# We're The One

As this school year draws to a close, I would like to tell the members of the yearbook staff how proud I am of them in meeting their deadline for this yearbook. I would also like to express my thanks to those boys and girls in the sports field for making us "The One". We are so fortunate to have such a fine student body.

# Foreign Language

The Foreign Language Department at NJHS has a more varied program this year than ever before.

Mrs. Betty Tate is department chairman and teaches Spanish and Introduction to Foreign Language. She also teaches one class at the High School.

Miss Sutphin teaches German and Introduction to Foreign Language. Miss Myers teaches French.

Foreign Language Day with native dishes to sample is a highlight of the school year. The Foreign Language Festival in the spring is another yearly highlight for the department. In the festival our school cooperates with other county schools. The county also sponsors a county-wide trip to Washington D.C. for Introduction to Foreign Language students.

John Kalafut, Kirk Walker, and Lisa Day listen carefully while Mrs. Tate gives a lecture.

Lisa Day, Tim Edwards, and Harold Snapp work hard on the first semester exam for Spanish.

April Warren, Herbert Smith, and others listen to some Spanish spoken fluently by Mrs. Tate.

Laura Boone, Herbert Smith and other students seem to be interested in their assignment.

Students work on translations

Susan Wary, and Jerry Cox are working, but Jerry takes time to sneak a peak at the camera.

Kirk Walker, John Kalafut, Melvin Johnson, Laura Boone and others say they are working, but it seems a little on the leisurely side.

In Typing I this year the students learned the keyboard and basic typing skills. They were typing approximately 35 words per minute.

In Art they made puppets, pottery, and learned basic painting techniques. They made the puppets and pottery for projects during the semester.

In Home Economics the students learned how to cook basic meals. They also learned how to sew from a pattern. Each class got to help in the restaurant where faculty members received delicious food at very low prices. All faculty members seemed to agree that the food was very, very, good and would love to have the restaurant service more often if their waistlines could stand it.

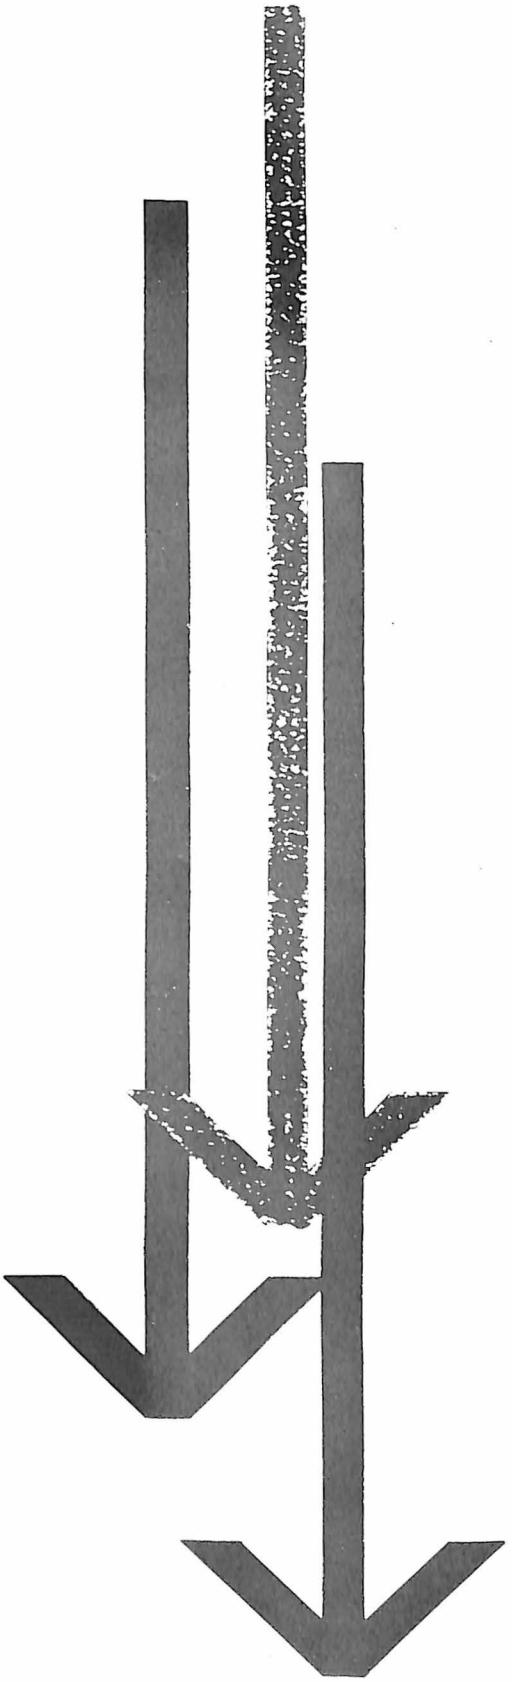

Mrs. Rostosky is to be congratulated for the superior guidance she gave the Home Ec. students in helping them prepare the menus for the restaurant meals and help them with the very fine service they gave.

Hobby projects are displayed in the lobby. These were made by the Home Economics students.

Puppets were displayed and done by the art students.

# STUDENT LEADERSHIP

It looks as if Penny Philpott just got up. She is dressed up for Tacky Day.

The SCA works on the homecoming float which won first prize for the 3rd year in a row.

The members of the SCA are: Pres.-Mary Morgan, Vice-Pres.-Robin Mathews, Sponsor-Mrs. Robertson, Secretary-Nancy Bailey, Sponsor-Mrs. Morris, Treasurer-Van Rozier, Chaplain-Margie Lanford.

Having a group discussion, the SCA stops for a picture. Robin Mathews, Van Rozier, Nancy Bailey, Margie Lanford, and Mary Morgan all participate.

The SCA has contributed a lot of time and hard work towards our student body. They have had three dances this year. A Back-to-school dance with Love, Fight and Sound, the Christmas dance with the Royal Kings and a dance on March 16 which WROV will provide music. The SCA also helped to fill the Christmas baskets. Earlier in the year they helped with a program called planned parenthood. Teacher appreciation week carried over from years before and morning announcements on Fridays are some more things they have done.

