The ACCOLADE

A first edition Published by
the students of
CAVE SPRING HIGH SCHOOL
Roanoke, Virginia

1956-'57

Foreword

The crowning touch of a young squire's life is when he receives the Accolade and becomes a knight. The Black Knights of Cave Spring High become realistic through the Knight who represents our symbol of truth and courage to the reader. In the pages of this book you will see the Knight as he travels with us and portrays himself to us through all our school activities. The faculty looks to the Knight as a constant reminder of their duty to the school and students. The Knight's greatest pleasure is when his symbol comes to life through the projects of the clubs and organizations. In sports whether winning or losing the courage of the Knight is always found with us. Even in our classes he watches over us as we journey from lowly serfs, vassals, and pages, to the heights of the squire and the Knight. Our symbol, however, does not end at school, but its spirit reaches out into the community through the people who have made our first annual possible.

A new school

Cave Spring High School was built in 1955-56 and will house approximately 700 students. Our school is not only a place of learning but also develops character, personality, and self confidence and respect for others.

It is dedicated to the idea of democracy and to keep our American heritage alive. Our new school is a symbol of advancement in our community, state, and nation and will help design a pattern of successful and happy living for each and every student.

Miss Suiter certainly knows her baseball, but does Mr. Davis?

Do you know who it is? How strange that we couldn't find Mrs. Powell about this time.

And no show could be complete without Elvis! Mr. Tisinger seems to be doing all right.

This is your Faculty!

And now it's time for a commercial about Mad Massie's Mixtures.

SPORTS

Cave Spring Football Team

Has A Good Season

Forming a new football team has many trials and tribulations. First begins the scout for new players, then comes the disadvantages of not having a field to practice on, and then the problem of selecting the appropriate class competition for your team.

Overcoming all of these difficulties, Coach Bill Edmonds opened his 1956-57 football season against B-team competition on October 3. The Black Knights of Cave Spring were on their way with an unbeaten, untied and unscored record.

The team proved to be ready for each team they faced and having some confidence in themselves plunged on to a high shooting record in the city-county standing with 4 wins, 2 ties and 1 loss.

Next season with a more experienced team composed of mostly all Sophomores and Juniors the Black Knights will be going for a position with Varsity competition.

Fighting Spirit brings to the Varsity

Captain Bob Martin and
Coach Barnett.

With Dr. Horn tossing out the first ball at the dedication ceremonies of our new gym, the Varsity Basketball team opened their 1956-57 season in high anticipations.

Throughout the season the squad composed of 2 Seniors, 1 Junior, and 9 lower classmen were ready to face every game, and were eagerly awaiting the next. In basketball the Varsity squad was faced with keen competition in a class of all varsity teams. However, through their spirit and love for the game along with team cooperation and hard work the Varsity Basketball squad marched on to a seasonal record of 16 wins and 4 losses and placed Bob Martin, captain of the team, on the all city-county Second team.

This year's record has more than fulfilled our expectations of the Black Knights and has placed in everyone a new spirit with hopes of another outstanding season of basketball.

First Row: Richard Jones, Lewis Henry, Ned Hayes, Joe Parrish, Danny Likens, Bobby Dyer, Douglas Phillips, Gordon Jones. Second Row: Tommy Smothers, Wayne Simpson, Bob Martin, Joe Gillock, D. W. Likens, Joe Martin, Mr. Barnett (Coach).

The Cave Spring S.C.A. met for the first two times during the summer of 1956 with Mr. Davis, our principal, and Mrs. Powell, our assistant principal. In this meeting we discussed our school activities and drew up a Code of Honor.

The first day of school in assembly a member of the S.C.A. read the Code of Honor to the Student Body and discussed the plans for student activities. We let the student body vote on the Code of Honor. We held the student election after school started.

Doris Simpson, John Mitchell, Lillie May Hurst, Tommy Smothers, John Powell, Mrs. Powell, Bobby Dyer, Sylvia Waters.

We sponsored a hop after a football game and also after a basketball game. The S.C.A. presented a talent show for our assembly on November 16, 1956. We co-sponsored the Christmas Dance with two other clubs, and sponsored Christmas baskets for needy families. Every week during the year we posted menus on the bulletin boards.

The Cave Spring High School band had its first meeting August 1, 1956. The band's first public appearance was in the Vinton Homecoming parade and half-time show. At the 6th annual Shrine Bowl Parade and mass concert the band won Cave Spring High's first trophy. Throughout the football season the band was always willing to provide entertainment and add to the school spirit. During the Christmas season, the band participated in the Christmas parades of Roanoke, Salem, and Vinton. The band and choir gave the first of their annual winter concerts on January 26 in the school auditorium. On March 23, we attended the District Band Festival at Danville, Va. Our last parade this year was the Armed Forces Day Parade, May 4, 1957. Two of our members, Greg Gregory and Bob Lindner, were honored by making the All State Concert Band.

We are indeed grateful to Mr. Noble and our Band-Aid Club for their enthusiasm, support and encouragement.

We participated in three Christmas programs; one at Cave Spring Baptist Church on December 9; the second, December 16, at Windsor Hills Methodist Church; the last, at the school Christmas assembly, December 21. We were also preparing for our filmed television appearance that was shown on Christmas Day. The choir's first annual winter concert with the band was presented on January 26, in the school auditorium. The next appearance was with the Cave Spring Lions Club Minstrel, February 8 and 9. On March 16, the choir sang in the District Choir Festival in Dublin. The choir also participated in community church Easter Sunrise Services. The first annual spring concert was held in May.

The first year's activities reached its climax in March when the choir was rewarded with lovely new choir robes.

JEFFERSON STANDARD LIFE INSURANCE

Life insurance is the most important investment in the lives of most men. So it's smart to choose a company that's one of the biggest, strongest and best. On every count, Jefferson Standard ranks among the leaders.

Jefferson Standard ranks 29th in size among the more than 1,200 companies in the U. S. in ordinary insurance in force. In net

interest earned on invested assets, Jefferson Standard leads all major companies. Jefferson Standard has never paid less than 4% interest on dividend accumulations and on policy proceeds left with the company to provide income, which is considerably in excess of the rate guaranteed in its policies.

FINIS

Step by step we have portrayed to you our life at Cave Spring High School. From the opening page the "Knight" has followed constantly to instill in this story of school life his spirit of courage and truth. He has been our guide in academic, social, and religious instruction and leaves our school now only with those Seniors who have obtained the long sought for position of Knights. To the "Knight" we offer our thanks for his faithful service of awakening this spirit of truth and courage within us and for the records that have been placed upon these pages.
