INTRODUCTION

THE PIONEER

PUBLISHED BY THE STUDENTS

ANDREW LEWIS HIGH SCHOOL

SALEM, VIRGINIA

Dedication

The 1946-47 PIONEER is privileged in welcoming our new principal, Mr. Maurice Harold Bell, to Andrew Lewis. He came to us from Lexington, Va., where he was supervising principal of the Lexington Public Schools for three years. Mr. Bell was previously athletic coach and principal at Valley High School, Hot Springs, Va., a position he held for a period of eleven years.

Mr. Bell received his education at Lynchburg College and achieved his Master's Degree at the University of Virginia in 1940.

To him, we, the Staff of '47, wish to dedicate this edition of the PIONEER. He has been understanding and kind to the students and we know that classes in future years will appreciate and admire him as we do. A toast to Mr. Bell!

Foreword

The PIONEER of '47 is symbolic of the days of contrast in which we live. It is reminiscent of the days of yore when men of hardy stock upheld by force the same democratic principles for which so many of our youth today gave their lives.

"Pioneer" days bring to our minds the hardships endured and bravery portrayed by such men as Andrew Lewis in whose honor our school is named. It is because of the courage and daring of these early ancestors that we are able to enjoy the privileges of the mightiest nation on earth.

In contrast, we, too, are "Pioneers" blazing new the trails of democracy with its principles of truth and justice so that enslaved peoples everywhere may enjoy a life of freedom and equality. The early pioneers pushed up their sleeves and with crude tools and materials set the foundation upon which we today are building. They beckoned and opened their arms and hearts to all peoples everywhere who were willing to endure hardships for a future of peace and contentment. Today more than ever we must continue to be "Pioneers" in our world. The peoples of the earth are looking toward America for life, liberty and the pursuit of happiness. The echoes of the past urge us to go forward.

We, the class of '47, are "Andrew Lewis Pioneers," each stepping out into his own field of endeavor. For the past five years we have been preparing ourselves for our larger tasks which lie ahead.

Now, as we take leave of our Alma Mater, we must make use of this preparation we have made to stand the tests of life. As we meet these tests we must continually give able assistance to the growth of our nation into a better and stronger one for the coming generations. Our country has always upheld the torch of freedom and we must continue to keep the light.

But even as we are doing this, we will often look back to our days at Andrew Lewis with happy memories. We, the staff, hope that this annual will help you recall some of these memories and if it does, we feel that it will have served its purpose. For each little incident recalled by it will make the book dearer to your heart every time you open it. So let us roam now with Li'l Andy through its pages as he relives his high school life and may this be a challenge for us to work harder in building ourselves and our nation.

To the Students of Andrew Lewis High School:

It has indeed been a pleasure to be associated with the students, faculty and friends of Andrew Lewis High School for the past year. Everyone has been most cooperative and helpful in the work of keeping the school operating efficiently. Above all, a feeling of mutual confidence prevails throughout the school, which is a fundamental attitude that must be enjoyed by any group if progressive and harmonious work is to be done.

In many ways we are fortunate that we were destined to live during the present era, an era that calls for cooperative planning and action if peace is to be maintained for the coming generations. We are challenged by a world in need of material and spiritual reconstruction. Nations are eyeing each other critically, not yet sure of each other's intentions. To allay suspicion and truly unite, the factor of distrust must be eliminated. Our part in this total plan is for us to live together democratically in our community and state.

In acquiring an education, if we are to act with wisdom, we must be informed about people as well as about facts. We must be brought to understand each other irrespective of national origins. It is also reasonable to consider that our future lives should not be given over solely to the pursuits that will produce large financial returns. Instead, it may be well for us to consider the utilitarian values of a formal education to the extent that it will provide money for living needs, and at the same time give proper consideration to the cultural values that make for more happiness for the individual and for others. Briefly, we should give over some time to being just average Americans and to living with our families and friends.