Mrs. Robertson had been one of their sponsors until she moved to Arizona. This left all the responsibility with Mrs. Susan Morris who has sponsored the SCA in previous years.

The one thing the SCA has done that we can all be proud of is its Northside Jr. High float which won first prize at the homecoming game.

Mary Morgan and Nancy Bailey work on the float for the High School's Homecoming football game.

# AMERICAN HOMEMAKERS

The FHA (Future Homemakers of America) is a service club made up of 7th, 8th, and 9th grade girls. Each year they pick a project to work on. This year they picked working with children as their project. Other projects were: making gingerbread houses to take home, the electing of officers for the club, and a Christmas demonstration on Christmas crafts.

The club raised money by having bake sales. Their plans for the rest of the year are: a picnic at Lakeside, A self-defense talk, the initiation of members at the Mother-Daughter banquet, sewing stuffed animals, and making a scrapbook and history of the club.

# We Are The Champions

This year our Football Team under the leadership of Coach Maynard "DID IT AGAIN." They won the district championship and went undefeated for the fourth time in the last five years. This record has never been equalled by any other team in the area.

They didn't go undefeated without trying. A combination of hard work, team work and much practice are the ingredients that made it all possible. The team practiced three hours in the morning and three hours in the evening, for a total of six hours, during the summer. This was cut down to three hours daily after school started.

When asked to what he attributed the success of his team, Coach Maynard replied, "We had the most aggressive and hardest hitting defensive team ever." The defensive team only allowed the other teams combined to score twelve points. On the first string defensive team were: Lee Stennett, Allen Davis, Eric Humphrey, Greg Otey, Ron Palmieri, Dennis Leftwich, Kent Thomas, Tony Lawrence, Mark Hardy, and Donnie Baker.

On every football team it's the offense that scores the points. This year's team was no exception. They are the ones that made the team a season winner. On the first string offensive team were: Donnie Baker, Lee Stennett, Greg Otey, Eric Humphrey, Jeff Chappelle, Kent Thomas, Ron Palmieri, Matt Thomas, Billy Catron, Jeff Golden, Tony Lawrence, and Dennis Leftwich.

The outstanding contributions of the basketball team led us to a winning season. These are the Players: Front-Danny Price, Scott Wallace, Lee Stennett, Billy Catron, Dennis Leftwich, and Donnie

Seven students have helped the basketball team in practice and preparation for the games. These students are David Henley, (head manager), Back: Jerry Richmond, Dale Ragland, Andy Gallion, Randy Hill and John Gibson.

1978-79 was a tremendous year for N. J. H. S. Boy's Basketball. Several players emerged with outstanding records. Donnie Baker was leading scorer (289 points for an 18.1 average.) John Fanning scored (200 points for a 12.5 average.) John was also the leading rebounder. Billy Catron averaged 9.6 and led the team in assists. Tim Sweetenberg was second in rebounding and averaged 9.0 per game. Catron and Baker both broke Andy Newson's record of 11 assists by passing out 12 each.

Coach English says, "This year is the most enjoyable season I've had in coaching. This team consisted of 15 young men of which each contributed greatly to our success." The 1978-79 team had the second best record in the school's history with 14-2. They broke the record for the most consecutive wins in a season. (13) The team had 10 ninth graders and 5 eighth graders.

