STAIRWAYS TO SUCCESS

As the school year draws to a close, I want to tell you how proud I am of all your accomplishments in all areas of your school lives. It appears to me that we are very fortunate in having a student body with so many talents. Especially we would like to thank those boys and girls who brought special recognition to our school. Finally, a special thanks to each of you for your co-operation and pride in Northside Junior High. This is what makes us a special school.

Affectionately,

Hal Johnston
Principal

FULL ATTIRE-The display case was decorated by the CONSTRUCTION, MANUFACTURING and HOME EC. classes for the Christmas season. They did very well.

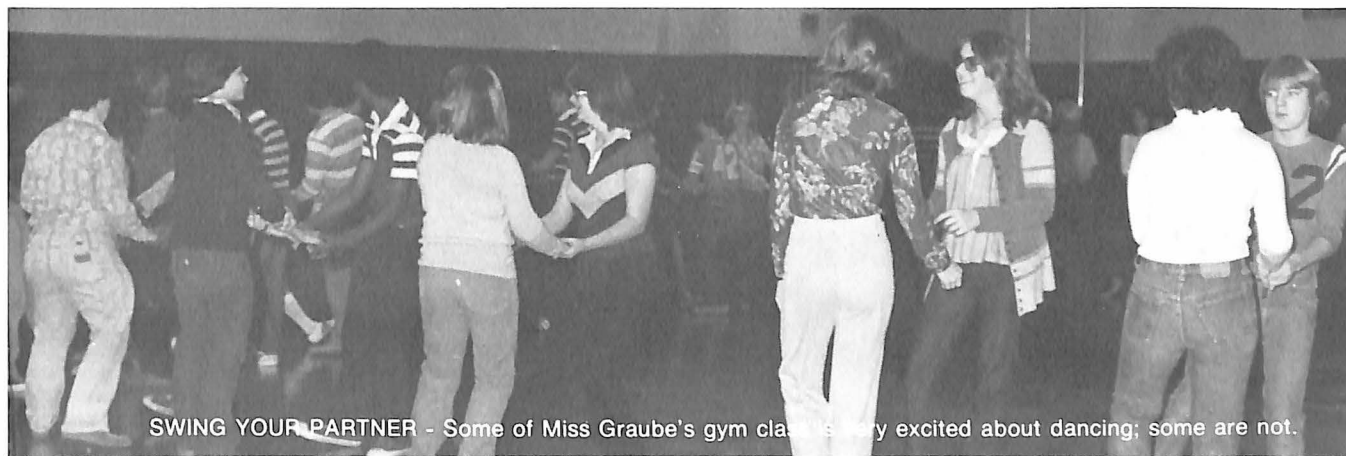

Mrs. Edmondson is the math tutor 6th period. She is shown here tutoring Dan Blanchard. The tutor toom is available for anybody to go and get math help. Also math teachers can send students there during their study hall to take make-up tests.

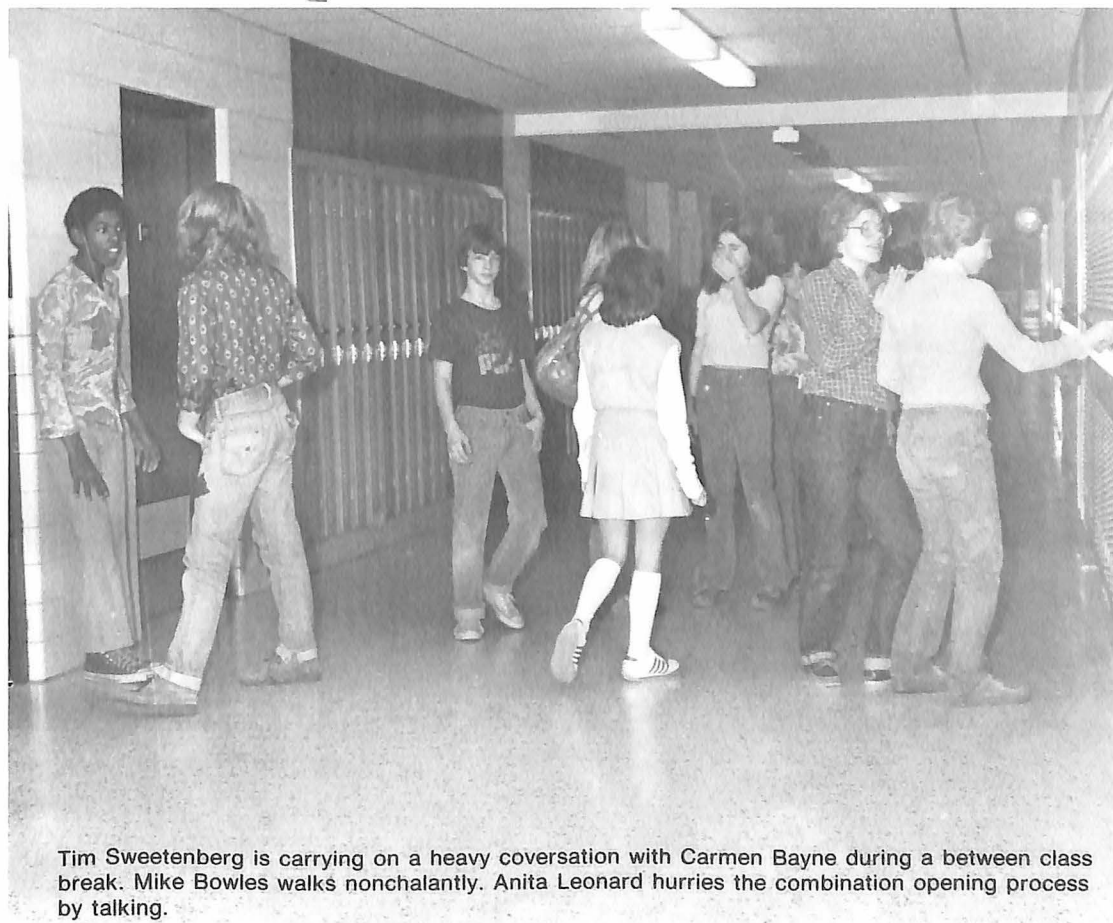

WE'RE NUMBER ONE - This is the float our school's SCA made for the high school's homecoming parade. It won first place. Toni Rogers and Maria Ellis are very excited about it. Mrs. Morris supervises.

NORSEMEN BAND

This has been an eventful year for our band. During home football games they provided moral support to all who attended.

Christmas brought excitement as the band gave two concerts at Glen Cove and Mountain View schools, in addition to an assembly given at our school for 7th, 8th, and 9th grades.

In December three people made All-Regional Band. They were Stephanie Anderson, oboe; Kim Vandergrift, trumpet; and Becky Beavers, french horn.

They had their concert in January. Mr. Spiers was nominated for president of the Virginia Music Educators Association.

In February All-County Band was held at William Byrd High School. Twenty students from Northside participated. In March Northside's Festival Band participated in District VI Instrumental Festival. It was held at Cave Spring High School.

The Northside band performed for various elementary schools. These concerts were played in the Spring.

On Saturday, March 4th, the NJH Festival Band participated in the District VI Instrumental Music Festival hosted at Cave Spring High School. Over 63 bands from Southwest Virginia performed before three judges during this four day event (March 3rd & 4th; March 10th & 11th). Out of 32 bands who performed the 1st half of this event, the NJH band was the only band at this festival to score all superior ratings (1st division ratings) from each judge and a superior-plus on sight-reading thus capturing top honors for the 1st half of this event. The following are comments from the judges on the band's performance.

" . . . this is the most outstanding band I have heard today at this clinic. There is a lot of good teaching going on. The community should be very proud of this organization."

"Excitement" is the only word to describe the feeling present this year in the one hundred twenty member Northside Jr. Chorus. December brought fun going to Glen Cove, Mountain View, and singing at Tanglewood Mall. The day before Christmas Vacation, the choir was a guest on WDBJ's television show "Panorama", and did a beautiful job representing the school.

Anticipation of spring brought forth more activities: All County Choir, District Festival, Spring PTA Concert, Woodlawn Church, all-in-all, a devoted group and a fantastic year.

Mrs. Giles has done a superb job as director.

LEARNING PROGRESS IS OUR BUSINESS

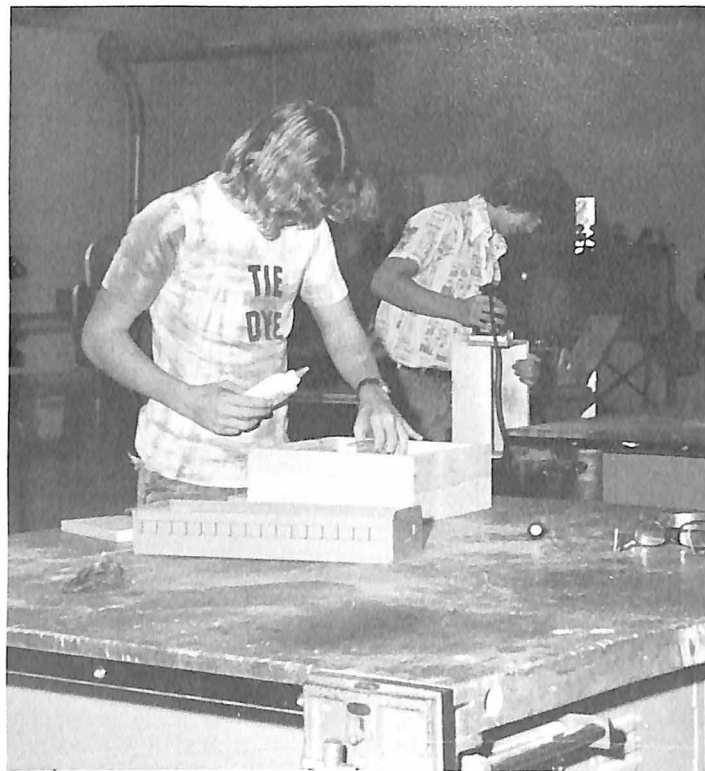

Students who take Industrial Arts Communications Class become involved in four major areas of study. The areas are: Photography, Graphic Arts, Drafting, and Electricity.

In the Photography area, students learn to correctly expose and develop film. Students learn to make prints and enlargements.

Graphic Arts is an area which includes silk screening, letterpress, printing, and offset printing. Students receive hands on experiences in these areas.

Drafting is the section of the course in which students learn to use equipment and drawing techniques similar to those found in Modern Industry.

In the Electricity section, students gain a basic insight into the theory of basic Electricity Electronics. Students receive practical experience through the completion of experiments in basic wiring.

"BUSY EH!" James Greenway and Mark Underwood are adding finishing touches to drawers made in I.A. class.

"I'M LISTENING"-Jason Dunford, Phillip Chocklett, Sam Johnson, and John Pleasants are instructed by Mr. Adams on how to build drawers.

The World of Manufacturing gives the students a chance to explore the many areas of the manufacturing industry.

The students use the tools equipment and materials used in the manufacturing industry.

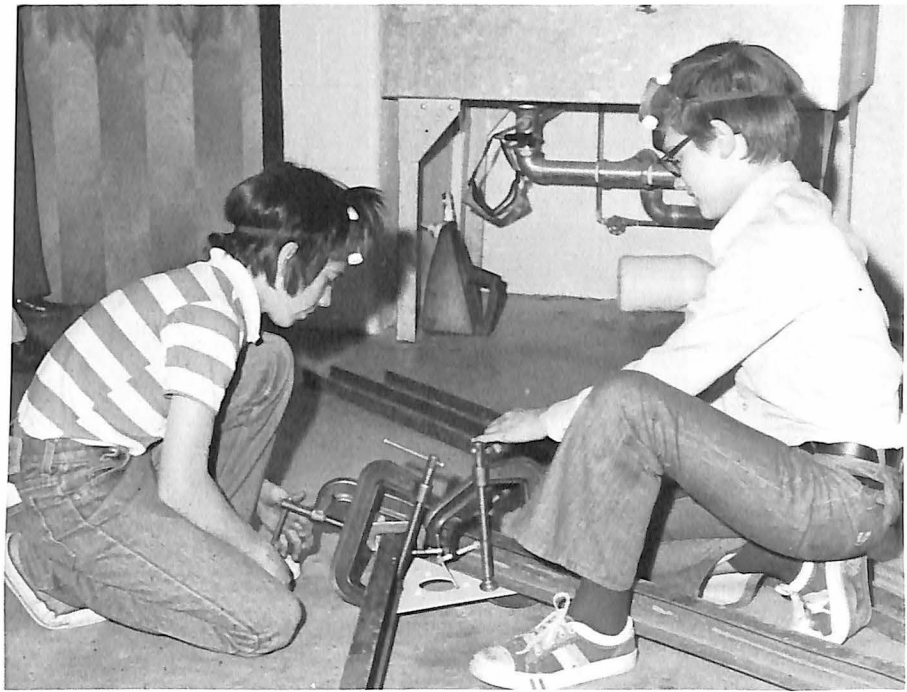

They study the organizations of various industries. They build and fly rockets. They set up a corporation and they also research, plan, design, engineer, produce and sell products.

The students enrolled in the World of Construction to explore the many areas of the building industry.

The students study the design of various buildings with an emphasis on residential construction.

They try their hand at drawings, pouring concrete, and wiring electrical circuits.

They learned to use construction tools and materials.

"HOLD IT TIGHT"—Lee Harper and Kevin Hancock are welding on a trailer.