With best wishes for the continuing growth of Andrew Lewis, I am

Most sincerely,

M. H. Bell

SODALITAS LATINA

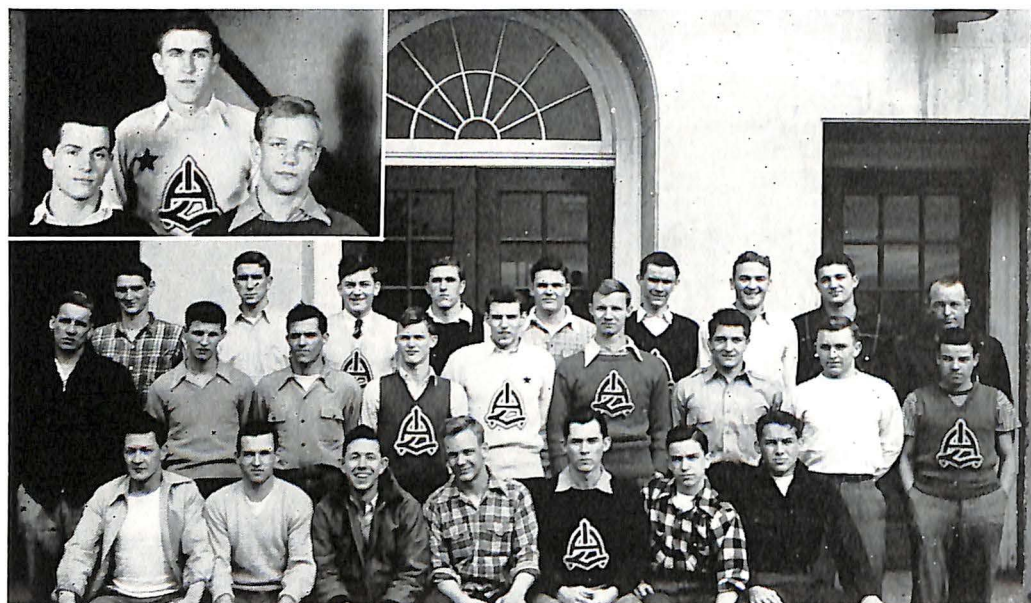

The Sodalitas Latina was organized four years ago by Miss Annie Cook and since that time it has grown to be one of the school's most prominent clubs.

The purpose of the club is to bring together those who are taking Latin and those who have taken it and still show an interest in the Classics. Any person who has either of these qualifications and who has passed his course is eligible for membership.

The club has many activities during the year which are both social and educational. Its social functions consist of dances, such as the "Christmas Dance" and the annual "May Day Formal." Parties for the faculty, such as the annual "Faculty Tea," let the students meet the teachers in a social atmosphere.

The club has regular meetings in which the programs consist of lectures by prominent classicists or professional persons on Roman customs, habits and dress, or Latin literature. Slides are shown on phases of Roman life. The members of the various classes plan and give these programs.

The club usually presents an educational assembly program for the school. It gives an Easter pageant or a Roman fashion show in alternate years. This year the Latin and Home Economics Clubs gave a fashion show comparing and contrasting Roman and modern fashions.

The Andrew Lewis Monogram Club of 1946-47 was formed at the beginning of the year under the sponsorship of H. M. Copenhaver, coach. The club was formed around a nucleus of 18 old members and at the present is making plans for the initiation of new members.

The club has been more active this year than in recent years with the return of eight veterans. It has held two dances and is planning to hold another. The money from these dances is going to be used to buy each member a Monogram sweater.

Projection Club

The Projection Club was organized to carry out the Audio-Visual Program and to train students in operating the machines, caring for the equipment, and in taking pictures of school activities for various purposes.

The club, formerly sponsored by Mr. Selden H. Watkins, is carrying on under the temporary supervision of an executive committee composed of the club members. Every semester the club plans a well-rounded program of feature movies, class-room pictures, and stage performances. These activities have proved to be not only entertaining and recreational, but educational as well.

This year our chapter has 55 members and is affiliated with the state and national organizations. Under the excellent supervision of Mrs. Nancie Miller and Miss Miriam Spangler, our chapter advisors, we are cooperating in carrying out the chapter, state, and national goals. Our general goal is to work together for better school, home, and community services.

The motto of the Future Homemakers of America, "Toward New Horizons," in itself expresses the purpose of the organization.