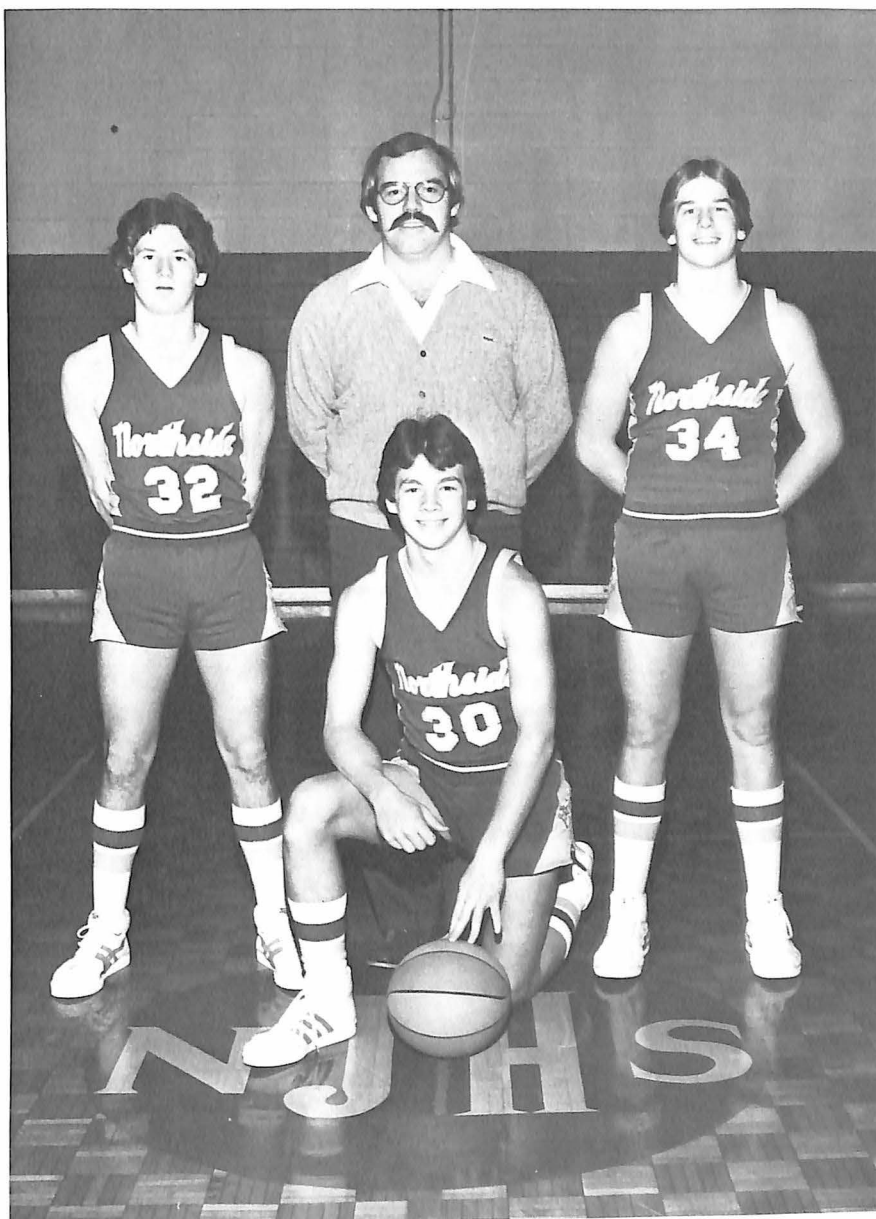

Coach English says, "The main reason for our success was our depth. We had several players who did not start but played well in key positions coming off the bench. They were Dennis Leftwich, Eric Humphrey, David Weddle and David Bess. My philosophy on basketball is to teach kids as much as possible about the game and at the same time make it enjoyable."

Billy Catron guards a William Byrd player as John Fanning and David Weddle stand by ready to make a basket. The team's confidence in themselves led them to an impressive defeat over William Byrd.

The boys on our basketball team had a great season. They were regular season champions and got second place in the tournament. When asked, some of the players said that they really enjoyed being on the team and they have improved a lot since last season.

The team had fifteen players. Ten of these were ninth graders and five were eighth graders. They commented that the eighth graders played a lot more and lot better than previous years. Mr. English deserves a lot of credit. He really worked them by making them practice after school, on snow days, during Christmas vacation and on Saturdays.

Starting Nov. 1 the wrestling team practiced almost every school day for 2 to 3 hours till February 2. They also practiced during the Christmas Holidays.

Coach Gallimore replied "I thoroughly enjoyed coaching the team" and "We had a very hard working team." Although he regrets to announce that next year he will not be here.

He also commented that he thought David Paschal and Mike Smith proved to be outstanding wrestlers in their league.

David Paschal was the 160 pound Jr. High Champion. Smith was the 112 pound Jr. High Runner-up. Northside Jr. High placed 6th in the Roanoke Valley Jr. High Tournament.

# We Are Champions . . .

The girls' basketball team had an outstanding season this year. They had the best record in their league, with 13 wins and 1 loss. The players broke many of the school records, and gained the respect of all the opponents in their league.

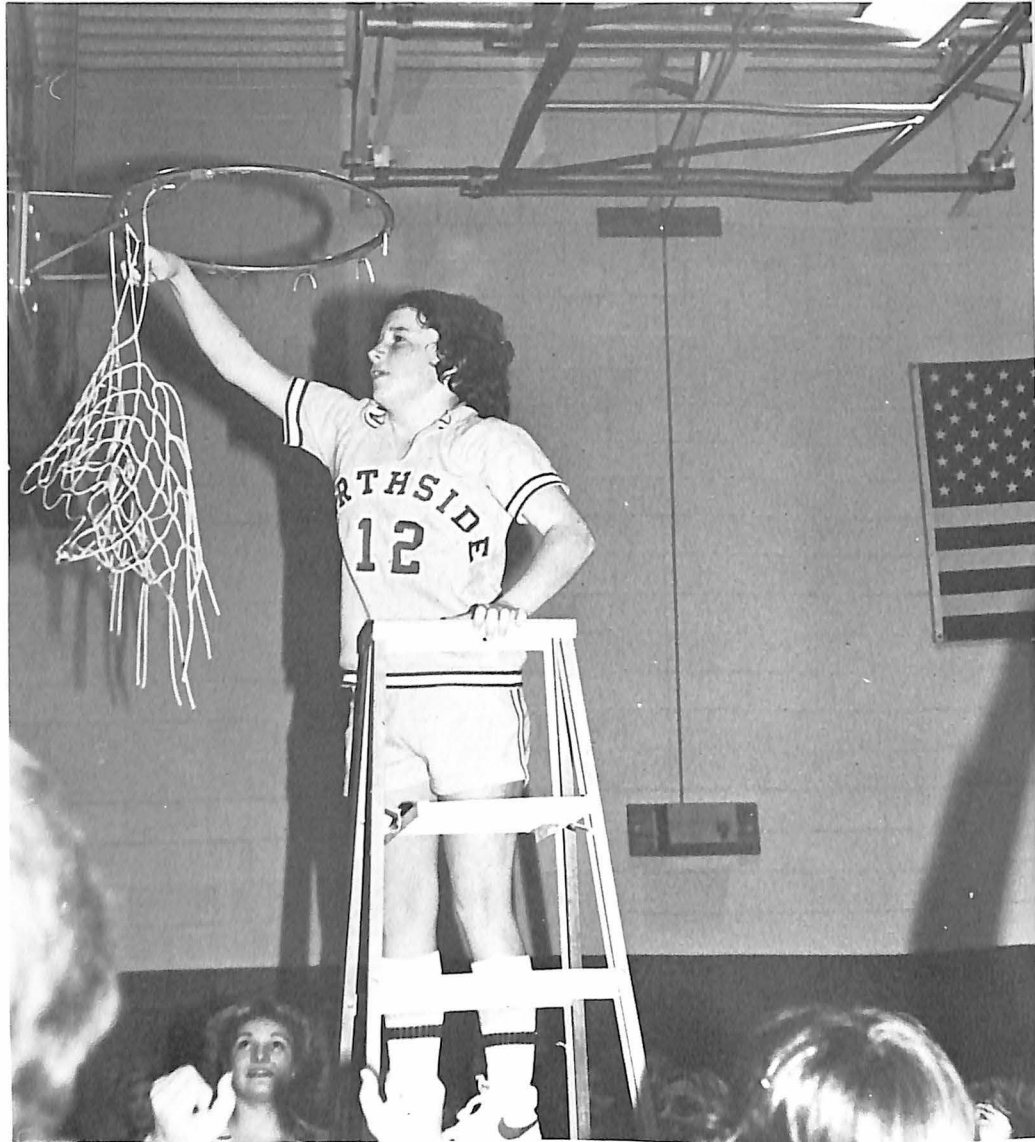

In the tournament the Norsewomen beat Andrew Lewis in the first round 54-35. Their next rival was William Byrd, a team that, ever since this league was formed, has never been beaten before; Our team defeated Byrd 59-48, thus becoming the champions of their league.

