LIBRARY SYSTEM

Hang it up!

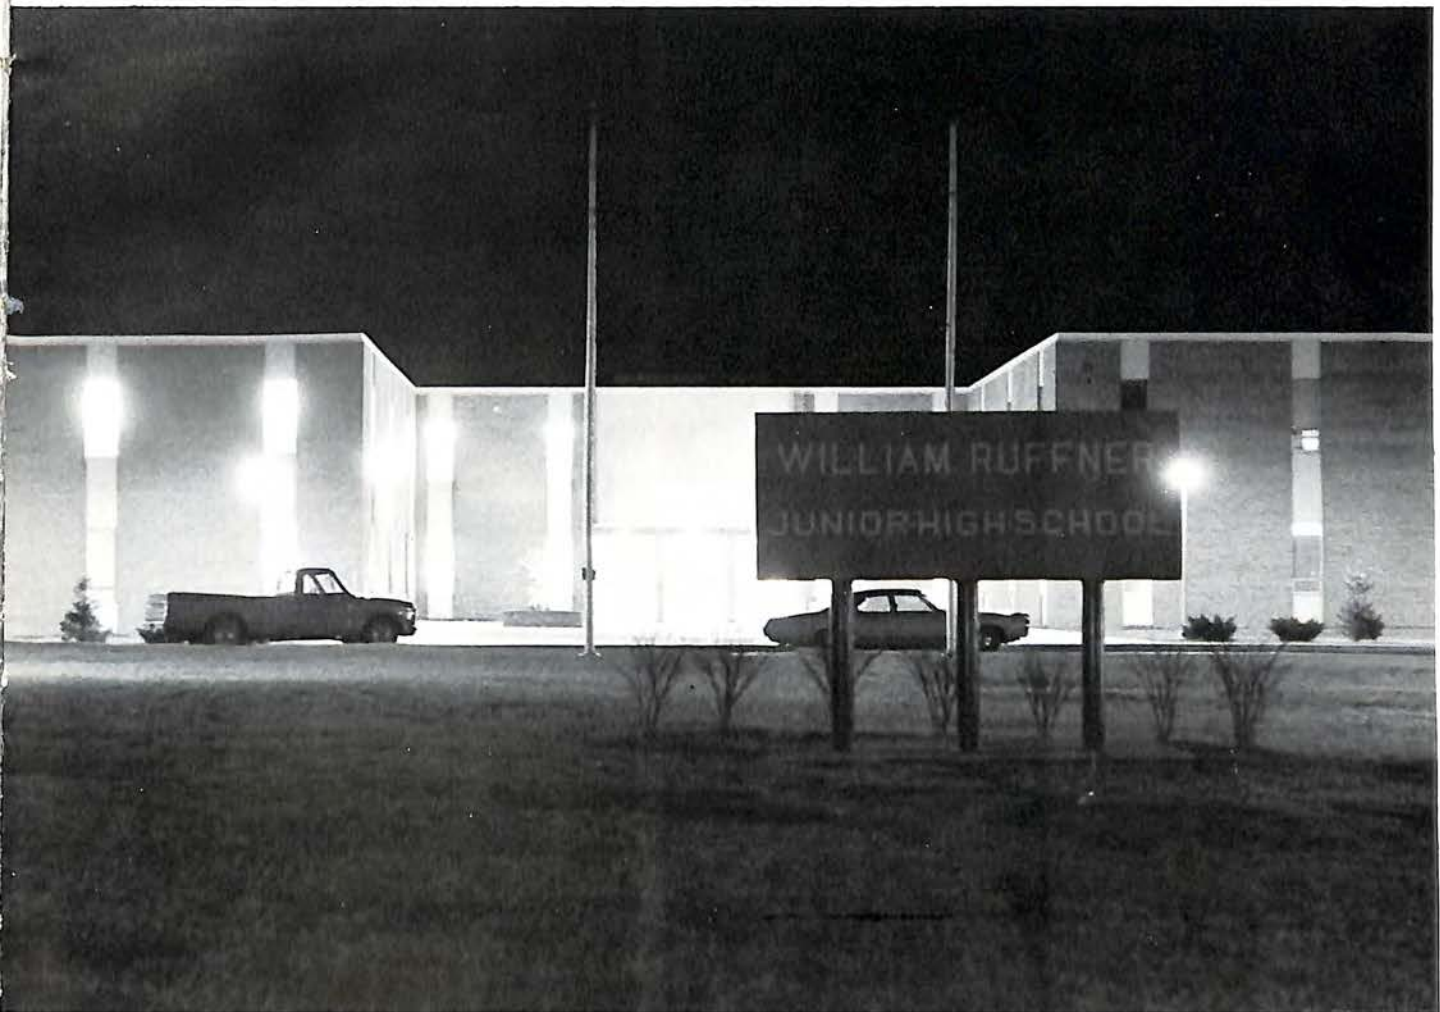

In this year, 1975, the RUFFNER ROCK represents the fifth year of existence of William Ruffner Jr. High School. Within these five years many good changes have been made.

Ruffner was named for Dr. William H. Ruffner the first State Superintendent of Public Instruction in Virginia. Also, Dr. Ruffner was a chaplain, pastor, and professional geologist.

It was from his last two vocations that the names "Saints" and RUFFNER ROCK were derived.

MRS. LUANA O. CRUSH

Again, this year we had a difficult decision to make about to whom we should dedicate this yearbook. But as usual, we came up with an outstanding person, one whose smile shines brighter than the brightest star.

This teacher is cheerful, friendly and thoughtful. She has a strong sense of responsibility with regard to her students and their understanding of the assigned material. It is apparent to her students that a great deal of time and effort has gone toward providing interesting classes for them.

Though her experiments sometimes fail, she never "hangs it up," but she always tries again, usually meeting with success.

Because of her concern over and above the line of duty, we, the yearbook staff, would like to show our gratitude by dedicating the 1975 RUFFNER ROCK to Mrs. Luana O. Crush.
