MOVE IT'S A PRACTICE DRILL

2.

3

Throughout the year, CSHS had many practice drills. The alarm sounded and the students hurried to their designated areas. The drills offered valuable practice for emergencies and also a change in routine.

 During a practice fire drill, Mr. Weinstein jumps on a Honda to make a quick getaway.
 Guidance counselor, Mr. Martin helps direct a practice bus drill.
 Students leap from the emergency door at the bus drill. NO

MOVE -IT'S A VICTORY

The '75-'76 basketball season was an exciting one for Cave Spring. C.S. won their way to the regionals with the help of outstanding school spirit. The Knights' big MOVE from district to regionals was a first for a Cave Spring team.

1. Excited fans MOVE seniors, Roy Lower and Chuck Kinzel from the court after Cave Spring upset Patrick Henry. 2. The Senior Kazoo Band cheers in the stands to help the basketball team gain a victory.

HOMECOMING PARADE...

The Homecoming parade is organized by the pep club and consists of cheerleaders, drill team, floats, and an unsteady Knight mounted on a horse. Clubs and classes spend many long hours creating original floats to enter in the parade. The long parade MOVES from the high school to CSJH and encircles the football field in hopes of winning another homecoming game. Floats competed for the first place award in the 1975 Homecoming parade and the class of '76 was given the award for the second time.

 Pep club members lead the parade with a Homecoming banner. 2. The drill team marches in step to the football field.

THE BIG MOVE

1. The 1975-76 Knight, Brett Roach holds on tight as he rides in the Homecoming parade. 2. The Red Cross float entry MOVES slowly in the long procession to the junior high school. 3. Cars and floats line up in the CSHS parking lot in preparation for "the big MOVE."

Mr. David Wymer, known to many as "Whimpie," is a dedicated mover. While attending Robert E. Lee High School, he was interested in all sports and was a member of the football team. After graduating from high school, Mr. Wymer entered Lynchburg College. He stayed on the move in college by taking frequent trips to Longwood College to visit his girlfriend, Janice, who is now

Mrs. Wymer. Mr. Wymer was also kept busy by a large group of boys dressed in green, known to everyone as the Boy Scouts. He served as their regional director.

At Cave Spring High School, Mr. Wymer has always been a hard worker. Even while teaching classes during the day, he found time to attend night classes. This year Mr. Wymer accepted the time

consuming job of Athletic Director for the second time. One of his many jobs was taking the Knight athletes to away games in the big red and white "Knight Bus." This position took many long hours of work, but because of his dedication and interest in sports, Mr. Wymer did an outstanding job.

David Wymer has a great sense of humor, a friendly chuckle, and

overlooks the jokes about his height. Even though he is small in structure, he is respected by everyone and is never small in the eyes of the students. For these reasons and many more, the 1976 ACCOLADE staff recognizes and expresses appreciation to Mr. David Wymer — THE BUSY MOVER.

1. Ticket salesman, Mr. Wymer encourages a student to attend a game. 2. Mr. David Wymer. 3. While sitting in the lobby, Mr. Wymer awaits students to arrive for attendance check. 4. Our Class officers worked diligently this year, keeping us Number One. Starting off the year by remodeling the Senior Lounge, they were responsible for its many new additions. Due to the hard work of the officers and class members, the Country Store was the most successful money making project at the Fall Festival. And soon after this, all attentions turned to Graduation — making the year the Time of Our Life.

SKB IS BORN

1.

One of the many happenings of '76 was the founding of the S.K.B., originated to provide spirit and entertainment for the sports participants and fans of Cave Spring. Distinguished by their painter's caps and white pants, the Senior Kazoo Band led the basketball team and school with their spirit. It was not uncommon to

walk into the gym on the night of a basketball game, and see almost half our side filled with waving white hats, sunglasses, and sounds of the school song played on a kazoo. The S.K.B. even played in pep rallies and at assemblies. The antics of this group were many, and will be cherished by all.

REFLECTIONS OF THE PAST THREE YEARS

During our time at Cave Spring High School, our class shared many experiences together. As sophomores we proved our school spirit by winning the spirit stick continuously. Although we had little money coming into our Junior year, everyone worked hard to raise the funds needed for the prom that was "Something Worth Remembering." Our final year at Cave Spring will be remembered by all. Even though we have graduated and everyone has gone their separate ways, we will always hold on to the memories of these special years.

JUNIORS ATTAIN RECOGNITION IN VARIOUS WAYS

Juniors displayed determination as they overcame such obstacles as trying to pass Mrs. Overstreet's English tests, adapting to foggy goggles in chemistry lab, and waking up early to struggle through PSAT's. Juniors showed their creativity and ingenuity painting murals and making decorations for the prom. Our goal for a successful prom was finally achieved after many hours of planning and hard labor. The Junior class was a class of individuals who succeeded in contributing to all facets of student life.

As the year began sophomores were confused with modular scheduling, but after a while we became adjusted to gain time and mod tones. We tried to get over the sophomore shyness at pep rallies, but never really did show the true spirit that we have. We will remember our one semester of orientation with Mr. Painter reading his newspaper. We got used to the seniors who gladly gave us direction to the English office which turned out to be the boiler room. Frogs, Julius Caesar, Driver's Ed., and the "last 600" will always linger in our minds when we remember our first year of high school. Even though there are two whole years to go, ten years are already behind us and the rest will be easy. It's taken us the whole year, but we are part of the school now . . . we belong here.