The Sports Club is an organization of girls who are interested in sports and who wish to encourage others to participate in them.

By staying after school to play basketball, softball, tennis, and ping-pong, a girl may gain membership into the club. To remain in the club she must participate in one of these sports each year.

The club has many varied interests. Besides being active in athletics, the members worked in the refreshment stands of the football park and acquired, compiled, and sold the football programs. Some of their social activities for this year were a football hop, a hay ride, a formal dance, and a cabin party. They also gave a Christmas party for the under-privileged children of Salem.

Since the beginning of the session in the fall of 1933, *The Andrew Lewis News* has been published each Friday of the school year by the students of Andrew Lewis. During this time the *News* has shared a page in the *Salem Times-Register* through the courtesy of Mr. J. H. Thornton, owner and publisher.

The Staff has been kept busy during the year on Monday afternoons in order to meet the deadline for news. Consequently some stories had to be written in advance and other live news had to be omitted entirely.

As the editors of this volume are soon to turn the work over to others, they wish for them the same pleasure the present editors have had in telling a bit of the "news" and some of the "gossip" of Andrew Lewis.

F. F. A. Chapter

The Andrew Lewis Chapter of Future Farmers of America has steadily increased its enrollment for the past few years and it now ranks among the first five chapters in Virginia.

The chapter is proud of several of its outstanding achievements in the past year. The Andrew Lewis Chapter won the Botetourt-Roanoke-Bedford Federation Livestock Judging Contest and also took first place in the Federation Basketball Tournament. We hope to do equally well in public speaking and take contests later in the year.

One of the highlights was the chapter banquet and dance which was given in cooperation with the Home Economics Club.

The Andrew Lewis Beta Club was organized in the fall of 1936. Since that time the club has reached a total enrollment of 296. The present membership is 54.

Since the fundamental aim of the club is scholarship, it strives to encourage effort, to promote character, to stimulate achievement, and to cultivate leadership qualities. Realization of these aims in high school makes certain that a student will continue his education after high school.

To become a Beta Club member a student must meet certain scholastic requirements. In addition to this he must possess some qualities of leadership. He must achieve and maintain a reputation for high character, dependability, cooperation and respect for those in authority.

Veterans' Club

The Veterans' Club is composed of students who served in the armed forces. Some of these boys have returned to complete their high school education while others are taking a post-graduate course.

The club was organized by Mr. Bell at the early part of the year and is directed by Mr. Copenhaver. Officers include Alden Scott, President; Ray Wilbourne, Secretary; Zed Long, Treasurer, and George Graybill, Chaplain.

We are proud to have the opportunity to return to Andrew Lewis and continue our education. We have enjoyed the special privileges offered to us during the year and we hope we have not failed to take advantage of every opportunity given us.

After serving in the armed forces and returning to Andrew Lewis, we found ourselves more deeply interested and absorbed in our studies.

We cannot express enough our appreciation to Mr. Bell and the members of the faculty for the kind consideration they have given us. May Andrew Lewis continue to develop students of high standards, as it has in the past.

The Library Club consists of thirty-one girls, fifteen of whom devote their free time to working in the library. The club meets every two weeks and the programs are of a literary nature.

The club sponsored Book Week activities during November, 1946. The activities were an assembly program for the lower grades, a tea for the faculty, and a Book Week contest in the form of a magazine quiz.

The Library consists of fifteen girls who act as assistants to the librarian. They work from three to five hours a week. These girls perform all routine duties, e. g., stamping and filing Library passes, carding and shelving books, typing book cards and pockets, cataloging cards, letters, book orders and mending magazines and books.

These girls learn library methods by doing and their love for books is fostered by handling them.

The students, teachers and librarians are deeply indebted to these girls who serve so willingly and so well.

Y-Teens

During this school year more than ever, the Andrew Lewis Y-Teens Club has endeavored to live up to its creed.

On Friday, November 8th, the Y-Teens gave an informal dance in the Andrew Lewis Gym, following the football game with E. C. Glass High, of Lynchburg.

Our Social Service Project for the year has been to take three families and to help care for them during the year, especially on holidays. A number of the girls made picture-word cards for a young spastic boy who is being taught by a member of the faculty. We also presented the school with a parting gift in the spring.

