Exciting changes at Lewis.

Over the years, many changes have occurred at Andrew Lewis.

More than fifty years ago in 1932, Andrew Lewis opened its doors as a high school. It remained this way until 1977, when it became a junior high school. Then, in 1983, the Roanoke County and Salem City school systems split, and as a result, Andrew Lewis became a middle school.

During the summer, many exciting changes took place. New signs were added outside, a brand-new gym floor was installed, new lockers were added due to a huge increase in enrollment, and the old lockers were painted. New lighting systems were installed, and new rooms were created in the annex where previously only the Roanoke County offices and the shop were located.

This year thirty-six new staff members were hired in educating two new classes of sixth and seventh graders. The Salem School Board appropriated \$20,000 for Andrew Lewis to use in its Computer Lab. The Lab was used to help educate pupils in specialized areas, such as math and English.

All in all, these changes promised to make an exciting year of change at Andrew Lewis, and an interesting one, too.

Finally a winning season

Winless during the last two seasons, this year's edition of the Lady Wolverines won six of their last nine games to finish 7-7 and Runner-ups in the Roanoke Valley District.

Despite playing much of the schedule with only seven girls, these young ladies improved and gained confidence with every contest. The year began with a big win at Clifton Forge, ending the two years plus skid. Before the year was out, Lewis would defeat everyone on their schedule at least once, except one. The highlight of the fall was a stunning upset of the regular season champ Northside, in the district tournament. At the season ending banquet, given by Coach Orange, Coach Ward, and Mrs. Ward, Debbie Puch was awarded the MVP trophy, Rachel Lyon was voted Most Improved, and Melissa Weller was given the Coaches' Award.

Teamwork was the answer

During the record breaking heat wave of early August, football practice began at Salem High from 9 to 4 daily. After grueling work-outs in the sun, the Wolverines completed their season with four wins, one loss, and one tie.

The team captured a landslide victory, playing like champions, in the William Byrd contest. After four touchdowns were called back due to penalties, the Wolverines put the Terriers to rest with a 44-0 shut-out.

After years of losing to Pulaski, Andrew Lewis rose to the occasion and beat the Cougars in a thrilling moral victory.

The coaching staff was led by newcomer Larry Bradley and assisted by Marty Yuhas and Brian Hooker. Awards were given as follows: Most Improved — Ronny Angel, Best Offensive — Marvin Morris, and Best Defensive — Johnny Meadows.

Winning wasn't everything

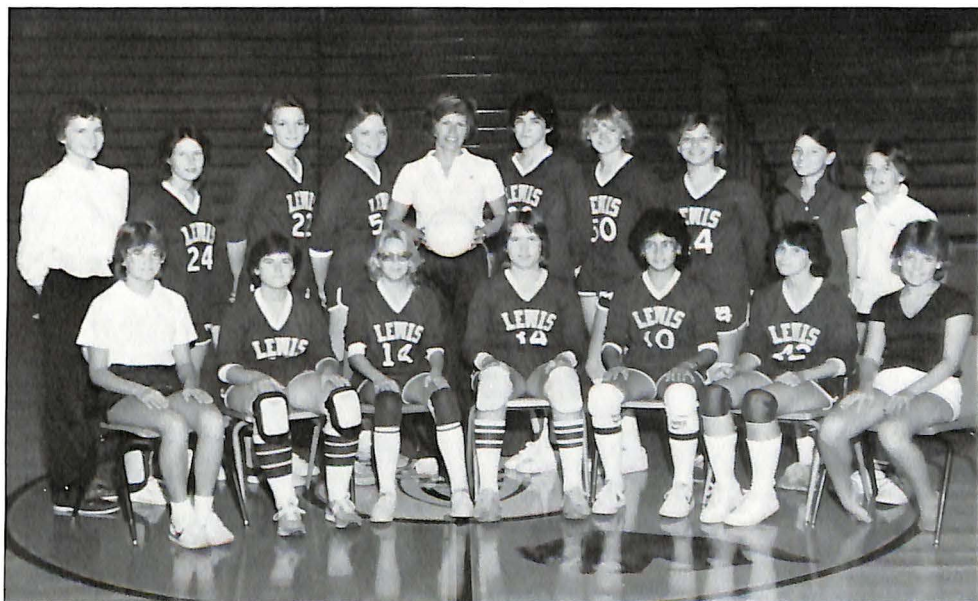

Winning wasn't everything. Twelve enthusiastic girls made up this year's volleyball team. For the first time the team was coached by Mrs. Pat Oberlin. Despite their unsuccessful efforts to win, the lady Wolverines gave it their all.