78 — STUDENT LIFE

The first day of school is as exciting to John White, as it is to a sophomore, entering CSHS for the first time.

Everyone complains that school started too soon, yet SENIORS know that Graduation Day will arrive much too soon.

Getting back into the swing of things, junior girls compare schedules and try to see if they have any of the same classes.

Moving over to the Upperclassmens side of the gym for pep rallies, is a major move for JUNIORS.

No longer will they have to sit alone only to be outdone by the Spirited seniors.

The arrival of the sophomore class adds excitement to the new school year for everyone. The senior guy's quickly look over the "new crop" of girls, while senior girls looked on in despair.

PARADE AND HALFTIME ADD EXCITEMENT TO THE NIGHT

1. Latin Club members exhibit their second place winning float during the parade. 2. Pep Club member Debra Tingler leads parade with a sign advertising the special night. 3. Friends congratulate Ann Boehling after being crowned Homecoming Queen. 4. The traditional shield is broken by Dobby Dobyns before the game. 5. Music for this year's dance is provided by RAZZMATAZZ.

HOME-COMING COURT

For many students homecoming week became homecoming month. Preparation for class halls, decorations, and floats were started several weeks prior to homecoming

The seniors' long hours of hard work paid off when they were awarded first place for the best float. The traditional bonfire was held in the school parking lot, October 22 with the burning of the dummy representing the "Comets" from Halifax. Even though the Knights lost, everyone hurried to the gym anxious to greet old friends and bump to the sounds of RAZZMATAZZ.

1. Sophomores Francine Brinkley and Susan
Dickerson represent their class on the
homecoming court. 2. Junior class attendants
Susan Biggs and Roseanne Bowman are
introduced during half-time. 3. Senior
members of the homecoming court are: Front
Row: James Simmons, King; Ann Boehling,
Queen. Center: Leslie Kersey, Bob Hudson,
Laura McGuire, Maid of Honor; John White,
Prince. Back Row: Donna Carroll, Brett

ATHLETES RECEIVE HONORS

1. Sophomore Kelly Moles and Mike Jones receive the outstanding back and outstanding linemen award for the junior varsity football team. 2. The Most Valuable Player award was given to Bill Downie and Jimmy Butcher. Jimmy also received the offensive back award. James Simmons received the defensive back award, Steve Ferguson the defensive lineman award, and Alan Weatherford the offensive lineman award.

FESTIVAL

FALL

The first of many festivale arrived at Cave Spring High November 22. The annual magazine sale was replaced with a carnival. Since this was the first time CSHS had ever taken on such a project, there were many happenings and disasters from which everyone benefited. Each class and most of the clubs organized their own booths which ranged from the Spanish club's Mexican Market to the Senior Class and their Country Store. The eventful day ended with a spaghetti dinner, and an auction sponsored by the SCA. Thanks to a lot of hard work by many students, and the time of many parents, the first Fall Festival was a great success.

1. Students enter the lobby of CSHS wondering what the fall festival is all about. 2. Cheerleaders make unique ghost for their haunted house. 3. Contributing her time Mrs. Mullen, encourages the sale of baked goods in the country store. 4. Volleyball coach, Mrs. Palmer and members of the team add the traditional effect of a carnival, by selling cotton candy. 5. Senior Shirley Carr attracts business for the Latin club's booth. 6. Pinball machines sponsored by the ACCOLADE staff, provided entertainment for many students.

This year the Christmas season seemed to arrive too soon. The first indication was the election of our Holly Princesses Sue Denton and Beth Thomas. On December 5, Sue and Beth represented Cave Spring in the Salem Parade. Several weeks later the senior class chose their winter court, which were presented at the dance on December 20. Traffic jams were created in the halls by people crowding under the mistletoe that was hanging from the ceiling. The hall doors were decorated by each homeroom, and Mrs. Catron's homeroom was awarded first place for the best door. This year the Christmas theme was dedicated to the memories of Christmas' long ago.

3.

AN OLD FASHIONED CHRISTMAS

1. Students show their Christmas spirit. 2.
After the announcement of the king and queen, the court has their traditional dance. 3. Members of the WINTER COURT: Front Row: Jackie Holt, Gary Barba, Laura Price, Tricia Via, Cheryl Adams, Patti Wells, Jamie Slaughter, Princess; Susan Cory, Queen; Ginger Harris, Laura Kellison, Larissa Shaffer. Back Row: Scott Mustian, Tom Waldron, Prince; John Shumate, King; Bill Downie, Ricky Reese, Chuck Kinzel, Roy Lower. 4. Decorated homeroom doors add Christmas spirit to the halls of C.S. 5. The mixed choir directed by Miss Ammen, perform during the annual winter concert. 6. Students rest while GRANITE takes a break.

A TYPICAL FRIDAY!

The cheering and excitement starts in the pep rally. Dennis Price helps cheerleaders lead classes in competition. 2. The football team begins a night of excitement when running through the aisles of cheerleaders and drill team. 3. The Knights pile up on their opponents, in effort to gain another victory. 4. A highlight of the Friday night game is the performance by the band and drill team, before the start of the game and during halftime.

days in the fall. Tension rose as the football team prepared for the big game, and students cheered them on to their victory. The start of the fun began on Friday afternoons in the pep rallies. Classes competed to see who could cheer the Knights on in the loudest effort; of course the seniors won ninety-nine percent of the time. Around seven-thirty, the crowds began to form at the football field, and the game soon got underway. By halftime, the fans were ready for the performance by the band and drill team, and then back again to the second half of the game. Of course a Friday was not typical unless one attended the mass congregation at the Pizza Hut. After waiting the rest of the night for your pizza, everyone's thoughts turned to

next week's game, and made plans for the usual "typical Friday."

