week Assembly.

All members of this club have enjoyed this first year of organization and look forward with eagerness to another year of work and social activities in the Senior Library Club.

The dance group was organized in the early fall of this year in the hope of gaining more appreciation and interest for dance as an art. Modern dance is the communication of ideas, feelings, and beliefs through movements. It is now a part of the curriculum in a large number of the high schools and colleges of the United States. This type of dance, as a part of the general physical education program, offers to the students a chance to develop creative thinking, agility, and gracefulness, social ease and a healthy body.

Modern dance was started in physical education, and later a beginners' group and a group for boys were organized.

Once upon a time in the far off kingdom of Allisvain lived good King Tutter. His daughter, Princess Fairest, was the most beautiful girl in the kingdom. In fact, it may be said, her beauty was the source of King Tutter's good name, reputation and fame.

Princess Fairest chanced to fall in love with Prince Stoutheart, who was from a neighboring kingdom. King Tutter, when asked by the prince for his daughter's hand in marriage, at first refused. For you see, without her he would have had no distinction. Later he agreed to let the prince wed his daughter, if she could prove her love for him by spinning straw into gold. When Rumpelstilskin did the task for her, at first her father refused. Later the king agreed to abdicate the throne, so the prince could rule alone and have the princess for his bride.

When Rumpelstilskin returned to get the first-born child promised by the princess, she refused to let the child go. When she guessed his name, he agreed that she could keep the child and Rumpelstilskin left in anger.

Helen, honey. Don't forget all our Pumpkin school-bus rides. But you're glad they're over. Be good and keep that sweet personality. Your's papa.

Rancho Ortego is under the dark cloud of a mortgage held by Jake Kraft. Recent drought and mysterious disappearance of all but one herd of cattle lend credence to a legendary Indian curse which Medicine Man Posè says will be lifted only when the Mission bells shall ring again.

Professor Anderson, his sister, Laura, and students arrive at the ranch. Marian comes for a visit, accompanied by her father, James Alden, who is intent on restoring the ruined Mission. Marian, viewing an old painting, discovers it to be a secret map of a most valuable mine.

After hearing Jake Kraft coerce the Indians into accepting his plan to rustle the last herd and thus assure himself an opportunity to foreclose, Noneeta begs Lone Eagle to save the ranch. Lone Eagle promises to bring back the herd on the night of the full moon. Noneeta realizes too late that Lone Eagle, by doing this, will be held a traitor to his tribe and sentenced to death.

When the herd is stolen, Noneeta tells Marian of Lone Eagle's predicament. Noneeta slips away and rings the bells herself; but the Indians, fearing Jake Kraft's treachery, surround the Mission and sullenly refuse entrance to anyone.

The bells ring; Lone Eagle brings back the herd. The Indians, believing all that has happened is by will of the gods, are reconciled. The prospect of developing the mine means future happiness for all.

Leonardo da Vinci's "The Last Supper"

EASTER PAGEANT

For the past two years the school and the community have entered the Easter season with renewed inspiration after seeing the beautiful living scenes from "The Life of Christ."

Two departments combined their talents to produce this soul-stirring program. The Music Department has given in solos, duets, quartettes and chorus such favorites as "The Lord's Prayer," "The Palms," "The Old Rugged Cross," "The Hallelujah Chorus" and many other well-known songs and hymns. Scripture readings from the Gospels were given during the scenes portrayed by about one hundred students from the Latin Department. Among the pictures seen were living reproductions of such famous paintings as Hofmann's "Christ in the Temple," "Christ in the Garden of Gethsemane," and Leonardo da Vinci's "The Last Supper."

This program proved that holy ground can be trod upon when trod upon with reverence.

School spirit means a lot more than just yelling. It means enthusiasm and good sportsmanship. The cheerleaders of '49-'50 have found this out.

At first, appearing before you at pep assemblies and games, we were nervous and self-conscious, but we soon forgot that in the excitement of cheering for those wonderful boys, the Wolverines.

The opportunities of cheerleaders are great and varied. We have met so many people outside our usual group of friends and have learned the value of sportsmanship and fair play.