"HEADS UP"—Mr. Adams stuffs the tail end of the homecoming float in Manufacturing.

"WATCH CAREFULLY"—Mr. Price shows Brian Wimmer, Mike Bowles, David Bratton and Mark Saunders how to use a cutting torch.

INTEREST

Only five more minutes! Students working in Introduction to Foreign Language. Mary Beth Gribben and Ann Ewing are working tiredly, waiting for the bell.

Robin Ginter is in heavy concentration as Mrs. Martin lectures her Latin class.

All foreign language students helped prepare for language day in February. Exhibits, posters, and other events were displayed in Latin, French, and Spanish. People could be identified in foreign language by the colorful buttons they were wearing.

Two Spanish exchange students from Northside High School were our guests during January. The countries represented were Chili and Peru. Needless to say the Spanish students studied very hard in order to communicate with them.

A basketball tournament and international buffet are planned for March. Teams are presently being chosen, and cheers in the language are being created.

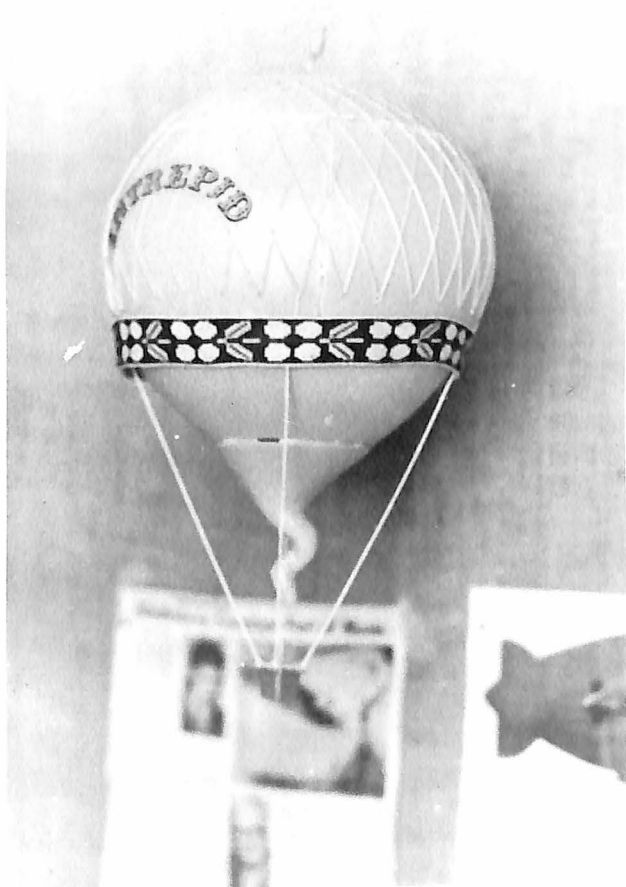

The Introduction to Foreign Language classes are planning final details for their three-day trip to Washington, D.C. in April. The eighth grade students will be enjoying an authentic French meal prepared at the French restaurant, THE CHEZ ODETTE, in Georgetown. Ordering in French will be a new experience for many of our language students.

Four languages will be offered in the ninth grade next year-Spanish, French, Latin, and German. See you in one of these international classes!

FULFILLMENT

Mrs. Conner teaches her seventh period art class about the art of printing.

CHEERING-SQUAD

OH! NO BOYS ALLOWED

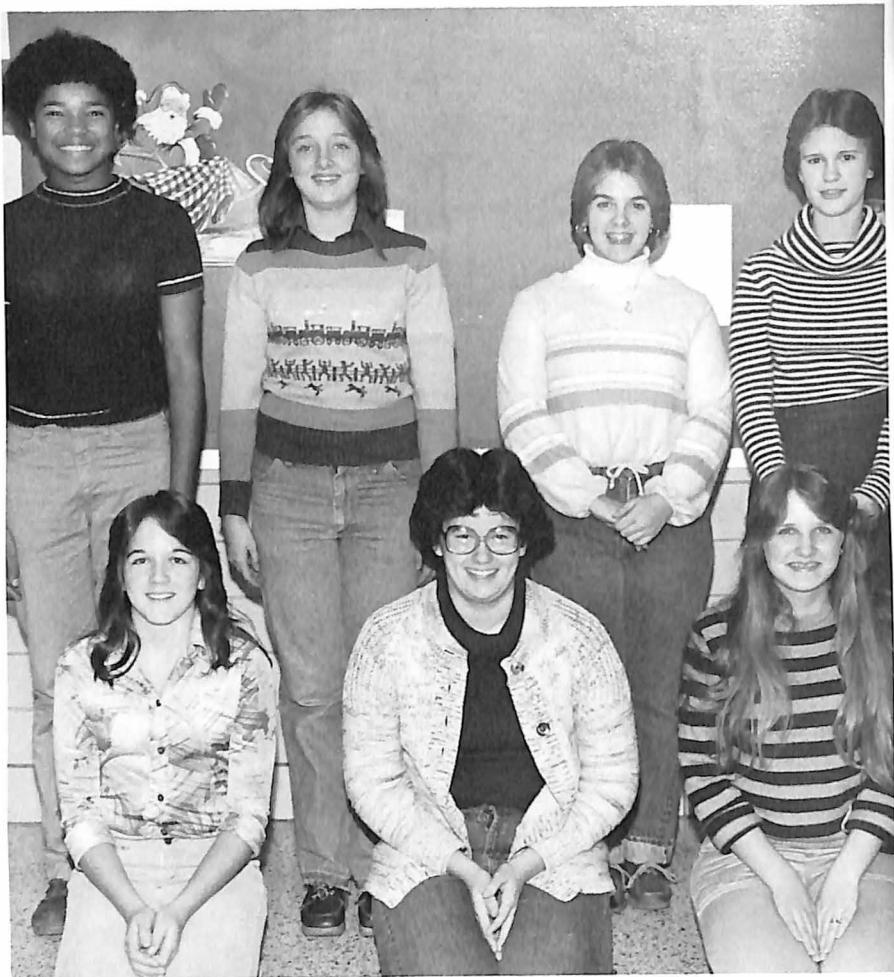

Becky Pyles . . . Who is she? She is the president of the Pep Club said Tonda Stennett. The vice president is Annette Barbary.

There are about twenty five to thirty people in the club. There is about ten seventh graders, fifteen eighth graders, and to six to seven ninth graders.

"There is one girl that comes up with alot of crazy fun stuff," said Tonda Stennett, "and her name is Sonya Jackson."

The Pep Club sometimes have special activities for the school. They decide what's going to happen next week.

But the bad thing about it said Tonda Stennett, is that it is all girls. There are no good looking guys in the club.

The Pep Club Officers for the 1977-1978 have been active in the activities of the athletic department. Vonya Lewis, Robin Mathews, Annette Barbary, Becky Pyles, Michelle Weikel, Nancy Bailey and Tracy Linton, are the officers.

The Pep Club contributed to the school spirit of the student body this year with activities such as pep rallies and selling spirit buttons.

The Pep-Club has been getting our school spirit up this year with such activities as "tacky-day," "fifties-day," and "green & gold day!" The Pep-Club officers are as follows: Becky Pyles-President, Annette Barbary-Vice-President, Robin Mathews-Secretary, Vonya Lewis-Treasurer. These people along with the other members (approx. 40 in number) have raised school spirit and pride this year.

Our cheerleaders: Valerie Lewis, Kim Overstreet, Erica Miller, Debbie Long, Brandi Morris, Julie Weikel, Joanie Journell, Joy Peverall and Angie Hiner.

Spirit makers try to arouse some spirit during a football game. Evidently they did as the football team went undefeated and unscored on the whole season.

Showing great spirit, the cheerleaders have cheered us to victory and triumph. Coming home from camp, they brought with them three first place ribbons, one third place ribbon, and a spirit stick for being the most spirited team at camp. They also learned new cheers, chants, and pom pom routines at camp. The cheerleaders also sold booster's club tickets to raise money to buy new uniforms. Northside can really be proud of it's cheerleaders.

The cheerleaders doing a cheer called "Hello". This is only one of the many cheers the cheerleaders have learned this year.

The cheerleaders are in the Northside High gym watching after being exhausted by cheering a long period of time.

Kim Overstreet and Erica Miller await the pep assembly by arousing spirit in the audience.

NORSEMEN EMERGE SEASON CHAMPIONS

With only two losses suffered by our basketball team, we had the regular season title clinched. The tournament semi-finals were a different story. We were matched with fourth ranked Cave Spring, and wound up on the losing end of the 35-37 final score.

Many factors contributed to our loss at the tournament. We had played four games in the week before. We didn't have a chance to practice that week. Billy Goode had a sprained ankle, and two of our best players had temperatures around 100°. Cave Spring didn't help matters any by holding the ball the last four minutes of the game, either.

As Coach English put it "This is my fifth year coaching and I've had three second place and two first place teams. This is my second first place team. Even after the tournament was over, we had the best record." It was a good record, fourteen wins and two losses.

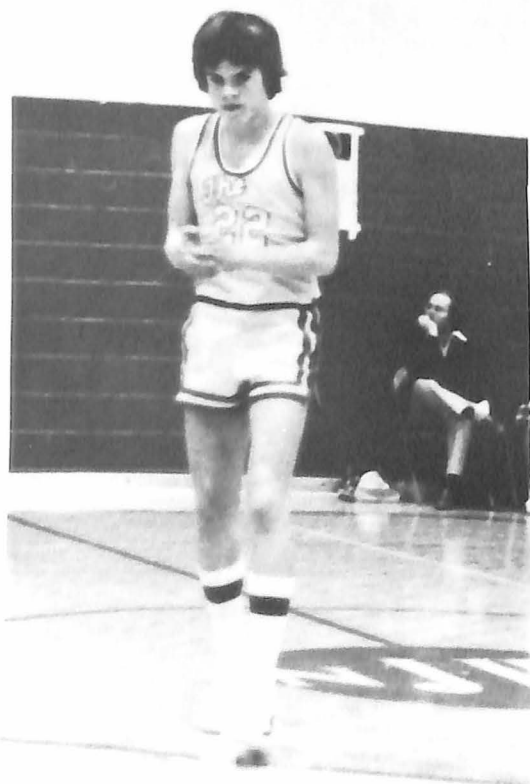

Scoring highest this season was Billy Goode, who had a twenty-three points per game average. He also broke school scoring records three times this season, with thirty-eight points being his highest game total. Jack Richmond had the most rebounds in one game with fourteen. His season total was about one hundred seventy. In addition to this, Eric Buck won two games for Northside with last second shots.

The team's Most Valuable Player was Billy Goode, who "is probably one of the best players I've ever coached," said Coach English. Billy was also team captain along with Eric Buck.

When asked how the team played this year, Coach English replied, "I was really pleased because we didn't have a player over six feet. We didn't get many breaks. A lot of sickness and problems. I was really proud of our sportsmanship because some of the schools treated us pretty bad and I think in Junior High School, attitude and discipline are the two most important things kids have to learn."

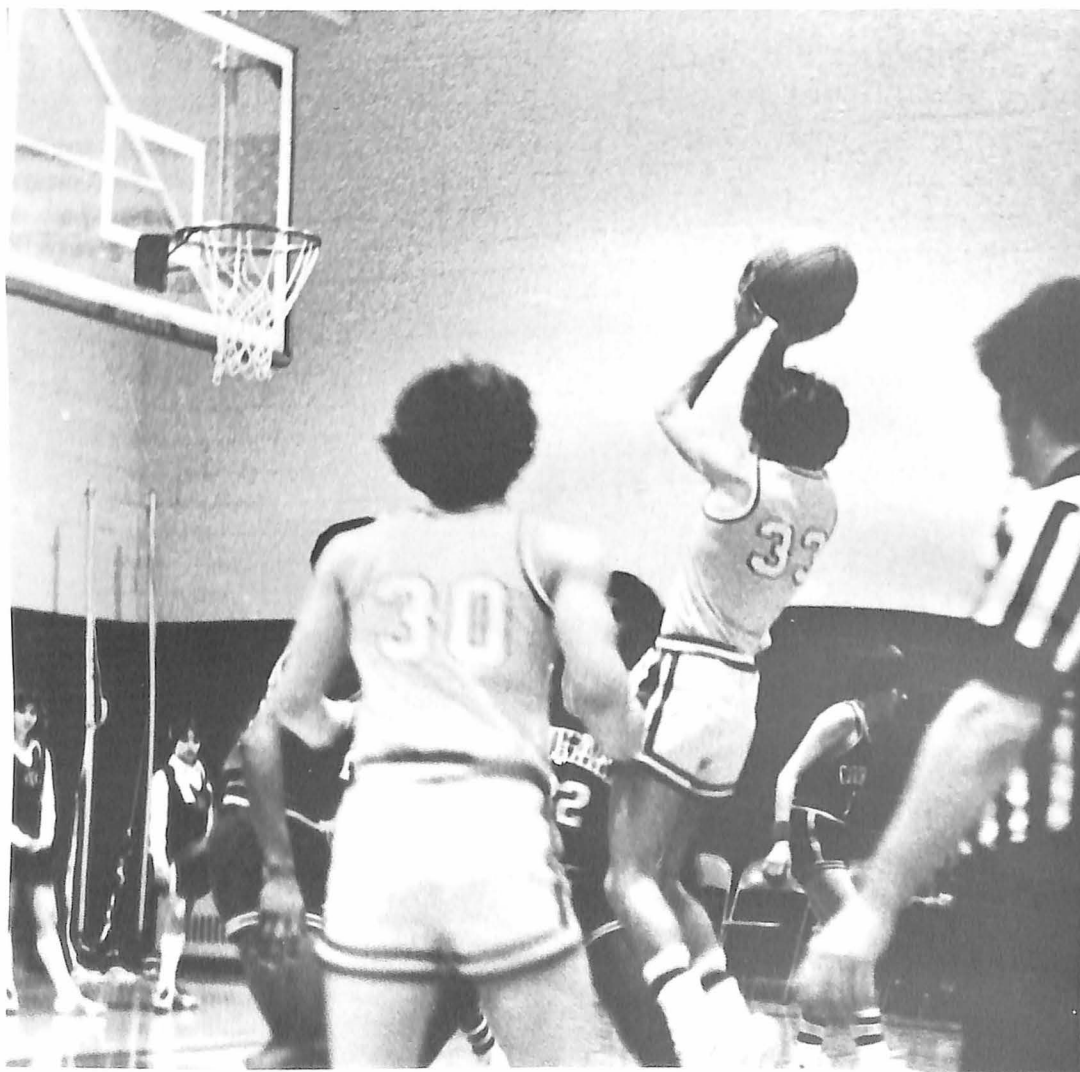

Although the team suffered many problems, teamwork wasn't one of them. Coach English demonstrated one aspect of this point by saying, "Even though Goode scored, we still worked." One problem that did affect the team was the weather. They were forced to play six games in nine days. Also, "the team wasn't as close as it should have been." Another problem was for the five eighth graders on the team. Since there wasn't a junior varsity team this year, they had to compete with the ninth grade players for playing positions.