Friday's were the most exciting

STUDENTS PARTICIPATE IN MOCK TRIAL

On March 8, David Holtzman of Cave Spring was in the witness stand in front of Judge Ballou. David was being charged with murder, actually, he had done no wrong but Percy Snodgrass, the man he was portraying in a mock trial, was being tried for the felonious killing and slaying of an old school chum. Percy's lawyers, Mary Ellen Iskenderian and Robin Spencer battled with two student lawyers from Williams Fleming in their efforts to save Percy's innocence.

The purpose of the mock trial was to show students how a real trial is conducted and to give them a taste of the behind-the-scenes work that goes into presenting a criminal case.

The verdict was decided by six jurors from Cave Spring and six jurors from William Fleming, after they had heard testimonies from several student witnesses.

In April, Mary Ellen and Robin appealed the case to the Virginia Supreme Court.

1. Representing the defendant Percy Snodgrass (David Holtzman), Robin Spencer looks over her material before the trial begins. 2. The jurors representing students from Cave Srping and William Fleming listen to the evidence of the case. 3. The prosecuting attornies from William Fleming prepare for their opening statement.

Independence...

2.

. . . Responsibility . . . JOBS

After laboring over books all day at school, many students face the added responsibility of holding a part-time job. Students who have felt the inflation crunch turn to hamburger places and shoe stores as a source of money. Many students rush directly from school to work without even having time to go home for a snack. They work for hours at their jobs, sometimes not getting home until midnight, only to find a research paper waiting at home to be typed.

There are many reasons why students choose this hectic life. Some students are forced to meet car payments while others are saving their earnings for college. Many students simply enjoy being self-sufficient. Whatever their motive, the working students at CS deserve to be commended for their diligence and reliability.

1. Selling shoes at Tanglewood Mall is Eddy Hunter's means of being self-sufficient. 2. Junior David Delpierre cannot remember whether the customer ordered a single cone of "Baseball Nut" or "English Toffee." 3. The layaway department at PENNEY's occupies many hours of Laura Price's schedule. 4. After school hours, Marilyn Mullen goes behind the counter at McDonald's in time to serve Mrs. Wilkerson and family their dinner. 5. Preparing for the dinner rush, Mil Norman relays order to Stephanie Thompson at LONG JOHN SILVERS.

THE CREATION OF

Many weeks of planning, ordering and working came to a climax May 7. After long nights of hard work, the worst was yet to come. The juniors locked the gym doors and began creating their version of a seacoast paradise. The theme was complete with a fishing pier and sandcastles.

After the last streamers were taped up and the last table fixed, the juniors could see that their time and effort had been well spent. The theme "Slippin' Away" was emphasized by a song written especially for the seniors, by David Delpierre.

Even though the seniors may be "Slippin' Away," the memories of the prom will last forever.

Juniors work on last minute details of the table decorations. 2. Prom Chairman Diane Kluge, is introduced at the prom with her date Bob Hudson. 3. Prom Chairman: Maria Lockett, Heidi Hagen, Bill Enyart, Kathy Bober, Lisa Thompson, Susan Poe, Diane Kluge, David Delpierre, and Susan Biggs. 4. The murals, and lowering the ceiling take many long hours to create but prove to be the pride of the prom. 5. Scenes representing the beach provide the setting of the prom.

A SEACOAST PARADISE

Everyone relaxes for a moment while the band takes a break. 2. Couples enjoy dancing in the seacoast paradise. 3. Students dance to the sounds of "Cold Duck." 4. The prom is enjoyed by Kenny Brown and Heidi Hagen and Tina Howell and Todd Peters. 5. "Cold Duck" performed a variety of popular songs.
 6. Despite the temperature, students dance until midnight.

THE KNIGHTS HAVE THEIR UPS ...

The Knights with 16 seniors returning opened their '75 season with impressive wins over Franklin County and William Fleming. In the 28-6 win over Franklin County the Knights unleashed a potent ground game and a rugged defense that overwhelmed the Eagles. Traveling to Victory Stadium, the Knights tallied victory number 2 over a strong William Fleming team — winning 10-7. This may have been the sweetest victory of the year as the Knights took revenge for a 41-6 loss last year. But even though the victory was sweet it was a hollow one as Gregg Kennerly was injured and couldn't play any more during the year because of a broken leg.

Coach Hammes shows exictement as Jim Butcher returns from a successful play.

... AND DOWNS

The gridmen went into a slump as they played Patrick Henry, Northside, and G.W. of Danville. The Knights lost 7-0 in a very close game to Patrick Henry and then tied Northside 0-0 in a battle of defenses. Then the Knights took on District powerhouse G.W. of Danville. In this game the defense was flawless as they literally stopped the Eagles' passing game with three interceptions. But, the Knights failed as the Eagles returned a punt for the only score of the game. The Knights then traveled to Covington to play 2-A district powerhouse Covington Cougars. The Knights finally snapped their 18 quarter non-scoring streak by winning 13-0 over a surprisingly strong Covington team. The gridmen's next game was Homecoming and it probably was the saddest part of the whole season as they dropped a 19-12 decision to the Halifax Comets.