Three players broke 100 points this season: Diane Beard, scoring 102 points; Kristen Konrad, scoring 120 points; and Pam Spencer, scoring 210 points.

The superlatives awarded went as follows — Pam Spencer was the most valuable player — Regina Collins was the most improved player — Diane Beard, was the most consistent offensive player and Kristen Konrad was the most consistent defensive player.

Pam Spencer really shone with her point record for this season. She had scored 210 points for the season, and her highest score for a single game was 25 points. Pam has scored 378 points in her basketball career.

When asked how she feels about coaching, Miss Bussey replied, "I enjoy coaching because I am able to get to know my players on a more personal basis. I think coaches need to respect their players and players need to respect their coach in order to have a good feeling among the members of the team. I have always tried to stress the 'Team concept' rather than glorify any one member of the team. The reason for our success this season was due to a total team effort. I get a great deal of satisfaction from having the team perform to the best of it's ability rather than just one or two individuals. Next year's success will again depend on how we work together."

Sharon Chiles cuts one of the bib nets after defeating Byrd in the championship 59-48. It was Sharon's last day at N.J.H.S. as she moved to Florida.

The Volleyball team this year had fifteen hard-working members. They got off to a bad start by losing the first game. They seemed to improve with each match. Their record was 2-4.

It was the first year for many of the players on the team and one commented, "It was hard work, but I really enjoyed it. It was fun being part of the team."

# N.J.H.S. Spirit Makers

Showing great spirit the cheerleaders led by captain Joy Peverall and co-captain Shawn Overstreet cheered us to victory in many sports. They came back from camp and brought many new and bright cheers back with them. We are privileged to have such talented cheerleaders.

The cheerleaders do a tremendous job for our school. They stay extremely busy year round because they cheer for all sports activities for both the boys and girls teams.

Their sponsor, Miss Beverly Pugh puts in numerous hours as a trainer and chaperone for the girls. The sponsor accompanies the cheerleaders to summer camp.

Acrobats- The cheerleaders do one of their many acrobatic routines.

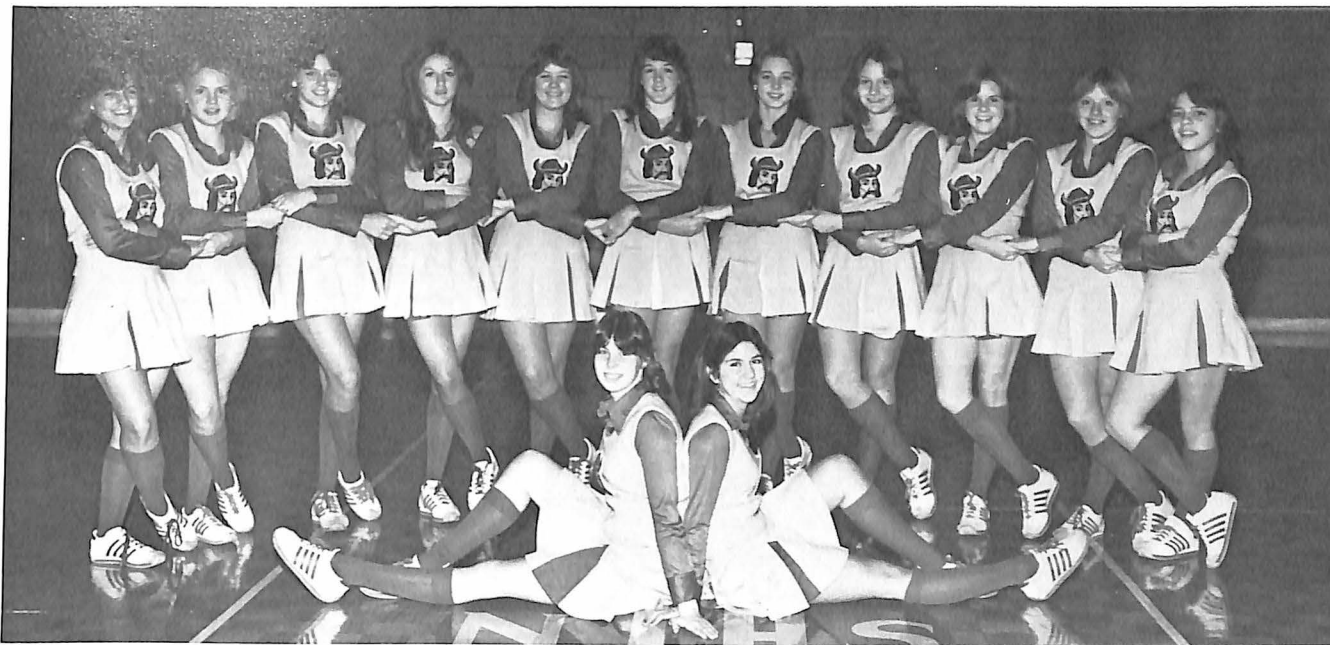

The cheerleaders arouse the crowd in one of the pep assemblies.