We want to thank our wonderful sponsor, Mrs. Houchens, for all the assistance and understanding she has offered, and we'd like to give a big cheer for all the students and spectators who have shown such grand spirit throughout the year, making each game a thrilling experience we'll never forget.

1949

LETTERMEN

"HOTS" WATSON

"Hots" didn't have a chance to show up until late in the season; but when Garst was hurt in the Glass game, he took over the kicking duties and also did a bit of nice running.

DON THOMPSON

Don played outstanding ball both offensively and defensively until he was removed from action in the Jefferson game with a shoulder injury.

HERB THOMPSON

Although "Herb's" passing was underestimated at the beginning of the season, he proved to be a very cool and effective passer during the season.

"PIKO" PETERSON

"Piko" played good ball all season, and was equally good on both offense and defense.

*Best player and last
of his kind a sweet
giver. Remember me and
the good times we had in
English class.*

CORBIN WADE

Corbin was a standout at his linebacker post, and stopped many enemy threats.

JIMMY BLACK

Jimmy's all-around play and his calling of plays made him a standout in the backfield, and gained him a position on third All-City-County Team.

JIMMY PETERS

Jimmy was one of the best known players to ever play at A. L. His ability to catch passes and his all-around defensive play won him wide acclaim.

BUDDY BAKER

Buddy stood out every minute on the field. His rugged defensive and offensive ability kept the team on its feet. His spirited play will be long remembered.

LETTERMEN

"KIT" KITTINGER

"Kit" gave his all in each game. His ability and desire to win was a boost to the team. Capable in all phases of line work offensively and defensively, he was named co-captain of the second All-City-County Team.

"GOPHER" SNYDER

"Gopher" handled his guard position exceptionally well. His amazing ability to sense opponents' plays made him a standout on defense.

EDDIE TALLEY

Eddie proved himself a reliable replacement and got to see plenty of action during the season. He stood out exceptionally well in his blocking assignments.

BILL RAKES

Bill's defensive work at end was a decided strong point of the Wolverine line, and never was he to be outfought regardless of the odds.

"CHARLIE" WILBOURNE

Leading the Wolverine scoring with 24 points, "Charlie" delighted the crowds with his fine runs.

"BUCK" WRIGHT

Although "Buck" was small in size, he made up for this in his speed and was constantly breaking into the lineup in the last games of the season.

"RED" CARTER

"Red" was the crowd pleaser with his many nice runs and fine plays.

"ANDY" MARTIN

"Andy" was the biggest man on the squad, and was sent in on many goal line stands to strengthen the forward wall.

LETTERMEN

BILLY YOUNG

Billy was another small back, but his fine calling of plays helped him break into the lineup many times.

WALTER DEARING

When Dearing was called upon to fill some assignment, he could always be depended upon. He proved this on many occasions, such as the Lynchburg game when he chalked up the only Wolverine score.

"SNOOKIE" ELMORE

"Snookie" was one of the most dependable tacklers; he was constantly charging through the opponents' line and throwing them for losses.

CHARLES WEBSTER

Webster played center and did a fine job of it. His real value was not realized until late in the season, but then he came into his own and proved himself a real player.

BILL GARST

Bill was a hard-driving fullback and kicking specialist. His timely punts helped the Wolverines out of many holes and often kept the opposition in their own territory.

EDDIE TUTTLE

About the time Eddie was hitting his stride, illness took him out of action. In the three games preceding his illness, he showed up especially well on defense.

(Not Pictured)

NORRIS MARTIN

Whenever Norris broke into the lineup he could be depended upon to fill the assignments which he was given.

VARSITY FOOTBALL

The Andrew Lewis football team started the season off with a bang by downing Fries Hi 51-0. The touchdown parade was led by Peters and Wilbourne, both of whom collected two. Garst, Carter, Black and Wright each collected one.

The Wolverines traveled to Richmond for their next game. There they lost to the powerful T. J. team by the slight score of 20-12. The first Wolverine touchdown was made by Peters on a 54-yard pass from Black, and it was Garst who scampered across the goal line for the final TD.

