Dear Fellow Members,

Summer is almost over. I hope you all had a wonderful one. In my last letter I mentioned that my husband and I were off to England to visit my second cousins, found through my genealogy work. We had a wonderful time!! One cousin lives in Dorset and we explored this county from top to bottom, literally. Then it was off to Kent, home to my ancestors. We saw old friends, family and visited new areas of the county.

With this issue, the Society launches its first publication. Many of you are familiar with Charles T. Burton's work in Botetourt County. In **Botetourt County, Virginia, Early Settlers** he indexed early land transactions he found during his research. Between 1740 and 1795 Botetourt County included land that later became part of other Virginia counties. Full details and an order form can be found on the last page of the VAN. If you have interests in this area, this book is for you.

I recently learned that the website, www.genealogy.com has the 1900 census with a head-of-household index on line. It is a pay-for-view site but you can subscribe for as little as one month. I have not used the site yet but, if you have need for the 1900 census, a one-month trial would be worth a shot. I have had some great results using the Ellis Island records site at www.ellislandrecords.org. A family story had my great-great grandfather coming from England to the USA for a visit. Searching the site I proved that he did come in 1898 and the original passenger list image, available online, showed he was going to Toledo, Ohio to visit his son.

Finally, and I hate to bring this up again, election of Society officers will be coming in November. Please, please consider offering to serve. Many of the current officers are doing "double duty". We need help. We can't continue to carry the load by ourselves. If you live in the Roanoke area please consider giving just a little time to the Society so that we can continue to function.

Happy Hunting,

Karen Kappesser, President

BOONE CEMETERY

On Route 11 in Shawsville, going towards Roanoke, turn right on Boner's Run Road (road #609) for about 3 miles. This road then veers to the left and the name changes to Boone Road. Travel about .6 mile until you see a steep path up the hill on the left. The cemetery is at the top of the hill. For clarification, I have added the words that appear in parentheses, all others appear on tombstones.

SURNAME INDEX 2001

There are three steps involved in contacting the person who submitted the surname you are interested in.

1. In the "Surname List" identify the surname you are interested in and note the reference number to the left of the surname.
2. Locate the reference number in the numerical listing of members. There you will find the name of the member submitting the surname.
3. Look up the member's name in the Society Membership Directory. There you will find the member's contact information.

The Surname Index is designed to help you identify other members researching the same surnames you are. Dates and places are provided to help you determine whether or not this is family you are interested in. Keep in mind that all dates are approximate. We try to proof read all of the information, but mistakes can "sneak in". We apologize for this. Please let us know if you find any. Contact Karen Kappesser, 514 Scalybark Drive, Blue Ridge, VA 24064; phone: (540) 977-0067; e-mail: gkkapp@roanoke.infi.net

Note from the surname list editor: This year, in keeping with the instructions on the renewal form, everyone's entries were limited to six (6) surnames only. All surnames noted as "additions" on the form were added, corrections, where noted, were made and older, extra surnames were deleted keeping the total to six (6). Keep this in mind for next year's list. If you wish to change any or all of your surnames, please indicate which ones to the editor.

HAPPY HUNTING!!

REVIEW EARLY RESEARCH

If you've been researching your family for a while, go back and look at your earliest research. You might find what I did:

- Some holes in my research that I didn't notice because I was new.
- Some good leads that I didn't notice because I was new.
- Some information right there in my documents that I didn't notice because--yup, you got it--I was new.

That early research looks a lot better now that I took a second look and filled in some blanks. And I have some clues back another generation--and here I thought it was a brick wall.

GENEALOGICAL QUERIES: Each member is entitled to one (1) to three (3) free 60 word query (does not include your name and address) per issue as space permits. The typist will not compose queries for you, so please make your query as clear and specific as possible so that others can understand them and have a chance to help you. Each query should include name, dates, and location to identify the problem. Please CAPITALIZE surnames - is it Mary Smith JONES (single) or Mary SMITH JONES (maiden & married name). Do not abbreviate, we will. If not typed, please PRINT — some written queries we have not been able to read. Queries for non-members are 5¢ (cents) per word not including your name and address. Queries must be received prior to the 1st of the month preceding publication.

FAMILY REUNION, PUBLICATION OF BOOK, NEWSLETTERS, ETC.: Limited to 60 words, not including your name and address. We cannot edit a full page down to 60 words — so send the notice as you want it printed. These notices will be put in as space permits. Members will be given priority in publishing these notices.

MATERIAL FOR PUBLICATION: We welcome articles, records, etc. for publications. The material when received may not be used in following issue, but in a future issue. If a large amount of material is sent, it may take a while to publish because we try to have a variety of material in each issue. (1) **READY FOR PUBLICATION** (*which the editor loves*). Please type using a carbon ribbon or dark ribbon and CLEAN KEYS. Use 8 1/2" x 11" paper, single space, with a minimum margin on ALL sides of 1 inch. Center your title. Be sure to include your name, address, and date (year) on the document. If not typed for publication, please PRINT PLAINLY — some articles that have been hand written we have not been able to read, or those that are typed with all caps are difficult to read. PLEASE read material over before mailing and double check all dates. (2) **GIVE SOURCE OF MATERIAL.** Original documents — where found, type of record, page number, etc., or, if known, who now has the document in their possession. We CANNOT PRINT material from printed sources unless we have written permission from the publisher, which you MUST FURNISH. We must have source of material to give credit to the person who has done the work. (3) **DEADLINE** for submitting material should be at least two months before date of publication. (4) **PLEASE** do not send material that you want returned — send a photocopy to us instead. That way it won't get lost, as letters do get misplaced, when passed from one person to another.

SURNAME INDEX: Information will include name (given and surname), place (location at time of date), Date (birth, death, marriage, or where living at the date given). "WASKEY, William Christopher - Montgomery Co, VA - 1900-10 death" If this data takes more than one line or the spouse is included on the same line, it will count as two names. The limit is 10 names. The surname index is published in the August issue.

VAN cannot vouch for the accuracy of the material submitted to us and printed by us. The 'translation' of the original document may not be correct — get a copy of the original document, if possible, to see if you agree with the printed version.