On Sunday, December 16th, the annual Y-Teen Installation Service was held at College Luthern Church with Mrs. Carl C. Godsey, Y-Teen Director in Roanoke, aiding with the service.

On December 18th, the annual "Hanging of the Greens" ceremony was held in the front hall of the school.

In March, the annual Football-Basketball Banquet was held, and in April, the annual Spring Formal Dance was given.

On the whole, this year has been considered a very successful club year.

First of all, we wish to remind you, as we always have to do, that N. F. L. is National Forensic League and *not* National Federation of Labor!

Membership in the N. F. L. is acquired by points. To earn these points, you may take part in public speaking, oration, dramatics or debating.

This year's activities included one-act plays before the school and other community clubs, speaking before the American Legion, public speaking in the contest for scholarship, and practice tournaments and debating. We have gained many new members this year and we hope we will gain many more to take the places left open by our graduates.

Public Speaking Class

Listen, my friends, and you shall hear
 Not of the midnight ride of Paul Revere,
 But of the Public Speaking Class and the work we do—
 Of the speeches we prepare especially for you.
 By reciting poetry throughout the year
 We get rid of "stage fright" and have no fear.
 We remember rhythm, meter, and rhyme
 And with "Pearl" we have a "grand ole" time.

Plays patriotic in their theme
 Make history come alive it does seem.
 Then plays for laughter and for fun
 Put care and trouble on the run.

Contests of every kind and creed
 Fill every kind of need.
 You know the rest—on the papers you have read
 Of the different things we "have said,"
 How for "assembly" there was needed a speech,
 Or for a program you wanted a "peach."
 'Twas not a voice in the darkness or "Richard at the Door,"
 But the voices from our class that will be heard FOREVERMORE.

The Student Christian Association, organized in the spring of 1945, is now open to students of the tenth, eleventh and twelfth grades. It has grown from a small group of approximately a dozen interested students, who first had the dream of such an organization, to the present membership of more than one hundred.

The S. C. A. has for its goal the fostering and strengthening of Christian character among our student body. It encourages leadership through participation in the devotional programs which are held semi-monthly.

It is hoped that our efforts today toward the promotion of the worth-while in life may be felt also in our community.

Key Club

The Key Club of Andrew Lewis was organized by the Salem Kiwanis Club in 1946. Its purpose is to do for the school what the Kiwanis Club does for the community; namely, to carry out projects for the improvement and growth of the school, thus bringing the two into closer relationship.

The club was not active this year, but definite plans have been made for several projects next year to carry out the aim of the club.

The Key Club consists of thirty members—twelve seniors, twelve juniors and six sophomores. Membership is limited to boys only, each of whom must excel in scholarship, be approved by the principal and faculty, and be unanimously accepted by the members of the club.

The Band

Under the leadership of Mr. L. Christensen, the Andrew Lewis High School Band has entered in many school activities during the year. As usual, the most important activity was playing for the football games. In the mud, rain, fair weather or foul, the Band would be out at half-time, marching in formation for the fans—Drum Major, Jack Roof, leading with his famous twirling; Head Drum Majorette, Peggy Taliaferro, blowing the whistles; and the other details being left to Drum Majorettes, Geneva Duncan and Joan Black. At present, plans are underway for the annual concert and for a parade to be held in the spring.

Football

With eight lettermen from last year's squad, five service veterans returning, and a transfer from Kentucky, Coach Spruhan had an able and experienced squad to start the season. Taking full advantage of this and moulding a single-wing attack around versatile Dickie Bunting, with a veteran-studded line up front, the Wolverines easily swept through early-season competition. Playing perhaps their best game of the season, the team defeated powerful Thomas Jefferson of Richmond 6 to 0.

Playing hard in every game, the Wolverines made a record to be proud of, winning five games, tying one, and losing three.