In the last two games of the season, the Knights showed once again what they were made of as they scored impressive wins over Pulaski County and Lexington. Again, as in the beginning, the Knights' ground game was overwhelming as the Pulaski Cougars fell 34-0. Jimmy Butcher rushed for 237 yards, nearly beating the old record. The Knights' last game was played on the C.S. field against Lexington. In a hot tempered game in which the Knights won 35-21, Jimmy Butcher scored two touchdowns (he really scored four but two were called back because of penalties) and along with the Knights' rugged defense they made the last game a happy one for the departing seniors.

1. A dejected looking Coach Hammes walks the sidelines during a hard fought game. 2. Rescue squad members attended to Don Ballard after breaking his ankle in the Patrick Henry game.

1. A fine tackle by James Simmons brings down a P.H. back. 2. Knights celebrate T.D. 3. Mighty C.S. defense devastates Danville's running attack.

KNIGHTS' DEFENSE OVERWHELMING

1. Linebacker Bruce Peschel punishes a Halifax back. 2. On his way to a 1068 yard season, Jim Butcher picks up yardage against Northside. 3. Alert Dan Unger threatens to score after a fieldgoal block against Danville.

3.

BABY KNIGHTS HAVE WINNING SEASON

The Junior Varsity Football team had a winning season with a record of 3-2-1. The Baby Knights had an impressive victory at Andrew Lewis as they barely squeezed by the Wolverines with a blocked punt by sophomore Greg Caldwell with a few minutes remaining in the game. They compiled two other victories, as they defeated Glenvar and Halifax. The Knights then traveled to Pulaski and Danville to receive disappointing defeats. They wrapped their season up as they hosted William Fleming at the Knights' field only to have a deadlock score.

Sophomore, Paul Mustian gets tackled after picking up first down yardage. 2. 1975 J.V. FOOTBALL TEAM: Front Row: P. Foster, S. Hammond, J. Perry, C. Mixon, R. Fleshman, D. Desseyn, K. Campbell, D. J.V.'S GAIN EXPERIENCE

The J.V. Basketball team, after a tough beginning, finally came into their own as they showed what they could accomplish in the form of winning games. Gaining valuable experience for their days to come as a Varsity

player, the Baby Knights exhibited teamwork and comradeship as they finished their year as a Junior Varsity player, to advance on to the Varsity.

KNIGHTS MOVE TO REGIONALS

The Knight's Varsity Basketball team started off with a winning season in mind as they won their first four games. The second game of the season found the Knights at South Boston, in Halifax County's much feared gymnasium. In a hotly contested game where tempers flared, the Knights came out on top by a slim score of 50-48. The next five games showed everyone that the Knights were a very strong contender as they experienced only one loss to district powerhouse Patrick Henry, while winning over William Byrd, Halifax County, William Fleming and Andrew Lewis. The next six games showed how even a good team can have their ups and downs as the Knights won three and suffered three tough defeats. In the next game the Knights must have experienced their finest game. Using flawless strategy, Coaches Lacy and Berry directed the Knight attack, and with the help of precision on the floor the Knights defeated previously undefeated Patrick Henry in the Knight gym by the score of 41-40. But that game wasn't the end of the season as the cagers went on to win their next four games over William Fleming, Halifax County, Franklin County, and Northside. So at the end of the regular season, their record was 16-8. The Knights then advanced to the District tournament where they defeated Pulaski County 54-49 then G.W. of Danville by the score of 60-52. Advancing to the Championship game they faced rival P.H. which the Knights lost 44-54.

GRAPPLERS HAVE GOOD SEASON IN SPITE OF KEY INJURIES

The Cave Spring High School wrestlers are a breed apart. Not so maybe in their school and extracurricular activities, but when a C.S. wrestler hits the mat, there is hardly any other athlete that can match him in the will to win. This quality was shown when Coach Dowdy's wrestlers started their season. The grapplers were a well balanced, experienced team going into

the '75-'76 season and they were definite district contenders. Then some of the wrestlers that were badly needed became injured. People thought that these injuries might put the whole team out of commission, but that wasn't the case. Their will to win made up for those injuries in the best way. The matmen got off to a good start

as they overcame Pulaski 45-18, Lewis 31-17, and P.H. 35-24. The wrestlers lost their next match but bounced back with a great win over Franklin County with a score of 57-10. Traveling to Halifax, the matmen firmly defeated the Comets by a score of 36-23, and then beat Danville 44-18 in a hard fought match.

The seniors on the squad are Chip Kalbaugh at 126 who was injured, Ron Kase at 119 who had a district record of 11-1-0, Rich Harless at 132, David Koontz at 132 and Gary Barba at 112.

NETTERS POST WINNING SEASON

The Knights' volleyball team posted an excellent win, loss record of 10-1. The netters were led by seniors Jamie Slaughter, captain; Sue Usher, co-captain; Kim Roe, Mary Stanley, and Patricia Via. The netters only loss came at the hands of Patrick Henry in a down to the wire game. After C.S. lost its first game in a three game match to P.H. they came back to blank the Patriots 15-0 in the second game, only to lose the third game. This qualified them to participate in the District where they came in second.