A DREAM COME TRUE

Last year Coach Maynard's dream was to go undefeated and unscored on for the season. They went undefeated, but had six points scored on them by Franklin County. They came close to fulfilling his dream.

This year they fulfilled that dream. They became the first team ever in Roanoke County to go unscored on for the whole season. There were though, some shaky moments during the Hidden Valley game. They had a good defense and at times it seemed like the offense would score at any time. Our defense lead by Mike Copenhaver prevented that.

Attaining the right to be the first unscored on team in Roanoke County was not easy to get. The team practiced twice a day for a total of six hours a day for the first two weeks. Then once school started they cut back to three hours a day. When asked how the team played as compared to last year he replied, "They played much better than last year!"

That and the fact that team work was "Emphasized more than anything" accounts for the fact that the 8th and 9th graders played very well together.

The first string offensive players included Jack Richmond, Bill Blackmore, Eric Buck, Butch Tyree, Darrell Sink, Kent Thomas, Mike Copenhaver, Dennis Elliot, Clark Gibson, Randy Spencer, and Dan Blanchard.

The first string defense included Randy Spencer, Gary Graham, Mike Copenhaver, Jack Richmond, Eric Buck, Butch Tyree, Darrell Slate, Kent Thomas, Tony Lawrence, Dennis Elliot, and Kenny Stuart.

Special Awards went to:

Mike Copenhaver for Most Valuable Player
Darrell Slate for Outstanding Offensive Lineman

The Freshman Football team finished the year with the most impressive season ever at NJHS. UNDEFEATED, UNTIED AND UNSCORED ON.

Two other teams, in 1974 and 1976, were also undefeated, 1977 marks the third in the last four years but the first to go through the season without allowing the opposition to score.

This is a tremendous accomplishment for any team on any level. The young men who were members of the team truly have a lot to be proud of. They have set a tremendous record against which future teams will be measured. Congratulations on a job well done.

WRESTLERS TAKE SECOND PLACE HONORS

This year our wrestling team placed second in the league tournament, after a 3-3 season record. Placing for Northside at the tournament were: Matt Doyle, fourth; Chris Moses, third; Jamie Hogan, third; Mike Smithers, fourth; Kevin Wilhelm, second; Randy Spencer, second; David Paschal, second; David Oyler, second; and Mike Copenhaver, who won first place and was the district champion in his weight class.

The other tournament our team attended, the Breckinridge Invitational, was held during the middle of the season. Mike Copenhaver and David Oyler both placed second in their weight classes. Chris Moses and Kevin Wilhelm also placed, each receiving fourth places.

Although no one went undefeated on our team this year, Kevin Wilhelm and David Oyler both had 5-1 records. Mike Copenhaver, Chris Moses, and Andy Chiles all had 4-2 records for the season.

The best time for a pin was twenty three seconds, set by Kent Thomas against William Byrd. That is only two seconds away from last year's record set by Ken Lanford.

Hard Practice pays off for Kevin Wilhelm. Kevin won this round against Franklin County.

TEAMWORK WAS OUR KEY TO SUCCESS

The girl's basketball team was off to a good start this year. They proved their ability and many fine talents by ending the season with a 9-2 record. It all ended in the first round of the tournaments by losing to Andrew Lewis a very close 44-42 defeat. The overall record was 9-3.

The team's improvement was shown from the large amount of practice they had. They learned a lot of new drills and emphasized rebounding and several types of defense. Practice started in the middle of August for 6 days a week, 2 1/2-3 hours a day. They also practiced twice a day before and after school.

"I was very pleased with the improvement and the initiative shown by this year's team", says coach, Miss Bussey. "Unfortunately this season our competition also displayed outstanding talent." Miss Bussey also commented that the team had the best team spirit and desire of any basketball team that she has ever coached.

The team also broke some school records this season. Sandy Hoke scored a total of 112 points for this season. That is the largest amount of points that a varsity player has ever scored in a season. Glenna Collins scored 17 points in one game. That is the highest score in one game by a player. The team also broke the old scoring record of 50 points three times this season.

When asked for predictions on the future team, Miss Bussey commented that they're going to be underestimated by other teams because of the number of varsity players we are losing. She thinks that the main problem of next year's team will be lack of height.

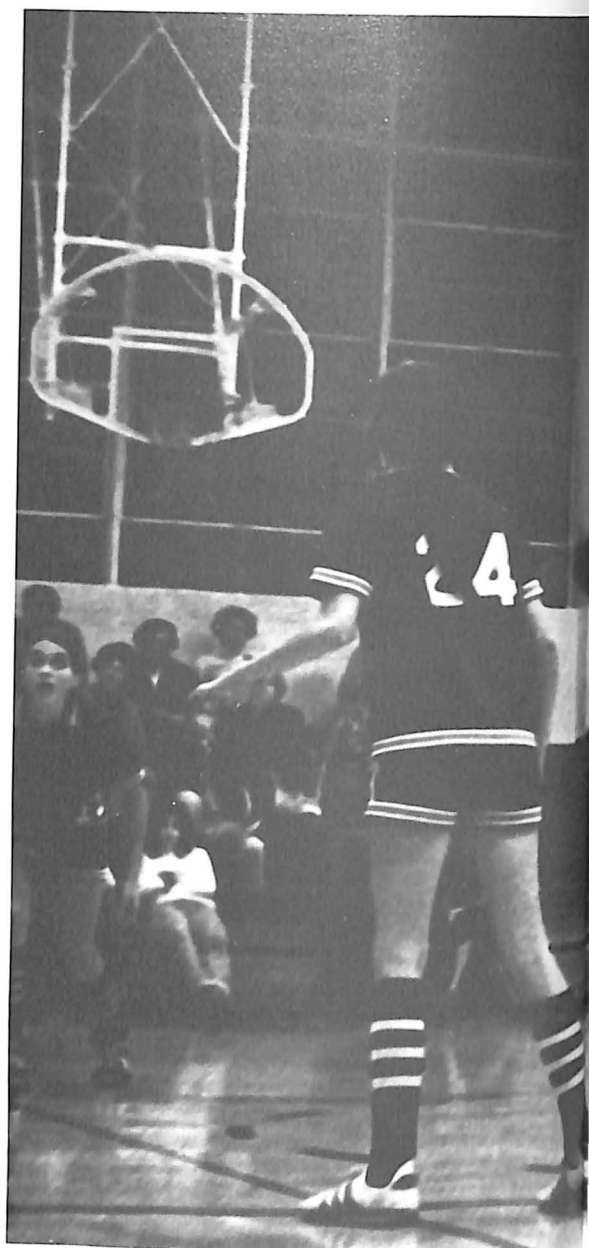

Some players were acknowledged for their fine talents:

Sandy Hoke - Most Valuable Player

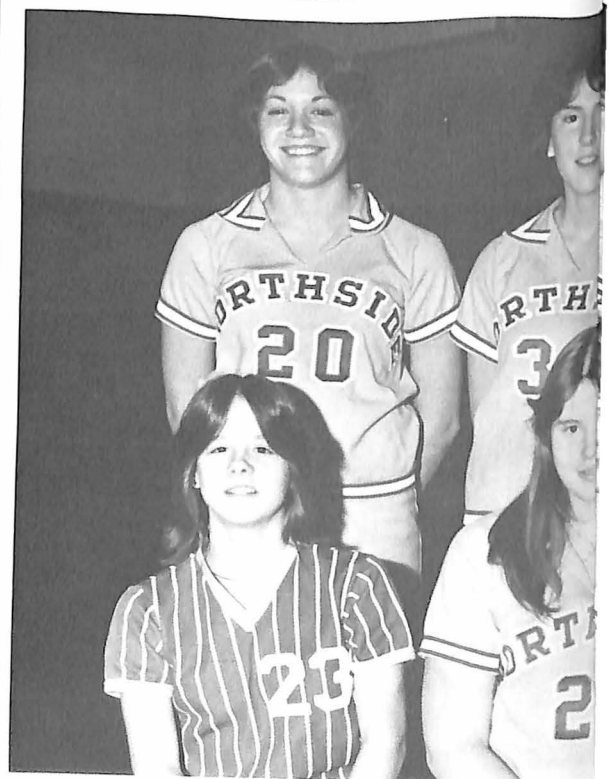

Glenna Collins - Most Improved Player

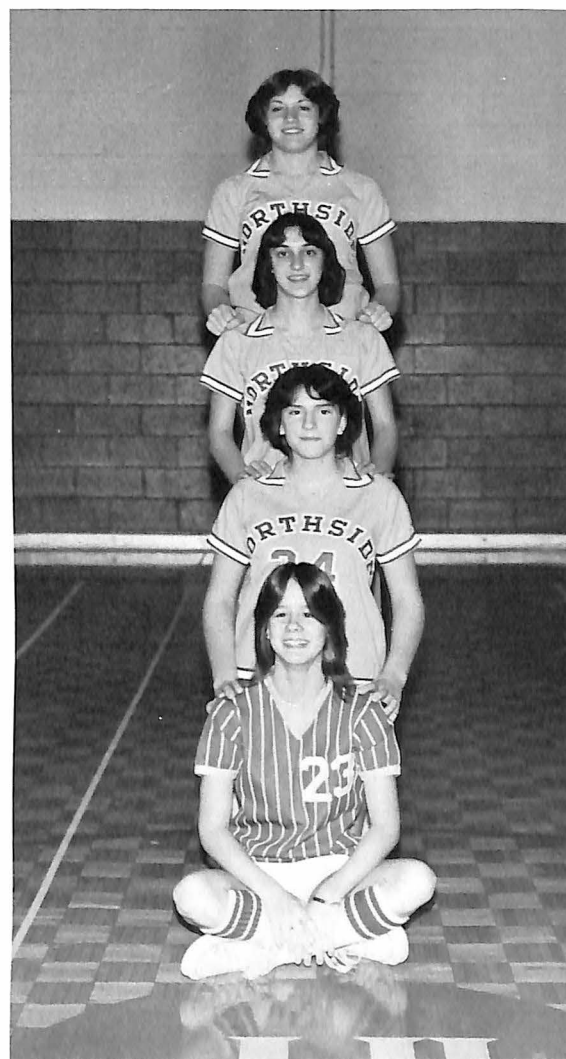

Elizabeth King - Most Consistent Offensive Player

Pam Spencer - Most Consistent Defensive Player

GIRL'S BASKETBALL TEAM - sitting: Wendy Hoke, Pam Spencer, Sharon Chiles. (Kneeling) Mgr. Patricia Hofmann, Diane Beard, Debbie Blevins, Kristen Konrad, Mgr., Lisa Day. (Standing) Coach Miss Bussey, Debbie Overstreet, Debra Wyrick, Sharon Patton, Sandy Hoke, Glenna Collins, Elizabeth King, Connie Camper, Georgette Asbury, Kim Vandergrift, Shawn Shott, Mgr., Pam Reed.

ACKNOWLEDGED FOR TALENTS - Bottom to Top:
Pam Spencer, Glenna Collins, Sandy Hoke, Elizabeth King.

EASY SHOT - Elizabeth King shoots for an easy two points during the tournament against Andrew Lewis which Northside lost 42-44.

"This has really been some season," commented one volley ball player. "It has been tough and full of competition," said another. These are just some of the statements that were expressed when describing the volley ball team's season.

"It was a building year for us, we were an inexperienced, young team," said Coach Graube. "The team really worked hard and I'm really proud of them!"