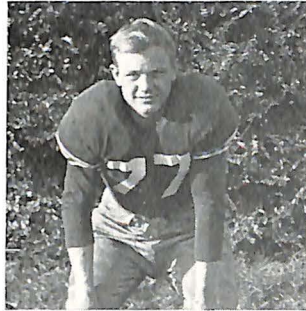

Boys from this year's squad who will be lost by graduation are: *Backs*—Dickie Bunting, Charley Webber, Ray Caldwell, Ray Wilbourne, Andy Renick, Gerald Field, and Danny Mowles. *Linemen*—Dick Little, David Brown, David McClung, George Graybill and Frank Shelor. These boys will be sorely missed, but we can count on a good fighting team again next year.

Football Season

BEDFORD O—ANDREW LEWIS 32

Despite the heavy rain, the Wolverines opened the season with an easy 32-0 victory over the Bedford Otters. Dickie Bunting plunged over for two touchdowns. He was assisted in this by Clarence Maberry, Charley Webber, and a newcomer, "Skeeter" Hesmer, who scored one each. Shelor and Graybill kicked the extra points. However, the "team" won the game and there is praise for all.

THOMAS JEFFERSON O—ANDREW LEWIS 6

In the second game of the season, Andrew Lewis defeated the strong Thomas Jefferson eleven of Richmond 6-0. Again it was Co-Captain Dickie Bunting who plunged over in the final quarter for the hard-fought victory. With Charley Webber's passing, "Skeeter" Hesmer's tackling and the running of all three, Andrew Lewis truly deserved the victory that it won.

BYRD O—ANDREW LEWIS 6

This score was slightly disappointing to the Wolverines but the Byrd team was a little stronger than we had anticipated. In the third quarter one of the Byrd men fumbled behind his own goal and when the confusion was over, Frank Shelor was found to be covering the ball. This score was all we needed for a victory. The Byrd men set up a passing defense in the final quarter which brought cheers from the crowd but it failed to produce a score.

WILLIAM FLEMING O—ANDREW LEWIS 32

This game was played before a large crowd on Municipal Field and was one of the Wolverines' best games. Our boys wanted to avenge their defeat at the hands of Fleming last year and they certainly did. The boys from Williamson Road fought hard, but they were no match for the Wolverines. Fleming made only one first down through the hard-charging Lewis line, while our boys opened huge holes in Fleming's defense. However it was a good, hard-fought game all the way.

LANE HIGH O—ANDREW LEWIS 34

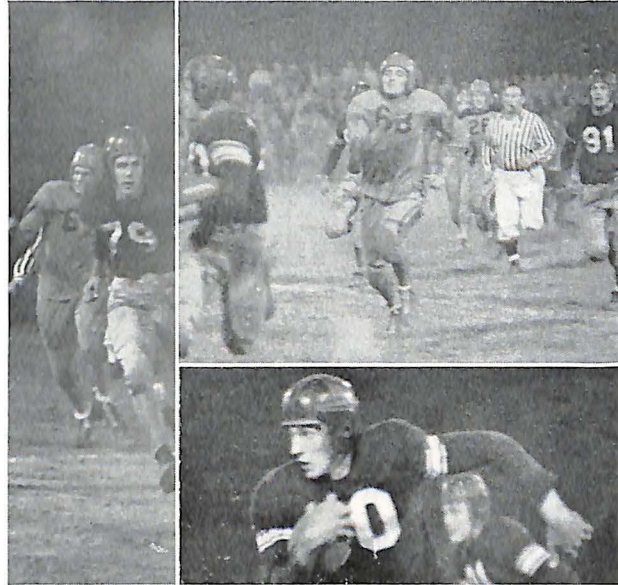

Another defeat of last year was avenged by the Wolverines in this game against Charlottesville. Our boys simply couldn't be stopped by Lane. Running up a high score was not our aim, but our offensive power reached its peak in this and the Fleming game. Lane couldn't get its attack started and the Wolverines' unscored-on record was kept clean. All the boys in blue played a fine brand of football and the game was a good one for both spectators and players.