The Cave Spring Girls Basketball team experienced not only a winning season, but also what comes naturally to athletes, comradeship. In the words of "Coach of the Year," Ms. Dunagan, "these girls worked to overcome such adversities as the lack of height and the lack of a superstar. This group beat the odds time and time again, with character and determination." Determination they did have, as they achieved a winning regular season, advancing to the Western District Tournament, only to lose in the Finals. CAVE SPRING CAPTURES

The Cave Spring Girls Gymnastics team after many winning seasons finally reached the "Pot of Gold" at the end of the rainbow as they captured the STATE Girls Gymnastics Trophy for the year of 1975-76. The team, led by Sophomore Amy Waldron, won all of their regular season meets, the district meets, the regional meets and finally the State Championship meet. These wins didn't come easy as most of the gymnasts worked year round, perfecting their style and performances, until they became championship gymnasts. The State won't forget the Knights as all of the scoring gymnasts are either Sophomores or Juniors. And also other gymnastics teams will cringe in fear at the name of Amy Waldron who captured best all-around in almost all the meets and scored a tremendous 34.40 score to capture first allaround state honors and secured the title for Cave Spring.

TENNIS TEAM ENJOYS WINNING SEASON

The Knights tennis team posted a winning season with an outstanding record of 10 wins and 2 losses, and following E. C. Glass in the District match, to come in a close second. The Knights had a fine year, because, even though the team had their top players in Stewart Futch and Peter Hjorth, it was the bottom half of the lineup that carried the team. So, these factors of every player contributing to win a match helped the Knights snap a six year losing streak to Patrick Henry as they won 6 to 3. Also falling under the Knights powerful team play were Glenvar, William Byrd, Andrew Lewis, Northside, William Fleming, Franklin County, Halifax and G. W. of Danville.

1. Junior Carl Bates advances to the net, in a lull during an important match. 2. Senior Stewart Futch, showing good form, shows why he is one of the top tennis players on the team. 3. Back Row: Coach Wayne Hyatt, Mary Atkinson, David Kim, Matt Curbow, John Bochman, Brett Oxenhandler, Alan Garrett, Bo Hjorth.

GOLFERS END WITH RESPECTABLE **SEASON**

Led by a strong top four, the Knight's golf team finished up a respectable season. The top four were Senior, Millard Radford, Sophomore John Wilkes, Sophomore Steve Sewell and Freshman Keith Myers. Top Golfer Millard Radford displayed consistent winning form all year long with the rest of the team.

HARRIERS FINISH SECOND IN DISTRICT

The C.S. cross country team compiled an impressive record of six wins and two losses in the regular season. With the leadership of the first five runners leading the way, who are all seniors, the harriers captured second place in the District meet. These five seniors are Gary Barba, Mark Hunter, Mike Benson, Bill Styron and Russ Ruby. These five runners will be sorely missed as Coach Shakleford goes for another winning season next year.

1. Runners Steve Hawkins and Jim Higgins pace one another to the finish line. 2. Cave Spring, Halifax, and E.C. Glass harriers wait anxiously for the start of the race.

HURLEY BREAKS SCHOOL RECORD

Cave Spring's Track team finished a disappointing season with a record of 1-5. The Cindermen were led by Seniors Mike Benson and Bill Styron, as they put in fine performances in the 880, mile, and two mile throughout the season. The Knights were also led by Junior Kevin Hurley who broke the school record in the pole vault with a vault of 12'9" and Senior Tim Gravely who also set a new mark in the 330 Int. hurdles, breaking his old record from the two previous years. The shot and discus were paced by Donald Barnes and Sophomore Greg Caldwell. The sprinters were dominated by Jeff Brown, John Walters, and Jim Butcher who all ran legs of the 880 relay team and closed within tenths of the school record. Other promising trackmen were Allen Bostian in the Int. Hurdles, placing fourth in the Cosmo and fourth in the District and advancing to the Regionals along with Steve Houchens who placed fifth in the high hurdles, Mike Benson and Bill Styron who placed second and fourth in the mile and Hurley who placed second in the pole vault and qualifying for State. Even though the Knights were lacking the experience, they managed to have outstanding performers.

RECORD BREAKING YEAR FOR GIRLS

The 1976 Girls Track team experienced a fine year in the way of setting new records and winning meets. The new records that were set were in the 80 yd. hurdles in which Jodi Caldwell set a new school record, with a time of 11.6 seconds, and also the 440 and 880 relay teams showed what they could do when they set new school records of 52.5 and 1:52.5 respectively. Senior Beth Wiesel had what could be her best year as she went undefeated and also set a new school record in the high jump with a jump of 5'1". These records, plus the fine performances of the other girls on the team to an outstanding record of four wins and one loss, third in the Cosmopolitan Track meet, third in District and also the team qualified thirteen girls to run in the Regional meet.

BASEBALL CONTINUES WINNING WAYS

As a result of good pitching and strong fielding, the Knight's baseball team posted an excellent 10-5 record this season. Starting off strong, the Knights hit a slump and lost 4 of their last 6 games. 3 of their losses were district defeats, pulling them out of the district championship race. A high point of the season was the 3-2 victory over Halifax, who was previously undefeated. Putting in their last season at C.S. were seniors Chuck Kinzel, Bruce Peschel, Brian Emery, Howie Burgess, Roy Lower, Tom Flanery, and Mark Kepley. These players will be greatly missed in the years to come.

PHYS. ED.: LETS YOU GET AWAY FROM IT ALL

The modular scheduling at Cave Spring, despite its bad points, also displays some good points as it made an outlet for students in which they could display their physical attributes in the many physical education classes available. Besides displaying their athletic ability, the students took part in recreational activities such as bowling, archery, golf, badmitton, and tennis. And so with these recreational and athletic classes available, it is possible for the students to have a change of pace and a form of relaxation during the school day.

