Remember Cave Spring '59-60...

Easter Bunny (Brenneis) needs guidance.

Mr. Dupree says, "Hello" to Miss Rice.

Grubby Bear (Pritchard) hibernates.

Barbara Parrish, why aren't you helping?

Where are the bongos?

Coca Cola - The Friendly Pepper-upper, says Faye Hartman.

While you are at it, make me a mink, girls.

"Wings repaired cheap",
are Carol Garst words.

Miss Craighead is taking up money again!

Watch that language son! quotes Mr. Blane.

Ronald Bancher is proud to be
"Sportsman of the Year".

Lets see, that's the year...

Are these students really that happy all the time?

The breezy breezyway!

Oh! Mrs Ottaway, your eyes look right through me.

The football banquet was enjoyed by all.

Love letters by Mr. McCord.

Miss Rice, you are looking in the wrong direction!

Everyone worked hard ...

And played even harder...

You will never find it looking at the camera, Blair.

Miss Wilson is cheating!

Doesn't Butch look beautiful?

Can David Keister find the bacteria?

Mr. Crush, are you really working?

Turn the pages...

Greg Gregory "taps" Joan Leffler for membership in National Honor Society.

The good word of the day--"Lets go home"

Yes, we had snow!

Alright Miss Rice let's stop the discussion on politics and let the other teachers check out for home!

As Miss Kirkwood says, "Were you really sick, Gillie".

Ronald Blancher is proud to receive the "Best Sportsmanship Award" from the City-County Association.

Cave Spring High School Country Club.

Jeff is having to replace another book.

"But...are you out of the senior shirts!!!!"

Test time again!!!!

Freddy, is this all you have to do with your time?

How proud we were of our band in the X-mas Parade.

And remember!!!

ALMA MATER

O Cave Spring High, our guiding hand
That lives within our hearts;
Our love for Thee arouses us
To nobler thoughts and deeds
Our knowledge gained is for serving
Toward higher aims, toward brighter goals,
All freedom, justice and peace.
Toward futures built with knowledge,
Our hearts we pledge, O Cave Spring High,
To stand by Thee, to give to Thee
Our love, our faith, and our praise.

-Carolyn Leffler

MR. JOHN WILLIAM EDMUNDS

In Dedication

TO COACH EDMUNDS

For your leadership in sports;
For your dedication to the school and the student body;
For your efforts in the field of coaching;
We DEDICATE the 1959-'60 ACCOLADE.

As no business can prosper without a manager, so no school can run smoothly without the administration department. Cave Spring High is lucky indeed, to have competent administrators to iron out any problems which come up. Their efficiency and helpfulness will long be remembered by Cave Spring students.

Administration

Mr. Con A. Davis

Mr. Davis graduated from King College, Bristol, Tennessee, in 1936 and received his Master's Degree in Education from V.P.I. in 1955. Before coming to Cave Spring High, he coached football and basket ball at William Fleming High School in Roanoke. He had previously coached at Washington and Lee University, Lexington, Virginia, and also at McCallie Prep School in Chattanooga, Tennessee.

Mr. Davis, an ardent supporter of all Cave Spring activities, will hold a high place in our fond memories of Cave Spring High School. We will long remember his guidance, his help, and his interest in each of us.

Mr. Verner Crush, Assistant Principal

Mr. Crush served as a teacher and coach in Montgomery County for five years, was head basketball and baseball coach at Andrew Lewis High School in Salem, Virginia, and was principal of Mount Vernon Elementary School, before his appointment to the office of Assistant Principal of Cave Spring High School in July 1959. He spent his high school years at Fincastle High in Fincastle, Virginia. During the war years of 1942-1945, he served in the Navy Air Corps. After the war, he continued his education at Roanoke College where he received his Bachelor of Science Degree with a major in history and a minor in government. In 1958, he was awarded a Master of Education degree from V.P.I.

A very important and vivid memory of Cave Spring High School will be our memory of Mr. Crush. An able administrator and a good friend - this is our Mr. Crush.

Great is the rivalry between the classes at Cave Spring High School, and many are the comments such as, "You're nothing but a 'junior'!" Although the classes work together for the benefit of the whole school, there is no doubting the fact that the students of each do differ, disagree, and show an evident pride in the best class..... their own, of course!

The happiest and yet the saddest; full of the most fun, yet full of the hardest work- this is the senior year of high school. The senior class of Cave Spring is, undoubtedly, a prime example of a happy, busy, and active senior class.

In order to carry out their many functions, the class of '60 has an executive board composed of class committee chairmen. These chairmen and their committees take care of such things as commencement invitations, publicity, class play, class assembly, gift to the school, senior trip, class parties, money making projects, and all the other activities so necessary to that all-important senior year.

Seventh Grade

Gentleman David waits for Robin's load of books.

Are we really like that under our skins, Mrs. Ottaway?

A brainy class is our seventh grade. See how many know the answer.

Thanks for the explanation, Mrs. Roberts.