Football Season

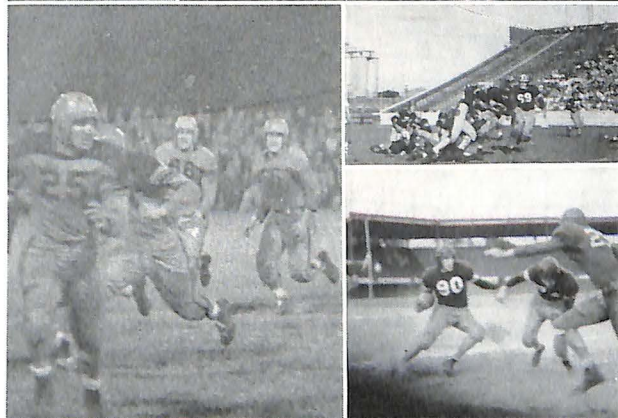

JEFFERSON 0—ANDREW LEWIS 0

Next the Wolverines went to Roanoke to meet their old rivals, the Jefferson Magicians, on a wet field at Victory Stadium. Both teams were "up" for the game, which turned out to be a scoreless tie. Almost the entire student body of Andrew Lewis was present to cheer for the Blue team and exhibited wonderful school spirit. The two teams battered each other up and down the field for most of the game and only once did either team reach a scoring position. During those tense minutes the Wolverines' Charley Webber received a pass and ran to the Jefferson 10-yard stripe. The Wolverines failed to score, however, and the game ended in a deadlock. Both teams played outstanding ball and we may rightfully be proud of each one of our boys for the game he played.

HAMPTON 26—ANDREW LEWIS 0

Traveling to Hampton after a week's rest, the Wolverines met the Crabbers, who without a doubt had the better team. This was the first time that any team had crossed the line to pay dirt thus far in the season. Dickie Bunting, who made a record for himself on defensive as well as offensive, kept the Wolverines in the game all the way. Although beaten, the boys played hard until the final whistle.