The team was led by co-captains Debbie Nelson and April Brightwell. Awards were given to the following: most improved player — Connie Robertson, most points scored — Bev Looney, most valuable player — Debbie Nelson.

Although the team did not finish with an outstanding record, winning wasn't everything, for they had enthusiasm!

Winning season for gymnastics

The 1984 Andrew Lewis Gymnastic Team had its best ever season under Coach Mary Wright. With only one loss to Hidden Valley, they came through with a 4-1 record. The Lady Wolverines defeated William Byrd, Franklin County, Northside, and Cave Spring.

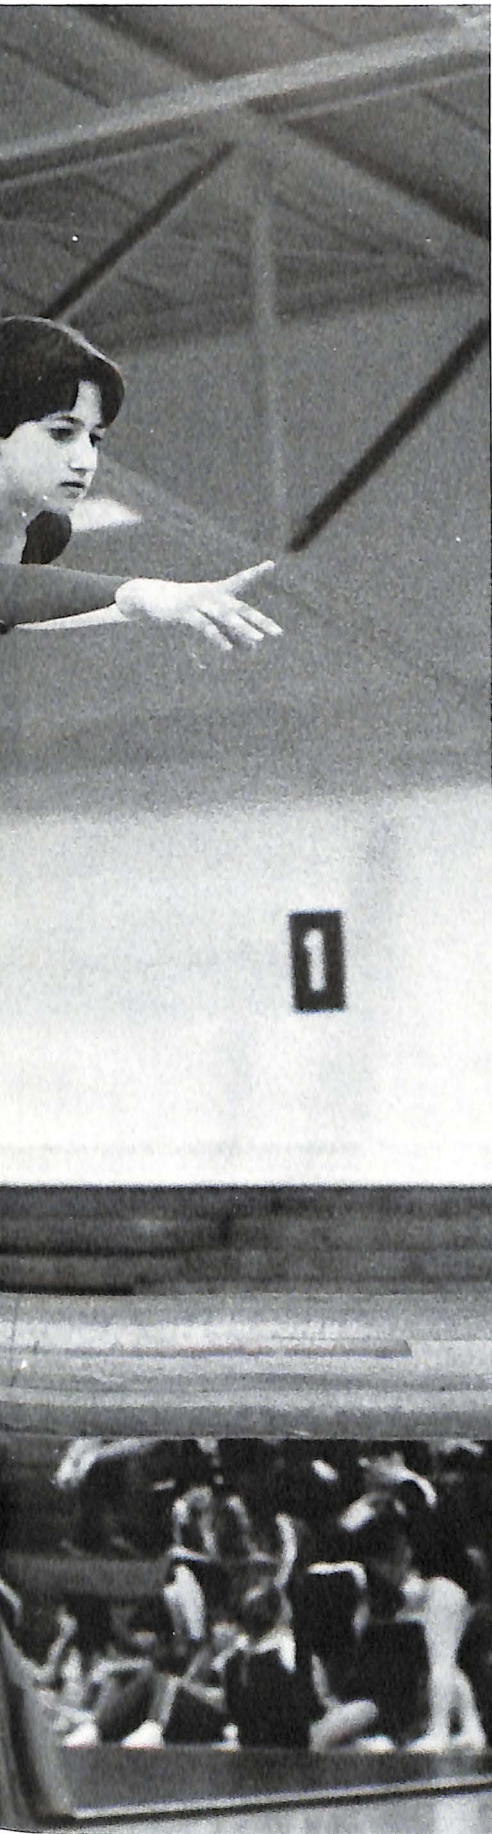

In the district meet, Captain Amy Gentry placed first all around and Co-captain Lesley Hammersley placed fourth all around. They were only 5 points away from first place.

Whips Northside in Finale

This year's basketball team consisted of ten ninth graders, eighth graders Tray Isley and Jerry Hall, and seventh grader Lamar Daniels. Managers were Trey Batts, Van Gresham, Drew Pitts, and Debbie Puch. Chip Clemens and Rusty Ward were the captains.

The campaign started in early November and ended in early February with two straight wins at home. Season highlights included wins over district runner-up William Byrd and perennial power Northside.