An important part of any school is its organizations. Not only do these clubs aid Cave Spring High School and the community through various projects, but they help the school in its great task of educating the students. Very often inspirational speakers are invited to the meetings. All is not work with the clubs, however; along with their yearly projects, many take trips, give parties, go on picnics and have various other activities for social development.

Composed of layout workers, copy writers, salesmen, business managers, photographers, and other workers, the Accolade members spend many hours from the first of the year to deadline time in an effort to turn out a good yearbook.

Some of us work, and then there was Mary Lynn Sigmon....

Everyone has heard the expression, "When in Rome, do as the Romans do." The Laeti Latini, the Happy Latins, strive to make every meeting and get-together another Rome. The club is composed of first year, second year, third year, and provincial students enthusiastically sponsored by Mrs. Todd. What this group has established at Cave Spring will pass on through the years as a banner to all future Latin lovers.

Drama Club

The Drama Club, directed by Miss Dorothy Teaford, is an organization open to all those interested in play presentation. Each year our group competes with other schools in the presentation of one act plays. This year our play, "The Flattering Word", was given a superior rating in this competition. Also the Drama Club will go on its annual spring outing to Douthat State Park.

Marcie makes her debut in the one-act play "Stage-Struck".

A big responsibility of the drama club is giving a helping hand with make-up & costumes.

Knight Letter

Industriously taking notes at all our important school activities is a member (or more) of the newspaper staff. THE KNIGHT LETTER workers under Mrs. Todd's supervision, faithfully put out issues of the paper, learning the ways of junior journalists as they went. Along with covering and reporting news stories, features, editorials, they took care of proof-reading, arranging and selling their papers.

The FBLA filled a Christmas basket for the needy and has had other worth-while projects. In the spring, members participate in the Radford Regional Meeting where they compete with other schools in such contests as spelling, parliamentary procedure, and public speaking. A state convention is held each spring at Richmond or Roanoke.

Projection Club

Our projection club is composed of a group of boys who have shown a serious interest in the operation and maintenance of audio-visual equipment. The club is organized in a manner that makes one or more boys available every period of the day to show slides and movies, to work with the tape recorders, and help with the inter-communication system. Some of them are always back stage when we have assembly programs to be sure that voices are carried to the entire audience. Theirs is a job of great responsibility. They render a service indispensable to our school.

Spring High School Band

A very ardent, enthusiastic and hard working organization of Cave Spring is the Band, just this year installed in the school's lovely new bandroom. The band, under the direction of Mr. Paul E. Noble, Jr., participates each year in the Roanoke, Salem, and Vinton Christmas Parades, performs at the Shrine Bowl Game, marches in the annual Dogwood Festival Parade, and gives many half-time programs during football season, as well as undertaking numerous other activities. The group has collected many ribbons and trophies for their excellent performance in various contests; the band also gives several concerts yearly.

One of the high points of the band year is band camp, held each August. Coming from this camp are many interesting stories, adventures, and expressions, such as "Don't be a prude----."

The band of Cave Spring High School deserves much credit for the honors it has brought to our school.

Running out on the field or court in white uniforms and topped with cheerful smiles, this year's varsity cheerleaders led the student body and fans in yells that added greatly to the fervor and excitement of every football and basketball game.

This organized squad has increased to ten members and two alternate cheerleaders. All of them have learned something new, either by teaching others or by learning.

Backed by cheering crowds, these peppy girls like to think they have had a part in making our athletic schedule for this year rank high in our memory list.

From the jump of the J.V. Cheerleaders, one can tell they are proud of their team.

While the Cave Spring varsity cheerleaders are busy cheering Cave Spring's sports heroes to victory, the junior varsity cheering squad boosts the morale and spirit of our school's J.V. teams----- our heroes of tomorrow. Theirs is the responsibility of cheering at the J.V. football and basketball games, and aiding the varsity squad with some of the pep rallies.

Under the direction of Mrs. Richardson, the girls of the library staff work hard during their study halls and after school, stamping books, cataloging, replacing books on shelves, and doing all of the other jobs necessary to keep our newly-enlarged library running smoothly. One student serves as chairman each period of the day. She assigns jobs to the workers and supervises this work during her library period. As a subsidiary to our school band, a small pep band was organized for the purpose of promoting school spirit at basketball games.

Three choir and four band members were honored for their outstanding work by being selected to participate in the District Six Band and Choir Festivals.

A group which has provided a great deal of entertainment for our school is the "Knights of Rhythm." This group is made up of boys who are members of our regular band and who are especially interested in playing dance music. Their popularity as dance musicians has brought them many invitations to play in larger dance bands in the Roanoke area.

Cave Spring played hard----- and well, in 1959-'60. Not only did our teams bask in the glory of victory, but they also showed themselves excellent sportsmen in times of defeat---

All of CSHS is proud of its athletes; many exciting moments have been spent at the school's contests-- and long will these moments be remembered by both participants and spectators.