Then came an unexpected defeat at the hands of the Byrd Terriers, 14-0. Both TD's were due to Wolverine miscues. The following week we witnessed a "nip and tuck" game with Fleming which ended in a tie, 0-0.

Finally the Wolverines were able to take advantage of their opponents' mistakes, and did to the best advantage by downing Lane of Charlottesville, 12-6. First it was Wilbourne who went around end to score; then Kittinger blocked a punt, and Baker gathered in the ball and raced to pay dirt.

Next on the schedule came the long-awaited game with Jefferson. The team fought hard throughout the entire game, but was no match for the heavier and more experienced Magicians who made the final score read 35-0.

On the night of October 28th the Wolverines lost to Hampton 20-0 in a hard-fought battle in the "Mud Bowl," and the following week they lost to the powerful Hilltoppers of Lynchburg by a 44-6 margin.

In the final game of the season, the Wolverines edged the Cardinals of Danville, 9-7 in one of the most exciting games that they played. The entire team should be congratulated for outstanding play and sportsmanship, for it takes a group of players working together to produce a real team, and that is just what the A. L. players did.

JUNIOR VARSITY FOOTBALL

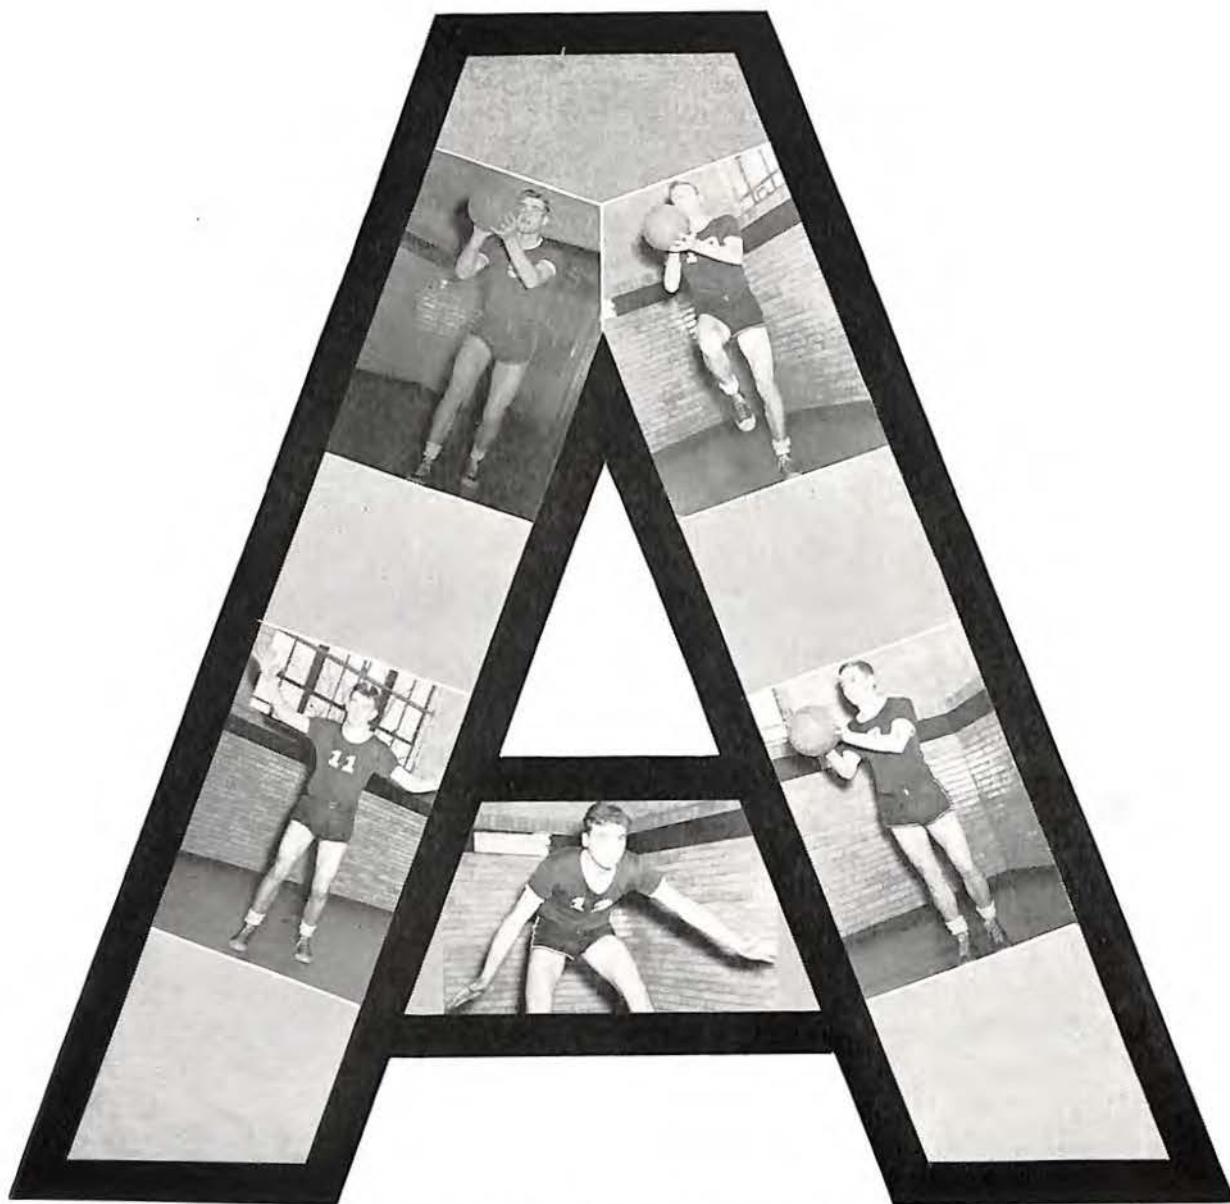

Completing their season with a record of three wins and a single defeat, the Andrew Lewis Jayvee football team fielded a hard-hitting ball club. Several of the boys showed that they are capable of seeing a lot of service for the varsity next year.

The only defeat the Little Wolverines suffered was at the hands of the undefeated William Fleming Junior Varsity by a 12-6 score. The charges of Coach Herbert Copenhaver defeated the Jefferson Juniors twice, 27-0 and 14-0. The other win was over St. Andrew's by a count of 12-6.