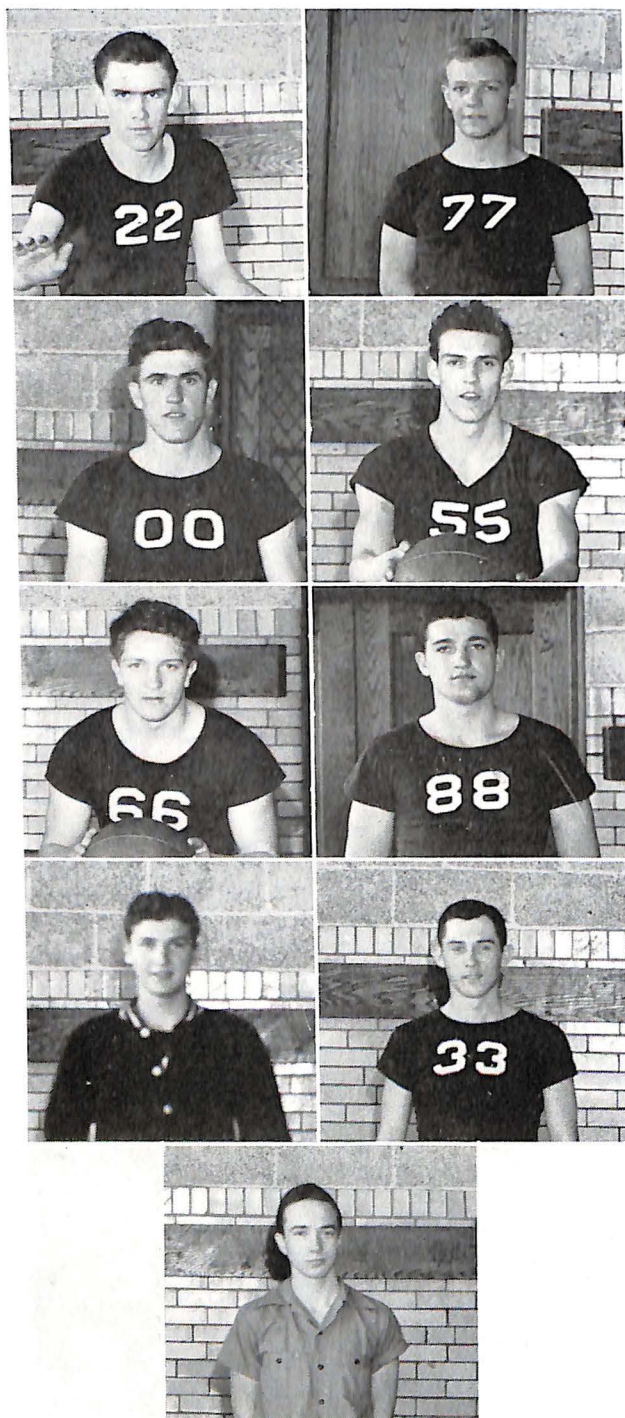

LYNCHBURG 14—ANDREW LEWIS 0

Coming down from Lynchburg, that big husky team started the game off with a touchdown on the opening kickoff. After a hard-fought battle the Glass eleven scored another one. This was a good game with both teams doing excellent defensive work. The Wolverines played well, but could not overcome the Hilltoppers.

DANVILLE 13—ANDREW LEWIS 7

After taking the trip to Danville for the afternoon game, the Wolverines fought one of their most outstanding battles of the year. The first half was played on even terms, while both teams scored. The half ended in favor of the Salem eleven by one point. After the rest period the Danville squad crossed the line (to pay dirt) for the last score of the game. Andrew Lewis threatened several times, but failed to make the zone. (The team has made a record for itself of which it may be proud for some time to come).

GUY SPRUHAN.....Coach

Andrew Lewis has maintained its good record again this year. With eleven victories against three losses, the students can be very proud of their team. The school won the City-County Championship and the Western District Title with all the boys playing excellent ball.

Andrew Lewis was defeated by Danville on her home court, but was victorious in Danville. The William Byrd Terriers also defeated Andrew Lewis once this year, but the Salem boys showed their power on their home court by a 61-32 score. The other defeat was handed to Salem by Lynchburg, which resulted in a tie for the Western District Title. In the playoff in Lexington, Andrew Lewis was victor to the tune of 37-34. Andrew Lewis also scored victories over the Alumni, V. M. I. (B), Hampton, William Fleming and Jefferson.

The scoring was led by George Graybill, who was closely followed by Dickie Bunting, Charley Webber, Jimmy Robertson, and "Skeeter" Hesmer. Frank Shelor, Clarence Maberry, Wayne Shelor and Danny Mowles added to the well-rounded team. Most of these boys will not be back next year. Best of luck to these and the future teams of Andrew Lewis!

Cheerleaders

There is something about cheerleading that makes you so very proud of your school and your teams. We trot to the local and out-of-town games to "pep up" the cheering for our "boys in blue." We train the new cheerleaders and verbally give them little "peeks" into our wonderful experiences.

After we are graduated, we shall always remember the thrill of our very important football games (especially the Jeff-A. L. game, of course), and the exciting basketball games, which make your heart thump as if it were going to jump right out of your uniform and do a yell on its own. We think that there is nothing like A. L., and cheerleading.

The school spirit has been splendid this year. To thank every one of you who cheered so well for the Wolverines, we'd like to give a *great big* "15 for fans."

Girls' Basketball

This year the girls organized a basketball team for the first time since 1937. The team has not been very fortunate in winning games as yet and most of the girls' time is spent in practice. With girls' basketball growing more popular every day, however, Andrew Lewis will want a girls' team and one of which she can be proud. Therefore, we're glad to see a girls' team appear once again on the courts, and we hope that in a short time we'll have a few more championship banners to hang in the gym alongside the others won in former years.

Girls' Physical Education

Softball

Last spring, the Senior girls won the softball tournament—can the 1947 Seniors do the same? Every class has its team and some of these lower classmen are very good players. Seniors—watch out!

Tennis

Due to difficulties last year, the tennis tournament was never completed. With June Crosswhite gone, Andrew Lewis is seeking a new champion. How about it girls? The tournament will be held in the spring.