The Cave Spring Knights had a fine football team again this year, due to good material and a crack coaching staff composed of five young men deep in football knowledge. Mr. Edmunds directed the well co-ordinated unit and also directed the backfield maneuvers. Mr. Jones and Mr. Lacy coached the ends; Mr. McGee and Mr. Alford coached the interior linemen. Mr. Lacy and Mr. Alford also coached the Junior Varsity and the Eighth Grade team.

Our homecoming game was successful as our Knights defeated George Wythe 20 to 12. Cave Spring scored in the first quarter after Bill Alvarez sprained his ankle and John Murphy completed the drive with a G-yard pass to Glen Agee. This was with three minutes left in the quarter. With three minutes left in the second quarter, Nichols went nineteen yards for another score. However, George Wythe took the kickoff and drove for a touchdown. In a rough third quarter, there was no scoring but George Wythe was twice penalized for illegal use of hands and one of their players was thrown out of the game. George Wythe scored again to start the fourth quarter but Cave Spring added another score with fifteen seconds left in the game when Conner plunged three yards for another score. Galen Conner and John Murphy added the extra points on runs.

Franklin County...0; Cave Spring...0, this was the score of a hard fought game played at Rocky Mount. Bill Davis showed the class that made him All District 6 and recognition at the All State Balloting. Except for his brilliance the game was a stand-off. Ronald Blancher was the stand-out for Cave Spring as his line plays helped in holding Franklin drives before they started. Joey Collins sparkled in offensive and defensive backfield in a losing effort.

Cave Spring 7 William Byrd 0. In what was probably Cave Spring's best played game of the season, The Knights upset William Byrd 7 to 0. It was primarily a defensive battle, in which Cave Spring outgained the Byrd team 218 yards to 124; however, only one successful drive was made. Lynwood Atkins recovered a fumble on the Knights 44 yard line. Roger Nichols scampered 20 yards to the Byrd 36 yard line. A shift by the Knight's offense pulled a Byrd defender off-sides and Cave Spring had the ball on the 20 with 3 and 2. Richard Boone made the necessary yardage. With first and goal on the eight, Billy Alvarez and Galen Conner moved for 7 yards in 3 plays. Billy then sneaked the remaining yard. Conners completed a pass to Ray Sloan for the extra point.

Cave Spring 14 Drewry Mason 0. Cave Spring traveled to Drewry Mason for their homecoming and were almost washed off the field. Conner went for 55 yards for a score on the first play of the game, and then plunged short yardage for another score at the start of the second quarter. John Murphy added the two extra points. The second half saw no further scoring, as it was played between the 40 yard lines, and the game ended 14-0, in favor of the Knights.

Cave Spring began this season with high hopes and short players. We were young and inexperienced and suffered from a definite lack of height. With these shortcomings, *prospects* were not bright. But we did have certain valuable assets. These included a never-say-die sprit, and a group of sharp-eyed shooters, who were capable of a big night on any occasion. The inexperience showed as we dropped our first ten games. We were outclassed on only two occasions and it was only a matter of time. The time was January 23, as we upended Bedford 65-52. After a defeat by Drewry-Mason 50-45 we racked up William Byrd and Fieldale and gave an indication of better things to come. We closed out the regular season unsuccessfully by dropping four hotly contested games. Unfortunately we thought, we drew Pembroke for the opening game of the tournament. After a season of frustration everything went right and mighty Pembroke fell 68-66. After that supreme effort the Blacksburg game was an anticlimax. We were defeated 60-54 but as the Dodgers used to say- "Wait till next year!"

Cave Spring's newest sport, golf, is in its infant season this year. One match was played last year but we dropped it to Fleming 12 to 4. The team will play a full schedule this year, with the matches at Hidden Valley and Blue Hills. The team consists of four players who play in groups of two against the opposition. They are rated and play their opposite number. These ratings were; Donald Crouch 1, Butch Hayes 2, Ritz Schilling 3, and Bill Alvarez 4.

Lacey demonstrates to his group some points about golf.

Gregory connects for a rousing pop-off.

Baseball has been resumed as a major sport this year at Cave Spring. The team was hampered by lack of proper practice facilities. However, there are several bright new prospects and the team will fare well this year. Coach Jones has done a good job on the conditioning but we will probably be a bit rusty in the first couple games. Many of the boys have had previous high school or sandlot baseball experiences and we will not suffer from lack of experience.

Freedom Isn't "Free"

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."

Miss T. Crawford
At last I know how to spell
'aborigines', my lifelong dream. How
can I ever thank you enough? As if
the world (weren't!) enough, I can't
express my grateful courtesy. Lovingly,
lovingly, joyful you, truly,
sincerely,
So sincerely,
Cynthia Crawford

Miss Teaford:

I've really enjoyed
having you in my

English class:

... especially how
to say P-E-O-P-L-E.

Lots of Luck to you
Miss Teaford.

Love ya.