Two able tackles—George Gearhart and Alonzo Philpott—end Ruble Smith and guard Ed Ferguson proved to be the line standouts for the Little Blue and White. Smith was especially outstanding as a pass receiver and was used in the backfield on occasions.

Philpott, Ferguson and Gearhart are still regarded as fine defensive linemen.

The Lewis backfield was spearheaded by Walter Dearing and Eddie Talley. The pair did most of the team's running and their ability gave notice that they will be heard from next season on the varsity squad.

VARSITY BASKETBALL

A. L., 50—ALUMNI, 46

The Wolverines started off the season by defeating the Alumni 50-46. They led 10-8 at the quarter, and the half found them still ahead 27-22. The third quarter was a neck and neck battle with the Wolverines finally pulling ahead to win. Wayne Shelor was high-scorer for the evening with 26 points; Jimmy Robertson of the Alumni was next with 15.

A. L., 39—DANVILLE, 51

The Wolverines lost to Danville 39-51 in a very exciting game which was fought on even terms for the first three-quarters. At intermission the score stood 26-21 for Danville, and the 3d quarter found the score 37-35 for Danville; but in the last four minutes Danville pulled away to make the final score read 51-39.

Bolton, of Danville, was high-scorer with 15 points, while Shelor and Peters each collected 13 for Lewis.

VARSITY BASKETBALL

A. L., 45—ROANOKE COLLEGE JAYVEES, 46

The Wolverines lost to the Roanoke College Jayvees 46-45. At half-time the Jayvees were out front 25-23, but at the end of the third quarter the score stood tied 32-32.