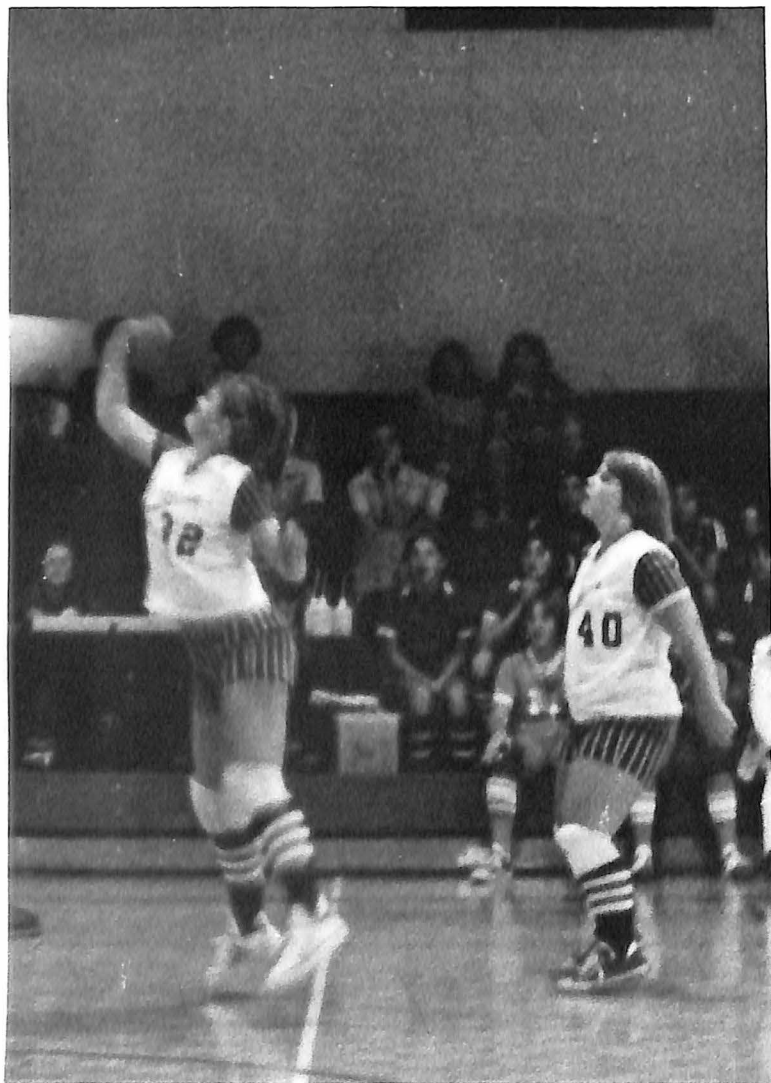

The team had long practices everyday after school. They went through a lot of drills and learning new techniques. When asked who was the outstanding player of the team, Miss Graube said, "It was definately Cudd!" Miss Graube also stated that Linda Cudd was the leading scorer and a very valuable player.

Miss Graube thinks that next years team will be stronger and have more experience.

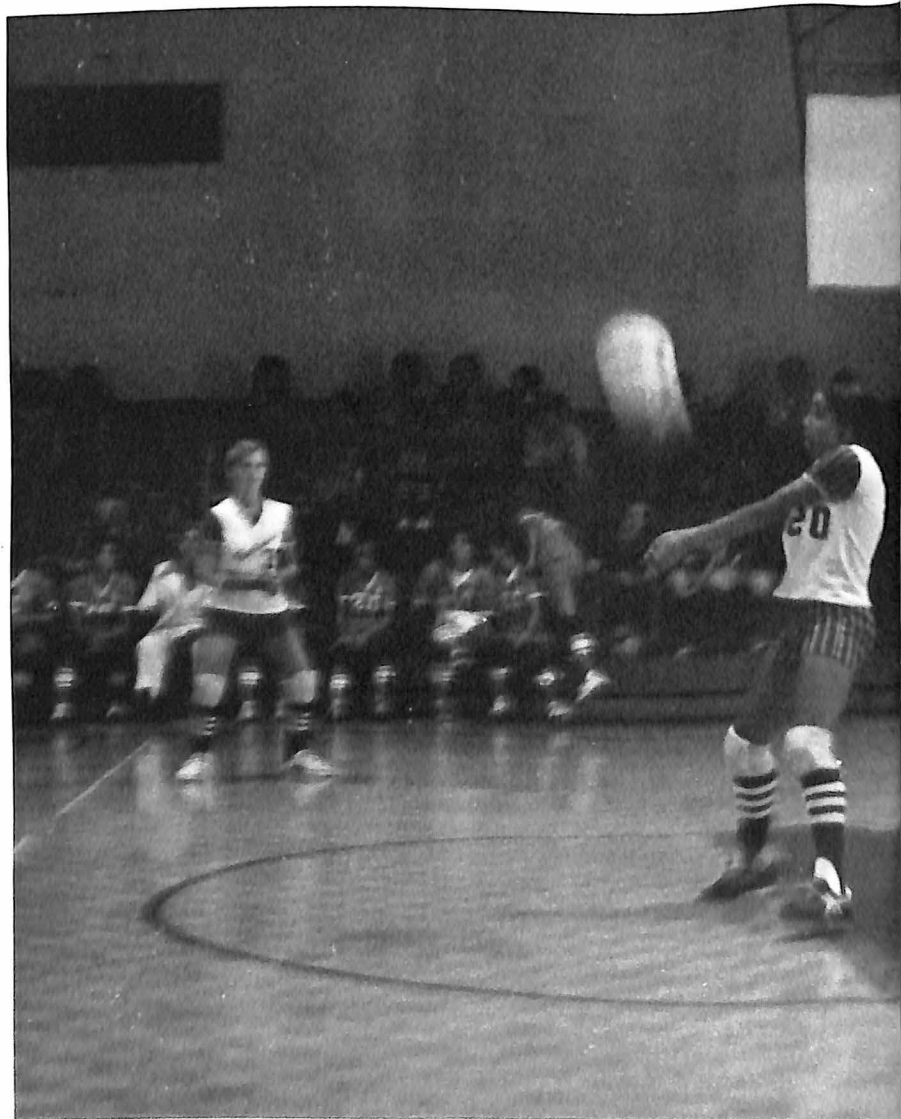

There were three players acknowledged for their talents. They are, Becky Beavers-Most Hustle and Desire, Linda Cudd-Most Valuable Player, Cynthia Bruce-Most Improved.

SETTING IT UP Carrie Clark takes her part in setting up the ball while waiting for another teammate to hit it over the net.

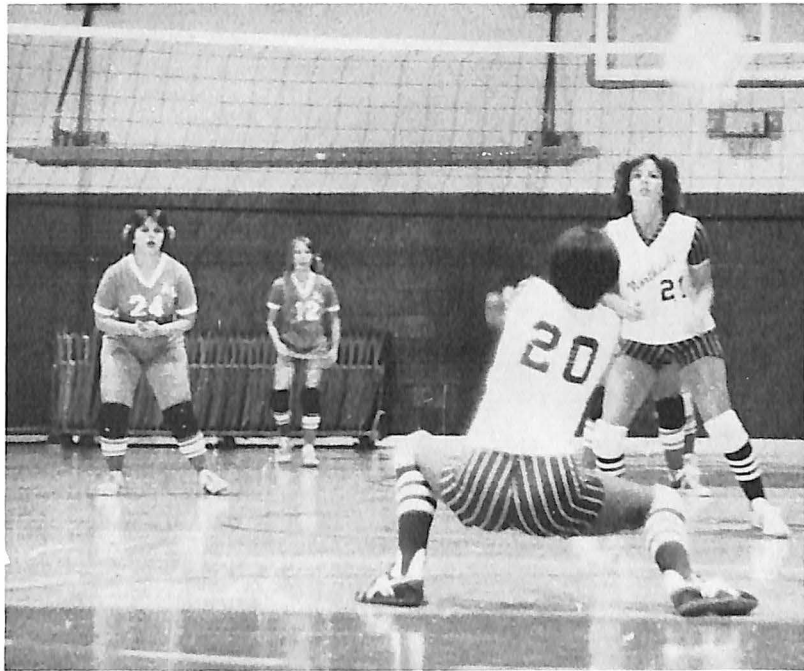

BACKFIRE Carrie Clark made an attempt to hit the ball over the net, but unfortunately it backfired and the other team scored a point.

IT WAS A BUILDING YEAR

OVER THE NET Sonya Jackson hits the ball while Jenny Blackwell gets ready to return it to the opposing team.

THE SPIKE Linda Cudd spikes the ball over the net as she scores a point for Northside.

BUMP IT UP Sonya Jackson bumps the ball toward the net hoping to score a point during the game against Hidden Valley which Northside lost.

OOPS! Toni Rodgers is performing her routine on the uneven bars during the meet against Andrew Lewis. Northside won, 129.05 to 96.85.

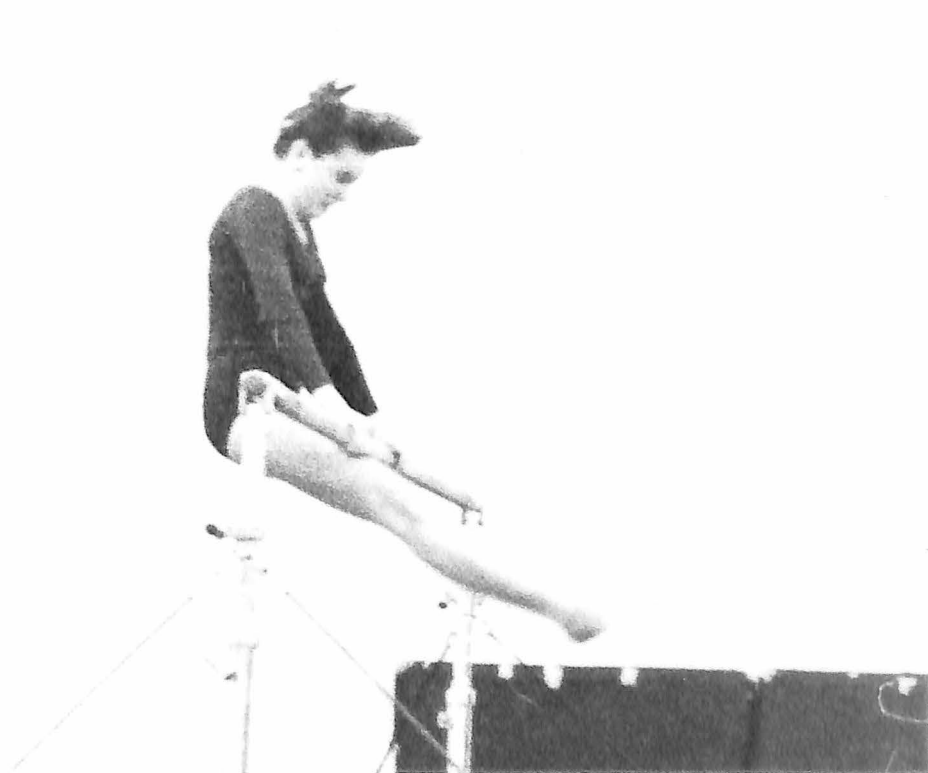

UNUSUAL UPS AND DOWNS-The gymnastics team is seen during a regular practice. They usually practiced after school or in the evenings for 2-3 hours.

WAITING FOR THEIR TURN-Jenny Blackwell and other gymnasts sit around waiting for thier turn to perform.

VAULTING-Toni Rogers concentrates on doing a stunt over the vault during practice.

HOLD ON TIGHT-Brandi Morris gets ready to move into the next movement during her routine on the uneven bars.

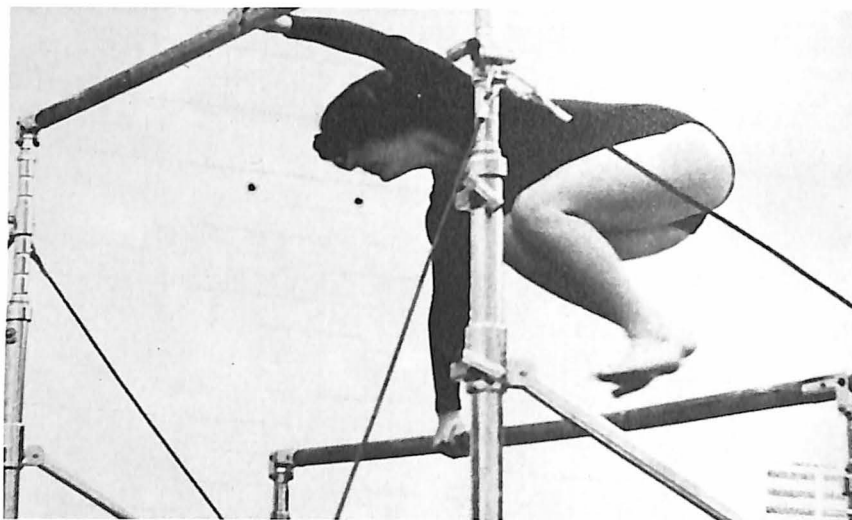

A PERFECT RECORD MADE US NUMBER ONE

"We've only been in existence for three years and we're all ready number one!" That is what Miss Graube proudly said when asked about the gymnastic team's progress.

This year's team which consists of nineteen players, is the largest and the best team that there has ever been. Not only did they defeat their biggest competitors, Hidden Valley, they also ended the season with a perfect record of 6-0, and brought home the first place title at the tournaments.

When asked what she thought of this years team, Miss Graube said: "It's been the most fun and biggest thrill that I have ever had, and this is the best team I've ever coached. I've never seen a group of girls work harder and have more dedication."

Although the team will be losing a lot of valuable gymnasts next year, Miss Graube is looking forward to having another first place team.

A TIGHT GRIP-Jenny Blackwell holds onto the uneven bars with a tight grip as she begins the next movement in her routine.