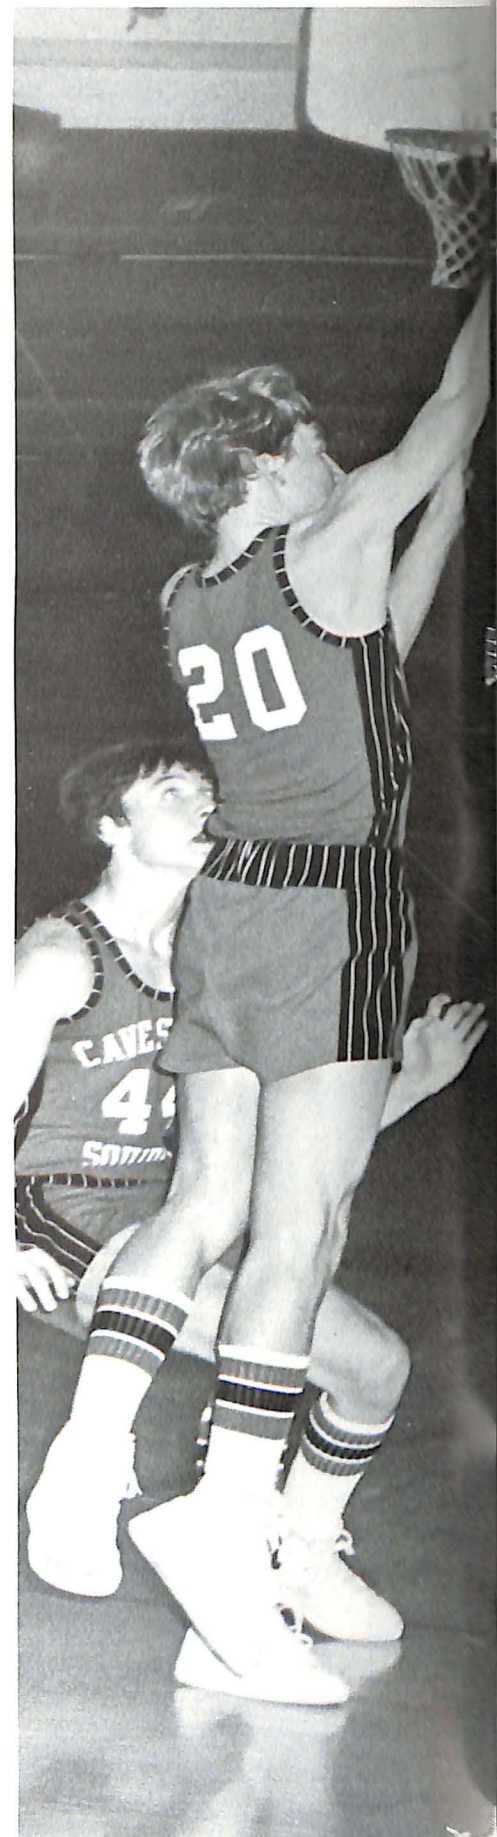

The 83-84 team was very young in terms of experience, but improvement showed through as each game was played.

At a post-season gathering, Rusty Ward was named M.V.P., David White was awarded the Most Improved Trophy, and Jerry Hall won the Coaches' Award.