The fourth quarter found both teams fighting on very even terms with first one team and then the other forging ahead, but it was Gallagher of the Jayvees who dropped in a foul shot in the dying minutes of the game and gave the victory to the Jayvees.

Wayne Shelor led the scoring for the evening with 14 points and "Herb" Thompson bagged 13 points for runner-up honors.

A. L., 23—LYNCHBURG, 81

For the next game the Wolverines traveled to Lynchburg, where they lost to the E. C. Glass team by the overwhelming score of 81-23. From the opening minutes of play the Hilltoppers steadily increased the score to 41-13 at half-time, and then to 81-23 at the end of the game.

Shelor was high man for the Wolverines with 12 points; while Franklin of the Hilltoppers topped the scoring with 21 points.

VARSITY BASKETBALL

A. L., 39—WILLIAM FLEMING, 41

In the first game of a double-header played at the American Legion Auditorium, the Wolverines lost a thrilling game to the Colonels of Fleming 39-41. The score stood 22-21 for Lewis at half-time and the Wolverines kept the lead until the final seconds of the game when the Colonels were able to sink the winning markers to make the final score read 41 to 39 for the Colonels.

Black was high-man with 15, and Shelor and Peters followed with 12 and 10 points, respectively. Slaydon was top-scorer for the winners with 10.

A. L., 26—JEFFERSON, 51

The Jefferson Magicians stretched their winning streak by downing the Wolverines 51-26 in their first meeting this year. At the end of the second quarter the score was found to be 29-14 for the Magicians who continued to push the points through the net during the rest of the game to a 51-26 victory. Although the Wolverines lost, their fighting spirit was shown continuously through the game.

Rudy Lacy, the Jeff high-scoring center was held down considerably during the evening but was still the game's high man with 15 points. Peters was the Wolverines' high man with 11, while Shelor made 8 and Thompson 7.

A. L., 49—DANVILLE, 53

The Wolverines lost the next game to Danville by the slight score of 53-49. They tied up a 33-21 half-time lead at the end of the third quarter only to be edged out by the Cardinals of Danville in the last minute of play.

"Herb" Thompson of the Wolverines was high man for the evening with 22 points. Bolton of Danville was runner-up with 16, and Shelor followed with 12.

A. L., 54—WILLIAM BYRD, 31

The Wolverines won their second game of the season by downing the Terriers of William Byrd 59-31. The score stood 18-14 at the end of the first quarter and steadily increased for the Wolverines to 32-16 at intermission and 59-31 at the end of the game.

Thompson again paced the Wolverines' scoring with 23; Shelor was runner-up with 16; and Arrington of Byrd followed with 10.

A. L., 35—V. P. I. FRESHMEN, 39

The Tech Freshmen barely mustered enough strength in the last minutes to edge the Wolverines 39-35. It was a nip and tuck game all the way with Tech leading at the end of the first quarter 11-9 and at half-time 17-16. They maintained a 25-24 edge at the end of the third period and both teams continued to fight for the lead to find the score late in the final period read 35-35. It was then that the Freshmen dug deep and came up with the winning points.

Peters of the Wolverines was high man for the evening with 19. Eaton of the Freshmen was runner up with 12.

A. L., 47—ROANOKE JAYVEES, 39

In one of the fastest and most exciting games of the season, the Wolverines defeated the Jayvees of Roanoke College 47-39. The Wolverines had ten points before the J. V.'s got started and led 10-9 at the end of the first quarter and 24-20 at intermission; but they had trouble finding the basket in the third period and were therefore outscored by the J. V.'s in that period. In the fourth and final quarter, however, they came roaring back to upset the J. V.'s 47-39.

Peters was high man of this game also with 20. Shelor of A. L. and Jones of Roanoke shared runner-up honors with 12 each.

A. L., 27—LYNCHBURG, 42

Although the boys from E. C. Glass of Lynchburg defeated the Wolverines, the game wasn't a "walk away." It was a hard-fought battle all the way. The end of the first quarter found the Wolverines ahead 6-5; but they were unable to keep that lead over the confident Glass players, who made the score at half-time read 19-11 and the final score read 42-27.