FESTIVAL REPLACES MAGS

The SCA showed a little versatility this year with the advent of the Fall Festival. Students grateful to be away from selling "mags" gladly participated and worked hard to make it a success. "An Old Fashioned Christmas," the Winter Dance theme, ended up being a great way to begin vacation. Exchange Day, with the help of RVHSRC, and the always exciting Valentine Assembly proved to be of top quality exhibiting CSHS students at their best.

GET BACK TO NATURE

For the second consecutive year,
Cave Spring students have
volunteered to lead fourth grade
students on a nature trail at the
Science Museum at Cherry Hill.
During their own school time,
students go to Cherry Hill to show
and explain to the children about the
fauna and flora which are found
along the trail. The children as well
as the guides have an opportunity to
"get back to nature."

PEP CLUB — ALWAYS THERE

Promoting school spirit is what they do best and the year 1975-76 saw no slack in this most important duty of the Pep Club. If CSHS is involved so are they — be it football games, Winter Dance, or Klassroom Kwiz the Pep Club can be depended on to be there supporting the Knights all the way.

The Junior Varsity cheerleaders led by Susan Pierce and Lisa Price faithfully supported Junior Varsity teams and attended Varsity home games. "HAUNTED HOUSE"

The Varsity cheerleading squad headed by Nancy Neal, kept busy throughout the summer raising money for the following year. They can always be found at a bake sale, car wash, or selling ads for the gym bag. This year the specialty of the cheerleaders was the "haunted house" booth in room 127 at the Fall Festival. It was one of the more outstanding booths for it took six hours to set up. The money earned goes toward supplies and senior gifts. They also sponsored the Homecoming Dance which the theme song was "Brian Song."

February and March saw them traveling to Lynchburg where they received straight "1's" and to Stage Band Festival. Under the guidance of seasoned director, Bill Svec, the Marching Band for '75-'76 made a tremendous showing at all half-time football games. IN PARADE

2.

It seems that the key word for the 1975-76 Drill Team was 'involved.' Besides the important and talented halftime performances at football games, they traveled to Wake Forest where they earned a high rating 92 in competition, and in the Salem Christmas Parade they won the first place prize for the best entry. Besides all of this, the Drill Team, led by Bill Svec and Debbie Finney was invited to perform at a Radford College basketball game, as they did at a Cave Spring basketball game, a first for the Drill Team. Their performance was excellent and added much, as it does at all functions the Drill Team participates in.

ADMINISTRATION directs CSHS; FISHER-PRICE directs ADMINISTRATION

3

As the administration guides the students to their classes, Fisher-Price guides THEM to their offices. Morse code describes the new bell system installed at Cave Spring. The administration turned their ears to the specially coded "dings" of the xylophone. Besides their musical talents, Principal James Daughtridge, and Assistant **Principals Richard Tisinger and** Henrietta Goodall, also, display their abilities of leadership as demonstrated by our student body's actions. ("Except for that minute 2%!").

Schedules, scores, applications, and personal problems filled the time of our Guidance Department

this past year. Adjusting to High School and modular scheduling kept our sophomore guidance counselor, Ruth Hagen, constantly at work with these students. Junior counselor, John Millard, kept occupied figuring out class rank for the inquisitive juniors; also, making sure application deadlines were met for PSAT's and SAT's. Senior counselor, Faye Martin, worked diligently as she filled out the many college applications and recommendations dealing with the future of the seniors. Grace Draper, coordinator of the Guidance Department, made sure that the 1976 year came to a successful end.

1. Principal James Daughtridge takes time out from other duties to sign more papers. 2. "Hey it's the Fonz!" No, it's our own Mr. Daughtridge doing the Valentine's Day skit. 3. Assistant Principal, Richard Tisinger, takes a breather from signing requistions. 4. As the day passes, Henrietta Goodall confers with Mrs. Burton on her daughter's academic achievements. 5. Never a dreary day for Grace Draper as she finishes never ending paper work. 6. Counselor, Faye Martin, signs a hall pass for a visiting student. 7. Always smiling, John Millard is speaking on his pet topic SODA - to one of his members. 8. Schedules and more schedules! Ruth Hagen never seems to tire as she works with Gary Leftwich on his schedule for next year.

Unforgettable Moves of English Department

9

When thinking of an English department one usually thinks of English 10, 11, and 12; but, after last year you find that the list goes on, and on, and on. Research, minority novel, poetry, reading improvement, vocabulary, mass media, advanced grammar, tales and legends, public speaking, journalism, world lit, short story, creative writing, basic composition, humanities, speedreading, composition skills, contemporary prose, drama, and Honor's English comprise the offered courses at Cave Spring.

Faculty members in this department seem to be genius' in their field. Edrie Smith afflicted with the dreaded mono in the latter part of the year, missed the debut of the spring one act - "Winnie-the-Pooh." Grading essays and research papers filled the gain time of most of the teachers, as they groaned through the writing antics of students. Objectively looked upon, the 1975-76 year was a creative, imaginative, and unforgettable one for the English department.