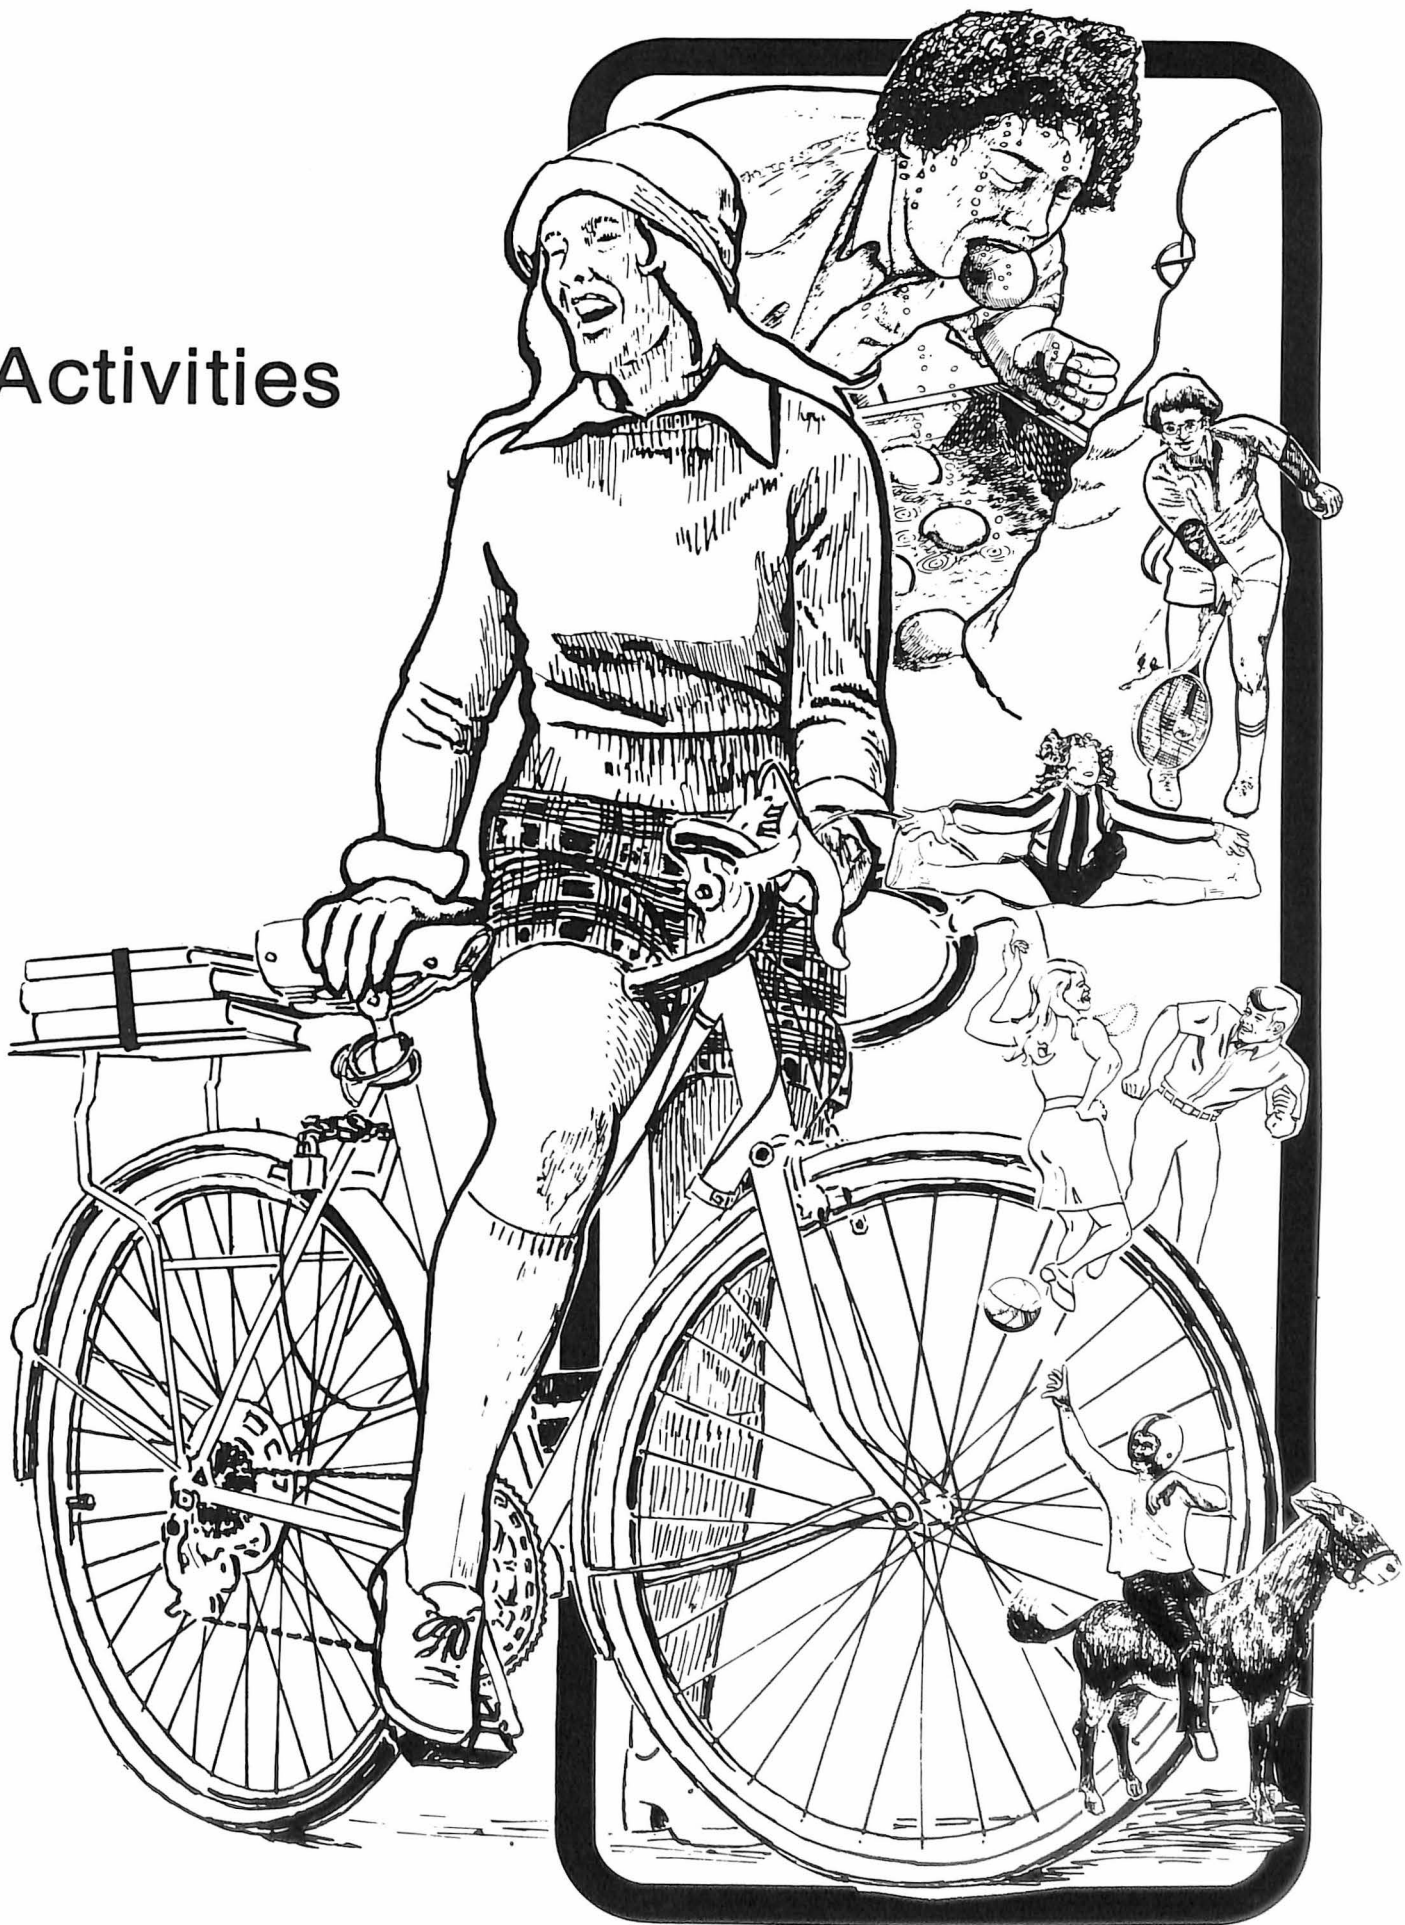

TAH DAH! Suzanne Williams puts a finishing touch to her routine on the mats during the meet against Glenvar which Northside won 122.55 to 100.95.

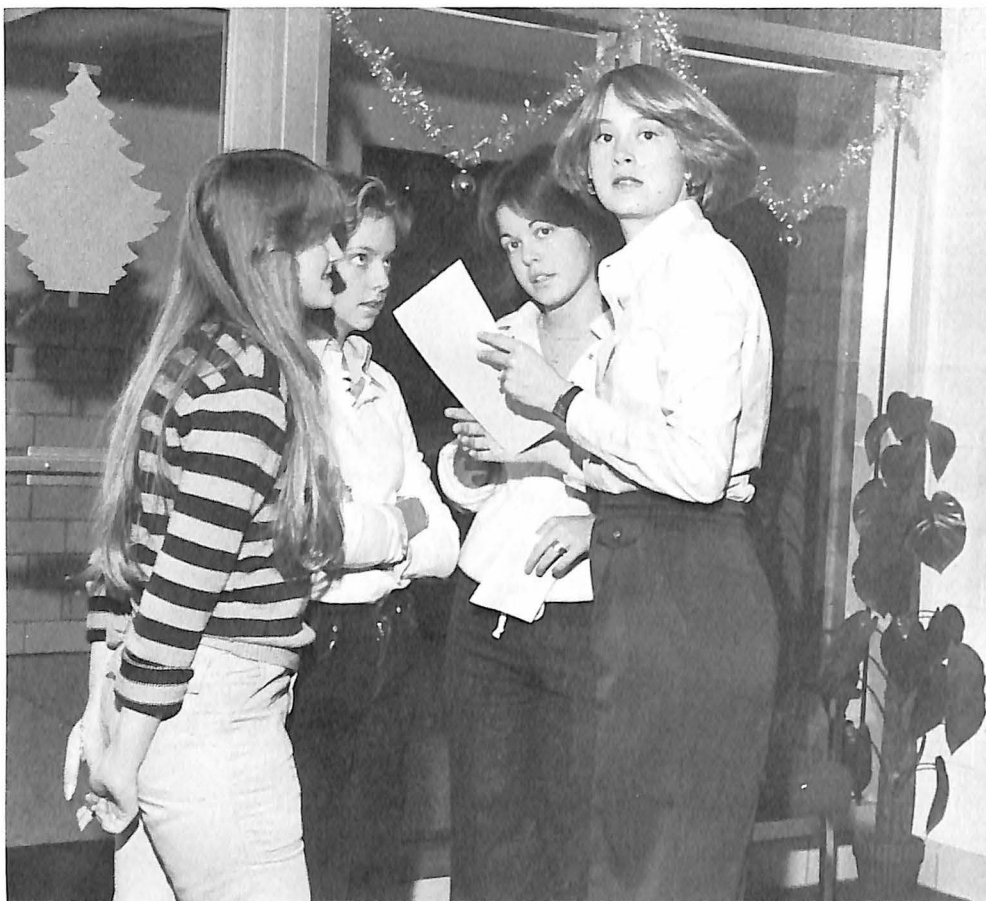

BALANCE AND GRACE-Angie Ayers performs a scale on the balance beam during her routine at the meet against Andrew Lewis.

Activities

This year's S.C.A. has accomplished various projects of which it is very proud. To start off the year, they attended the District S.C.A. Representatives Meeting at Lord Botetourt High School. They also constructed the first-place prize-winning float for the Northside High School Homecoming Parade. Other accomplishments were: sponsoring the "No Smoking Campaign" for the American Cancer Society, sponsoring the Easter Seal Drive, and after-school movie. They also held a breakfast for the faculty during Teacher Appreciation Week. One of the highlights of the year was the Christmas dance, which was given to the student body as a present from the S.C.A. A volley ball game was held during with the faculty competing against the girls' volley ball team. All in all, it has been a very active and productive year for the S.C.A.

Making Christmas preparations are Tracy Linton, Tracy Wimmer, Maria Stamus, and Sponsor, Mrs. Bruce.

Decorating the Christmas tree are Maria Ellis, Linda Kennedy, and Sponsor, Mrs. Morris.

SCA Officers. President, Maria Stamus; Vice-President, Tracy Linton; Secretary, Tracy Wimmer; Treasurer, Maria Ellis; Chaplain, Linda Kennedy.

Poor Mrs. Bruce rubs her head in through confusion while talking to her buddy Mrs. Morris.

If you were on the yearbook staff in 1978 you find it both harder and easier than previous years. One of the reasons it was harder results from having students scattered in different periods instead of one. Mrs. Webb said that in 1979 she would like for all the students to be scheduled into one period.

One great time saver was the new method of identifying pictures. The process consists of putting a card with the name of the student into the camera when taking the pictures. When the pictures are developed the name of the student will appear below the picture.