Franklin of Glass was high man for the evening with 17. Herb Thompson, who paced the Wolverine scoring, and Cox of Glass shared runner-up honors with 13 each.

A. L., 47—WILLIAM BYRD, 39

The Wolverines met a much scrappier group of William Byrd Terriers than they had in their first meeting with them. The game was a nip and tuck affair, and it wasn't until that very decisive fourth quarter that the winning points were pushed through the basket.

The first period ended 7-7, but at intermission the score read 19-17 for the Wolverines. Then both teams settled down to work, but it was the Wolverines who finally mustered the power for the final winning markers to make the final score read 47-39.

Shelor was the sharp-shooter with 19; Firebaugh of Byrd came next with 16; and Peters of the Wolverines was third with 10.

A. L., 42—JEFFERSON, 55

The Wolverines threw a scare into the mighty Jefferson Magicians in a tight game played in the Wolverine gym, although the Magicians did win 55-42.

The Wolverines started out fast and the first quarter ended 10-10. Then the Jeffs slowly pulled away to a half-time score of 30-21; but the Wolverines weren't out of the game yet. They mustered all the strength possible, but it wasn't enough to subdue the Jeffs who pulled away to a close 55-42 victory.

Rudy Lacy of Jefferson was undisputedly high man with 36; Shelor was runner-up with 12; and Thompson and Peters followed with each collecting 10.

A. L., 53—WILLIAM FLEMING, 54

This was a game filled with everything that a real basketball game should have. The Colonels of William Fleming for the second time this season won a heartbreaker from the Wolverines by the score of 54-53. The first quarter found Fleming ahead 14-10, but the Wolverines fought back to a 28-25 advantage at intermission. From this time the contest continued to gain speed and it wasn't until the last seconds that the winner became apparent.

James Saul of Fleming walked off with top scoring honors with 19. Shelor and Peters followed with 16 each.

A. L., 39—V. P. I. FRESHMEN, 59

The Wolverines closed out their season by dropping a 59-34 decision to the Freshmen of V. P. I. The Freshmen developed a 31-16 half-time lead and never got into trouble.

Charles Eaton of V. P. I. took top honors with 15. Thompson paced the Wolverines with 13 and Shelor followed with 11.

JUNIOR VARSITY BASKETBALL

The J. V. Basketball team got off to a good start this year and continued with a very successful season under the excellent supervision of Coach Copenhaver. We, the team, lost only one out of six games, this to Jefferson; but whipping them in the second meeting evened that up. Although a lot of mistakes in playing were made, the boys played as a team and finished with a four game winning streak.

GIRLS' SPORTS

What is Physical Education? It is a way of education through activities which are selected and carried on with full regard to value in human growth, development, and behavior. It is a phase of the total educational program that aims for the same general goal that gives purpose to all the other learning experiences of the school—the well-rounded development of all students as responsible citizens in our democratic society.

Physical Education provides a wealth of experience which, along with other opportunities in the curriculum, are particularly important in helping each student to develop physical efficiency, useful skills, and to enjoy wholesome recreation. It helps people to satisfy age-old needs, both physical and social.

The girls' Physical Education classes started their work early this year. This quotation from the September 16, 1949, edition of the *Andrew Lewis News* will give you an example of this:

"The Odds and Evens are at it again. Monday afternoon, immediately after school, Miss Phyllis Watts and Mrs. Betty Jo Simpson (our new assistant gym teacher) started organizing the volleyball teams of 1949."

Perhaps you are wondering what we mean by the Odds and Evens. For the past two years the girls at Andrew Lewis have been divided into these two teams. The girls who graduate in an odd year are on the Odd team; those who graduate in an even year are on the Even team. These teams compete against each other in all of the major sports. The winning team in each sport receives ten points toward the Color-Cup, a trophy awarded each year to the team receiving the most points in after-school games.

The year was started off with volleyball and then came her sister, basketball. Both sports were actively participated in and enjoyed by all. Next came tennis and archery. These classes were conducted both during and after school. Many of the girls loved archery, but we understand most of them got quite bruised up when first learning the techniques. Other popular members of the "Sports" family are badminton, softball, fieldball and soccer. The quieter members of the family, shuffleboard and checkers, don't seem to want for friends either.