# Gymnastics

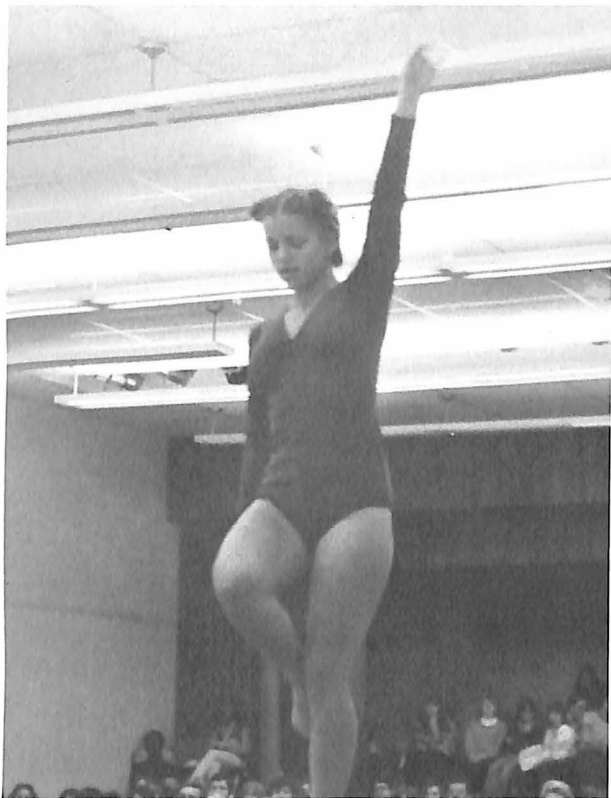

Members of the Gymnastic Team are pictured with their coach, Miss Ellen Graube. The members are: Anita Leonard, Sharon Vess, Deidra Stacy, Debbie Hartless, Vicky Hicks, Beka Sadler, Jennifer Hurt, Greta Sanford, Tracy Jobe, Michelle Weikel, Angela Waldeck, Valerie Patton, Stephanie Starkey, Julie Weikel, Jan Flora, Angie Hiner, Angie Ayers, Karen Lafferty, Tracy Spence, Delana Williams, Teresa Snider, Stephanie Morris, Wendy Basham, and Stephanie Stamus.

**BALANCE** Tracy Spence tries to hold her balance after she comes out of her forward roll.

The Gymnastics team came in third in the tournament this year with a 4-2 record in the regular season. This year the team consisted of nineteen gymnasts and five managers. We will be losing 12 of the girls this year due to graduation from the ninth grade. This is the fourth year that N.J.H.S. has had a gymnastic team, and although this was not the best year as far as the record went, the girls did a terrific job. Last year we were "number one."

The gymnasts elected Julie Weikel and Beka Sadler as their co-captains for their team. Both Julie and Beka were all round competitors. They worked on floor, Balance beam, vault and the unparallel bars.

Valerie Patton comes out of her forward roll and gets ready for her dismount on this routine. She received a 6.70.

The gymnastics team watches as their opponents do their routines.

Julie prepares for the final move of her routine. Julie was Co-Captain with Beka Sadler.

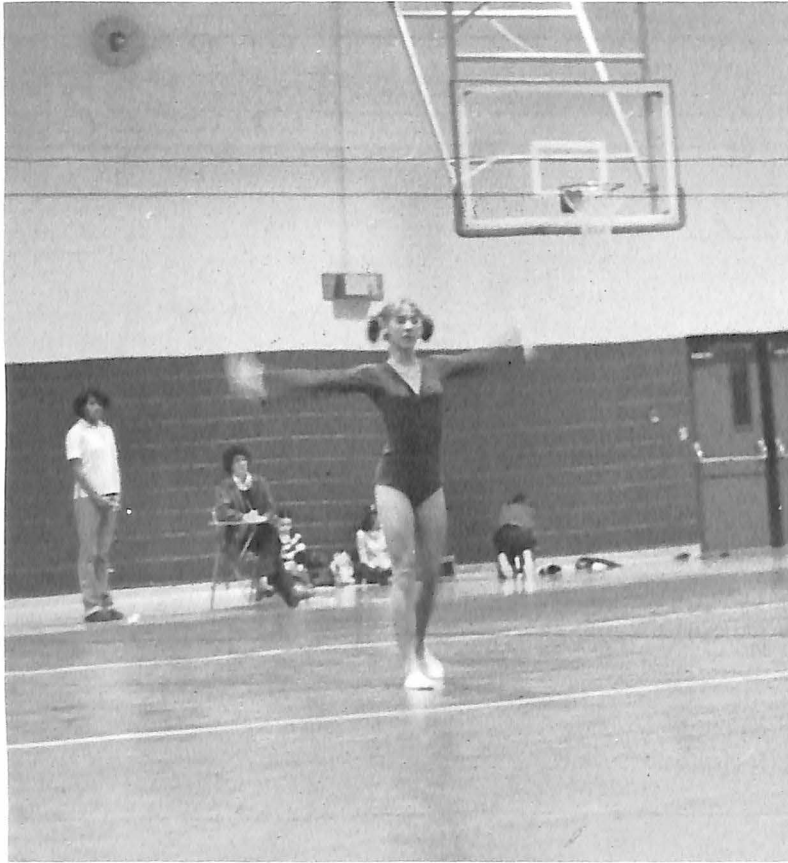

Angie Hiner gets ready to do a difficult move. She was a big help to the team this year.

## Principal Leadership

The principals do an excellent job of running our school smoothly. Due to heavy responsibilities their days are usually filled. Even though they do have busy schedules they each find the time to talk to students about their problems.

Mr. Johnston is head principal and principal for the ninth grade. It is his responsibility to see that the entire school organization runs smoothly. Mr. Dyer is the eighth grade principal. One of his other duties is to take responsibility for the grade cards and class scheduling.

