FRESHMEN

Class Officers

The members of the Freshmen Class began their year with a great sense of pride. They had found that making it through Junior High School was not the impossible task it had seemed to be when they entered as seventh graders. They enjoyed their role as "rulers of the school." Their fun and laughter was infectious, as was their get-up-and-go. They provided good leadership and participated in all the varied activities of school. They showed they could hold their own-whether in the classroom, in athletic contests, or in the cheering section.

They look forward with enthusiasm to the challenges and new experiences of Salem High School.

EIGHTH GRADE

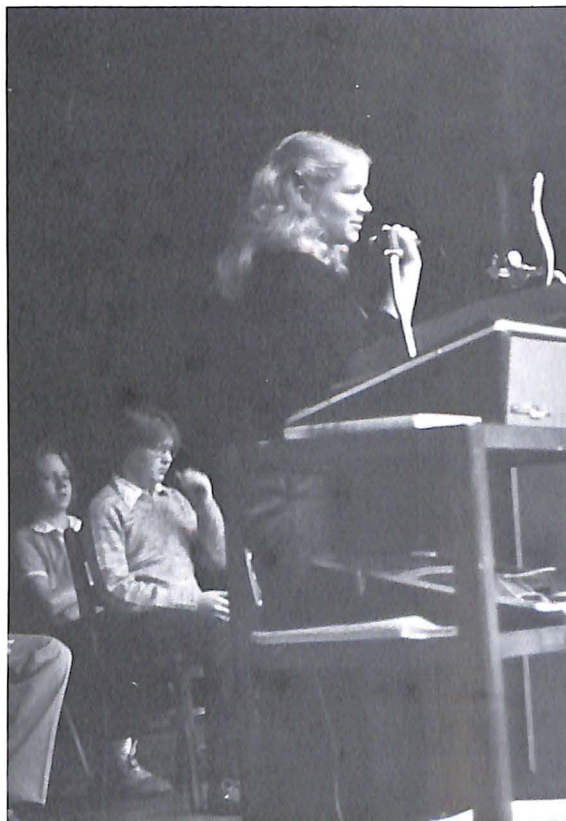

P. Shinault

Class Officers

Ellen Turney, Secretary

Nira Marsh, President

Keith Campbell, Treasurer

Jim Hudson, Vice President

The Eighth Graders were active this year in many areas of school life. One of their most outstanding achievements was presenting the Presidential Debate. Representing the three presidential candidates were Jim Hudson, Nira Marsh, and Cameron Young. Speaking as vice presidential candidates were Matt Ames, Amy Fisher, and Steve Garren.

Those members of the class who took Home Economics held open house for the parents and school staff.

Many individual honors were received also. Richard Morgan was elected captain of the basketball team. The debatable honor of being Jr. Turkey of the Year went to Dixie Ribble and Mary Catherine Bateman received honorable mention in the same contest. Tony Rippee was the high winner from the eighth grade in the flower bulb sale. Many individuals were named to the A-B Honor Roll. The class was well represented in sports, clubs, choir, and band.

They are well prepared to take over the reins of the Freshman Class.

SEVENTH GRADE

Class Officers

Brian Oetgen, Vice President

Jennifer Norford, Treasurer

What's it like being a seventh grader at Andy Lou? Taking this question to the halls of Lewis, here's what we heard

"The games and dances are a lot of fun. We get to be with our friends and meet new people and have new experiences. We're proud to be a part of Andrew Lewis and we share with the upper classmen a great school spirit."

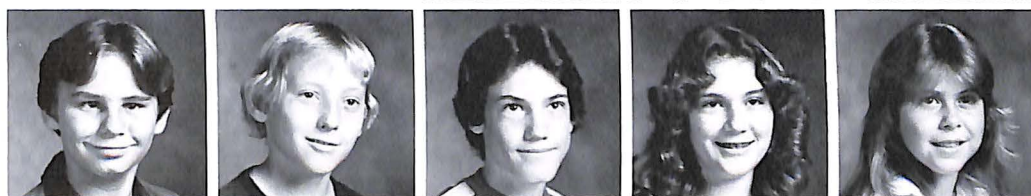

"The upperclassmen always pick on us. We're teased about being the youngest. If we ask directions, either they steer us wrong or they won't tell us at all. We're the low man on the totem pole, all right."