New team and coach for wrestlers

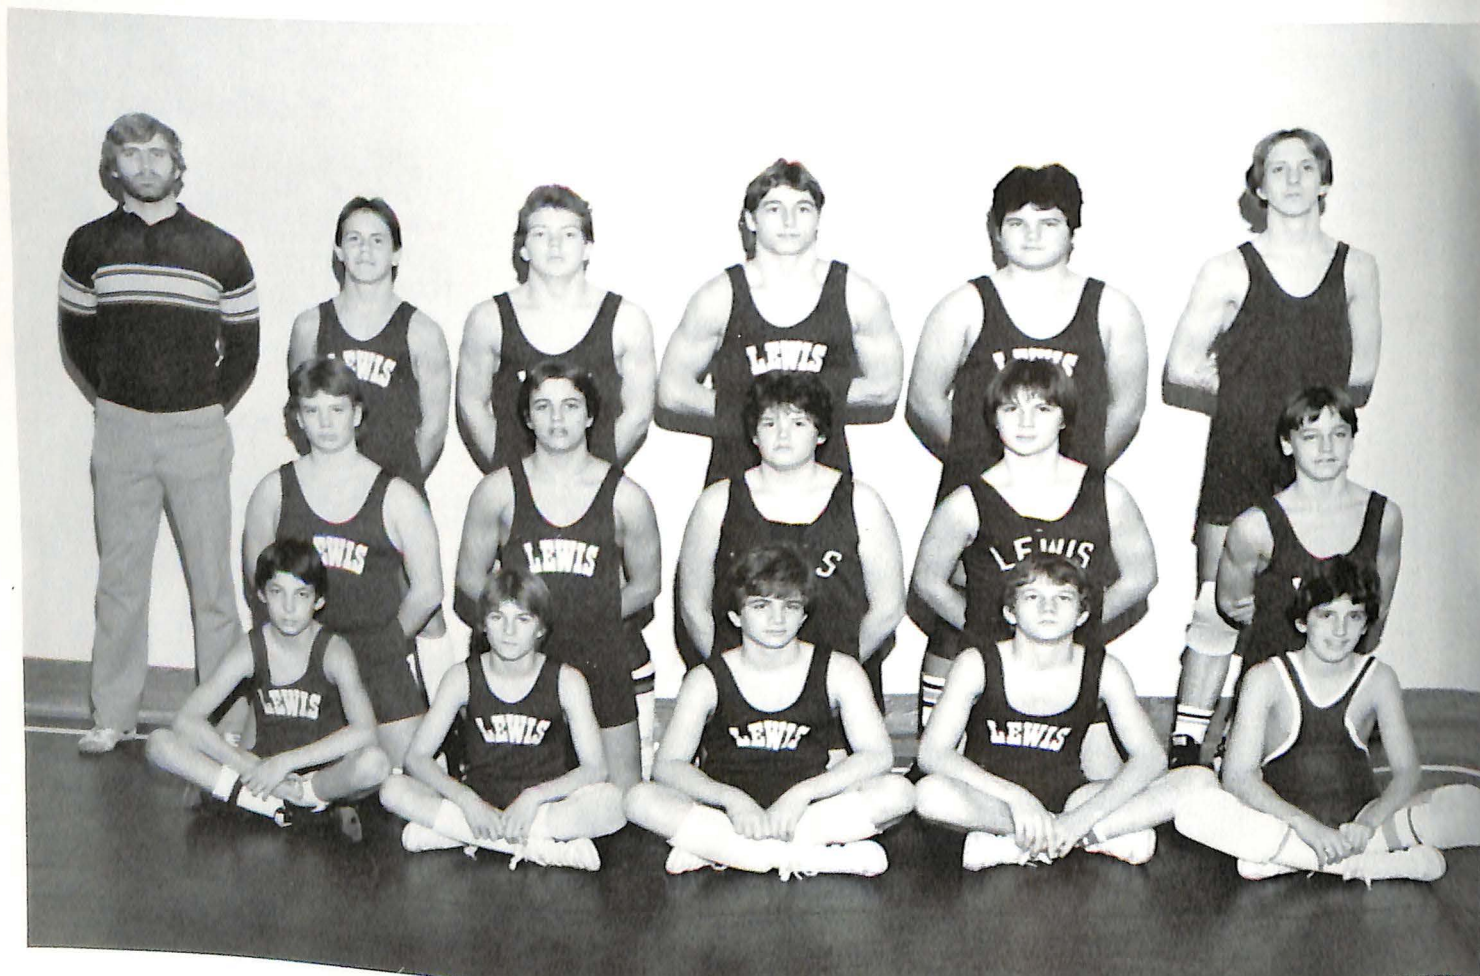

The wrestling team, coached this year by Mr. Michael Cox, was full of spirit. Even though they did not have the season they had hoped for, they tried their hardest. In the districts, Brian Fralin placed 2nd, Yancey Cobb placed 4th and Brett Howell and Kevin Crawford both placed 3rd.

The wrestlers practiced as much as possible after school at Andrew Lewis or at Salem High School. During a typical practice, the wrestlers lifted weights, ran, and practiced maneuvers. On several occasions, they went to Salem High to practice with the high school wrestling team.

Some of the new wrestlers on the team were inexperienced at first, but with the guidance and help of Coach Cox they soon mastered the art of wrestling.

Successful year for S.C.A.