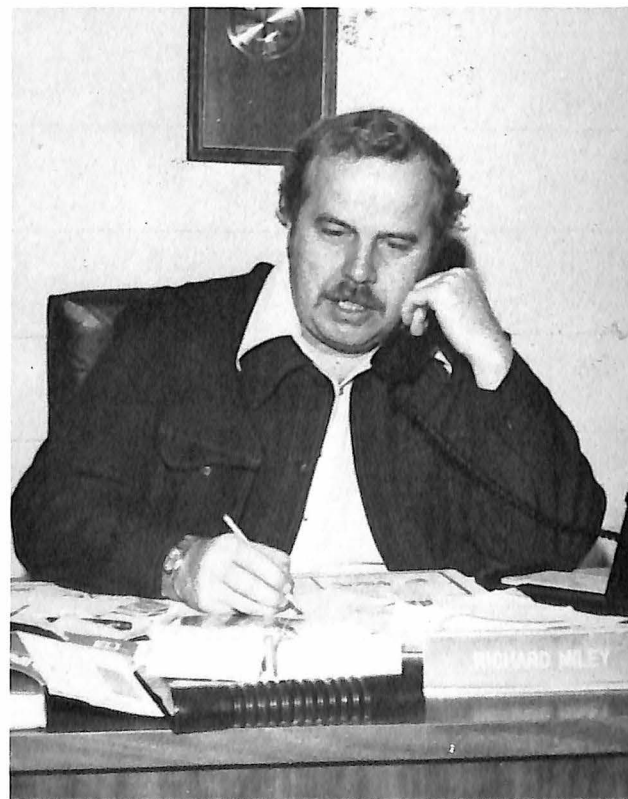

Mr. Miley is the seventh grade principal. He is in charge of all sports activities and takes care of the scheduling of all student events.

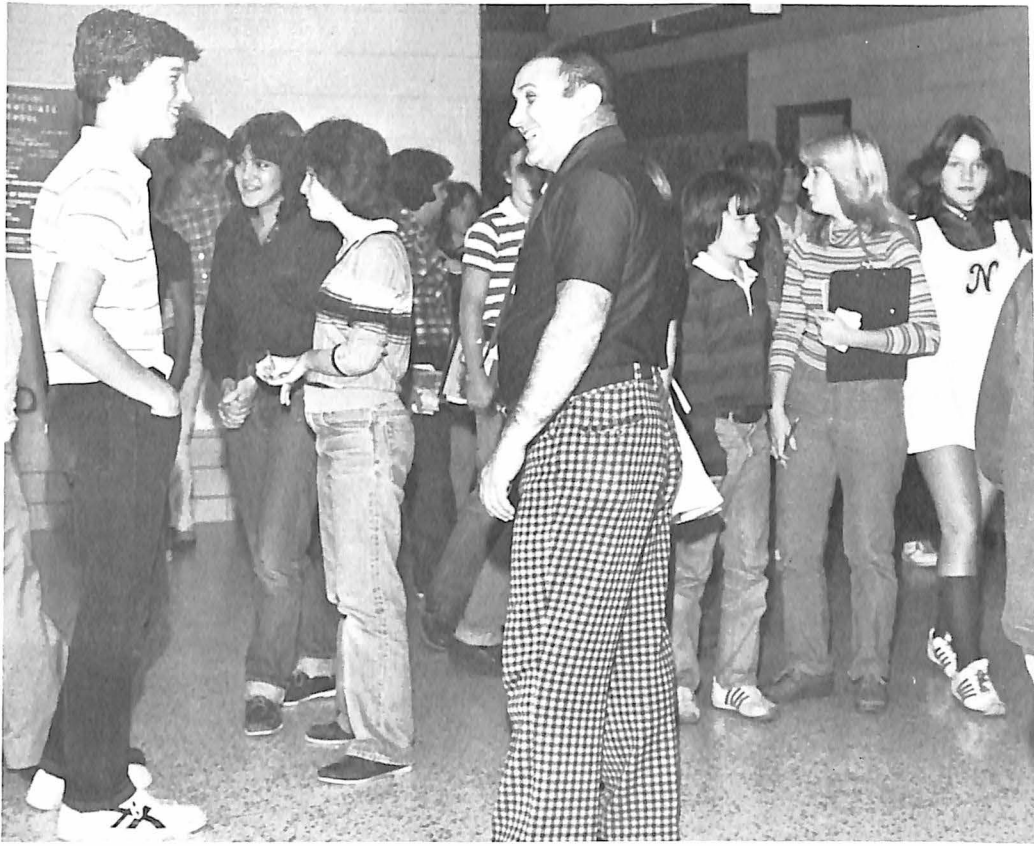

Mr. Hal Johnston

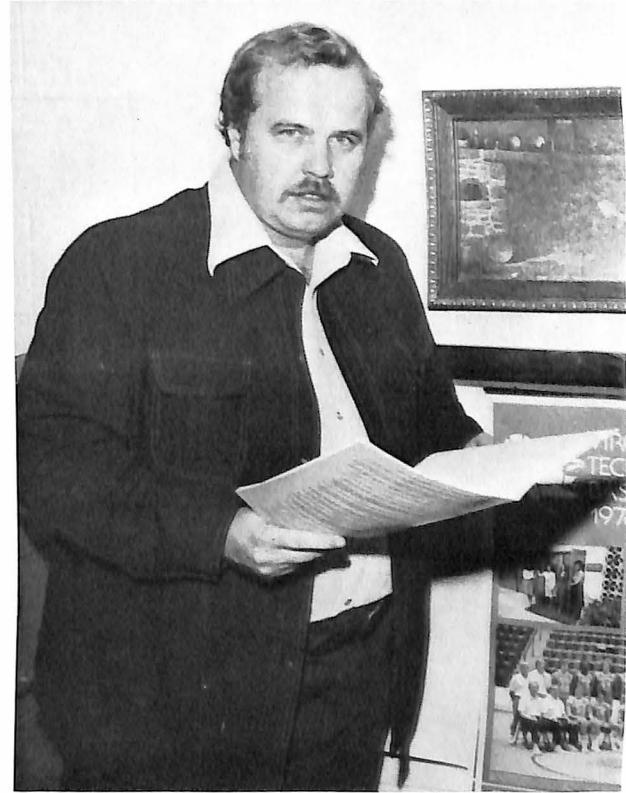

Mr. Don Dyer

Mr. Richard Miley

Mr. Dyer talks to Doug Winebarger between classes.

Mr. Johnston tidies the shelves in the lunchroom.

Mr. Miley is interrupted with his paper work to speak to a student.