In 1978, Tom Misteale edited the NORSEMEN, Brent Bowman served as the Index Editor, Mrs. Webb, as advisor.

The staff attended a yearbook workshop with Hidden Valley at Northside High School, in the fall. The workshop helped improve the yearbook this year. Any yearbook can profit from new ideas.

One thing that Mr. Brill, lecturer at the workshop, said was that we used too many pictures. Another criticism was that we needed a dominant picture (one 2 1/2-3 times larger than the other).

We hope the yearbook staff will continue to produce an even better yearbook in years to come.

This is the first year we have had an annual photographer from our student body. Tommy Hoover did a splendid job on our behalf.

NORSEMEN STRIVE FOR A BETTER YEARBOOK

The 1977-78 NORSEMEN Staff: Front row: Hope Garmen, Danielle Misteale, Lori Stuart. Back row: Charles Cook, Chet Layman, Brent Bowman, Tom Misteale, Kathy Gribben, Tommy Hoover, Steve McAllister, Sherry Runion, Teresa Snider, Heather Hash, and Eddie Hammond and Greg Shumaker not pictured.

Making plans for the 1977-78 yearbook. The yearbook staff is busy selecting ideas for the 1977-78 yearbook.

Mrs. Webb sighs in exhausted relief the afternoon after picture taking was finished.

People

OUR SCHOOL'S BOSSSES

All of our principals are interested in some kind of sport. It starts with fishing and hunting, and it goes to golf. Then it goes to coaching in football, baseball, to track.

Mr. Miley, our new seventh grade principal, is very interested in football, baseball, and track. He has won different awards for coaching in football and track.

On the other hand, Mr. Dyer, our eighth grade principal, takes the easy and very exciting sports. He likes to fish and go hunting. His wife likes these sports, too. His family likes to go with him. They all enjoy their Dad's favorite sports.

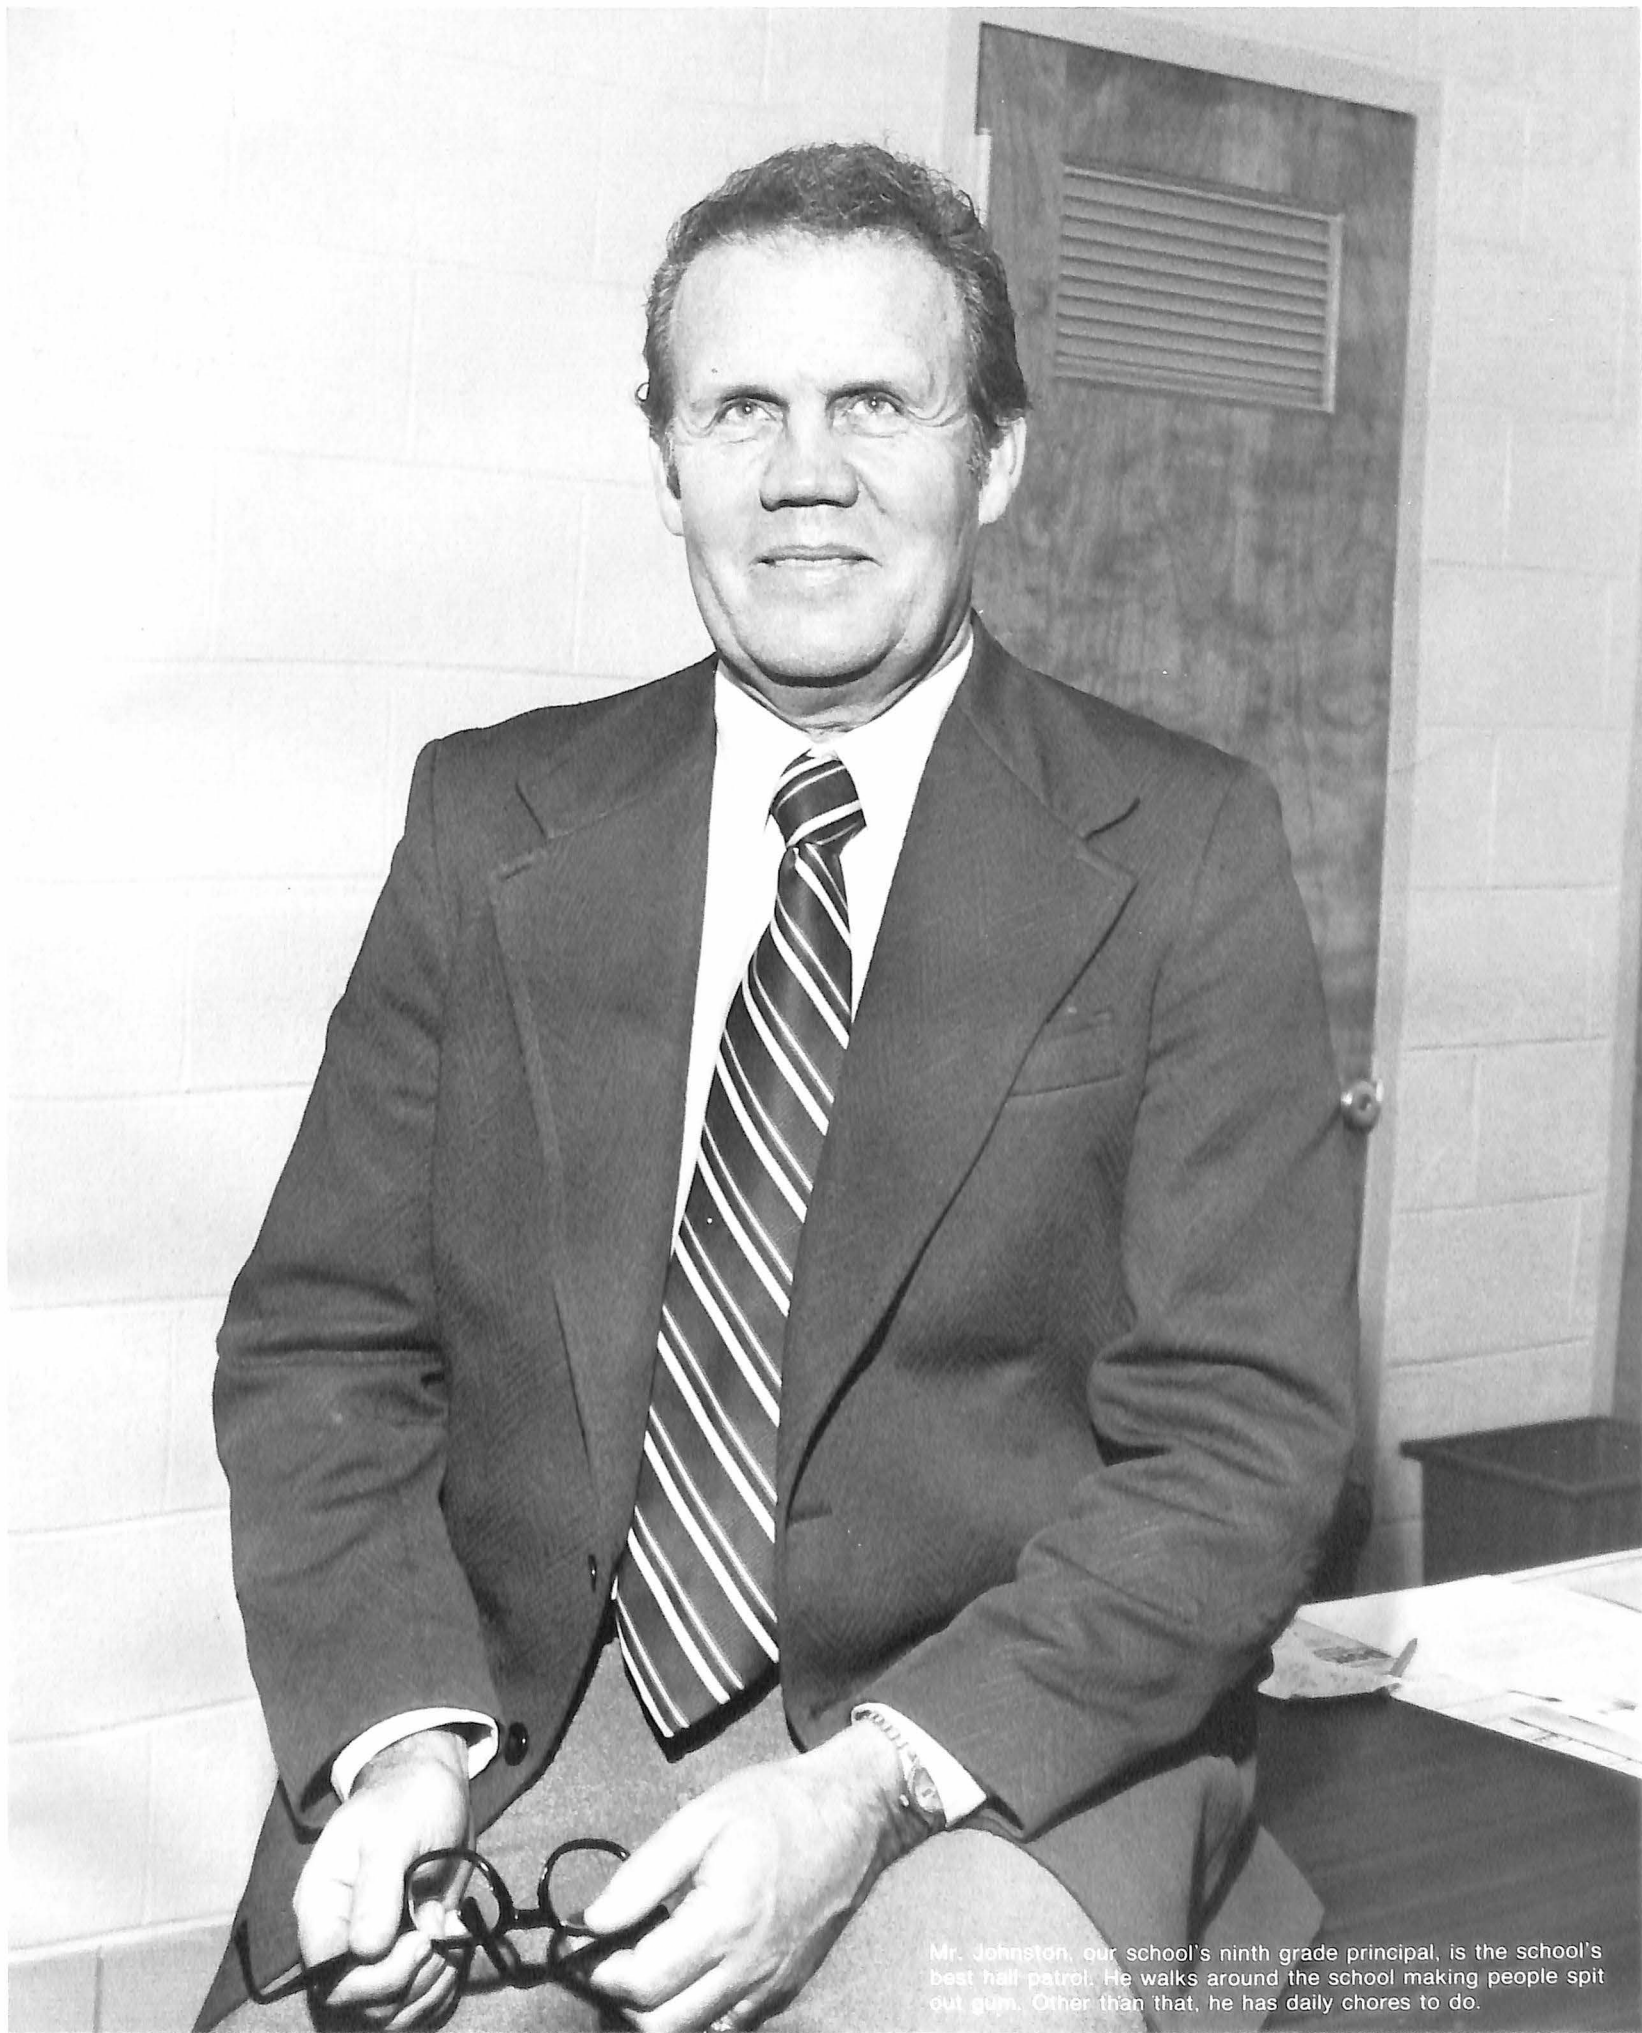

Now last but not least, our ninth grade principal, Mr. Johnson likes to golf. He is very interested in it.

Mr. Miley, Mr. Dyer, and Mr. Johnson all like sports. About all of their families like the sports they like.

Mr. Miley in his favorite position. He is shown here with Chris Spradling.

Mr. Dyer is our school's eighth grade principal. At the end of a nine weeks, he has to see that all grade cards get in.

Mr. Johnston, our school's ninth grade principal, is the school's best hall patrol. He walks around the school making people spit out gum. Other than that, he has daily chores to do.

THEY DIRECT US AND KEEP US ORGANIZED

The guidance department is run efficiently under the leadership of Mrs. Ann Journell. Mrs. Journell says she enjoys her work because she appreciates the junior high student. She says she plans to stay in guidance until her retirement. She has been in the guidance field for 7 years.

The Guidance Department, with Mrs. Journell, Mrs. Sizemore, Miss Martin, and Mrs. Jennings, carry out many duties beneficial and necessary to the student. Among these duties are: scheduling, testing, individual inventory, and an information service. The guidance department is the core of the school.