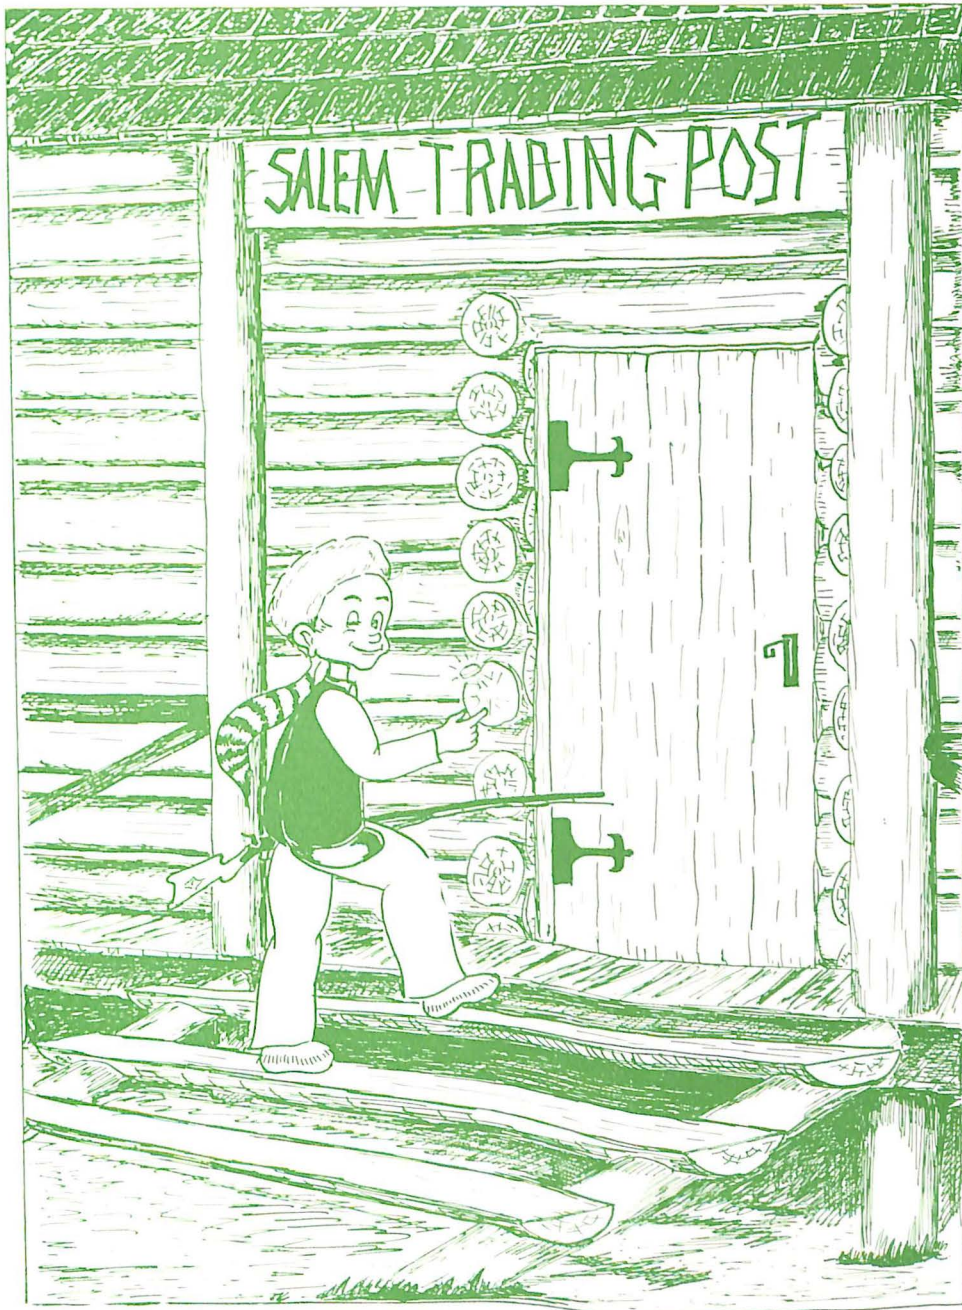

Ping-Pong

Ping-Pong is quite popular among the girls at Andrew Lewis and preparations are now underway to determine the best players in the school. Each class will have one winner. These will play in the finals to determine who is the best.

Calisthenics

This year Miss June Spencer has come to Andrew Lewis to direct the girls' physical education department. She has done an excellent job in her instruction. When the boys used the gym, Miss Spencer took the girls in the auditorium and carried on her instruction there. It has been a splendid year for the girls' physical education department.
