SOUTHWESTERN VIRGINIA GENEALOGICAL
SOCIETY, INC.

The final Board of the Southwestern Genealogical Society would like to thank all of the many members who have contributed their time, talent and treasure to the society over the years.

Jim Nelson, Membership Chairman; Karen Kappesser, President; Pamela B. Young, Vice President; Don Vaughan, Treasurer; "Babe" Fowler, VAN Editor Emeritus

As the final Editor of Virginia Appalachian Notes, I would like to reserve the privilege of dedicating this last issue to my mother, Lois Rice Blankenship. She first taught me the love of reading, then she taught me the love of research. Although she invested thousands of hours in researching her own genealogy, she always had time to help others find their own family roots. I know she is rejoicing in heaven with all those she knew so intimately from her research.

Botetourt County, Virginia Death Records by Charles T. Burton - continued 151

Southwestern Virginia Genealogical Society, Inc.

P. O. Box 12485
Roanoke, Virginia 24026

Dear Fellow Members,

Well, this will be the last President's letter that I write. It's hard to know what to say. I am sorry that the executive board voted to suspend the operations of the society but there was no other choice. It is my hope that some interested people will step forward and restart the society. For the present we plan to maintain the bank account and continue to pay the yearly state corporate fee to keep our corporate status. Who knows what the future may hold.

Our intrepid VAN editor has somehow managed to copy the rest of Charles T. Burton's *Botetourt County Death Records* book two pages to one page for the final issue of the VAN. And it's readable!!! However, there are too many pages to print as one issue. Consequently, the final issue will be split in two, this being the first issue with a supplemental issue to follow on its heels. We felt it was important to finish this book that we started some years ago. Hopefully, you won't mind that there is no other material in this issue.

Finally, the Burton book sale was a success, in my opinion. We sold 16 books to members all across the country. I was happy to see that members outside the Roanoke area had access to his work. I'm sure it will help them in their research.

Thank you for allowing me to serve as your President and Happy Hunting,

Karen Kappesser, President

GENEALOGICAL QUERIES: Each member is entitled to one (1) to three (3) free 60 word query (does not include your name, address and e-mail address) per issue as space permits. Please make your query as clear and specific as possible so that others can understand and have a chance to help you. The queries will be printed exactly as submitted. Each query should include names, dates, and location to identify the person or persons you are researching. Please CAPITALIZE all surnames including maiden and married names. Do not abbreviate, we will do so if necessary. If handwritten queries are submitted, please print legibly. Queries for non-members are 5 cents per word, not including your name, address and e-mail address. Queries must be received prior to the 1st of the month preceding publication.

FAMILY REUNION, PUBLICATION OF BOOK, NEWSLETTERS, ETC.: Limited to 60 words, not including your name, address and e-mail address or website. Send the 60 word notice as you want it printed. These notices will be printed as space permits. Members will be given priority in publishing these notices.

MATERIAL FOR PUBLICATION: We welcome articles, records, etc. for publication. The material may not be used in the issue following the date of submission but in a future issue. If a large amount of material is sent, it may take some time to publish because we try to have a variety of material in each issue. (1) **READY FOR PUBLICATION** (which the editor loves). Use 8 ½ X 11 paper, with a minimum margin on all sides of 1 inch. Center your title. Be sure to include your name, address and e-mail address. PLEASE read material carefully before submitting, double-check dates and use "spell checker". If you wish to save the cost of postage, articles for publication may be e-mailed to the editor or The Virginia Room. Photos to be included with your submission may also be e-mailed, most formats can be accommodated. (2) **GIVE SOURCE OF MATERIAL.** Original documents - where found, type of record, page number, etc. or, if known, who (or what facility) now has the document in their possession. We CANNOT print material from printed sources unless we have written permission from the publisher, which you must furnish. We must have the source of materials to give credit to the person who has done the work. (3) **DEADLINE** for submitting material should be at least two months before date of publication. (4) **MATERIAL WILL NOT BE RETURNED.**

SURNAME INDEX: Information will include NAME (given and surname), DATE (birth, death, marriage or where living at the date given), PLACE (location at time of date). If this data takes more than one line or the spouse is included on the same line, it will count as two names. The limit is ten names. The surname index is published in the Summer Issue.

Virginia Appalachian Notes cannot vouch for the accuracy of the material submitted to us and printed by us. The "translation" of the original document may not be correct - get a copy of the original document, if possible, to see if you agree with the printed version.