1. Lois Bowers. 2. Callie Bowles. 3. Ron England. 4. Gary Goodale. 5. Pat Kelly. 6. Niki McCurry. 7. Whether relaxing or teaching, Dr. Pat Kelly is surrounded by her pet hobbie plants. 8. As pretty as a picture, Robin Sams shuts her eyes to this one while continuing a class discussion. 9. Able Ron England uses one of many expressions to answer a comment. 10. Fine and ducky, Dr. McCurry wonders if it is true that . . . 11. Polly McFarlane. 12. Helen Overstreet. 13. Robin Sams. 14. Edrie Smith. 15. Rose Townsend. 16. Norman Weinstein. 17. Returning after a bout of mono, Edrie Smith seems to be in a good mood. 18. Nonconformist Rose Townsend is one who grins and bears it. 19. Taking time out from Senior Sponsor duties, Polly McFarlane teaches a reading class. 20. Our beloved Norman Weinstein who won the hearts of all that met him, shows a devious smile; he also tries to decide where the papers should go, in the desk file or in file 13.

Moving On in Science

9.

The Science Department was filled to the brim with the many science courses offered at Cave Spring: Chem Study, Physics, Biology, Chemistry, Ecology, Anatomy and Physiology, just to name a few. Chem Study and Chemistry students learned that a "mole" is not a rodent, not a beauty mark, but the molecular weight of a substance in grams. Exasperated teachers felt that it took the entire year to teach this. The teachers and students went through the yearly ritual of silver nitrate experiments and resulting black splotches on the

face and hands. Mr. Pugh taught Physics classes the "Law of the Land" concerning motion, proportion, gravity, and so on. Ecology teachers and students "got into nature when they planted trees, took nature walks, and learned of the problems destroying the beauty of the outdoors. Biology and Anatomy classes were afflicted at the nose because of the "scentsational" developments when frogs and cats were dissected. Throughout the year, the Science Club busily prepared a greenhouse.

11.

Changes Enhance the Year

This past year, the Social Studies
Department experienced a change in
their scheduling. The history classes
performed under a different system.
The American History part of the
course was taken for 15 mods a cycle
for half the school year, as opposed
to an all year program. The second
part of the year was allowed for
other electives such as: Early
America and Civil War, Frontier
History, Modern America, and

Minority Groups. In Homerooms, the traditional surveys came around as the government classes again conducted their polls. Psychology classes carried on the year with more experiments and projects on human behavior. Projects, speakers, independent studies, and NO tests was the Sociology class as they discussed man's relationship to groups in society along with the social issues.

1. Class proceeds as Miss Wood goes over today's work. 2. As Athletic Director and part time government teacher, Mr. Wymer takes time to concentrate on activities. 3. COMMON **enumerators**

As the math classes continued, so did the common-everyday sayings of the teachers. One might not have learned all the math they wanted to, but they certainly will remember their teacher's famous lines.

"Come on you people!" "This concept will really blow your mind!" "To put it simply . . .!" "If you had a . . .!" "Pluck out the i!" "You're not borrowing, you're stealing!" "Math is like football, . . .!"

Some Teachers Are Always on the Move

12.

14.

15. 16.

Distributive Education and Industrial Arts classes produced such fine quality articles and became so knowledgeable of the machine age, that teachers - David Graybeal, John Tesh, Keith Morrison, and Jerry Salyer should be swell-headed from praise for a job well done. Whether on the manufacturing or distribution end, students and teachers were on the move. The scent of burned rubber marked the trail of car and range classes; courageous survivors were Wayne Hyatt, Jack Lindsey, and Garland Berry. As the wheels of the car turned, so did the wheels of the mind as Jack Lindsey told Driver's

Ed lectures of the whereabouts of a "thing-a-ma-bob!" Talented teachers of Physical Education brought out the talent of many students. Richard Painter with his Rec Sports classes raced through various activities, and attended the well-received skating "party" at the local rink. Sarah Sink came through again with a winning gymnastics team; Joyce Palmer worked through the Sophomore Gym Blahs with flying colors. Garland Berry busily moved from classes to basketball as he and Rudy Lacy had a great year with the team. Anything you wanted to know about sex - sex ed "pupils" learned from wrestling coach Odis Dowdy.

1. It is obvious that David Graybeal is wellliked. Just look at the board! 2. To project lessons, Mr. Tesh uses a projector. 3. As student eagerly waits, Keith Morrison looks over his project. 4. Learning New Languages

8.

The Foreign Language Department at Cave Spring included French, Latin, and Spanish offering fouryears of each one. Under the instruction of Mrs. Hosp and Mrs. Shafer, french students learned to properly say "Bonjour" and the procedures for making Christmas wreaths and ornaments. With Mrs. Todd's help, latin students could be proper slaves. Spanish classes demonstrated talents this year in playing Monopoly and Bingo and in creating different colored paper flowers. Both French and Spanish Departments participated in World Travel as a group of students from each language went to either France or Spain.

Typewriters, calculators, adding machines, and keypunch operators kept Mrs. Perdue and Mrs. Burch on their toes in our well equipped Business Department. With the advanced and modernized typewriters available, students learned how to properly operate in the Business World. Mrs. Self took her book in hand and carefully instructed students on how to survive in the business world with all its crazy "laws." The ways to stay in good with Uncle Sam was Mrs. Robbins' subject as she taught students how to maintain accounting books properly.

ELEMENTS

OF THE SENSES

Elements of Music strike the ears with tinkling notes and song.

Elements of Art touch hand and eye with use of color and of line.

Elements of Home Ec thrill mouth and nose with tastes and scents that linger long.