In the fall, the S.C.A. sponsored National Education Week, November 14-18. During the week, a student of the day was selected by each department for academic achievements. On November 14, Teacher Appreciation Day was held. The students voted for their favorite teachers by depositing money in jars with the teachers' names on them. The winner was a sixth grade English teacher, Miss Janet Harless. The S.C.A. also held Amazing Aide Day on November 15. College T-Shirt day was held on November 16. The winning college was U.V.A. On November 18, Teacher Casual Day was held. On Casual Day, the teachers wore anything they wanted; most teachers wore blue jeans. Later in the year, the S.C.A. had a Christmas Door Decorating Contest. The winning class was Mr. Vail's first period band

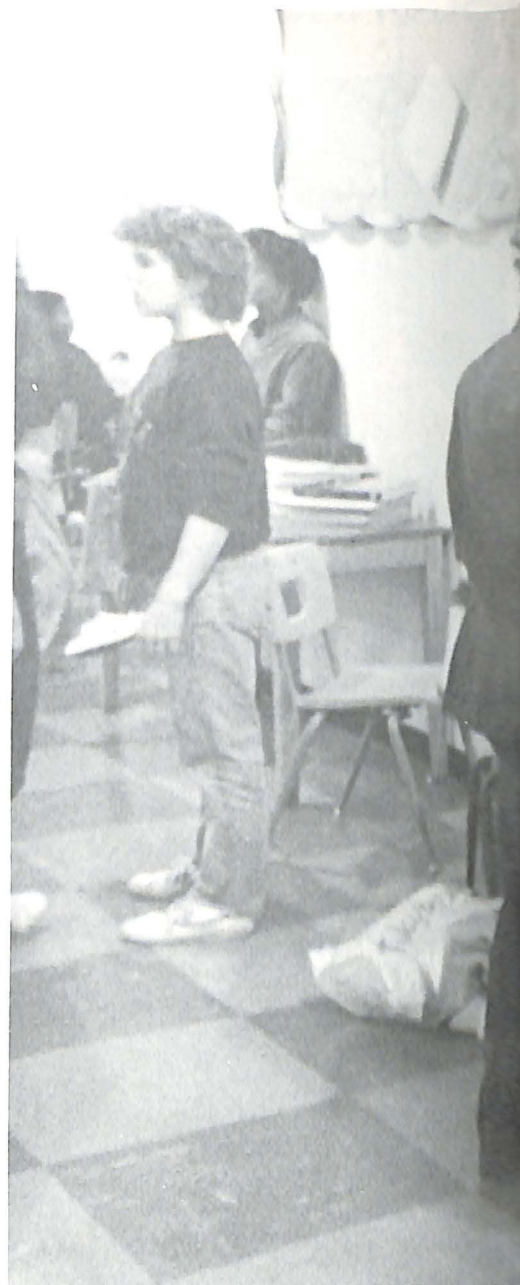

class. Next was the big Christmas Dance. The S.C.A. had a Christmas card exchange in which students at Andrew Lewis could exchange cards with students at Salem High. They also had a play done by the Drama class. A can of food was charged as admission for each student. This food was given to needy families around the area.

