SOUTHWESTERN VIRGINIA GENEALOGICAL SOCIETY

Spring, 1992

Dear Fellow Members:

We have had some exciting programs at our meetings this year, and our May meeting will be no exception. We will be traveling to Floyd County. We will be meeting at the Floyd County Courthouse, having lunch together, and then meeting at the library. You will have a special opportunity to tour the Courthouse and find out what is available there. You will be receiving your notices soon.

We have recently purchased some Vital Statistics records for the Virginia Room and we have authorized the librarian to investigate the purchase of others. New census records have been ordered. We are now investigating the possibilities of helping with the preservation or restoration of some area records. All these things will, hopefully, make our efforts more effective.

At times, we receive research requests from our more distant members. We hope you will understand that we do not have anyone from this organization available to do individual research on behalf of the organization. The best we can do is to send you a list of individuals who are willing to do this type of research. We hope you understand when you receive this list.

The requests for back issues of the VAN have been so great that we are now out of some issues. If you have more requests, please get them to us. We cannot guarantee how long we will have some issues available.

As summer and vacation time arrive, our monthly meetings take a vacation, also. Please remember that we do not meet in June, July, or August. Have a safe and fun-filled summer.

Sincerely,

=====

NON-DELIVERY of issues must be reported within one month after the quarter within one month after the quarter they are dated if the publication is to be replaced free of charge. Issues termed undeliverable by the Post Office due to late notification of change of address will be re-mailed after the fee involved (\$2.00) is paid. The \$2 is for returned postage and mailing.

Reports of Cases Decided in the
SPECIAL COURT OF APPEALS OF VIRGINIA
During the Years 1856 and 1857
Volume II

by John M Paton Jr and Roscoe B Heath

This volume is found in the volume "Virginia Reports Annotated", which will be found in a Virginia Law Library. The page numbers are also taken from the same volume. The genealogical information varies from none to a great deal or just one fact that will be what you need to place a person in a certain area. The cases are mainly concerned with points of laws - the information on the case itself may be limited or in great detail. The material can be very interesting or very boring, as anyone who has read trial cases can tell you.

HOW TO GET COPIES OF BOOKS

You go to University Microfilms, 300 North Zeeb Road, Ann Arbor, Michigan. They will give you the quote as to two prices -- if you want it on microfilm, or you want hard (Xerox) copies. It is generally cheaper on film. Because you have the card now (from the Library of Congress) and you can order it now, for you know five basic things: The title, the author, the date published, the publisher, and the city.

If you want a portion of the book, you might write the Library of Congress Photoduplication Division, and see if they would do that chapter, or a few pages, or the page, that you wish.

If perchance it is one of those rare books they don't want to mess with because it is not enough money for them, you write to that special firm in Wooster, Ohio, called Bell and Howell. You go to University Microfilms first, the biggest. But sometimes some records, some county histories, some directories you want that they won't have, but they may have in Wooster, Ohio.

.....
Did you realize there were more histories printed in the 1800s than the 1900s? That was the first centennial in America. Everybody who was anybody published a family history. It may have been ten pages, but it was published.

LETTER FROM BRANCH O. MORGAN TO HIS WIFE AND CHILDREN

63

Camp Two Mile
Kanawha County, VA
17 September 1862

My Dear Laura & Children:

Your very kind and acceptable letter came to hand on yesterday Evening I was truly glad to hear from you and that you were improving in health. I received a letter from Capt. Johnston with yours. I also received a letter from Captain Duncan on the day we left Red Sul Springs and have never had a chance to write to him or any one since until now. We have had a hard time since we left Packs Ferry on the day of the fight at Fayette C.H. we marched 18 miles and went into the fight with Maj. Tyler we made force march and travelled 20 odd miles we killed near a hundred Yankeys and wounded as many the Yankey prisoners say that we killed over one Hundred we buried before I left Fayetteville fifty-nine Yankeys we drove them from the wood soe the Yankeys have lost property by Burning & what we captured from three to five Million Dollars worth we captured a fine tot of comysary stores at Fayetteville & a large tot of Qtr Master stores & Hospital stores we have captured over five Hundred Wagons & some Horses. I don't know how many we also captured a quantitiy of stores at Gauley Bridge & Charleston. We have stoped for a fue days at Two mile creek below Charleston about two miles for a fue days to rest the Troops. Gen. Lovings Head Qtrs is at Charleston. In the fight at Fayetteville we lost killed eleven, three out of our Regt., none out of our company we had forty nine wounded one of them died before I left I staid there one day after the fight. I did not go to the Bridge. I crossed at Montgomeries Ferry and Eat Dinner with old Uncle Billy Rigg. Morris Harvey & I was together we then went down the River with Henry Rigg in a Hack. Morris staid with His sister Nancy Huddleston & I staid With Henry Rigg in sight the next day I left Morris and went to Henry Stowers twenty one miles & I left the Road and went up Kelleys Creek at Wm Tomkinse & took a Yankey Prisoner and delivered him at Charleston. The last we heard of the Yankeys they were on the other side of River still Running and the Cavalry after them. There was sad havoc among them at Charleston. They cut down the suspension Bridge at Charleston though we soon made a bridge with flat Boats and crossed after them. At the Yankey camp above Malden they--burned six of their wounded men in their comysary store I stoped and looked at the Bodies they also threw a great many in the River. As it regards crops. There are very fine crops on the River and I am told that the wheat crop was fine we have the large steam mill Running at Charleston. I staid with Uncle Billy Miles all night at Fayetteville they were all well. C. H. Paddleford came into the company today they missed him on the retreat from the Bridge.

Branch O. Morgan's Letter

There are but three of four houses at Fayetteville that can be repaired. Our little Brick all the front is torn out and the floors and they made a stable of it. They stabled horses in Jas Phillipse's Hotel, Judge Bailey's House, the Montgomery House and the old Sturgeon House. Gipson Janel's House is torn all to pieces Phillip's new house and John Joneses Mansion & Stileses are not much injured. My shop is not much hurt twenty five Dollars would fix it. Mansers store is all to pieces and chimneys put to Mansers stable. They burned the Methodist Church and used the Baptist Church for the sick they were strongly fortified at Fayetteville. I herewith send you a letter from Tyrssa that Mrs. White Gave me as I passed I also saw a letter from Milton to Harrison they were all well and doing well. I also send you Ten Dollars & will send you more in a short time. I don't like to send it by the male. It is very Hot Here and the water very bad we have to use River water.

Give my respects to all my friends--I will now close by subscribing myself your devoted Husband & Father until Death.

Genealogical Hint

For those who are just starting to research their family, remember that your surname was not always spelled the way it is today. There is no name that hasn't been spelled more than one way. I have seen a deed that was a half page in length and the man's name was spelled 3 different ways. Most names were spelled by sound. If a person had an accent - a name would be spelled by the way the clerk understood it. Some names were changed completely from one nationality to the English version - especially in Virginia. And that is done today. So go by sound more than the "correct" spelling.

LEE COUNTY, VIRGINIA

1870 MORTALITY SCHEDULE

When the census was taken for 1850, 1860, 1870, 1880, the census taker also had a form for the deaths for the past year - June 1 to May 31. This schedule was not microfilmed with the census record. In the 1930s(?) the Census Bureau offered the schedules to the various state -- some states accepted them, those that did not, their schedules were given to the DAR in Washington, DC. The schedules for Virginia are at the Virginia State Archives. (The 1870 schedules for Virginia were Microfilmed and there is a copy at the Mormon Library, Roanoke, Virginia)

Columns: 1. Number of the family as given in the 2nd column of schedule. 2. Person who died. 3. Age last birthday. 4. Sex. 5. Color: white, black, mulatto, Chinese, Indian. 6. Married or Widowed. 7. Place of Birth - state or country. 8.-9. Parentage: 8. father of foreign birth, 9. mother of foreign birth. 10. The month in which the person died. 11. Profession, occupation or trade. 12. Disease or Cause of death.

BEWARE!

These are a few of the books that are not true genealogical books - they take your money and send you a list of names. The names below are several years old - some have changed their names, others still doing business. Before ordering a book with a surname only, write asking for information on which branch of the family it is, where the family came from, etc? The ads that I have seen will state the given name of the ancestor, where the ancestor lived and some of the allied lines of the books.