Solving a Problem-Mrs. Ann Journell is helping a student with a problem. The problem was solved and the student resumed their schedule. Mrs. Journell reaches a happy solution.

Important Call-Miss Sue Martin calls Salem about a student schedule. The problem of scheduling was resolved and the student went on with the activities of the day.

Busy Body-Mrs. Gail Jennings cracks a smile while busy at work. It is her responsibility to make sure the guidance schedule runs smoothly.

Mrs. Sizemore talks smilingly with Vickie Sheppard.

ATTENDANCE OFFICER

Mrs. Gallimore plays a major role in the office. She checks students in and out. Teachers come to her if they think someone is skipping. Also, she composes the absentee list each day. What could the front office do without her?

"IF I HAD KNOWN!"-Mrs. Williams feels if school is always this rough-she had better call it a year. She's dressed up for 50's DAY.

WHAT WOULD WE DO WITHOUT THEM:

"FULL OF SMILES!"-Miss Linda LaPrad pauses for the camera on her way to the mailboxes.

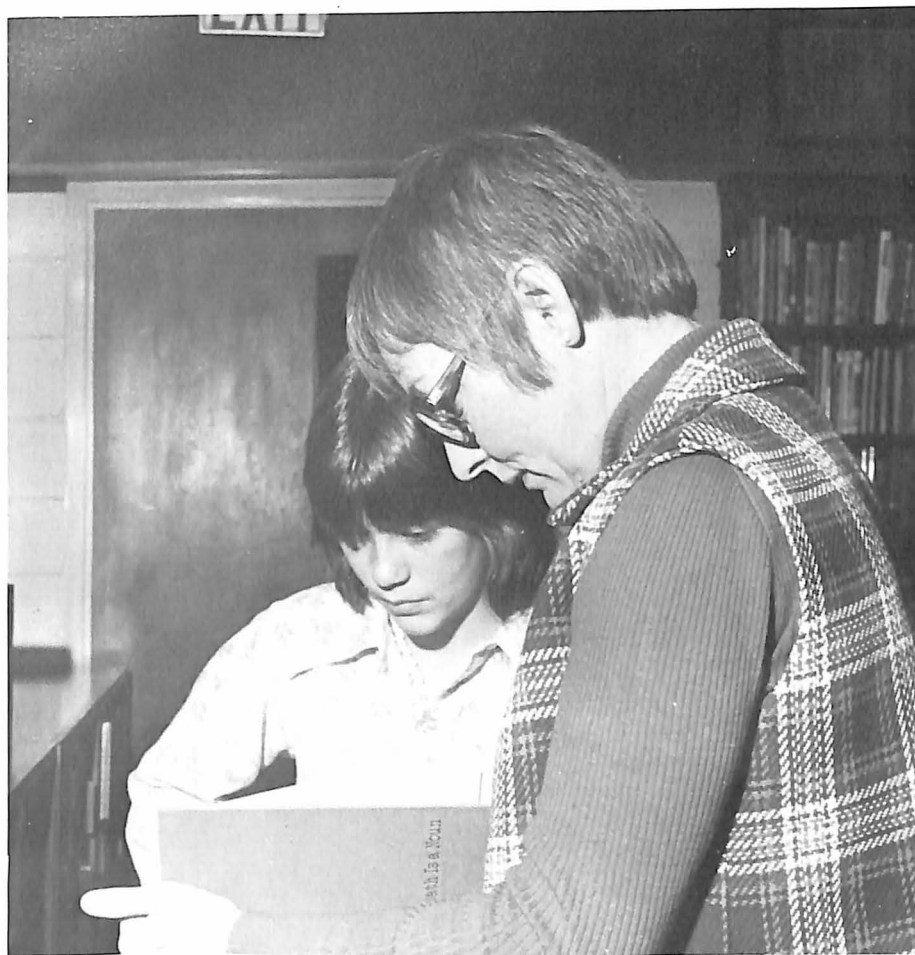

SURPRISED!-Mrs. Frances McAllister seems to be surprised to look up and see a camera waiting!

Mrs. Rhoades is torn away from her typing by the sight of a camera.

Mrs. Edna Barden helps Karen Ralston find a book she needs.

The teachers aides Mrs. Spencer, Mrs. Hamilton, Mrs. McAllister and Mrs. Nettemeyer are an invaluable asset to our school. They work in the reading labs, office and library. Their pictures are shown either on pages 48 and 49 or page 50.

RARE MOMENT-Mrs. Judy Knight finds time to smile at her students.

EIGHTH GRADE

CLOWNING AROUND: Melvin Johnson and Tammy Parker clown around during I.P.S. class

These young ladies are the 1977-78 class officers for Eighth Grade. President: Mary Morgan; Vice Pres. Robyn Mintkenbaugh and Secretary; Eva Morris.

DON'T BE FOOLED!-Steve McAllister seems hard at work and probably is-but he could be distracted!

HONESTLY, NOW!-Everything Becky Beavers is saying in I.P.S. class is true! Ken Vandergrift seems to agree.

1001 LUNCHES

BUSY DAY-The cafeteria staff cleans up after fixing a meal of hamburgers, tater tots, green beans, and cake.

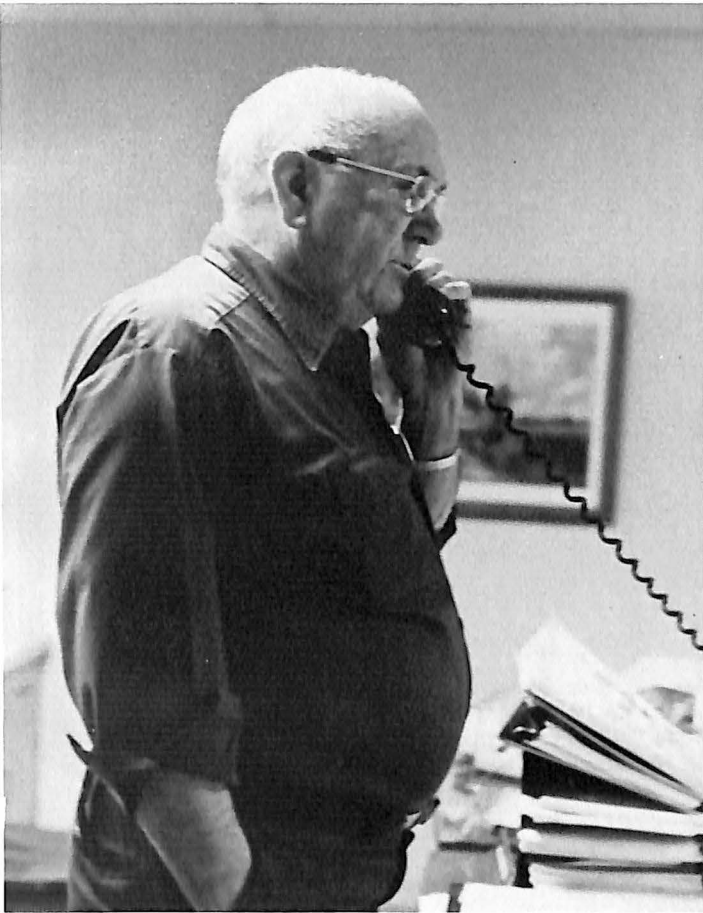

PREPARING A MEAL-The cafeteria staff under the supervision of Mrs. Turner fix approximately 1,000 meals a day.

MEALTIME-These eighth graders are busily eating the wholesome and nutritious food that the cafeteria fixes.

CLEAN! CLEAN! CLEAN!

MAKING A CALL-Mr. Caldwell is talking to a person about a problem with the heating in the school. The problem was resolved.

YES, I DO WINDOWS-Mrs. Sweetenberg cleans the office windows after school for the next day.

After the students have left the school, Chuck Wade begins to sweep the halls.

The custodial staff is guided by the Building Superintendent, Mr. O. C. Caldwell. They do such an efficient job that people say we have the cleanest school building in the county. Many say it looks as well today as it did eight years ago when the building was first occupied.

The custodial staff works around the clock. Mr. Caldwell, Chuck Wade, and Virginia Sweetenberg work the day shift. Robert Brickey, Johnson, Guy Wildern, Ollie Brown and John Dickson work the afternoon shift. Mr. W. T. Wade works the midnight to daylight shift.

The staff not only keep the building clean, they also make necessary repairs and any remodeling that needs to be done.

VARIOUS CLUBS AND ACTIVITIES

The Future Homemaker are sponsored by the Home Economics Dept. and Mrs. Rostosky.

The Future Homemakers of America have had a fulfilling year. Pam Reed has done a fine job as president for the club this year. The club has meetings once a month with a social activity.

The threefold purpose of the organization is for self improvement, service to other people, and emphasis on homemaking skills.

Some of the year's activities have been making gingerbread houses, making candles, making stuffed animals, having bake sales, and a trip to Lakeside.

LATIN CLUB: The 1978 Junior High chapter of high school Latin Club. This year they participated in many projects with the high school and by themselves.

Y-TEENS: Sponsored by the YMCA, this club involves girls of junior high age who like to help others.

The Y-teens are a local school club sponsored by the YWCA. The YWCA is a Christian organization for all girls. The members earn points by doing things for others. The club dues paid by each member earn them membership in the YWCA.

The club is sponsored in our school by Mrs. Norma Dillon. The following were elected officers for the 1977-78 club year: President, Kathleen Crouch; Vice President, Sarepta Lester; Secretary, Karen Pollack; Treasurer, Angie Ayers; Devotions Chairmen, Sophie Sweetenberg; Newspaper Reporter, Rhonda Sweetenburg; and points keeper, Angie Repique.

HOMEROOM REPRESENTATIVES-These people were elected by their homerooms. They met about once a month with Mr. Johnson and gave ideas and opinions of our school.

CONCLUSION

CONCENTRATION-Erica Miller studies hard while in World History.

A HELPING HAND-Coach English gives Mrs. Bruce some helpful advice.

A calm, Peaceful Day at NJHS.

For many of us, this year has been, to say the least, exciting. The football and gymnastics teams went undefeated. Basketball was a big success, as we were regular season champions and the wrestling team won a second place in their tournament.

Sports wasn't the only area of excitement. We had snow days running out of our ears and got out of school early many times. The weather did not take its toll, but there is another side to this story. We went to school three Saturdays, and missed most of our Easter Vacation.

This year has effected us all very much, but the ninth grade was probably the hardest hit. They have gone from the bottom of the totem pole to the top, only to go to the bottom again next year. Be happy, though, ninth graders. This is just one step in the stairway to success.

Perhaps the worst thing that happened this year was annexation. Many beloved friends, both teachers and students, said their good-byes. This was a sad time for Northside and hopefully will never be repeated.

The coming of summer vacation holds many mixed emotions. Thoughts of freedom and good times are marred by the absence of the many friends and faces that are remembered from this year.

Whether these memories remain memories or become reality again is up to you.

Think about it!

The class sponsors have one a tremendous job in guiding the three classes this year. The ninth grade had several dances and bake-sales under the leadership of Mrs. Marian Chappelle and Mrs. Becky Whitfield. The eighth graders were guided by Mrs. Gladys Morris and Mr. Gaylord Bower. The seventh grade sponsors were Mrs. Charlotte Garst and Mr. Pat Keller.

STUNNED- Miss Graube watches one of her gymnasts during a meet.

WHERE'S THE FOOTBALL- Everyone ends up in a big pile-up while trying to get the football.

To Mrs. Brindle
who was lucky
to be head of
the Math Dept.
David
Ralph

You have been a treat
Mrs. Brindle be cool year!
and I'll see next year!
Rosemary Tuck

Thanks for being such
a great teacher. You've
really taught me a lot.
Best of luck & wishes to
a great person.
P.S. - see
you next
year!
hur-ya,
Jenny
Hamden

Mrs. Brindle,
I've really enjoyed
being in your class.
Hope I'll see you some
next year. Have
a good summer.
Bye.

P.S. Thanks for
all the
help

this year!

Mrs. Brindle,
I've enjoyed being in
your math class this
year. Have a nice summer
and I'll see you next
year.
Delia Brindle

To the Best and the Nicest
Teacher I have this year.
Have a nice summer.
Lee Stewart.

Good luck teacher!
I'll see you this
summer!
Delia Brindle

Mrs. Brindle,
I've really enjoyed
you being in my class! H/A!
Even though you got mad
sometimes, I still like ya
a lot! Don't work too hard!!
Hope to see ya next year!!

Love ya,
Donna Cox
H

P.S. Have
fun this summer!!

Back

Mrs Brindle
I really liked
you class!

Mrs. Brindle,

Thanks for being such a terrific
teacher this year. I've really enjoyed
being in your class this year even
though you got mad Adot!!! And
even though I didn't try very
hard. Well I hope that you have
a real nice summer!!

Cindy
Grubben

Mrs Brindle
I hope you
have a great
summer!!
I hope to see
you next year

To a mentally deficient old
lady who thinks she can
keep a study hall much
less teach math!

Steve Smith

Mrs. Brindle,
You've been one
of my favorite
teachers this year.
Hope you have a
nice summer
& try to see us
next year.
Love always,
Sherry
Punyon

Mrs. Brindle
you are a
very good
teacher. I
hope I pass.

Love
Ya
Donna
Beard

To a very sweet teacher
and good looking
hope I'll see you
this summer
Eugene Winters

To a nice teacher
that I thought
was mean at times
but I learned
what I had to.
Tim Curtiss

To a real nice teacher.
Have a nice summer and
best luck in the future.
David St. Elain

P.S. I'll come and see
you next year.