Elements of Library move the eye with comprehension of the mind.

In the music department, Ms. Ammen did well with choir and flew through Regional's competitions, the Christmas Concert with VWCC, the Winter Concert with student performers, went on tour, and to the Choir Festival, all with honors. As the instruments played, the honors

were won as William Svec directed his band to their many performances at Regional and State concerts. The Art Department's guest speakers and demonstrators added much to the year's experiences. In all her classes, Mrs. Curd remarks, "We have learned to get filthy dirty in the art room." New shelving created by Tom Dunford and Scott Mustian added a new look to the art room. Home Economic's students ripped away in sewing classes, and caused many mouthwatering mods when Food Management class acquired the art of cooking. In the Library, Mrs. Peschel was busy keeping her eye on audio-visual equipment while Mrs. Carter watched over the books.

1. Cassy Ammen - Chor., Theo. 1, Music App., Mix. Choir, Bas. Guitar. 2. William Svec Band 1 - 2, Theo. 2, Stage Band, Wood, Percus., Brass. 3. Diane Curd - Adv. Art, Paint., Ceram., Sculp. 4. Lynn Mooney - Art, Crafts, Draw. 1 - 2, Sculp. 5. Words cannot describe the mood set by Bill Svec. 6. Infinite talents lead Ms. Ammen to the piano. 7. Imagination expounds as Mrs. Curd works in ceramics. 8. Caught with evidence Mrs. Mooney washes it away. 9. Esta Catron -Food Manage., Home Furn., Fam. Living. 10. Dana Markham - Cloth., Home Crafts-Making. 11. Lynn Carter — Librarian. 12. Maxine Peschel — Audio-Visual. 13. Design is the key to Mrs. Markham as she helps Laura Price. 14. Clean is a must as Mrs. Catron explains washer. 15. Mrs. Carter orders books. 16. Girls inquire about a projector.

13.

as Carlene Lacy kept the books as well as the students in order. If there was ever any typing or copying to be done, Mary Lotts was always there to see that it was done. Juanita Mastrangelo kept all the books and supplies up to par as she worked in the book store each morning. The distribution of make up tests and any of the exciting reading books our English teachers assigned this past year was handled by Rose Marie Morra in her most important area of the school, the English Lab. These people helped in a great way to make our past year a little easier.

4.

1. While drawing more posters for school spirit, Mrs. Bostian receives help from Dennis Price. 2. The little lady behind the big cart is no other than Becky Hall. 3. Always ready to help, Mrs. Morra continues to keep the English Lab in top shape. 4. Taking a rest from reshelving books, Mrs. Lacy awaits the conclusion of this day. 5. The needs of all students are met as Mrs. Mastrangelo sells supplies at the book store window. 6. Typist and memeographer, Mrs. Lotts marks off another set of tests to run off. 7. The Attendance Office runs smoothly as Mr. Hawthorne takes control of the tardy students. 8. As the year passes, Mrs. Hawthorne continues to add more scores to the student's record. 9. Caught in the act, Nancy Carroll must now face Mrs. Bostian's charges.

192 — FACULTY

Help! I need somebody . . . not just anybody - These words from a Beatles' song were answered in reality by those - behind the scenes: secretaries, bookkeeper, cafeteria workers, maid and custodians have carried their share of the load and more. All outdid themselves this past year. Sara Allen took on the responsibilities as head secretary with determination. In the attendance office Evelyn Jones took care of attendance records, and checked students in and out throughout the day. Guidance office secretary Christine Lewis went through piles of paperwork daily so as to give guidance counselors more time to counsel.

The math genius of bookkeeper Mattie Miller kept the school budget running smoothly and helped out immesurabely with club doughnut sales. King and the gang — alias Elsie King, Edith Meador, Eleanor Robertson, Lotti Barnes, Hazel Cochran, Lucy Farmer, Frances Poff, kept tastebuds happy and tummy quiet with fantastic lunches prepared daily. In the school system Cave Spring's cafeteria personnel are acclaimed the best in pastry. Cleanliness is the key word to CS custodians. They have done a great job keeping the school spotlessly clean. Cave Spring High was really lucky . . . to have - YOU!

1. Messages never cease. Sara Allen gets them all together for Mr. Daughtridge. 2. Efficiency is the key to Mattie Miller's success as bookkeeper. 3. Taking a breather, Christine Lewis rests from preparing class ranks. 4. The attendance office remains intact as Evelyn Jones looks over absentees. 5. Always smiling, Elsie King runs both the kitchen and the cash register. 6. Work is always more fun with company, so Annabelle Barnes, Eleanor Robertson, and Lucille Farmer prove. 7. Take a trip along the lunch line with Hazel Cochran and Darhlene Holland. 8. The water is hot. says Frances Poff. 9. Custodians, Miles Lotts and Dave Dalton enjoy the food. 10. A time for work and for rest. Ernestine Hairston sweeps the halls; while George Meador takes a coffee

MOVE ON

2

As the Senior class got closer to graduation, their minds drifted back to their younger days and their elementary friends and teachers. They started counting how many years they had known their best friends. They began to realize that during their last few days at school they may see some of their classmates for the last time. The long awaited dream had become a reality! Many faced their final move at C.S. with tears, some with relief. and some with mixed emotions. But, the class of '76 have left knowing that they will never forget their years at CSHS, for good or bad, they were "THE TIMES OF THEIR LIVES."