## Conclusion

Northside Junior High has held many surprises this year. The football and girls basketball teams were Roanoke Valley Junior High Champions and the boys basketball team was Roanoke Valley Regular Season Champions. The gymnastics came in third place in the tournament.

We missed several days for snow and the '79 Ice Storm, because of these we had to miss holidays and go on several Saturdays.

Summer will bring many mixed feelings. Some people will be sad, be separated from friends, and others will be glad to be getting out of school.

This year marked the first for the Behavioral Adjustment Class (BA) in our school. This proved to meet the needs of several students which the regular classroom could not. The Special Education Class had two blind students for the first time. The entire faculty and student body were thrilled with the way these students adapted to the regular school situation. They were truly an inspiration.

Steve McAllister relaxes after doing some work in Earth Science.

The aftermath of the ice storm in January shows broken trees and damaged power lines. Many of the APCO customers in the Roanoke Valley were without power for several days.

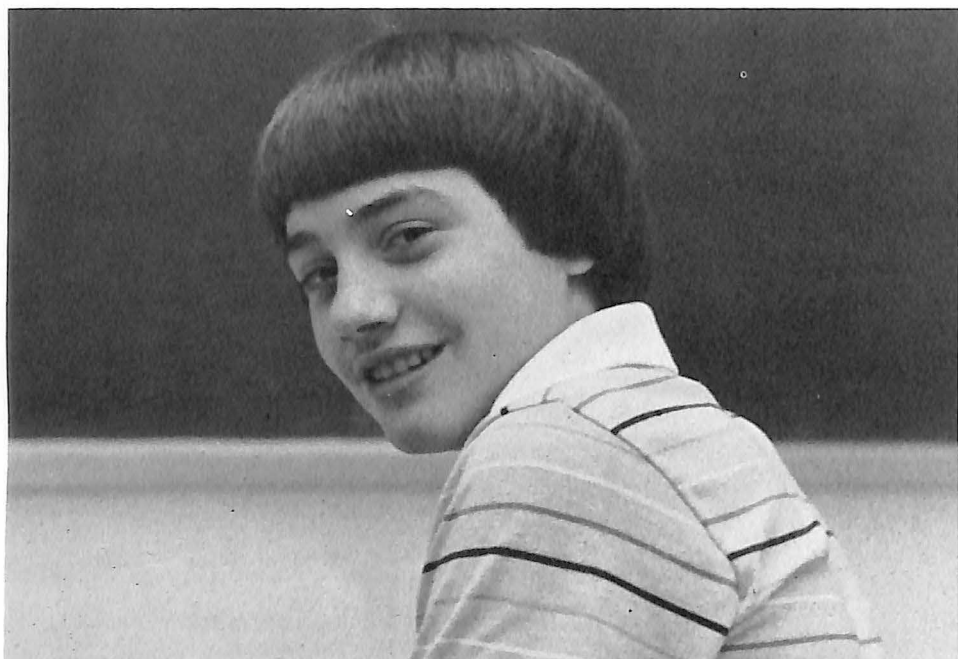

"Intensity" is written all over Duane Dinkel's face as he works diligently.

Mr. Conner's Class stands outdoors looking through spectroscopes.