Mrs. Brindle,
It's been
fun having
you as my
math teacher
hope to see
you next
year. Susan
Morton

Mrs. Brindle
you my favorite math
teacher then again you my
only math teacher. Hope we
have you next year in Algebra
Have a great summer
Love Mark Hobbs

Mrs. Brundle,

Can you believe you survived?
You see, I'm not that impossible.
Thanks for helping me so much,
I learned a whole lot. I hope
I see you next year,
I'll visit ya' during
your classes. Boy,

don't I have a big mouth?
Just think, if Cindy would've
passed the test, boy our Math
teacher would be in trouble!
Well Gotta Go!
Giving me A's. Thank for
Love
Ya!

I'll
miss
ya.

Danielle
Mistak

P.S.
Don't I
write messy?

I also feel sorry for
the people who have
you next year. (Not
really)

Mrs. Brindle

I had a real good time all
year even if I got all D's

I think that I should have
got ten better but I
didn't if I fail I

hope I get you again
and if I pass I hope
I get you have a
nice summer stay
cool

Love Mark

Mrs. Brindle,

It has been fun in your
class with the graphs,
and beginning algebra. We
will forget the geometry.
See you next year.

Jeff Wilson

I had great time
in your class
this year. For a
very nice I hope
have good students
next. Have a nice
summer
Scott Drayton

Mrs. Brindle,

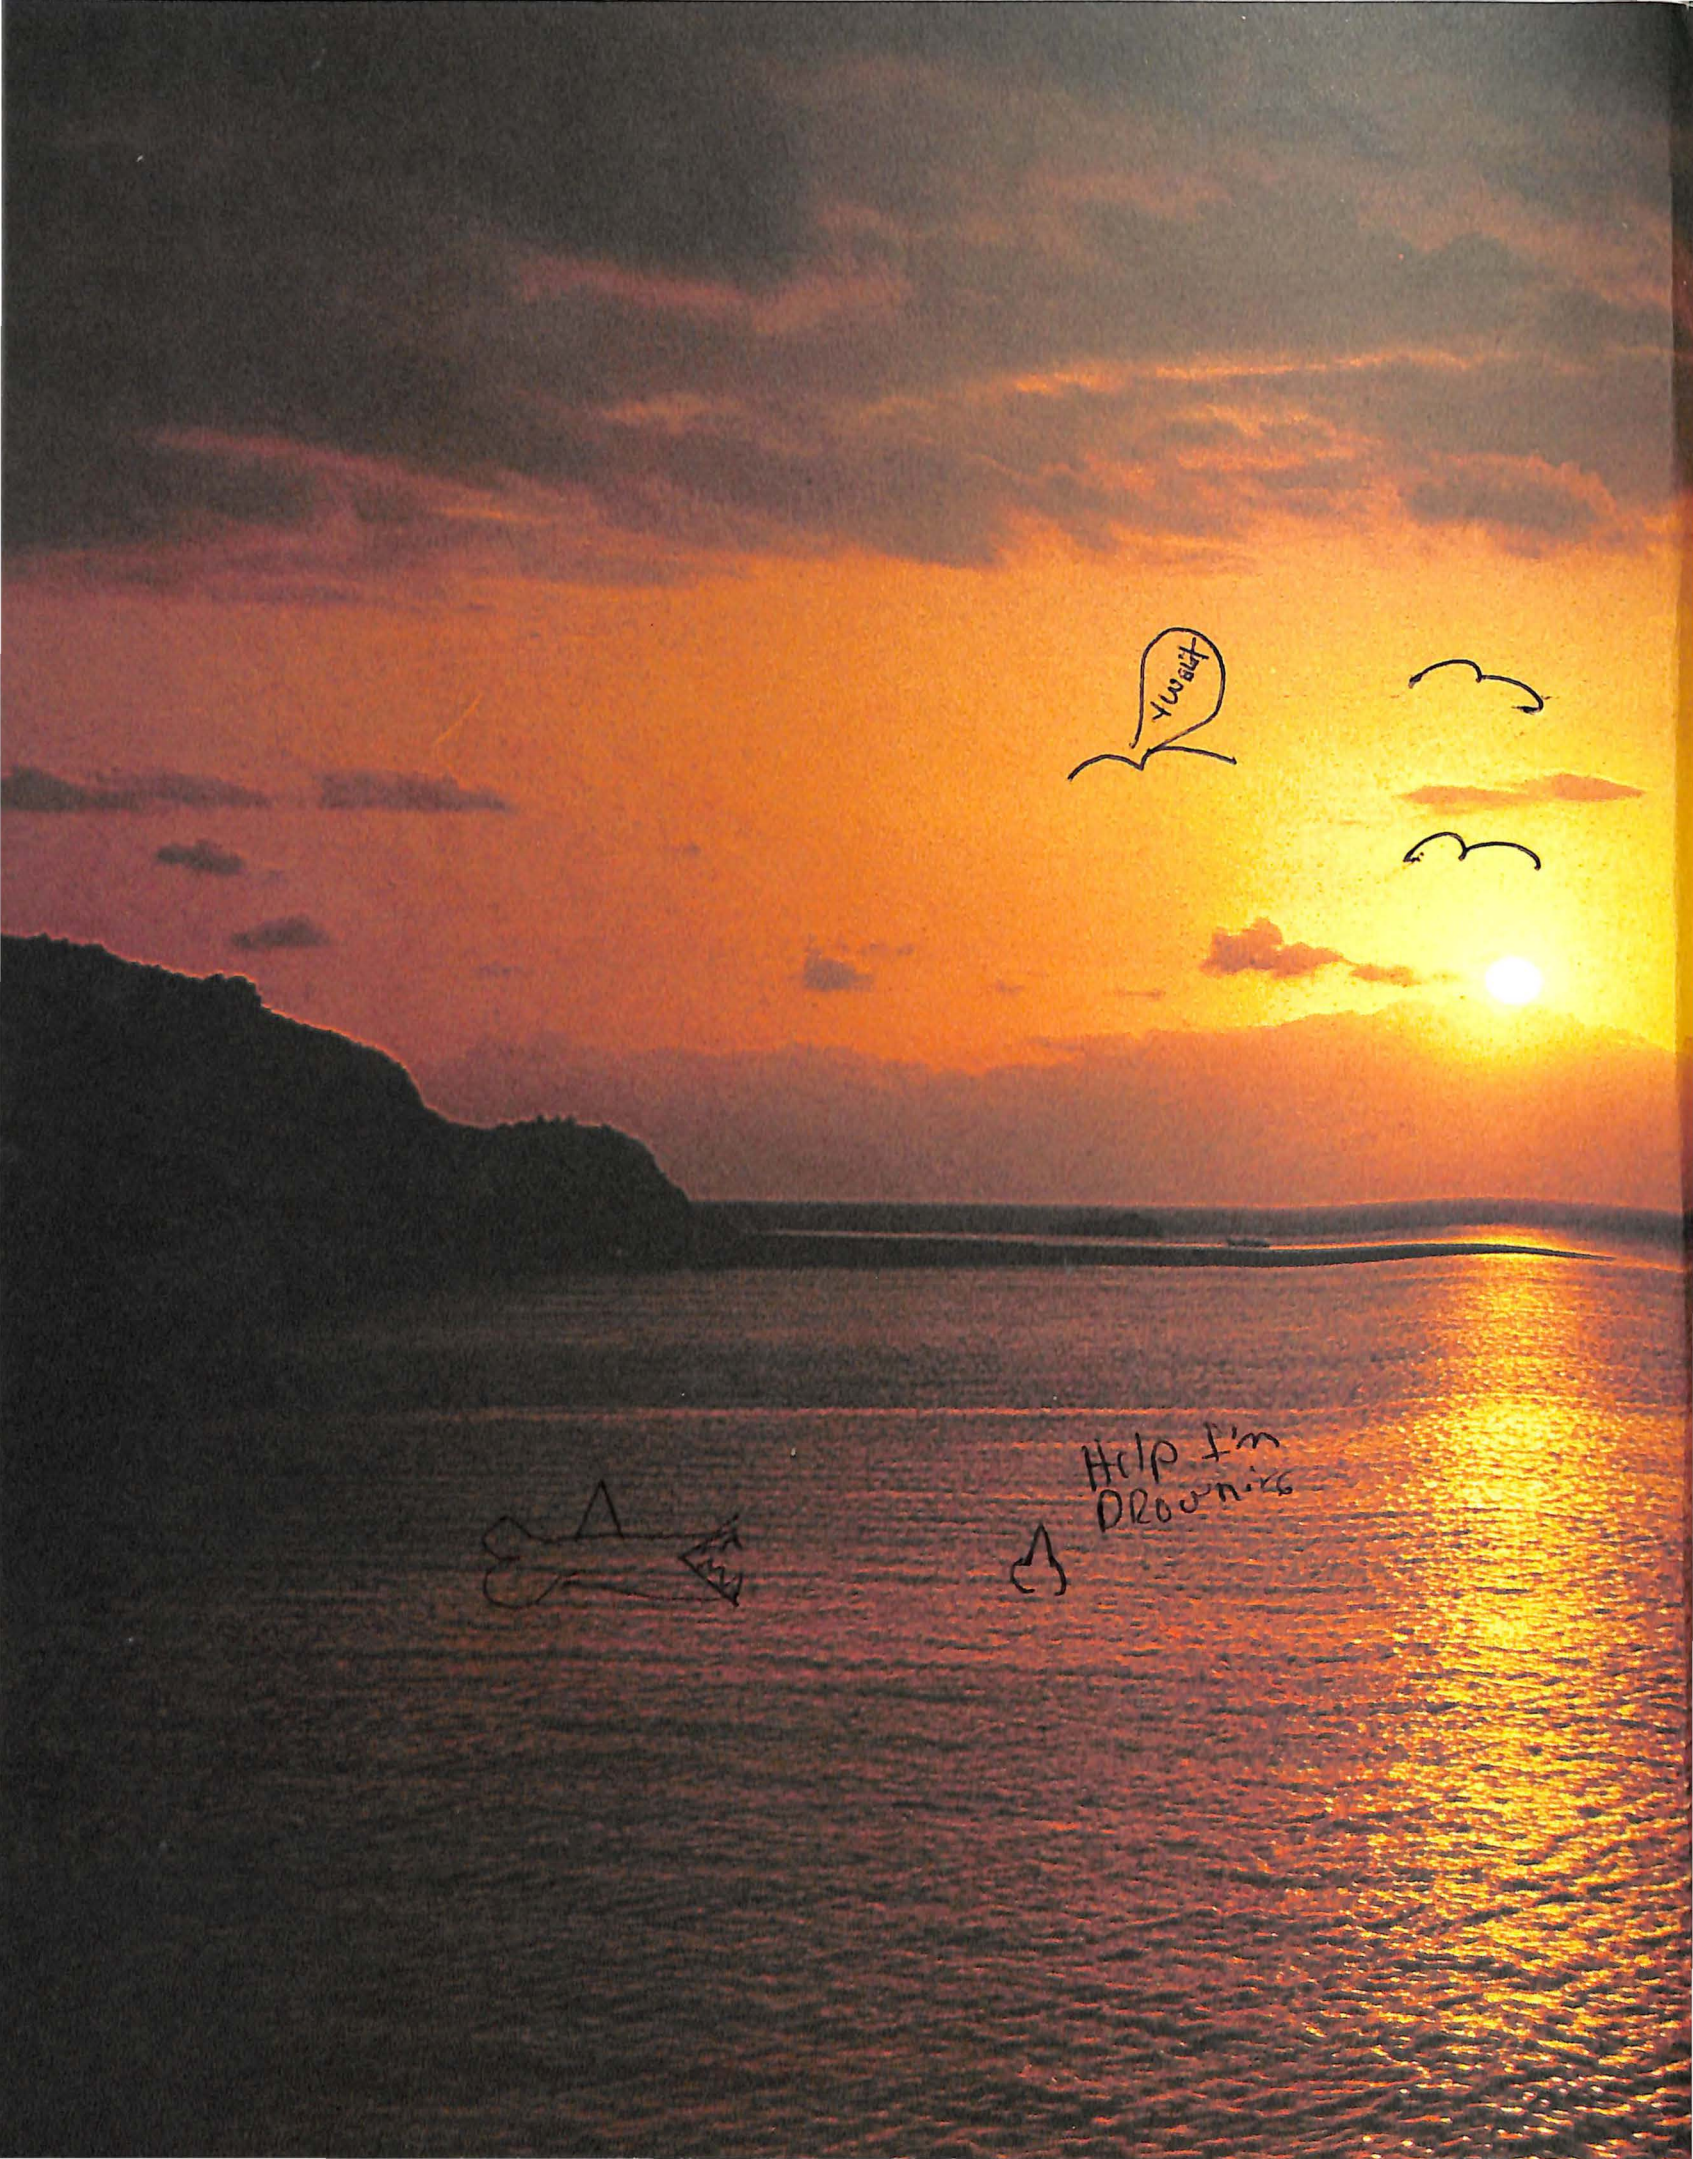

You are a nice
and very good
math teacher. I
learned a lot. I hope
I will see you
next year.

Love,

Marka
Stevens

Mrs. Brindle,
I have enjoyed being in
your class this year. You
were one of my favorite teachers.
Your class sure beat science.
Many more years of teaching
to you.
