PRESIDENT'S MESSAGE

It is a real privilege to be chosen as your president. I look forward to working with you. Our January 17 meeting was an inspiration with more than 50 in attendance. We hope it was our program entitled, Back to the Basics in Genealogy. Miss Claudia Geiger, our speaker, distributed basic charts, Individual and Family Group Sheets, Pedigree Charts, and United States Census Summary Charts.

Our February 21 meeting will have a speaker from Sons of the Confederate Veterans (SCV), who will distribute forms and tell us how to locate our Confederate ancestors who fought in the Virginia Regiments during the War Between the States. Plans are being made to put these in print. To contribute information write Harold E Howard, 808 Sanhill Dr., Lynchburg, Va 24502.

Thanks to all of you for sending your memberships renewals so promptly and we welcome all new members to our society.

Notice on your VAN cover the twenty-nine counties from which we try to include records. If you have records from these counties, and would like to share with others, please send to Mrs. Fowler, the editor of VAN.

We want to serve you better and reach out to those of you who are far away. Write to us any suggestions that you have.

Belva M Counts, President

GENEALOGIST'S CODE OF ETHICS

(We have seen this in several of the exchange quarterlies that we have received and thought that our members would like to read it. No comments are necessary. This is from Midwest Historical and Genealogical Register, Wichita, Kansas.)

In order to protect the integrity of public records and library books, I am ethically bound and hereby agree:

1. That I will treat with the greatest care and respect all records and library books which may be made available for my use.
2. That I will speak with courtesy to all employees of a vital records office, or of a public library book, when requesting to see any vital record or library book, and that when finished with such record or book, I shall express my thanks to the person attending to my requests.
3. That I will not tear, erase, mark, or remove any public record or library book, and will refrain from mutilating, defacing, or otherwise destroying any part of such public record or library book.
4. That when I have finished viewing any public record or library book, I will return it to the proper or designated place.

This pledge is freely made by me upon penalty of forfeiting my membership in this Society.

Great Valley Patriots: Western Virginia in the Struggle for Liberty, and The Lexington Presbytery Heritage.

These books, documented and indexed, feature the part played by the people of the Appalachian Mountains in the struggle for human rights and religious freedom. A great deal of that frontier, reaching from Fort Pitt to the western claim of Kentucky County was in Virginia. Its counties numbered sixteen, three of which became states. A leading eastern patriot, though aware of their oft-heralded individualism and unorthodox style of fighting, said they were "nobly contending for liberty."

The regular prices of these books are \$15.00 and \$8.50. The discount sale of 1/3 to 40% off is made to pay tribute to the frontier freedom fighters who were, according to Sir Henry Clinton and Cornwallis, a major factor in the patriots' Southern Campaign victory.

"Boone Genealogical Quarterly," Vol. III, #1, Jan. 1980:.....An armchair genealogist is a different breed from the people who travel and do research. We are always looking for that very important letter or book which give us a clue to our ancestors, while the person who travels is not only finding new information, they are having the thrill of seeing where their ancestors actually lived. Whatever your mode of research is, I hope you will continue to write those letters, share the bits of information and enjoy your family roots. The information I have and do not share is useless to me and to my fellow genealogist, because without comparing notes we sometimes overlook our best clues and miss out on a lot of family history.

MY DEAR EMMA

(War Letters of Colonel James K. Edmondson 1861-1865)

Edited by

Charles W. Turner, Ph. D.
 Professor of History
 Washington and Lee University

"My Dear Emma is a volume of life and war letters to his wife of Colonel James K. Edmondson, an outstanding figure of Lexington, whose life spanned across the 19th century. Everything he did well, even the letters were models of penmanship and a delight to read. His concern for his family and his good works of the area bespeak of a noble and able person." PREFACE

James K. Edmondson was born February 11, 1832 at "Savernake" farm two miles southwest of Buena Vista. His parents were James and Margaret Edmondson. In 1857, he married Miss Emily (Emma) Jane Taylor of Staunton, daughter of Mr. and Mrs. James Taylor. Emma's sister, Laura, married Albert Marshall Moore and died very young, leaving two little girls, Mary, age 5, and Frances, age 3. James and Emma Edmondson had no children of their own and raised the two girls. Frances married Paul M. Penick; and Mary married Edward Robinson. One grandniece, Miss Mary M. Penick, gave the 139 letters to the Rockbridge Historical Society in 1956, and the other Penick sister, Mrs. Frederick Pearse, supplied illustrations for the text of this book.