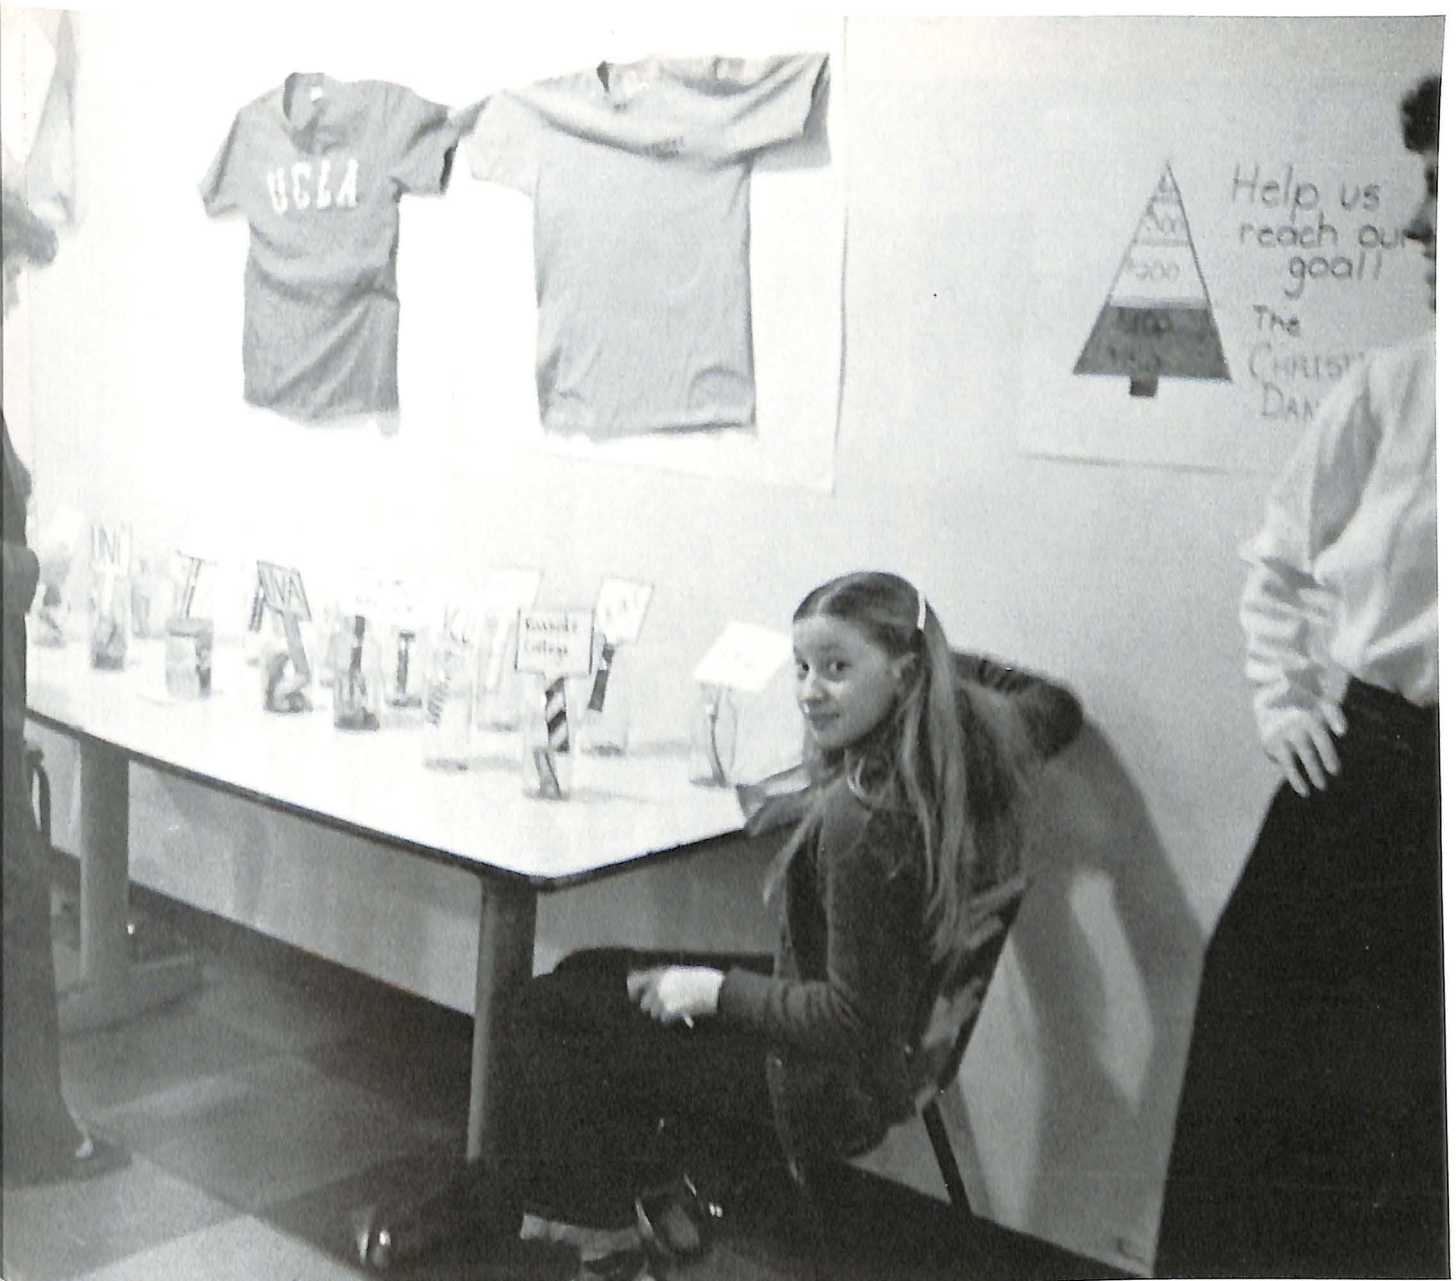

In the spring the S.C.A. had a red and white day; the students wore red and white to celebrate Valentine's Day. On February 17 the Sadie Hawkins Dance took place. The girls invited the boys to the dance. Later on, the S.C.A. and Choir sponsored a talent show, where students showed their many talents. They also sponsored the annual eighth-grade dance.