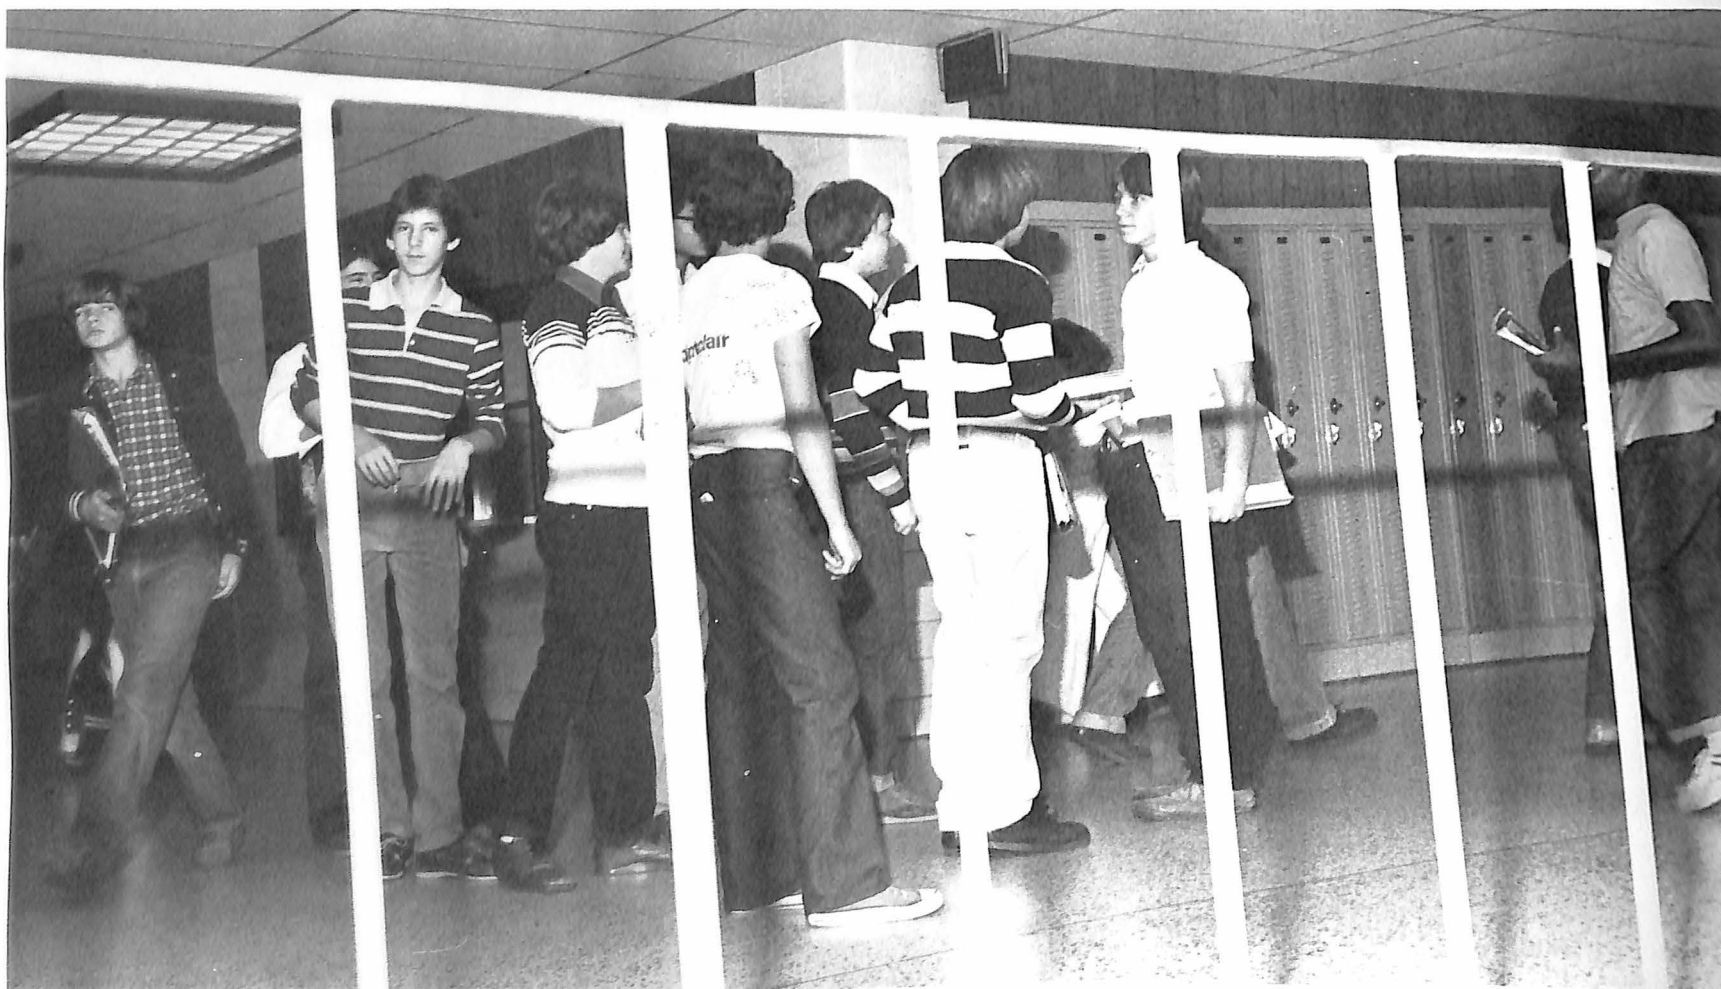

# Conclusion, Con't

Randy Graham is caught by surprise while working in Earth Science.

Danielle Mistele, Terry Snider, and Heather Hash clown around during a yearbook meeting.

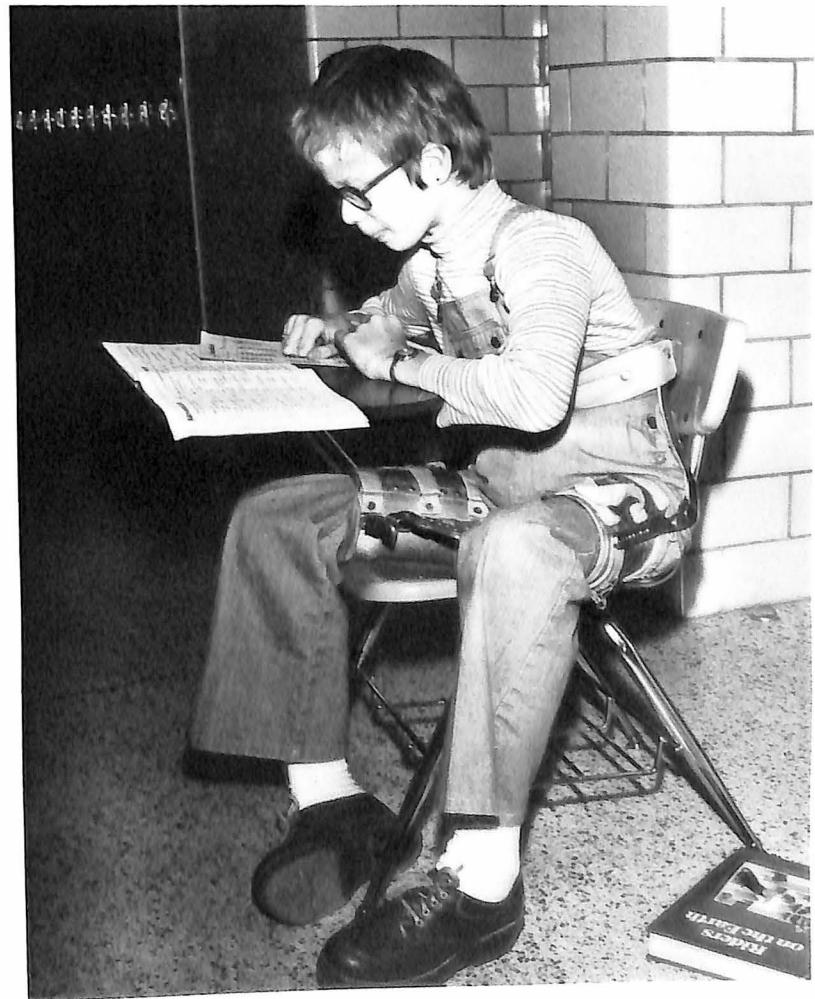

Bill Gill, Jeff Stevens, Todd Firebaugh and Larry Ulery reminisce during the lunch break.

Becky Beavers and Debbie Hartless play defense while Lynn Saul awaits a possible rebound.

Mrs. Martha Taylor cleans off her car after some students decorated it in honor of her marriage and honeymoon.

Julie Peletier sits out in the hall patiently doing some reading.