Edmondson's letters, beginning April 19, 1861, were regular and detailed of the happenings of the Confederate Army. The last war letter was May 4, 1863 written to Emma by L. C. Vass, Chaplain 27th Virginia Infantry, informing her of her husband's loss of his left arm in the battle of Chancellorsville. This would necessitate his retiring from active service and returning to Lexington where he would do his part for the war effort from there. When he returned to Lexington in the summer of 1863, he was made commander of the Military Post at Lexington. James K. Edmondson was surely one of the outstanding Lexingtonians of his day. He had been a soldier, politician, judge, business man and loyal servant of his alma mater, Washington and Lee University. He passed away March, 1898, and his funeral was held at the Lexington Presbyterian Church where he had been a deacon for many years. The Pastor, Dr. Thornton Whaling, conducted the service, and his remains were placed in the Stonewall Jackson Cemetery, as reported in the Lexington Gazette, April 6, 1898.

The book has 151 pages, hard cover, index, footnotes and illustrations. A gift copy from the author to the Southwestern Virginia Genealogical Society has been placed in the Virginia Room of the Roanoke City Public Library. A copy may be ordered from Professor Charles W. Turner, Washington and Lee University, Lexington, Virginia 24450. The price is \$8.00.

THE LAST WORD

Now if I can think of everything I thought of while putting this issue together. We have finished Vol. I of the Botetourt Co. marriages in this issue. There are other volumes -- should they be published the same way or be condensed just to names of groom, bride, parents & date. Express your opinion?

Again -- PLEASE send ~~cards~~ of addresses as soon as possible. Postage is eating us up. I know at times it is our fault and we pay (occasionally the handwriting is hard to read). We are trying to send out post cards to those who quarterlies are being returned. At least the cards will be forwarded. If you know of a death of one our members, let us know. Many of you I have written to and feel like I know -- even some are "kissin' Kin" -- and we would like to put a notice in the VAN. We correspond with people and then no answer -- what has happened. Of course, sometimes they are like me -- to busy to answer my own personal letters.

WHO WAS LIVING IN THE TOWN OF ROANOKE IN 1882? If you know, help us. Roanoke will be celebrating its 100th birthday in 1982. We would like to have a list of the people who were living here in 1882 and, if possible, INFORMATION on them. The leaders of the community are usually easy to find out about, but how about the "common" folk? We might not be able to publish all material we will obtain from you all, but it will be placed in the Virginia Room of the main Roanoke City Public Library. We will especially need the help of all our local people to aid in the research! Send any material you have to Mr. Marvin Neighbors, 3817 Vermont Ave, NW, Roanoke, Va 24017.

GUIDELINES FOR VIRGINIA APPALACHIAN NOTES

Material for publication:

1. Please type, if possible, on 8 $\frac{1}{2}$ x11" paper, single space, with minimum margins of 1" on all sides and headings patterned on those in this issue. PLEASE use a dark ribbon and CLEAN keys, mail in large manila envelope if ready to publish. If handwritten, please write plainly or print. If you feel you cannot type well, please type the material with double space. Please read the material over before sending it and check all dates.
2. Give source of material. Original documents - where found, type, number of page, etc. We cannot print material from printed source unless we have permission from the author.
3. Deadline for submitting material is the first of the month previous to the month of publication.
4. Material contributed will not be returned unless accompanied by a stamped self-addressed envelope.
5. We welcome all family histories (may have to be edited due to space) copies of court records, Bible records, etc. That little bit of information may be of help to someone. Of course, we cannot promise next issue publication.
6. On family histories, our policy is to print prior 1900 -- much as we would like to carry forward the modern day generations - it uses too much space.

NOTE: We cannot vouch for the accuracy of the material submitted to us or that the "translation" of the original document is true. If you have read such material, you can understand.

QUERIES:

1. Unless queries are to be used as fillers, submit one at a time. Since this is a quarterly, queries not used when originally submitted may become dated and of no value to the writer.
2. All material should be sent to Mr J V Avery Jr, PO Box 2154, Roanoke, Virginia 24009.
3. Be sure your query makes sense. Don't abbreviate (we will) or over simplify. If longer than 50 words, we will edit.
4. Queries are free to members. To nonmembers the cost is 5¢ a word -- does not include your name and address. Limit of 50 words. We will try to get all queries in as space permits.
5. Please put queries on a separate sheet with your NAME and ADDRESS when enclosing with other material. Some queries have been lost along the way because of being included in the body of a letter. (NOTE: this applies to other requests as well.)

+++++=====+++++
REQUESTS FOR RESEARCH: Our research is made in our library. NO One should ask for material on John Henderson of Virginia -- we need dates, county (area) --give us something to go on. Remember early Virginia went to the Mississippi River - later included Kentucky, West Virginia, part of North Carolina, Tennessee, Maryland, and Pennsylvania (disputes over the boundaries). So when you say John Henderson was born in Virginia ----designate,-parents, children and who married who. Please remember that the research is done by volunteers and therefore is limited, it cannot be a comprehensive research. Also - please enclose a self addressed stamped envelope (SASE)