It was the purpose of the girls' Physical Education Department to develop poise and to set up ideals, attitudes, habits, and standards of living which will be beneficial to students as individuals and leaders.

We think this has been a very successful year in the realm of girls' sports due to the capable leadership of our Physical Ed "professors," Miss Watts and Mrs. Simpson.

SOFTBALL—*Odds and Evens*

BOYS' PHYSICAL EDUCATION

Except for a lack of gymnasium facilities, the boys' physical education program is tops. We have a nice floor, but it is sufficient for only about twenty boys. There are three hundred fourteen boys taking physical education this year. This is not counting the juniors or seniors.

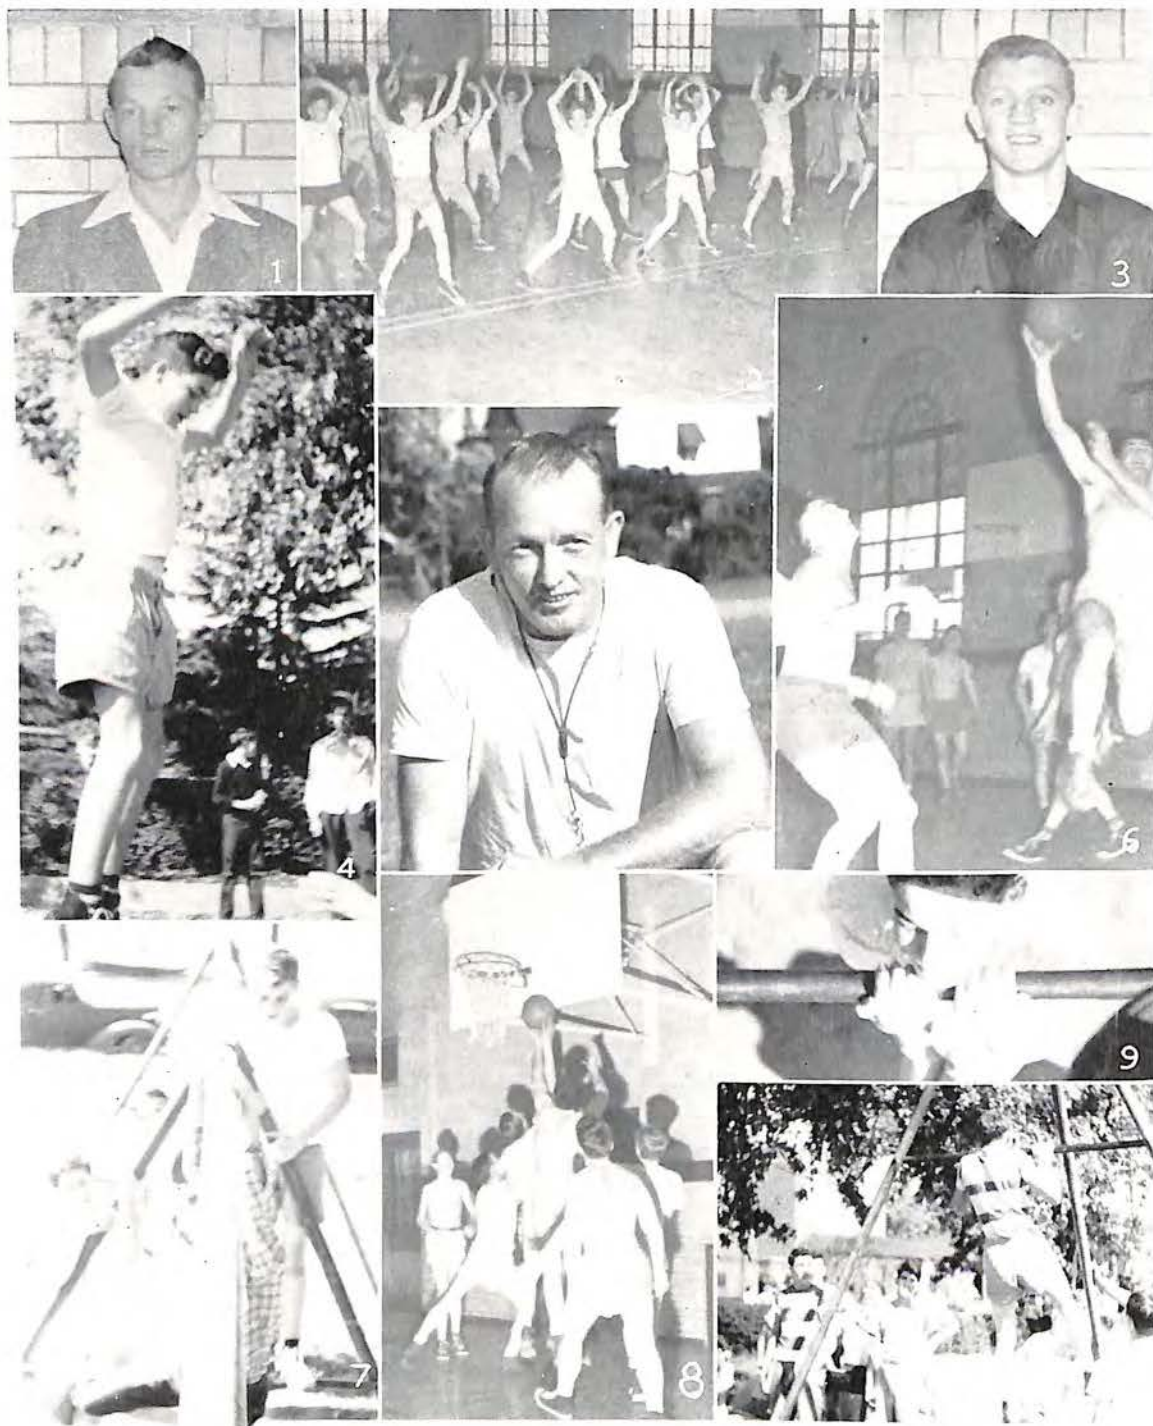

Calisthenics plays a very important part in this program as does basketball, touch football and volleyball. Volleyball is not played so much as the others but is becoming popular as more experience is gained.

Boxing is something new at Andrew Lewis and is sure to take a firm stand. After a while it will become as popular as basketball and touch football.

The classes are taking state tests this year to show the improvement or lack of improvement as the year progresses. The tests are on skills such as: push-ups, pull-ups, sit-ups, and basketball.

The Physical Education Department is hoping to increase the size of the gymnasium so as to be able to accommodate more students.

Mr. Copenhaver is doing a fine job as director, and anyone who has ever watched a gym class can tell you that physical education plays an important role in our school activities.

1—Outstanding player. 2—Daily work-out. 3—The coach of the winning Seniors. 4—Looking for a landing. 5—"Copie." 6—Hot-shot Andy. 7—A. L.'s monkeys. 8—Jump, boys! 9—Chinning. 10—Uh-h-h!

To High School Graduates

Whatever you plan to do after graduation—whether you plan for college or business—your mental development must continue.

The National Business College is a distinctive, private school of professional grade. Day and evening courses prepare high school graduates for immediate earnings. Many graduates who have acquired experience are now presidents, vice-presidents, cashiers, secretaries, treasurers and controllers of large corporations—others are in successful accountancy practice.

The selection of a commercial school for your business training is of vital importance to you. Write for beautifully illustrated catalog.

FINIS

In the pages of this book will always remain the memories of our Senior year at Andrew Lewis. It is our wish that everyone will receive the greatest possible pleasure from the 1950 PIONEER.

Words cannot express our deep appreciation to Mr. Cannaday of the Stone Printing Company for his advice and many suggestions; to our advertisers for their financial help; to Mr. Burns of N. W. Pugh Company for the photographic work; to Mrs. Gillespie and other advisers for their assistance and careful planning; and to all others who helped to make possible this, your 1950 PIONEER.
